

**WABAG report Q1 FY 16 Results;
Order intake of over Rs. 1,000 Crores; Standalone Sales and PAT up by
103% and 82% respectively**

Aug 8, 2015: VA TECH WABAG LIMITED, a leading Multinational Company specialized in Water and Waste Water management today announced its financial results for the quarter ended 30th June, 2015.

Key Highlights of Q1 FY 16:

- Standalone Sales up by 103% for Q1 FY 16
- Standalone PAT up by 82% for Q1 FY 16
- Order Intake of more than Rs. 1,000 Crores in Q1 FY 16
- Order Book of Rs. 7,631 Crores including Framework contracts of Rs. 1,542 crores

Commenting on the results, Mr. Rajiv Mittal, Managing Director, VA TECH WABAG LIMITED said "I am delighted that right at the beginning of the year we have won good orders of over Rs. 1,000 crores. All the orders secured are from International geographies which would be serviced by Indian manpower contributing to increased margins."

The key orders received during Q1 FY16 are

1. INR 580 Crores STP order in Bahrain

WABAG JV won its first ever EPC order in the Kingdom of Bahrain for a value of over INR 580 Crores. The Sewage Treatment Plant (STP) order for Al Madina Al Shamaliya, the new town being developed in Bahrain, is funded by Abu Dhabi

Fund for Development (ADFD). WABAG will Design & Build the 40 MLD Al Madina Al Shamaliya Sewage Treatment Plant for Ministry of Housing, Bahrain.

2. INR 220 Crores RWTP order in Nigeria

WABAG India bagged a Raw Water Treatment Plant (RWTP) Industrial order in Nigeria for a value of over INR 220 Crores. WABAG will design and build this plant which forms part of a Greenfield Integrated Fertiliser and Refinery Complex for Dangote Fertilizer Limited. This proposed Raw Water Treatment Plant will have a capacity of 60 MLD and will treat lagoon water using a combination of biological treatment and UF/RO based tertiary treatment. This new order in the continent of Africa reinforces WABAG's continued focus in this emerging market.

3. INR 85 Crores Pre-Treatment Plant Order for 400 MLD Brackish Water Desalination plant in Saudi Arabia

WABAG Austria won an order from DNGO Contracting Co. for the design and supply of a new drinking water plant for the National Water Company (NWC). As part of phase 1&2 of this contract, WABAG will design and execute a 400 MLD pre-treatment plant.

NWC has developed a new well-field in the desert and the 400 MLD salty ground water (brackish water) shall be treated to produce clean and safe drinking water. The site is situated in the middle of a desert, around 100 km away from the capital Riyadh – and the plant will be built right next to the Al Wasia RO plant (200 MLD), which was executed by WABAG in 2009.

4. INR 65 Crores WWTP Order in Egypt

WABAG Austria won an order for a 40 MLD Waste Water Treatment Plant in Egypt. WABAG will design, supply and commission the plant in the city of Port Said. It is pertinent to note that, this is the fourth order for WABAG Austria within a period of two years in Egypt which makes them one of the leading water technology companies in Egypt.
