Dear Sir/ Madam

Sub: Clarifications sought vide your e-mail dated December 26, 2018, in relation to the Company's disclosure dated December 20, 2018

We refer to your e-mail communication dated December 26, 2018 (your subject Clarification_ENIL), wherein you have sought certain clarifications on our disclosure dated December 20, 2018, relating disruption of the terrestrial broadcasting from our Mumbai Radio Station due to fire at the common transmission infrastructure ('CTI') at Mumbai. Kindly note that the Company is *inter alia* engaged in the business of operating private FM radio stations across India and the Company is not engaged in any manufacturing activities and there are no instances of strike or lock out as stated in your queries and therefore the question relating to any impact on production in case of strike/ lock outs is not relevant in the instance intimation.

We would like to address your queries in seriatim:

1. Factory/unit where the strike/lock out takes place including reasons for such strike: Not applicable, since there is no instance of strike/lock out. A fire took place at the common transmission infrastructure ('CTI') at Mumbai, which resulted into the disruption of the terrestrial broadcasting from our Mumbai Radio Station for less than thirty hours.
2. Estimated impact on the production/operations in case of strikes/lock outs: Terrestrial broadcasting was disrupted for less than thirty hours due to fire and its impact on operation was not significant or material.
3. Whether loss/damage covered by insurance or not including amount: Amount of loss/ damage is not significant or material and same has not yet been precisely ascertained. Nevertheless, equipment of the Company at CTI are adequately insured.
4. Expected quantum of loss/damage caused: same as above.

Yours truly,
For Entertainment Network (India) Limited
