Sub: Outsourcing of manufacturing activities carried at plant situated at UV-246, Phase - IV, Udyog Vihar, Gurgaon

The Company carries out its manufacturing operations from the plant situated at UV-246, Phase - IV, Udyog Vihar, Gurgaon. The manufacturing operations of repeater division were consistently dropping with diminishing profitability due to stiff competition. In the last few quarters, the size and quantum of the manufacturing operations even did not justify the manpower and space which we were occupying of the same premises. The Company has vacated the said premises and resolve to outsource the manufacturing operations.

The said intimation is in compliance to clause 36 and it is requested to kindly take the same on record.

Thanking You

Yours Sincerely
