EXPLANATORY STATEMENT

Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 (hereinafter referred to as the "Act")

SCI has traditionally followed a "shipyard to scrapyard" policy for its vessels. Thus, SCI has been operating the vessels to their full economic life and at time even beyond economic life depending on the market requirements and economic viability. However, due to the changing dynamics of the market and the level of competition experienced, a need is felt to evaluate the SCI fleet composition and have the flexibility of considering sale of vessels as a strategic decision. Such a decision may also be required to be taken in cases where continued operation of a particular type of ship is not economically viable in immediate future.

It may also be noted that in order to have flexibility in asset trading, SCI at times may have to take decision for sale of a ship which may be economically viable in the long term but is not fitting into overall business plan of SCI or in cases where infusion of funds is required to tide over the cash flow crunch or to invest sale proceeds from one type of ship in other types/ other projects or to take advantage of the high asset prices for a particular ship type which will offer an opportunity to make profits on sale of ship or when operation of the ship is economically not viable in the short term etc.

Article 150(2)(d) of the Articles of Association of the Company is restrictive in respect of asset trading whereby approval of the President of India is required for sale of ships which are economically viable. Therefore, members' consent is being sought for amending the said clause of the Articles of Association in order to remove reference to "economic viability of ships" therefrom.

None of the Directors and key managerial personnel of the Company or their respective relatives are concerned or interested in the Resolution mentioned in the Notice.
