

**WABAG announces FY 15 Results;
Consolidated Sales up by 9%; Consolidated PAT at Rs. 110 Crores;
Records order intake of Rs. 2,977 Crores**

May 25, 2015: VA TECH WABAG LIMITED, a leading Multinational Company specialized in Water and Waste Water management today announced its financial results for the quarter and full year ended 31st March, 2015.

Key Highlights of FY 15:

- Consolidated Sales up by 9% for FY 15
- Consolidated PAT Rs. 110 Crores for FY 15
- Order Intake of Rs.2,977 Crores in FY 15
- Order Book of over Rs. 6,800 Crores including Framework contracts of Rs.1,400 crores

Commenting on the results, Mr. Rajiv Mittal, Managing Director, VA TECH WABAG LIMITED said "I am happy that our efforts in various geographies have yielded good results. The diversified presence and our localised approach have helped us deliver good performance during a tough year."

The key orders received during Q4 FY15 are

1. An INR 732 Crore order from TSGENCO & APGENCO

WABAG bagged the order worth around INR 732 crores for the Complete Balance of Plant including the water management. WABAG is executing this project for TSGENCO and APGENCO. This order reinstates our expertise to handle large scale EPC order and reinforces the confidence of customers on WABAG.

2. An INR 200 Crore WTP order in West Bengal

WABAG won an order for a value of around INR 200 crores for Design, Construction and Commissioning of 147 MLD Water Treatment Plant (WTP) for Arsenic affected areas of Habra – Gaighata in the District of North 24 Parganas, West Bengal. The contract also includes Operations and Maintenance of the plant for a period of One year.

3. An Euro 12 Mn ETP Order in Uzbekistan

WABAG Czech Republic won an order for the Reconstruction of effluent treatment plant in Uzbekistan, worth over Euro 12 Mn. The contract comprises modernization works and technological upgrade of the effluent treatment plant of the largest refinery in the Republic of Uzbekistan. The implementation works will be carried out during continuous operation of the existing wastewater treatment plant. The refurbished plant will ensure high effluent quality by achieving the local discharge values.

4. An Euro 13 Mn Sludge Treatment order in Vienna, Austria

WABAG Austria bagged an order for Sludge Treatment for the enlargement of the main WWTP in Vienna. WABAG is responsible for detail design, supply, installation and commissioning. WABAG has been participating in refurbishment and extension works of the main WWTP for the last 30 years. The new order is a continuation of the good relationship with our client and will be representing another important reference plant in Vienna.
