SURYA ROSHNI ANNOUNCED Q3 FINANCIAL RESULTS

Surya Roshni Limited, the second largest manufacturer of lighting goods and the largest GI pipe manufacturer in the country, has declared its Un-audited numbers for the Quarter / Nine months ended 31st December, 2014 at its Board Meeting held on 13th February, 2015.

The Company has achieved growth of 6% in turnover of Lighting Division as compared to the last Quarter and Profit before tax of the Division is also increased by 6%

The sale & profitability of steel pipe division remains stable during the Quarter in spite of continued downtrend in the prices of steel.

The overall turnover of the company for the current quarter under review is marginally increased by 2%, Profit before tax by 13% and Profit after tax by 15% as compared to last quarter.

Contd...2

The LED turnover has been doubled in the current quarter as compared to last Quarter and company expects that the contribution from LED segment shall continue to increase on Quarter to Quarter basis. The company expects that in next three years 30% turnover of lighting segment will come through LED Lighting. Further, sales of luminaries segment is also substantially increasing within the lighting division.

In the steel pipe segment, the share on sale of square and rectangular GI pipes introduced by the company, is also increasing on Quarter to Quarter basis.

Furthermore, the fans and home appliances as launched by the company are well accepted by the market and turnover of the same are increasing by Quarter to Quarter basis.

The Board of Directors in its meeting has given their nod to venture into business of Solar Power based Lighting Systems for rural & urban use.

The Government initiatives towards making of 100 Smart Cities and increased spending on infrastructure projects shall generate good business opportunities for both lighting & steel pipe divisions in the time to come.
