Skipper Limited wins New Orders of Rs 797 crores

Kolkata, September 23rd, 2026: Skipper Limited (BSE: 538562) and NSE (Symbol: SKIPPER), one of the world's leading manufacturers for Power Transmission & Distribution structures and a major EPC player in 765 Kv transmission lines and substation, is proud to announce that it has secured fresh new order of ₹ 797 crores for Domestic & International Power T&D projects.

New Order Details

The Order wins comprise:

- **Secured export orders for the supply of transmission towers and monopoles for Power T&D projects in Australia**
- **Secured a domestic 765 Kv transmission line project from a reputed domestic developer**

Director Speaks

Commenting on the release, Mr. Sharan Bansal, Director of Skipper Limited, said: " The receipt of new orders aggregating to ₹797 crore across both domestic and international markets further strengthens our presence in higher-voltage transmission infrastructure and reinforce our focus on technically complex T&D projects. We are particularly encouraged by the growing traction in our international business, with developed markets such as Australia gaining momentum. Our expanding presence in these markets, supported by our capabilities across high-voltage transmission structures and solutions, provides an opportunity to participate in larger and more technically demanding projects. These wins further diversify our order portfolio and are aligned with our strategy of increasing our presence in developed international markets while building a globally competitive T&D business."
