Sensex, Nifty extend gains for second straight day

PRESS TRUST OF INDIA
Mumbai, July 16

SENSEX ON TUESDAY rose by 234 points, extending gains for the second straight day as index major Reliance Industries, Yes Bank and Tata Motors advanced.

The 30-share index closed at 39,131.04 points, showing a rise of 234.33 points or 0.60%. It touched an intra-day high of 39,173.89 and a low of 38,845.27 during the day.

Yes Bank was the biggest gainer in the Sensex pack, rallying 11.48% amid reports that private equity firms have showed interest in buying a major stake in the private sector lender. Tata Motors jumped 5.53% after reports suggested that its British brand JLR has secured a loan guarantee from the UK government.

Sun Pharma, NTPC, PowerGrid, Tata Steel, Axis Bank, L&T, HUL, Asian Paints, RIL and SBI rose up to 2.57%.

Infosys rose by 0.71%, continuing its rise for a second day after its quarterly results.

Among others, Dewan Housing Finance rebounded by 4% after a massive selloff on Monday. The company stressed that it was working with stakeholders and creditors to ensure resolution of liquidity issues, without any haircut to the lenders.

"Indian markets are showing resilience as we move into earnings season," said Sunil Sharma, chief investment officer, Sanctum Wealth Management.

The market has clearly factored in dismal earnings, but is cheering the decline in interest rates, improving liquidity as well as incremental positive news on resolution of some of the large stressed assets, he pointed out.

"Investors seems to take comfort from positive data from RBI on India's services export receipts which grew 15.5% in May-19," Narendra Solanki, head, fundamental research (investment services) - AVP Equity Research, Anand Rathi Shares & Stock Brokers.

BSE mid-cap and small-cap indices followed benchmarks, closing up to 0.69% higher.

Sebi provides new format for compliance report on corp governance

PRESS TRUST OF INDIA
New Delhi, July 16

SEBI ON TUESDAY came out with a new format for compliance report on corporate governance to be submitted by listed companies to stock exchanges.

In a circular, the regulator prescribed new format for disclosures to be made on quarterly basis, annual basis for the whole of financial year and within six months from end of financial year that can be submitted along with second quarter report.

"In view of the revised timelines under the amended regulations, the circular shall come into force with effect from the quarter ended September 30, 2019," Sebi said.

The regulator, in September 2015, had asked listed firms to submit compliance report on corporate governance in a prescribed format with disclosures pertaining to composition of board of directors as well as the committees and their respective meetings, among others.

However, requisite amendments were made in Sebi (Listing Obligations and Disclosure Requirements) Regulations, 2015 to implement the recommendations of committee on corporate governance.

Thereby, "some of these amendments necessitate changes to the format of the quarterly compliance report", Sebi noted.

Nomura raises Nifty target to 12,900 by March '20

BHARADWAJ SHARMA
Mumbai, July 16

NOMURA HAS INCREASED its March 2020 target for Nifty50 to 12,900 as it expects the market to get valuation support from lower bond yields.

Steps taken by the government and the Reserve Bank of India (RBI) to infuse liquidity in NBFCs should allay concerns over escalation and a deeper economic slowdown, it said.

The fall of both the Sensex and Nifty indexes over the last one month has been majorly due to concerns over corporate earnings, general slowdown in economic growth, exports and also in consumption. Additionally, India is the only market in the world to yield negative returns over the last one month.

Despite the recent carnage

in the markets, Saion Mukherjee, head of India equity research at Nomura, is constructive on markets from one-year perspective. "The quantum of issues that markets dealt with earlier were bigger issues, but now the issues are smaller," he said.

According to Nomura, the NBFC crisis and its repercussions were the major factors making the markets nervous before the Budget and after the elections.

Nomura has re-rated Indian markets, saying that softening of bond yields and steps taken to tackle the crisis at NBFCs will help valuations. The government will infuse liquidity into NBFCs and this should allay concerns on escalation and a deeper economic slowdown. If the Budget proposal of increasing shareholding to 35% from 25% is approved, the markets would see an increase in the weighting of stocks in benchmark indices, ultimately attracting greater foreign inflows of capital, it said.

"We are not falling from the cliff, instead we are going to the base and from there we will recover. In September or October, we could sense the recovery. Towards the latter half of the year, we will see recovery of broader markets," Mukherjee said.

According to him, there is a gradual recovery and a broader fall in cost of capital and this lays a foundation for a good equity market from a one to two year perspective. "As we approach next few quarters, the worst in terms of growth would be behind us and things should start looking better from there on," he said.

Nomura's Nifty target is 12,900 by March 2020.

In the last four-five years, corporate earnings have been quite sluggish. "It's a gradual recovery. If there is a GDP slowdown further, there is a problem," warns Mukherjee.

The brokerage is overweight on financials, infrastructure, healthcare and pharmaceuticals, while it's underweight on auto and consumer.

Nomura further said infrastructure- and exports-led companies could replace the consumer theme in coming years.

NSUI protests MU's move to invite Aaditya for inauguration of Kalyan sub-centre

ABHA GORADIA
MUMBAI, JULY 16

THE STUDENT wing of the Congress, National Students Union of India (NSUI), staged a protest at Mumbai University's Kalina campus on Tuesday, condemning the decision of Shiv Sena leader Aaditya Thackeray inaugurating the university's School of Engineering and Applied Sciences at the Kalyan sub-centre.

Even as Vice-Chancellor Dr Suhas Pednekar was not present on the campus, students protested outside his office at Ambedkar Bhavan, forcing security to barricade the entrance to the building. The protest, which started around 2 pm, saw close to 50 students.

Students also protested the move by police to reserve the university's guesthouses for "rebel" Congress MLAs from Karnataka. "There are state guesthouses too. Why use the facility of an academic institution for political activities?" asked Ajay Mishra, city vice-president, NSUI.

The students also questioned the varsity's move to appoint Ajay Deshmukh as the registrar despite allegations of corruption against him.

Nikhil Kamble, national secretary, NSUI, said, "Mumbai University is an autonomous body and should work accordingly. Dr Suhas Pednekar has been acting as an agent of the Shiv Sena and the government."

Kamble added, "Is Aaditya Thackeray a councillor, an MLA, a corporator or a minister? The Congress government had proposed and granted permission to start Kalyan campus, so why did MU not invite the former CM for the inauguration?"

The NSUI delegation led by Kamble, Mishra, Arif Sayed, Shams Khan, and Vijay Sharma met Dr Vinod Patil, director of Board of Examinations and Evaluations.

A statement by the NSUI said, "Patil assured the NSUI that the university will try and avoid political activities. University will not invite any political leader at a future academic programme. University will initiate a departmental inquiry against the official who granted permission to police to keep detained Congress party leaders. And the university will give a written report to the NSUI against the allegations on MU registrar Dr Ajay Deshmukh."

An MU official told *The Indian Express*, "The guesthouses belong to the central government's Indian Council of Social Science Research, and police do not seek the university's permission for using them. While the original choice of guest for the inauguration was Minister Vinod Tawde, Aaditya Thackeray was invited in cognisance of his effort towards getting the varsity's sub-centres activated."

HC STRIKES DOWN CRZ CLEARANCE TO PROJECT

BMC to move SC today, work on stretch stops

EXPRESS NEWS SERVICE
MUMBAI, JULY 16

EVEN AS the Brihanmumbai Municipal Corporation (BMC) is set to move the Supreme Court against the Bombay High Court's decision to set aside the environmental clearances granted to its ambitious Coastal Road project, work came to a halt behind the yellow barricades propped up along the sea in South Mumbai.

"We (BMC) will move a petition against this (Bombay High Court) order on Wednesday. Also, we will request the (Supreme) Court to expedite the matter and vacate the stay (on construction) granted by the high court. The civic body will incur loses of about Rs 10 crore per day with this stay. We have stopped all activity on the site to avoid any contempt," R S Kuknoor, Deputy Municipal Commissioner, BMC, and in-charge of the Coastal Road project, said.

Meanwhile, environmentalists and activists have hailed the high court's decision, which they felt had validated their contention that the project, aimed at decongesting the city's roads, was not in the interest of the environment.

City-based architect and a petitioner in the case, Shweta Wagh, said: "The HC has acknowledged the ecological sensitivity of the area and also impacts on artisanal fishing practices. It's disappointing though that the CRZ amendment has been upheld."

Another petitioner, Debi Goenka of Bombay Conservation Trust, said: "The High Court has upheld our contentions that environmental and wildlife clearances were required, and that the CRZ clearance was granted without proper application of mind."

Civic body is constructing 9.96-km of the Coastal Road from Princess Street to Worli end of the sea link. The Coastal Road will be made on reclamation land, and would pass through underground. Activists had opposed the move alleging that it could prove disastrous as it will cause irreversible damage to western coast and marine biodiversity. Fishermen had also expressed concern that reclamation will deprive them of their livelihood as it would destroy the fishing areas.

Fisherman from Worli Koliwada, Harishchandra Nakhawa, also a petioner in the case, said, "We don't want this project. We need our sea and fishing areas as it is. Also, we don't need compensation or any job offer from the BMC. The project should be scrapped."

Congress, NCP and MNS workers protest in front of the BMC office on Tuesday after an 18-month-old boy fell into a open gutter at Goregaon East last Wednesday. His body is yet to be recovered. *Amit Chakravarty*

GIRL 'MOLESTED' IN VIRAR SOCIETY

Residents set to be booked for assault of accused guard

GARGI VERMA
MUMBAI, JULY 16

A DAY after a 22-year-old security guard was stripped and assaulted by the residents of a society in Virar West for allegedly molesting a six-year-old girl, the police are in the process of registering an FIR against the residents.

The guard, who was discharged from a private hospital on Tuesday evening, has been accused of molesting the girl when she was returning from her tuition classes on Sunday. "While the girl's mother approached the police, the society residents beat him with shoes, slippers and bats. They also stripped and paraded him. We rescued him and took him to a private hospital," said a police officer.

A senior inspector said: "He has broken limbs and injuries around his eyes and skull. However, once the doctors gave him a fitness certificate, we brought him to the police station and took his statement. The process of registering an FIR against the society residents, who assaulted him, is underway."

The guard, hailing from Bihar, had moved to Virar a couple of years ago and had no immediate family here, the police said. "In the beginning, he used to stay with his cousin. Then he started working as a security guard and used to live on the society premises," an officer said.

The girl's mother had alleged that the man followed her daughter to their house and touched her inappropriately on the stairs.

"We are trying to get all the CCTV camera footage from the area to find out how long he was missing from duty and why he followed the girl. He has been booked under Protection of Children from Sexual Offences Act. But the residents should not have taken the matter in their own hands," the officer said.

"By the time we rescued him, he was unconscious. We are investigating all angles," a senior officer said.

Man dies as oxygen cylinder explodes

EXPRESS NEWS SERVICE
MUMBAI, JULY 16

A 35-YEAR-OLD man died while an oxygen cylinder that he was unloading at a shop exploded in Vikhroli on Tuesday morning.

The police said the incident took place when the deceased, Pannalal Yadav, was unloading the oxygen cylinder around 9.30 am in the Islampura area of Vikhroli (West). Such was the impact of the blast that Yadav's limbs were blown to smithereens and an auto parked across the road was damaged.

Yadav was employed at the Bombay Gas Suppliers Private Limited in Vikhroli.

"The cylinder exploded suddenly and Yadav lost his hands and legs. Two persons, including a college student, who were walking by the road, sustained minor injuries," said Suresh Gupta, Indian National Trade Union Congress' (INTUC) Mumbai president.

"I will write to the CM and the Mumbai Police commissioner seeking action against the shopowner. With so many residential premises in and around the area, the lives of so many people are being put at risk," he added.

An officer from Parksite police station in Vikhroli said negligence may have led to the accident.

"We will most likely register an FIR," he added.

'RSS activism at grassroots played major role in Lok Sabha polls'

EXPRESS NEWS SERVICE
MUMBAI, JULY 16

EVEN AS the 2019 Lok Sabha elections signalled a popular leader powering his party to victory, the 'Modi Wave' narrative could be premature, said political scientist Tariq Thachil.

Thachil was speaking at a talk titled 'Why poor vote for elite parties' hosted by the School of Development Studies at Tata Institute of Social Sciences on Tuesday.

The Sewa wing of the Rashtriya Swayamsevak Sangh (RSS), which has been active for years at the grassroots in the Hindi heartland, has also played a major role in the elections. This is a major reason why 33 per cent Dalit voters voted for the BJP, said Thachil.

Sewa outfits of the RSS such as Sewa Bharati And Vanwasi Kalyan Ashram have played a major role in the 1990s and early 2000s in increasing the BJP's presence among Dalits and adivasis.

Thachil, an associate professor of political science at Vanderbilt University, has also authored a book titled Elite Parties, Poor Voters, examining the rise of the BJP among poor voters in India.

"It is hard to isolate the BJP's win from the important structural advantages that the party enjoys. The most obvious is money. The Association for Democratic Reforms, an independent election think tank, tracked the incomes of India's seven largest political parties in 2017-2018. They found that the BJP's income from donation was more than twice the combined income of the other six parties," said Thachil.

Thachil added that while the role of the RSS may be changing, it did not seem that it was losing its clout. "Modi has repeatedly stated that he is committed to the RSS and his history is personally rooted in the RSS. This is in some way a consolidation of the RSS in the BJP. It would be a mistake to assume that the BJP doesn't benefit from the RSS. Before, the RSS had a lot of leverage which is now equally commanded by the BJP," he said.

Water level in dams reach full capacity, alert issued in Thane, Palghar villages

GARGI VERMA
THANE, JULY 16

A DAY after the BMC issued a notice to Thane and Palghar district authorities over the possible overflow from Tansa and Modaksagar dams, Thane district collector on Tuesday issued an alert to the local authorities and villages falling in the catchment and overflow regions of the dams.

While the villages are safe and no evacuation has been ordered, people have been asked to stay away from the water bodies and the catchment area of the dams.

Thane collector Rajesh Narvekar said the letter alerting the tehsildars and other local authorities of Bhiwandi and Shahpur was issued on Tuesday. "Following the information from BMC about the dams nearing their full capacity, we have alerted the local administration to be alert and to create awareness. Residents of the villages that fall in catchment and overflow regions are being asked to not go near the water bodies. We have also asked the regional administration to keep a check on the situation," he said.

On Monday, the BMC had issued a list of villages in Palghar and Thane that may face danger if rainfall continued to pound the city and lead to the overflow of the dams.

Nine villages in Shahpur and as many villages in Bhiwandi taluka were on the list.

"It is an annual process, the only complicating factor is the amount of rain in catchment area while releasing the water. However, we alert the villages in order to avoid any unforeseen events. It is not a panicking matter," an officer from the irrigation department said.

WALL COLLAPSE

Kurar toll now 30

EXPRESS NEWS SERVICE
MUMBAI, JULY 16

THE TOLL in Kurar wall collapse rose to 30 on Tuesday after a 23-year old man died due to multiple fractures at Nair Hospital.

Abhijeet Gade, who was injured in the incident, was recently admitted to the hospital after being shifted from Shatabdi hospital. R N Bharmal of Nair Hospital said Gade died around 8 pm.

On July 2, a portion of a concrete wall of a BMC reservoir had collapsed injuring 132 people in Ambedkar Nagar and Pimpri Pada at Kurar village in Malad. The wall collapse, causing excess water to flood the settlement, destroyed over 65 huts in Pimpri Pada and twice the number of huts in Ambedkar Nagar.

A survey by the forest department, collector's office and Slum Rehabilitation Authority is underway to identify all huts that fall under risk of getting hit by the stretch of wall, officials said.
