Madhu Kant Sharma, Director of Trusses & Towers Private Limited since July 01, 1967 having a Bachelor's degree in Science with business experience. He has progressively been responsible for managing the Accounts & Finance department. In this role, he is a senior account professional having extensive rich knowledge in finance and management accounting. He is focused on setting the strategy and policies of the Company, developing leadership, and meeting shareholders' commitments.

Mr. Sharma will also serve as member of the committee meetings, since he is having more than five decades of work experience in financial and management accounting, taxation, project management, standardizing and streamlining processes in reputed companies.

Mr. Sharma is identical to a treasurer who has additional analysis responsibilities to support the management team in variety of operational decisions. He acts as a finance manager, managing the funds in such a manner as to maximize return on investment while minimizing risk, ensuring that an adequate control structure is in place over the transfer and investment of funds. Further, he specializes in forecasting, budgeting, engaging in cost reduction analysis, and reviewing operational performance. This combination of his academics, business and administrative skills will facilitate us to lead our organization to newer heights.
