**WABAG wins EIB & KfW funded DBO order in Zambia for
Waste Water Treatment Plants worth ~ Euro 78 Million (~ INR
700 Crore) from Lusaka Water Supply and Sanitation Company**

December 27, 2024: VA TECH WABAG ('WABAG'), a leading pure-play water technology Indian Multinational Group, continues to expand its presence and strengthen its leadership position in the African Continent with Design, Build & Operate (DBO) order worth ~ Euro 78 Million from Lusaka Water Supply and Sanitation Company (LWSC), multi-laterally funded by the European Investment Bank (EIB) and the Kreditanstalt für Wiederaufbau (KfW) of Germany. This strategic win marks WABAG's entry into Zambia, further strengthening its presence in Africa and reinforcing its role as a comprehensive water solutions provider in the continent.

An ISO 9001 Company

Under this DBO contract, WABAG will execute the Engineering, Procurement, and Construction (EPC) of two advanced Wastewater Treatment Plants (WWTPs) a 54 MLD WWTP and a 19 MLD WWTP located in Ngwerere and Chunga, Zambia. The EPC phase will span 36 months, followed by 24 months of Operation & Maintenance (O&M) to ensure sustainable performance and efficiency. Majority of the energy needs of the WWTPs will be sustainably met through green energy sources, utilizing a combination of biogas and solar power.

WABAG's successful track record in delivering world-class water and wastewater treatment projects, combined with its technically superior and competitive bid, played a pivotal role in securing this landmark contract in Zambia's dynamic market.

Commenting on this remarkable order win, Mr. Guhan Kandasamy, Head - Sales & Marketing (Africa), said, "We extend our heartfelt gratitude to LWSC for their confidence in WABAG to deliver one of Zambia's largest and most advanced sanitation projects in the recent decades. Through this project, WABAG is proud to contribute significantly to the Zambian government's mission to enhance water and sanitation infrastructure, positively impacting countless lives."
