Tolins Tyres to Showcase Its Product Portfolio at the 10th Edition of Truck, Trailer & Tyre Expo 2026

Kerala, June 3rd, 2026: Tolins Tyres Limited (“Tolins” or “Company”), a leading player in the Tyre & Treads industry, will participate in the 10th Edition of the Truck, Trailer & Tyre (TTT) Expo 2026, scheduled to be held from June 5–7, 2026, at the Jaipur Exhibition & Convention Centre (JECC), Jaipur.

Recognized as Asia's premier commercial vehicle exhibition, the Truck, Trailer & Tyre Expo brings together a distinguished assembly of manufacturers, suppliers, fleet operators, transporters, logistics companies, OEMs, and industry stakeholders from across the commercial vehicle ecosystem. The event serves as a vital platform for unveiling cutting-edge innovations, forging strategic business collaborations, and exploring the emerging trends reshaping the future of transportation and logistics.

At the exhibition, Tolins Tyres will present its comprehensive range of tyre solutions engineered for the demands of the commercial vehicle segment — reflecting the Company's unwavering commitment to quality, durability, performance, and customer-centric innovation. The Company looks forward to leveraging this platform to deepen relationships with existing customers and channel partners, while engaging with prospective business associates and key industry participants.

Commenting on the participation, **Dr. KV Tolin, Promoter, Chairman and Managing Director, Tolins Tyres**, said: *"We are pleased to participate in the landmark 10th Edition of the Truck, Trailer & Tyre Expo. The event provides an excellent opportunity to engage with key stakeholders across the transportation and logistics value chain, showcase our product offerings, and gain valuable insights into evolving market requirements. We look forward to strengthening industry relationships and exploring new growth opportunities through this platform."*

Visitors to the exhibition will have the opportunity to interact with the Tolins Tyres team and learn more about the Company's products, technological capabilities, and commitment to delivering reliable mobility solutions for the commercial transportation sector.

About Tolins Tyres Limited:

Tolins Tyres, founded in 1982 is a leading producer in the tyre industry, specializing in a diverse range of Retreading and tyre products. The portfolio includes two and three-wheeler tyres, Light Commercial Vehicle (LCV) tyres and Agriculture tyres. Furthermore, Tolins Tyres takes pride in innovative “Procured Tread Rubber” and other retreading products, showcasing its commitment to cutting-edge technology. These products have not only garnered acclaim in India but have also made a significant impact across 40 countries, including the Middle East, East Africa, Kenya, Jordan, and Egypt. Tolins stands out as the first Indian retread brand to not only enter but thrive in the highly competitive American market for pre-cured retreading products. Led by Chairman and MD Dr. Kalamparambil Varkey Tolin, who brings over three decades of industry experience, the company operates two manufacturing facilities in Kalady, Kerala, strategically located near Kochi and close to natural rubber sources. Additionally, its wholly owned subsidiary, Tolins Tyres LLC, operates in Al Hamra Industrial Zone, Ras Al Khaimah, UAE. Backward integration enhances quality control and cost management, while a network of 8 depots and 3,737 dealers across India ensures efficient sales channels.
