Limited Review Report

To

The Board of Directors,
Sujana Towers Limited,
Hyderabad.

We have reviewed the accompanying statement of unaudited financial results of **Sujana Towers Limited** for the quarter and six months ended 30.09.2015 except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been audited by us. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors/ Committee of Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with the Accounting Standards issued under the Companies (Accounting Standards) Rules, 2006, which continue to apply as per Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014, and other recognised accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement with Stock Exchanges, including the manner in which it is to be disclosed, or that it contains any material misstatement.
