Sub: Clarification to NSE email dated August 27, 2019, w.r.t. corporate announcement dated August 08, 2019 submitted with Stock Exchanges

Dear Sir/ Madam,

There are no financial penalties provided in the relevant Ministry of Information and Broadcasting (MIB) guidelines for uplinking of television channels in India. They provide for a suspension of broadcast/ transmission for a period up to a month in case of any violation.

However, the Company has contested the SCN and filed a detailed reply enclosing proofs to show that there is no violation at all. The Company has also been advised by its lawyers that there is no violation as alleged in the show cause notice and the same is very likely to be dropped.

Thanking you.

Yours faithfully.

For New Delhi Television Limited
