Re: News item in the Business Standard dated September 7, 2017 captioned “Workers’ protest for pay hike at Tata Motors’ Jamshedpur plant continues”

With reference to your email dated September 7, 2017 seeking clarification/confirmation in respect of the above news item, we would like to inform that the information is not considered material as required in the regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as the said protest was limited to a very small section of temporary workers at Jamshedpur works and there will be no loss of production for the month.

The statement carried in the media is incorrect. We would like to clarify that production at Jamshedpur is going on. A section of temporary workers instigated by some vested interests had staged a protest. In our continued commitment to maintain cordial relations with the workforce and in the long term interest of the organisation, the Company has successfully concluded its discussions with the concerned workers. These workers have ended the protest and the matter stands resolved.

This is for the information of the exchange and the members.

Yours Faithfully,
Tata Motors Limited

H K Sethna
Company Secretary
