Sub: Export Order for Tractor wheels from NTI (Thailand) Co. Ltd.,

Dear Sir,

SSWL is glad to announce that it has bagged a prestigious export order from NTI (Thailand) where supplies would ultimately go to Siam Kubota Corp Ltd (SKC) for their new tractor project. The order is for supplying tractor wheels for their Chonburi production facility.

It will involve development of 2 new wheels from our Dappar plant which will be applied on a new Tractor model of Kubota. Mass supplies are expected to start from June 2016. The total expected volume from this program over a period of 5yrs is 42,000 tractor wheels. The total order value of the program will be about USD 3 Mln.

We have been in strong business relationship with NTI and SKC since last 7 years and this new business only reflects their level of trust in SSWL's capabilities.
Kindly take the same on your record please.

Thanking you.

Yours faithfully,

For Steel Strips Wheels Limited
