Dear Sir/Madam,

With reference to your letter received by us through email dtd. 04.06.2018 following are the clarification on the financial results submitted on 30.05.2018:-

1) Financial results not submitted within 30 minutes from end of board meeting.

The delay was because the file should have been uploaded in machine readable format. The conversion of our scanned document to machine readable format took some time for our CS who has joined newly. Hence the file could not be uploaded within 30 minutes from the board meeting. We ensure that similar issues will not be repeated in future.

2) Financial results submitted is not as per format prescribed by SEBI.

In this matter we have to state that the note was inadvertently missed out and the following note is to be inserted along with the notes of financial result submitted on 30.05.2018

The figures for the three months ended 31st March, 2018 and corresponding three months ended 31st March, 2017 are the balancing figures between the audited figures in respect of the full financial year and the year to date figures upto the third quarter of the respective year.

We request you to take the above information on record.

Thanking you.

Yours truly,

For Tree House Education & Accessories Limited
