**Notes :**

- 1 The above standalone and consolidated financial results of the Company have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time.
- 2 The above standalone and consolidated financial results have been reviewed by the Audit Committee at its meeting held on August 04, 2026 and approved by the Board of Directors at its meeting held on August 05, 2026. The statutory auditors of the Company have carried out a 'limited review' of these results.
- 3 During the quarter ended September 30, 2022, the Company has received updated Demand Notice of ₹ 21,370 Crores (including interest and penalty computed till November 30, 2021) from the Department of Telecommunications (DoT), Ministry of Communications, Government of India, Gujarat Telecom Circle, Ahmedabad, vide its letters dated July 15, 2022 towards the license fee in respect of "Very Small Aperture Terminal" (V-SAT) License and "Category A - Internet Service Provider" (ISP) License for the financial years from FY 2005-06 to FY 2019-20. Earlier, the Company had also received an initial Demand Notice from DoT dated March 05, 2020 and December 23, 2019 for amounting to ₹ 16,359 Crores and ₹15,020 Crores, respectively (including interest and penalty). The Company has made representations to the DoT against the said demand notices.

The Company has evaluated the assessment made by DoT for raising the above demand notices based on the Adjusted Gross Revenue (AGR) judgement of Hon'ble Supreme Court of India on October 24, 2019. Aggrieved by the above demands, the Company had submitted various representations dated January 06, 2020, February 21, 2020, April 03, 2020 and March 04, 2022 to the DoT requesting reconsideration and withdrawal of the Demands raised by the DoT including the revenues of the Company from Fertilizers and Chemicals Business which is completely unconnected to VSAT and ISP Licenses.

Hon'ble Supreme Court vide its Order dated June 11, 2020 directed DoT to reconsider the demand raised on Public Sector Undertakings ("PSUs"), which are not in business of mobile services to the general public.

The Telecom Disputes Settlement & Appellate Tribunal (TDSAT), in its Order dated 28th February, 2022 in the case of Netmagic Solutions Pvt. Ltd., a private limited company, held that there is no scope to differentiate between two sets of licensees having same or similar Licenses only on the basis of their ownership, private or public and set aside the demand raised by the DoT.

Based on the legal assessment in consultation with Senior Advocates, the Company believes that it has strong grounds on merits to contest the demand raised by the DoT and defend itself in the matter, hence no provision is considered necessary in these financial results. As at reporting date, the Company has not received any further update from DoT regarding these demand notices.

- 4 On November 21, 2025, the Government of India notified the four Labour codes - The code on Wages, 2019, The Industrial Relations code, 2020, The code on Social Security, 2020 and The Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing Labour Laws. During the previous quarter, the Company had assessed the impact of these changes on the basis of internal assessment with guidance provided by the Institute of Chartered Accountants of India. Accordingly, the Company had estimated and recognised past service cost towards incremental obligation in gratuity and leave encashment aggregating to ₹ 3.12 crores based on the best available information and review of the existing wage structure, which is included in Employee Benefits Expense for the quarter and year ended March 31, 2026. The Company continues to monitor the finalisation of Central / State Rules and any clarifications from the Government on other aspects of the New Labour Codes and would provide appropriate accounting effect in the relevant period on the basis of such developments as needed.

- 5 The figures of the preceding quarter ended March 31, 2026 were the balancing figures between audited figures in respect of the full financial year ended March 31, 2026 and the unaudited published year to date figures upto December 31, 2025 being the date of the end of the third quarter of the financial year which were subjected to limited review.

2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' ("Ind AS 34") prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 – "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by The Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of the Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. We draw attention to Note 3 to the standalone financial results regarding the matter relating to demand of ₹ 21,370 Crores (including interest and penalty computed till November 30, 2021) on the Company by Department of Telecommunications (DOT) towards Very Small Aperture Terminal ('VSAT') and Internet Service Provider ('ISP') Licenses fees and interest thereof relating to earlier years. Based on the legal assessment of the said demand in consultation with Senior Advocate, the Company's management is of the view that no provision is required to be made at this point of time in respect of the above matter.

Our conclusion on the Statement is not modified in respect of the above matter.

Commenting on the results, Mr. Rajkumar Beniwal, IAS, Managing Director stated that it gives me pleasure in sharing results for Q 1 FY 26-27.

During Q-o-Q Q 1, Revenue marginally increased mainly due to improved realisation across all of the products, which is partially offset by lower volume in majority of products. Result is decreased mainly due to higher input cost and fixed cost partially offset by better realization.

Y-o-Y Q 1, Revenue & PBT are not comparable due to Annual turnaround in Bharuch complex during Q 1 FY 25-26.

The change in other comprehensive income is attributable to change in the fair market value of both quoted and unquoted investments as well as actuarial assumptions of employee benefit obligations.

The Department of Fertilizers (DoF) has issued Notification dated 30-6-26, according to which the New Energy Norm of Neem Coated Urea ( NCU ) has been fixed at 6.37 Gcal PMT from 1-4-25 to 31-3-28 as against the earlier norm of 6.20 Gcal PMT. As per preliminary assessment, there will be positive financial impact of approximately ₹ 61 crores for Apr-25 to Jun-26 which will be accounted for in Q-2-FY-26-27 after detailed examination.

The revision in fixed cost for NCU is being pursued with the Government at industry level.

Company continues to closely monitor geopolitical developments and are proactively taking necessary actions to safeguard interest of all Stakeholders. The continuing war has changed the equation of value addition as in some cases, there is adverse divergence between feed cost and final output realisation.

He further explained the break down in terms of segment as under:

### Segment Performance:

₹ Crores

#### Quarterly:

#### Segment Revenue:

- On Q-o-Q Q-1, Fertilizer Segment revenue decreased mainly due to lower volume partially offset by higher realization whereas Chemical Segment revenue increased mainly due to higher realization partially offset by lower volume resulting out of geopolitical challenges.

#### Segment Results:

- During Q-o-Q Q-1, Fertilizer Segment loss increased mainly due to higher input cost, one timer income received during Q 4 FY 25-26 & higher fixed cost partially offset by higher realization. While Company continues to be profitable there is relative impact on segment results which is largely attributable to geopolitical challenges.

## Capex Plan:

The Projects under execution at Bharuch are by and large as per schedule although Logistical challenges for international route continue to have its impact.

### Future Road Map:

During current financial year, market study and Detailed Project Report (DPR) exercise are expected to be over in respect of projects under consideration.

### Outlook:

In the current turbulent times, the effort is to protect / enhance the margin, and at the same time, keep meeting customer demand, in spite of margin challenges.

The long term focus continues to be top line and margin enhancement through building pipeline of value added products.

### About GNFC:

GNFC is a joint sector enterprise promoted by the Government of Gujarat and the Gujarat State Fertilizers & Chemicals Ltd.(GSFC). It was set up at Bharuch, Gujarat in 1976.

GNFC started its manufacturing and marketing operations up in 1982 with one of the world's largest single-stream ammonia-urea fertilizer complex and gradually expanded in chemicals.

Today, chemicals form significant segment of revenue and key contributor of segment results.
