Financial & Operational Highlights for the quarter ended June 2026:

- Revenue from Operations stood at ₹79.27 crore in Q1 FY27 as compared to ₹89.74 crore in Q1 FY26.
- India contributed ~87% of consolidated operational revenue, while UAE operations contributed ~13% during Q1 FY27.
- EBITDA stood at ₹8.91 crore in Q1 FY27 as compared to ₹13.44 crore in Q1 FY26, with margins impacted amid a dynamic operating environment, raw-material cost movements and global supply-chain dynamics.
- PAT stood at ₹6.19 crore in Q1 FY27 as compared to ₹9.30 crore in Q1 FY26, with PAT margin at 7.81%.
- The UAE operations faced near-term headwinds during the quarter due to the ongoing war and its impact on trade flows and logistics activity. The resilient performance of the domestic business and continued focus on operational efficiencies helped mitigate the overall impact.

Commenting on the overall performance of the Company, Dr. KV Tolin, Promoter, Chairman and Managing Director, Tolins Tyres, said, *Q1 FY27 was marked by a dynamic operating environment for the tyre industry, with manufacturers navigating evolving demand conditions, raw-material cost movements and global supply-chain dynamics. Despite these near-term industry dynamics, we remain positive on the underlying fundamentals of the tyre sector, supported by India's growing vehicle population, replacement demand, infrastructure development and increasing mobility requirements.*

During the quarter, Tolins Tyres recorded consolidated revenue from operations of ₹79.27 crore, while Profit Before Tax stood at ₹7.88 crore and Profit After Tax at ₹6.19 crore. Our India operations contributed ₹69.28 crore to consolidated revenue, while the UAE operations contributed ₹9.99 crore.

Alongside our core tyre business, we are also strengthening our focus on building a more sustainable and future-ready business. Our initiatives through Terra Rubber represent an important step in this direction, with the business focused on creating opportunities within the circular rubber ecosystem. The planned expansion of Terra Rubber will further strengthen our capabilities in this space and create an additional platform for long-term growth while supporting our broader sustainability objectives.

The tyre industry continues to offer meaningful opportunities across both domestic and international markets. We remain focused on strengthening our market presence, enhancing operational efficiencies, developing our product portfolio and expanding our capabilities across emerging opportunities.

Looking ahead, we remain confident in the long-term growth prospects of the industry. Our focus will continue to be on combining disciplined execution in our core business with investments in new growth avenues, including our sustainability-led initiatives through Terra Rubber. We believe these efforts will strengthen our business platform, enhance our participation in the evolving rubber ecosystem and create sustainable long-term value for our stakeholders

About Tolins Tyres Limited:

Tolins Tyres, founded in 1982 is a leading producer in the tyre industry, specializing in a diverse range of Retreading and tyre products. The portfolio includes two and three-wheeler tyres, Light Commercial Vehicle (LCV) tyres and Agriculture tyres.
