Dear Sirs,

This has reference to your communication regarding the fire which broke out at the 4,000 MW Ultra Mega Power Project at Mundra, which is owned by an unlisted subsidiary of the Company viz. Coastal Gujarat Power Limited (CGPL).

The coal handling plant at CGPL, Mundra had an occurrence of fire in the coal conveyor gallery on 14th November 2013. Coal feeding to the plant was impacted due to fire and the repair works that followed. Restoration of the impact of fire on conveyor was achieved on 20th November 2013. The Company has processed the insurance claim as per coverage. The alleged financial loss of ₹ 205 crore indicated in your communication is grossly exaggerated.

Yours faithfully,
The Tata Power Company Limited
