Dear Sirs,

Clarification on news item appearing in the media on the Mundra UMPP

This is to clarify that Coastal Gujarat Power Limited (CGPL), which operates the Mundra UMPP, had approached CERC, APTEL and the Hon'ble Supreme Court to find the resolution to the under recovery of fuel costs.

Following the decision of the Hon'ble Supreme Court, the Company has once again approached the procuring states to arrive at an alternate solution. To make the Mundra UMPP viable in consultation with its lenders, the Company has suggested a few options, one amongst which is a possible acquisition of majority stake by procurers to facilitate relief.

The above is still at an exploratory stage with various stakeholders involved and no decision has been taken or arrived at. It may be noted, that the Government of India had facilitated a meeting of all such affected projects and the matter is still under discussion. There is no material impact at this stage since no decision has been taken.

Yours faithfully,
For The Tata Power Company Limited

Company Secretary
