Tata Consultancy Services Achieves Oracle PartnerNetwork Cloud Elite Designation

SAN FRANCISCO | MUMBAI, January 31, 2017: Tata Consultancy Services (TCS), (BSE: 532540, NSE: TCS) a leading global IT services, consulting and business solutions organization, and a Cloud Premier-level partner in Oracle's PartnerNetwork (OPN), announced today that it has now achieved the Oracle Cloud Elite designation within the OPN Cloud Program.

"TCS' collaboration with Oracle began in 1987 and today, I'm proud to say that our partnership continues to go from strength to strength, with Oracle having conferred on us the Cloud Elite designation," said Sunder Singh, Global Head of TCS' Oracle practice. "Our continued focus has been on working closely with Oracle to bring to market a comprehensive and innovative portfolio of end-to-end Oracle solution offerings across business functions and key industries."

The OPN Cloud Program's Cloud Elite status is a recognition by Oracle of its most experienced partners, who have demonstrated capability, been endorsed by customers and shown focused investment in Oracle Cloud services and solutions for joint clients.

"TCS' Cloud Elite status is testament to its Oracle investment, wide-ranging global expertise and dedication to delivering the best possible customer experience to our joint clients," said Camillo Speroni, VP Worldwide Strategic Alliances, Oracle. "TCS' Oracle Enterprise Solutions enable companies to benefit from simplified technology landscapes, integrated processes, streamlined operations, and improved agility and performance."

About Oracle PartnerNetwork
Oracle PartnerNetwork (OPN) is Oracle's partner program that provides partners with a differentiated advantage to develop, sell and implement Oracle solutions. OPN offers resources to train and support specialized knowledge of Oracle's products and solutions and has evolved to recognize Oracle's growing product portfolio, partner base and business opportunity. Key to the latest enhancements to OPN is the ability for partners to be recognized and rewarded for their investment in Oracle Cloud. Partners engaging with Oracle will be able to differentiate their Oracle Cloud expertise and success with customers through the OPN Cloud program – an innovative program that complements existing OPN program levels with tiers of recognition and progressive benefits for partners working with Oracle Cloud.
