The transaction for acquisition of Sale Shares as contemplated under the Share Purchase Agreement.

On February 10, 2026, the Acquirer and Promoter Sellers ("Sellers") had entered into the SPA for acquisition of 1,00,300 (One Lakh Three Hundred) Equity Shares representing 1.23% of the Paid-up and voting Equity Share capital of Target Company at a price of ₹ 14.65/- per Equity Share aggregating to ₹ 14,69,395/- (Fourteen Lakh Sixty-Nine Thousand Three Hundred Ninety-Five Only), payable in cash along with acquisition of control over the Target Company under Regulation 4 of SEBI (SAST) Regulations, 2011.

10.8 Following Clause has been added on page No. 9:

3.1.3 The present Open Offer is triggered pursuant to Regulation 4 of the SEBI (SAST) Regulations, 2011, which addresses acquisition of control, irrespective of shareholding percentage. Under the extant regulatory framework, "control" is defined broadly under Regulation 2(1)(e) of the SEBI (SAST) Regulations, 2011 to include the right to appoint a majority of directors, or the right to direct management or policy decisions. The existing promoters, Mr. Murali Krishna Murthy Sanka, Mrs. Venkata Sujatha Sanka, Mrs. Lakshmi Sravani Dasari, and Mr. Sanka Tandav Krishna – exercise control over the Target Company by virtue of their board representation and management oversight, notwithstanding their aggregate shareholding of 1.23% of the paid-up equity share capital.

Pursuant to the SPA dated February 10, 2026, the Promoter Sellers have agreed to transfer the entirety of their shareholding (1,00,300 equity shares representing 1.23% along with management and control of the Target Company to the Acquirer. The SPA expressly provides for transfer of board control, operational control and management oversight to the Acquirer.

The Acquirer's ability to retain control is not solely dependent on the number of shares acquired in the Open Offer. The underlying acquisition of 1,00,300 equity shares pursuant to the SPA, along with contractual rights to manage and direct the Target Company, ensures the transfer of control.

The Acquirer wants to classify himself as "Promoter" and acquires management and operational control of the Target Company upon consummation of the SPA irrespective of the level of tendering in the Open Offer. The Open Offer provides an exit opportunity to public shareholders. The Acquirer's control is established through the SPA and is reinforced by the post-offer shareholding. In all scenarios, the Acquirer will hold control over the Target Company, as contemplated under Regulation 4 of the SEBI (SAST) Regulations, 2011.

10.9 Clause 3.1.6 on page no. 11 has been re-drafted as follows:

The salient features of the Share Purchase Agreement are as follows:

I. Sale and transfer of promoter shareholding: The Promoter Sellers collectively hold 1,00,300 (One Lakh Three Hundred) Equity Shares, representing 1.23% of the voting share capital of the Target Company, and have agreed to sell and transfer the entire promoter shareholding to the Acquirer for a negotiated consideration, thereby extinguishing their equity ownership in the Target Company.

II. Acquisition accompanied by transfer of management and control: The SPA expressly contemplates not only the transfer of Equity Shares but also the transfer of management and control of the Target Company to the Acquirer. The transaction is therefore in the nature of an acquisition of control under Regulation 4 of the SEBI (SAST) Regulations, 2011, notwithstanding the relatively small percentage of shares acquired.

III. Board representation and pre-closing control rights: Pursuant to the SPA, the Acquirer is entitled to nominate his representative(s) to the Board of Directors of the Target Company during the Offer Period, subject to compliance with Regulation 24(1) of the SEBI (SAST) Regulations. The presence of such nominee director(s) is contractually mandated for quorum for Board meetings in respect of specified reserved matters, thereby enabling the Acquirer to exercise effective control over key management decisions.

IV. Affirmative rights and operational restrictions on the Promoter Sellers: From the execution date of the SPA until closing, the Promoter Sellers are restricted from undertaking various material actions without the prior written consent of the Acquirer, including changes to capital structure, alteration of Board composition, entering into material contracts, restructuring, mergers, borrowings, or disposal of assets. These affirmative voting and veto rights confer decisive influence over the Target Company's affairs to the Acquirer.

V. Closing actions evidencing transfer of control: Upon completion of the Open Offer and closing under the SPA, the Target Company is required to convene a Board meeting to, inter alia: (a) take note of the transfer of shares to the Acquirer; (b) transfer the management and control of the Target Company to the Acquirer; (c) change authorised bank signatories in favour of the Acquirer; (d) reconstitute the Board and statutory committees; and (e) initiate reclassification of the existing promoters as public shareholders in accordance with Regulation 31A of the SEBI (LODR) Regulations, 2015.

VI. Reclassification and cessation of promoter control: The SPA expressly records the intention of the Promoter Sellers to cease to be promoters and to be reclassified as public shareholders post-completion, thereby confirming the permanent shift of control and promoter status to the Acquirer.

VII. Triggering of Open Offer obligation: The Acquirer has acknowledged under the SPA that the acquisition of shares and control pursuant to the SPA triggers the mandatory Open Offer obligations under the SEBI (SAST) Regulations, and has undertaken to acquire up to 26% of the voting share capital from public shareholders, further consolidating control post-Offer.

VIII. The Promoter Sellers have agreed to sell 1,00,300 (One Lakh Three Hundred) fully paid-up Equity Shares of Rs. 10/- each and the Acquirer has agreed to acquire 1,00,300 (One Lakh Three Hundred) Equity Shares, constituting 1.23% of the Equity Share capital/voting share capital of the Target Company, at a negotiated price of ₹ 14.65/- (Fourteen Rupees and Sixty Five Paise Only) per share sold, aggregating to an amount of ₹ 14,69,395/- (Fourteen Lakh Sixty-Nine Thousand Three Hundred Ninety-Five Only), payable in accordance with terms and conditions stipulated in the Share Purchase Agreement.
