MEDIA RELEASE

Tolins Tyres Strengthens Agricultural Range with Launch of Tractor Rear Tyres

Kerala, August 25th, 2025: Tolins Tyres Limited (“Tolins” or “Company”), a leading player in the Tyre & Treads industry, has announced the launch of its **Heavy-Duty Tractor Rear Tyres**, further expanding its agricultural product portfolio.

The company's current range of agricultural products already features tractor trailer tyres, tractor front tyres, and tiller tyres. With the addition of tractor rear tyres, Tolins now has a full tyre solution for tractors—front and rear—allowing farmers to take advantage of better performance and reliability across their agricultural operations.

This strategic expansion also unlocks a new market segment in agriculture, which is expected to drive substantial growth for the company. Tolins plans to utilize its robust network of over 1,200 dealers to make products widely available and accessible for farmers all over India.

Commenting on the launch, **Dr. KV Tolin, Promoter, Chairman and Managing Director, Tolins Tyres**, said,

“The launch of our tractor rear tyres is a significant milestone as it completes our tractor tyre range, enabling us to serve farmers with a comprehensive solution. Agriculture remains at the heart of India’s economy, and we are committed to supporting farmers with durable, high-performance products that enhance efficiency and reliability in the field. Backed by our strong dealer network of over 1,200 partners, this new offering will not only support farmers during the upcoming harvest season but also strengthen Tolins’ position in the agricultural segment while opening new avenues of growth for the company.”

The new tractor rear tyres will be **available in time for the 2025 harvest season, beginning late September**, ensuring that farmers can prepare their machinery for the crucial period ahead.
