Dear Sir,

**Sub: Announcement submitted to the Exchange dated April 26, 2019  
Brief Profile of Director – Shri Rajeev Pandia**

With reference to your email dated may 07, 2019 on the above subject, mentioned below is the brief profile of Shri Rajeev M. Pandia.

Rajeev Pandia is a graduate in Chemical Engineering from Indian Institute of Technology (IIT), Bombay and holds the Master's degree in the same field from Stanford University, California. During his career spanning 45 years, he has been associated with strategic planning, project evaluation and management, technology transfer, international marketing, safety, health and environmental issues, Government policies and general management.

During 2000-2002, he was the President of Indian Chemical Manufacturers Association (now Indian Chemical Council).

Mr Pandia headed Herdillia Chemicals Limited (later Schenectady Herdillia Limited and SI Group – India Limited) from 1992 and was its Vice Chairman and Managing Director until December 2008. During that period, the Company widened its range of products from commodity to speciality chemicals and acquired two additional manufacturing sites, which were completely and successfully turned around. It enlarged its geographic footprint in various continents by establishing a significant export portfolio. Development and commercialization of new technologies in-house led to prestigious national level awards. Thereafter, he was Group Adviser and Director – Global Markets of SI Group, a US based multinational company.

During his career, he has been associated closely with six large chemical projects, covering the entire cycle from site selection and development to technology, procurement, construction and commissioning.

Mr Pandia has been invited to make presentations on a wide range of subjects at about 80 international conferences in the USA, Europe and Asia and has written extensively for several reputed journals and financial newspapers. The subjects include Petrochemicals, Feedstocks, Speciality Chemicals, Infrastructure, Government Policies and Operational Excellence.

As a jury member for industry awards for many years, he has been associated with high level audits in respect of EHS, Sustainability and Technology functions.

A Distinguished Alumnus of IIT Bombay and a Rotary International scholar, he is a Fellow of Indian National Academy of Engineering and of Indian Institute of Chemical Engineers. In 2009, Mr Pandia received the ICC Lifetime Achievement Award from Indian Chemical Council for his contribution to the Indian chemical industry.

He is an independent director on the Boards of The Supreme Industries Ltd, GRP Ltd, Thirumalai Chemicals Ltd, Excel Industries Ltd, Ultramarine & Pigments Ltd and Deepak Phenolics Ltd in India, as also Optimistic Organic Sdn Bhd, Malaysia. As a Board member and Consultant, Mr Pandia advises several Indian and international companies in the areas of Strategy, Project execution and Operational Excellence.

Kindly take the above details on your record.

Thanking you,

Yours faithfully,  
For SUPREME PETROCHEM LTD

  
D. N. MISHRA  
COMPANY SECRETARY
