## SLONE INFOSYSTEMS LIMITED

### PRESS RELEASE

Mumbai, 22<sup>nd</sup> December 2025

#### **Slone Infosystems Limited empaneled as Business Partner with ITI Limited (A Government of India Undertaking)**

Slone Infosystems Limited (NSE: SLONE) ("the Company"), engaged in the business of providing end-to-end IT hardware solutions in India, is pleased to announce that it has been empaneled as a Business Partner with ITI Limited, a Government of India Undertaking, vide empanelment letter no. ITI/CORP/MKTG/Empanelment Letter dated 19<sup>th</sup> December 2025.

Slone Infosystems Limited specializes in the sale and rental of laptops, desktops, servers, networking equipment, and the delivery of customized IT services across India. This empanelment marks a significant milestone in the Company's growth journey and further strengthens its presence in the government and public sector ecosystem.

As per the empanelment letter, the Company has been empaneled under the following category:

- Class: C
- Category: **IT Networking and Management**

The empanelment shall remain valid up to 18<sup>th</sup> December 2026, with a provision for extension based on mutual agreement between the parties.

This strategic empanelment enables Slone Infosystems Limited to participate in business opportunities and tenders floated by ITI Limited in the above-mentioned category. The association not only opens new revenue avenues but also reinforces the Company's credibility as a trusted IT infrastructure partner capable of executing large-scale, mission-critical projects.

This development underscores Slone Infosystems Limited's commitment to delivering scalable, reliable, and future-ready IT solutions, positioning the Company at the forefront of India's evolving digital and networking infrastructure landscape.

#### **Management Commentary**

Commenting on the empanelment, Mr. Rajesh Khanna, Managing Director & Chairman of Slone Infosystems Limited, said:

*"We are delighted to be empaneled as a Business Partner with ITI Limited, a prestigious Government of India undertaking. This association is a testament to our technical capabilities, execution strength, and consistent focus on quality delivery. We believe this empanelment will open new growth opportunities in the government and public sector domain and further strengthen our position as a reliable IT solutions partner. We remain committed to supporting India's digital infrastructure growth with innovative, scalable, and efficient technology solutions."*
