## Tolins Tyres Announces Launch of New Depot in Gujarat, Effective December 1

**Kerala, November 27<sup>th</sup>, 2025:** Tolins Tyres Limited (formerly Tolins Tyres Private Limited) today announced the launch of a new depot in Gujarat, with operations commencing on December 1<sup>st</sup>, 2025. This strategic expansion marks a significant step in strengthening the company's presence in one of India's most promising markets.

The new facility will enable the company to penetrate deeper into untapped territories, acquire new customers, and substantially reduce lead times. Gujarat represents a high-potential region where the company has, until now, had limited presence. The launch of this depot reflects Tolins Tyres commitment to enhancing service accessibility and meeting the growing demand in the state.

The depot will cater to both retread and tyre requirements, offering customers faster delivery, improved availability, and a more seamless service experience.

*Commenting on the development, Dr. KV Tolin, Promoter Tolins Tyres, said:*

"This depot is an important step in our growth strategy for western India. It reinforces our commitment to delivering value and expanding our footprint in key growth markets, and we are confident it will strengthen customer relationships and fuel our long-term growth".

The Gujarat depot complements Tolins Tyres' existing manufacturing, distribution and service network and reinforces the Company's commitment to deliver high-quality retreading and tyre solutions across India.
