Sub: Commissioning of Yarn Expansion Unit with an Installed capacity of 65,280 spindles

Dear Sirs,

In terms of the Listing Agreement entered into by the Company, we would like to inform that the Company has commissioned Yarn expansion Unit (TYS-5) with an Installed capacity of 65,280 spindles at its Sanghera facility in Barnala (Punjab). With completion of this expansion, the total production capacity of Company's Yarn division has increased to 2,89,728 spindles.

The Commercial production on the aforesaid new installed facilities has been started with effect from February 6, 2012.

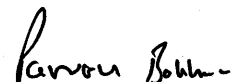

The Yarn Spinning Expansion Project is being implemented in a phased manner which envisages setting up of 275,904 spindles and 2,040 rotors including other balancing equipments at a total cost of Rs. 1,117 Crores; the project shall be fully completed by the third quarter of 2013.

The Press release released on this occasion is enclosed.

This is for your information & records please.

Thanking you

Yours faithfully
