Sub: Clarification on Press release dated December 19,2018 regarding launch of Sterilisable Conduction Sealing Film

Dear Sir,

This is with reference to your email dated December 20, 2018 w.r.t. clarification on Press release dated December 19,2018 regarding launch of Sterilisable Conduction Sealing Film.

Please find below the required details:

1. Name of the countries in which the product is launched (in case of international)- ***Material has been trialed in India and would now go for exports.***

2. Whether caters to domestic/ international market- ***Caters to both domestic and international market.***

3. Category of the product- ***Lidding/ Wad applications for dairy & food processing industry***.

4. Date of launch- ***December 2018***

5. Name of the product- ***Sterilisable Conduction Sealing Film***

Hope this provides required clarity.

Thanking You

Yours faithfully
For **Cosmo Films Limited**
