PRESS RELEASE

TATA METALIKS' PRODUCTION CROSSES 0.50 MILLION TONNES - AN INDUSTRY RECORD

Tata Metaliks has reported an impressive PBT of Rs. 50.65 crore for the financial year ended 2009-10, as compared to losses of Rs. 165.46 crore incurred by it during FY 2008-09. The Company produced 506,301 MT of hot metal for the FY ended 2009-10 compared to 386,685 tonnes of hot metal, during the corresponding period of F.Y.'08-'09, which is the second highest production in the history of TML.

The despatch during the reporting period was 484,494 tonnes of prime Pig, as compared to 378,966 tonnes during the preceding year.

The financial results for '09-'10 fiscal were approved by the Board at its meeting held on May 7, 2010.
