Dear Sir,

This is to bring to your kind attention that our one of the unit located at Plot No. V-10, MIDC, Talaja, near Navi Mumbai Dist. Raigad, Maharashtra has been allotted Good Laboratory Practice Certificate which is on same line as Organization for Economic Co-operation & Development Certificate (OECD). With this Sharon can do Toxicity & Mutagenicity Studies and Analytical & Clinical Chemistry Testing.

This will help Sharon to help big Pharma, Chemical & Agro companies to do research in their fields. Sharon will do the studies and testing in its laboratory for the companies all over the world which will improve the overall margins of the company.

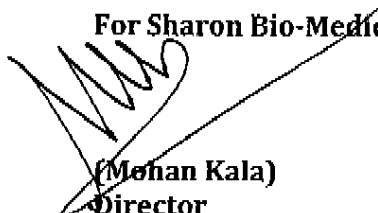

Further, in last 6 months our other unit located at Sellaqui, Dehradun has got UK MHRA and also another unit located at L-6, MIDC Talaja, Maharashtra has got EDQM. All these certifications / approvals will help company to sell its products in regulated countries.

This is for your information and records.

Thanking you,

Your's truly,

For Sharon Bio-Medicines Limited
