Tata Consultancy Services Japan, Ltd.

TCS Japan Wins Pega Japan Best Partner Award 2016

TOKYO | MUMBAI, December 22, 2016: Tata Consultancy Services Japan (President & CEO: Amur S. Lakshminarayanan; Minato-ku, Tokyo; TCS Japan) has been recognized by Pega Japan K.K. (Managing Director: Nobuhiko Watanabe; Chiyoda-ku, Tokyo; Pega Japan) with the Pega Japan Best Partner Award 2016. Pega provides customer engagement software available on-premises or in the cloud for marketing, sales, service, and operations.

The Pega Japan Best Partner Awards 2016 recognizes select partner organizations that have delivered on significant business transformation initiatives, driven by Pega applications, for their clients in the Japanese market. Winners are selected based on their contribution to customer projects that improved customer satisfaction and retention, enhanced efficiency in operations, and increased business agility. TCS Japan received the award based on its work enabling a major insurance provider in Japan to achieve its digital transformation goals.

"It gives us great pleasure to recognize TCS Japan's significant contributions to the business transformation of joint-customers, most notably for this large-scale project in the insurance sector. We look forward to delivering great value and success to our customers as we continue to collaborate and deepen our partnership with TCS Japan," remarked Nobuhiko Watanabe, Managing Director, Pega Japan.

Speaking upon receipt of the accolade, Masayuki Nakayama, Senior Vice President - Business Group for TCS Japan, commented that: "We are honored to be recognized with the prestigious Pega Japan Best Partner Award 2016. Through deeper collaboration with Pega, we look to further enhance our delivery structure in Japan so we can address the business transformation needs of even more customers. Building on our experience and achievement in the Japanese market, and harnessing TCS' extensive global knowledge and robust delivery network, TCS Japan endeavors to help drive the globalization and business transformation ambitions of Japanese companies."
