SONATA SOFTWARE

Sonata Software to showcase its award winning travel technologies at the PATA Travel Mart 2015 being held at Bengaluru

Bengaluru, September 4th, 2015

Sonata Software, a leading technology services and solutions company, today announced its participation as an exhibitor at the prestigious PATA Travel Mart 2015 event being held from August 6th to 8th 2015 in Bengaluru.

At the event, Sonata will showcase "Rezopia", an award-winning cloud based travel technology platform that has helped travel companies to manage reservations, contracts, operations and distribution management on a single SaaS platform. This helps travel providers to scale revenues, optimize costs and enhance customer experience with next generation travel technology. Sonata also brings in its expertise in travel technology areas of Omni channel commerce, Mobility and Analytics to extend Rezopia's functionalities.

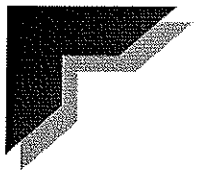

Sonata has a decade long experience in providing travel solutions to some of the leading Tour Operators, OTAs, Airlines and Corporate Travel across the globe. Sonata's customer specific Centers of Excellence helps in delivering excellent value through increased customer focus and collaboration, adoption of best practices and enhanced productivity. Sonata has strategically acquired Rezopia, a SaaS based travel platform, in 2014, to strengthen its travel portfolio and getting 'Future Ready' - by investing in industry specific platform solutions.

"Seamless travel experience is the emerging trend for the travel industry as identified in the PhocusWright 'Travel Innovation and Technology Trends 2015' report, sponsored by Sonata. We are committed to helping business leaders achieving this goal through a wide array of travel technology solutions. Rezopia is an example of our investments and building more seamless travel technology platforms towards the end" said Bernaad Chetty, AVP, Sonata Software.

PATA Travel Mart 2015 is hosted by the Department of Tourism, Government of Karnataka, and will take place in Bangalore, India. The event houses travel professionals from around the world to do face to face business. PATA Travel Mart is a signature event & premier travel trade show in the Asia Pacific region.

About Sonata Software

Sonata Software is a global IT services firm focused on catalysing transformational IT initiatives of its clients through deep domain knowledge, technology expertise and customer commitment. The company delivers innovative new solutions for Travel, Retail & Consumer Goods and Software Product Companies by integrating technologies such as Omni-channel commerce, Mobility, Analytics, Cloud and ERP, to drive enhanced customer engagement, operations efficiency and return on IT investments.
