Sub: Disclosure under Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

Pursuant to the provisions of Regulation 30 read with Para B of Part A of Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), we hereby inform you that **M/s Sustainquest Private Limited** (the "Company"), a wholly owned subsidiary of Rockingdeals Circular Economy Limited, has entered into a Mutual Business Agreement ("Agreement") with **M/s. Quoodo Food & Beverages India Private Limited** (the "Supplier").

Sustainquest Private Limited is a wholly owned subsidiary of a listed company engaged in an asset-backed inventory procurement and distribution model. The Company procures products directly from established manufacturers and brands, including Mawana Foods, Jivo and Uttam Sugar Mills, and distributes them across high-growth quick-commerce and HoReCa channels. Its customer and fulfilment network includes leading platforms such as Zepto, Swiggy Instamart and Flipkart, along with premium hospitality customers including Oberoi Hotels, Trident and EIH properties. Supported by its parent company's balance sheet and an expanding warehousing and inventory infrastructure, Sustainquest is positioned as an organised supply-chain intermediary connecting established consumer brands with modern retail and institutional customers.

Quoodo Food & Beverages India Private Limited operates in the food and beverage segment and markets the "AMRUT FRESH" beverage portfolio in India. The portfolio covered under its arrangement with Sustainquest includes 100% coconut water, coconut water blended with fruit juices, and sparkling flavoured juice drinks. The Agreement also states that the "AMRUT FRESH" trademark belongs to Quoodo Food & Beverages India International Private Limited, identified therein as the parent company of Quoodo Food & Beverages India Private Limited.

Sustainquest Private Limited and Quoodo Food & Beverages India Private Limited have entered into a commercial distribution arrangement pursuant to which Quoodo Food & Beverages India Private Limited has appointed Sustainquest Private Limited as the Super Stockist for its "AMRUT FRESH" range of beverages for the territory of Haryana and Delhi/NCR for a period of seven (7) years, effective from September 08, 2026. The duly executed Agreement was received by Rockingdeals Circular Economy Limited on September 15, 2026.

Under the arrangement, Quoodo Food & Beverages India Private Limited acts as the product/brand-side supplier, while Sustainquest Private Limited undertakes the stocking, warehousing, market development and distribution of the AMRUT FRESH portfolio within the assigned territory. Sustainquest may also appoint distributors, sub-distributors or channel partners within the territory and is responsible for maintaining the availability of the products across key sales channels. Quoodo, in turn, is responsible for supplying products to Sustainquest's warehouse and providing the agreed promotional and sales support.

The arrangement therefore complements Sustainquest's existing asset-backed inventory distribution model, under which it procures and distributes consumer products across quick-commerce, HoReCa and other institutional channels. The appointment enables Sustainquest to add the AMRUT FRESH beverage portfolio, comprising, inter alia, 100% coconut water, coconut water with fruit juices and sparkling flavoured juice drinks, to its distribution network in Haryana and Delhi/NCR.

The details as required under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with Para B of Part A of Schedule III and SEBI Circular No. HO/49/14/14(7)2025-CFD-POD2/I/3762/2026 dated January 30, 2026, are also enclosed herewith as **Annexure-A**.

Kindly take the above information on record.
Thanking you.
Yours faithfully,
For and on behalf of
