The aforesaid shareholding pattern may change from time to time, due to acquisition of shares from the open market by any person and further issue of capital, if any, by the Company during the said period.

Proposed time within which the allotments shall be complete:

Under the SEBI ICDR Regulations, the allotment of Issue Shares will be completed within 15 days from the date of the passing of the resolution. Provided that where the allotment is pending on account of pendency of any application for approval or permission by any regulatory authority, if applicable, the allotment would be completed within 15 days from date of such approval.

Identity of the proposed allottees and percentage of post preferential issue capital that may be held by them and change in control, if any, consequent to the preferential issue:

Sl. No.	Identity of proposed allottees	Maximum equity shares to be proposed allotted	Post issue shareholding on a fully diluted basis
1	Cartica Capital Ltd.	3,00,000	2.58%*

*excluding shares, if any, acquired in the secondary market through stock exchange.

There will be no change in control or management of the Company consequent to the preferential issue. The voting rights would change according to the change in the shareholding pattern of the Company, as indicated in the table above.
