Management view : Shashin Patel - Chairman said that "With the reduction in interest rate during last couple of years due to refinance of debt in 9 SPVs out of 11 operational SPVs, we have seen finance costs has reduced by Rs. ~ 30 crs y-o-y. Now this along with healthy growth in traffic volume has led to increase in cash profits by Rs. ~ 59 crs y-o-y i.e. by 223.54%. With pick-up in economy, we expect traffic growth to increase in double digits which we have seen in past also. We have utilized part of the cash profits towards debt repayment and part towards equity infusion in under-construction HAM projects. We expect very healthy traffic growth in the coming period also.
