

TAKE Solutions Included in Supply & Demand Chain Executive's 2012 for the second consecutive year

Leading Business Magazine Presents "100 Great Supply Chain Projects"

Chennai, May 10, 2012- TAKE Solutions Ltd. [BSE: 532890 | NSE: TAKE], a leader in the Life Sciences and Supply Chain Management domains, today announced, its place in the 11th annual listing of the "Supply & Demand Chain Executive 100 of the Supply & Demand Chain Executive Magazine".

The executive's user manual for successful supply and demand chain transformation, highlighting "100 Great Supply Chain Projects," and TAKE Solutions has once again been selected by the magazine for the prestigious list. TAKE is recognized for helping Midmark Corp., a leading medical equipment company enabled with enterprise mobility, control and visibility of warehouse pick-confirm through mobile data collection and workflow automation. Last year, TAKE Solutions was recognized in the sourcing/procurement category for helping, Baker Hughes, Inc., a leading oil and field services Company enable end-to-end agility, control and visibility of procure-to-pay (P2P) processes through online supplier integration.

"We thoroughly enjoy delivering solutions that challenge and transform how our customers use and benefit from supply chain technologies," said Matt Walker, EVP Supply Chain, TAKE Solutions. He added, "We remain dedicated to improving increasingly complex global supply chains, and are proud to be honored by this distinction."

Launched 11 years ago, Supply & Demand Chain Executive announced its first "100" list of supply chain solution providers, consultants and other organizations that were helping lead the way in transforming companies' supply and demand chains. This year, the magazine focused the criteria for its "100" feature on supply chain transformation projects that have had a significant impact on the company's going through the implementations.

"Our goal with this year's '100' is to put the spotlight on successful and innovative transformation projects that are delivering bottom-line value to small, medium and large enterprises across the different functions that comprise the supply chain," said Barry Hochfelder, Editor of Supply & Demand Chain Executive. He added, "The projects featured in the '100' article can serve as a roadmap for supply chain executives looking for new opportunities to drive improvement in their own operations."

The complete listing of the 2012 Supply & Demand Chain Executive 100 award winners is available at www.SDCExec.com. Extended coverage of the SDCE100 will appear in the June 2012 issue of Supply & Demand Chain Executive magazine and online thereafter.
