RISK IN RELATION TO THE FIRST OFFER
The face value of the Equity Shares is ₹10. The Floor Price, Cap Price and Offer Price determined by our Company, in consultation with the Book Running Lead Manager, on the basis of the assessment of market demand for the Equity Shares by way of the Book Building Process, as stated under <i>“Basis for Offer Price”</i> on page 108 should not be considered to be indicative of the market price of the Equity Shares after the Equity Shares are listed. No assurance can be given regarding an active or sustained trading in the Equity Shares nor regarding the price at which the Equity Shares will be traded after listing.

GENERAL RISKS
Investments in Equity and Equity-related securities involve a degree of risk and investors should not invest any funds in this Offer unless they can afford to take the risk of losing their entire investment. Investors are advised to read the risk factors carefully before taking an investment decision in the Offer. For taking an investment decision, investors must rely on their own examination of our Company and the Offer including the risks involved. The Equity Shares offered in the Offer have not been recommended or approved by the Securities and Exchange Board of India (“SEBI”), nor does SEBI guarantee the accuracy or adequacy of the Draft Red Herring Prospectus. Specific attention of the investors is invited to the section <i>“Risk Factors”</i> beginning on page 22 of this Draft Red Herring Prospectus.

The words and expressions used but not defined in this Draft Red Herring Prospectus will have the same meaning as assigned to such terms under the Companies Act, 2013, the Securities and Exchange Board of India Act, 1992 (the “SEBI Act”), the SCRA, SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 the Depositories Act and the rules and regulations made thereunder.

Notwithstanding the foregoing, terms in “*Main Provisions of the Articles of Association*”, “*Statement of Special Tax Benefits*”, “*Industry Overview*”, “*Regulations and Policies in India*”, “*Financial Information of the Company*”, “*Outstanding Litigations and Material Developments*” and “*Offer Procedure*”, will have the meaning ascribed to such terms in these respective sections.

## **CERTAIN CONVENTIONS, USE OF FINANCIAL INFORMATION AND MARKET DATA AND CURRENCY OF FINANCIAL PRESENTATION**

### **Certain Conventions**

All references to “India” contained in this Draft Red Herring Prospectus are to the Republic of India and its territories and possessions and all references herein to the “Government”, “Indian Government”, “GoI”, “Central Government” or the “State Government” are to the Government of India, central or state, as applicable. All references to the “U.S.”, “USA” or the “United States” are to the United States of America and its territories and possessions.

Unless otherwise specified, any time mentioned in this Draft Red Herring Prospectus is in Indian Standard Time (“IST”). Unless indicated otherwise, all references to a year in this Draft Red Herring Prospectus are to a calendar year.

In this Draft Red Herring Prospectus, unless the context otherwise requires, all references to one gender also refers to another gender and the word “Lac / Lakh” means “one hundred thousand”, the word “million (mn)” means “Ten Lac / Lakh”, the word “Crore” means “ten million” and the word “billion (bn)” means “one hundred crores”. In this Draft Red Herring Prospectus, any discrepancies in any table between total and the sum of the amounts listed are due to rounding-off.

### **Use of Financial Data**

Unless stated otherwise, throughout this Draft Red Herring Prospectus, all figures have been expressed in Rupees and Lakh. Unless stated otherwise, the financial data in the Draft Red Herring Prospectus is derived from our restated consolidated financial information prepared for the six months period ending September 30, 2025 and for the Financial year ended March 31, 2025, March 31, 2024 and March 31, 2023 in accordance with Indian GAAP, the Companies Act and SEBI (ICDR) Regulations, 2018 included under Section titled ***“Financial Information of the Company”*** beginning on page 198 of this Draft Red Herring Prospectus. Our restated consolidated financial statements are derived from our audited financial statements prepared in accordance with Indian GAAP and the Companies Act and have been restated in accordance with the SEBI (ICDR) Regulations and the Guidance Note on “Reports in Company Prospectus (Revised 2019)” issued by ICAI. Our Company's fiscal year commences on April 01 of each year and ends on March 31 of the following year, so all references to a particular fiscal year are to the twelve (12) months period commencing on April 01 of the immediately preceding calendar year and ending on March 31 of that particular calendar year.

There are significant differences between Indian GAAP, the International Financial Reporting Standards (“IFRS”) and the Generally Accepted Accounting Principles in the United States of America (“U.S. GAAP”). Accordingly, the degree to which the Indian GAAP financial statements included in this Draft Red Herring Prospectus will provide meaningful information is entirely dependent on the reader’s level of familiarity with Indian accounting practice and Indian GAAP. Any reliance by persons not familiar with Indian accounting practices on the financial disclosures presented in this Draft Red Herring Prospectus should accordingly be limited. We have not attempted to explain those differences or quantify their impact on the financial data included herein, and we urge you to consult your own advisors regarding such differences and their impact on our financial data. For further details in connection with risks involving differences between Indian GAAP and other accounting principles, see ***“Risk Factors - Significant differences exist between Accounting Standards and other accounting principles, such as Indian GAAP, US GAAP and International Financial Reporting Standards (‘IFRS’), which investors may be more familiar with and consider material to their assessment of our financial condition.”*** on page 45 of this Draft Red Herring Prospectus.

Any percentage amounts, as set forth in ***“Risk Factors”***, ***“Our Business”***, ***“Management’s Discussion and Analysis of Financial Condition and Results of Operations”*** and elsewhere in the Draft Red Herring Prospectus unless otherwise indicated, have been calculated on the basis of the Company’s restated consolidated financial statements prepared in accordance with the applicable provisions of the Companies Act, Indian GAAP and restated in accordance with SEBI (ICDR) Regulations, 2018, as stated in the report of our Statutory Auditor, set out in section titled ***“Financial Information of the Company”*** beginning on page 198 of this Draft Red Herring Prospectus. As on date of the Draft Red Herring Prospectus, HGS Products B.V. is our subsidiary Company.

For additional definitions used in this Draft Red Herring Prospectus, see the section ***“Definitions and Abbreviations”*** on page 1 of this Draft Red Herring Prospectus. In the section titled ***“Main Provisions of the Articles of Association of our Company”***, on page 341 of the Draft Red Herring Prospectus defined terms have the meaning given to such terms in the Articles of Association of our Company.

Certain Non-GAAP Measures and certain other statistical information relating to our operations and financial performance like EBITDA, EBITDA Margin, PAT Margin, and others, have been included in this Draft Red Herring Prospectus. We

compute and disclose such non-GAAP measures and such other statistical information relating to our operations and financial performance as we consider such information to be useful measures of our business and financial performance. These Non- GAAP measures and other statistical and other information relating to our operations and financial performance may not be computed on the basis of any methodology that is applicable across the industry and therefore may not be comparable to financial measures and statistical information of similar nomenclature that may be computed and presented by other companies and are not measures of operating performance or liquidity defined by the accounting standards and may not be comparable to similarly titled measures presented by other companies.

### **Use of Industry & Market Data**

Unless stated otherwise, industry and market data and forecast used throughout the Draft Red Herring Prospectus was obtained from internal Company reports, data, websites, Industry publications report as well as Government Publications. Industry publication data and website data generally state that the information contained therein has been obtained from sources believed to be reliable, but that their accuracy and completeness and underlying assumptions are not guaranteed and their reliability cannot be assured.

Although, we believe industry and market data used in the Draft Red Herring Prospectus is reliable, it has not been independently verified by us or the BRLM or any of their affiliates or advisors. Similarly, internal Company reports and data, while believed by us to be reliable, have not been verified by any independent source. There are no standard data gathering methodologies in the industry in which we conduct our business and methodologies and assumptions may vary widely among different market and industry sources.

In accordance with the SEBI (ICDR) Regulations, 2018 the section titled “*Basis for Offer Price*” on page 108 of the Draft Red Herring Prospectus includes information relating to our peer group companies. Such information has been derived from publicly available sources, and neither we, nor the BRLM, have independently verified such information.

### **Currency of Financial Presentation**

All references to “Rupees” or “INR” or “Rs.” or “₹” are to Indian Rupees, the official currency of the Republic of India. Except where specified, including in the section titled “*Industry Overview*” throughout the Draft Red Herring Prospectus all figures have been expressed in Lakhs.

Any percentage amounts, as set forth in “*Risk Factors*”, “*Our Business*”, “*Management's Discussion and Analysis of Financial Conditions and Results of Operations*” on page 22, 138 and 258 respectively of this Draft Red Herring Prospectus, unless otherwise indicated, have been calculated based on our restated consolidated financial statements prepared in accordance with Indian GAAP.

The Draft Red Herring Prospectus contains conversion of certain US Dollar and other currency amounts into Indian Rupees that have been presented solely to comply with the requirements of the SEBI (ICDR) Regulations, 2018. These conversions should not be construed as a representation that those US Dollar or other currency amounts could have been, or can be converted into Indian Rupees, at any particular rate.

## **FORWARD LOOKING STATEMENTS**

This Draft Red Herring Prospectus includes certain “forward-looking statements”. We have included statements in the Draft Red Herring Prospectus which contain words or phrases such as “will”, “aim”, “is likely to result”, “believe”, “expect”, “will continue”, “anticipate”, “estimate”, “intend”, “plan”, “contemplate”, “seek to”, “future”, “objective”, “goal”, “project”, “should”, “will pursue” and similar expressions or variations of such expressions, that are “forward-looking statements”. Also, statements which describe our strategies, objectives, plans or goals are also forward-looking statements.

All forward-looking statements are subject to risks, uncertainties and assumptions about us that could cause actual results to differ materially from those contemplated by the relevant forward-looking statement. Forward-looking statements reflect our current views with respect to future events and are not a guarantee of future performance. These statements are based on our management’s beliefs and assumptions, which in turn are based on currently available information. Although we believe the assumptions upon which these forward-looking statements are based are reasonable, any of these assumptions could prove to be inaccurate, and the forward-looking statements based on these assumptions could be incorrect. Important factors that could cause actual results to differ materially from our expectations include but are not limited to:

1. Macroeconomic factors, including economic activity, political and business conditions, inflation, deflation, interest rate fluctuations, and emergence of alternative industry destinations.
2. Any change in government policies resulting in increases in taxes payable;
3. Inability to promptly identify and respond to changing technologies;
4. We may not be able to sustain our historical growth rates, and our historical performance may not be indicative of our future growth or financial results;
5. Failure to successfully upgrade our technology, from time to time;
6. Our ability to retain our key managements personnel and other employees;
7. We are dependent on certain customers for a portion of our revenues. Loss of relationship with any of these customers or a reduction in their demand for our products may have a material adverse effect on our profitability and results of operations;
8. Foreign exchange fluctuations may adversely affect our earnings and profitability;
9. Delay in expansion into new territories;
10. Changes in laws and regulations that apply to the industries in which we operate;
11. The occurrence of natural disasters or calamities;
12. Inability to obtain required registrations, licenses, or approvals in a timely manner;
13. Breaches of IT systems, loss of sensitive data, or non-compliance with data protection laws.
14. General economic, political and other risks that are out of our control;
15. Competitive and market risks, including entry of new competitors or disruptive technologies.
16. Disruptions, delays, or cost increases in sourcing critical components.
17. Company’s ability to successfully implement its growth strategy and expansion plans;
18. Failure to comply with regulations prescribed by authorities of the jurisdictions in which we operate;
19. Occurrence of Environmental Problems & Uninsured Losses;

For further discussion of factors that could cause our actual results to differ, see the Section titled “***Risk Factors***”, “***Our Business***” and “***Management’s Discussion and Analysis of Financial Condition and Results of Operations***” beginning on page 22, 138, and 258 respectively of the Draft Red Herring Prospectus. By their nature, certain market risk disclosures are only estimates and could be materially different from what actually occurs in the future. As a result, actual future gains or losses could materially differ from those that have been estimated.

There can be no assurance to investors that the expectations reflected in these forward-looking statements will prove to be correct. Given these uncertainties, investors are cautioned not to place undue reliance on such forward-looking statements and not to regard such statements to be a guarantee of our future performance.

Neither our Company or our Directors or our Officers or Book Running Lead Manager or Underwriter nor any of their respective affiliates have any obligation to update or otherwise revise any statements reflecting circumstances arising after the date hereof or to reflect the occurrence of underlying events, even if the underlying assumptions do not come to fruition. In accordance with SEBI requirements, our Company and the BRLM will ensure that investors in India are informed of material developments until such time as the grant of listing and trading permission by the Stock Exchange for the Equity Shares allotted pursuant to this Offer.

## **SECTION II- RISK FACTORS**

An investment in our Equity Shares involves a high degree of financial risk. Prospective investors should carefully consider all the information in the Draft Red Herring Prospectus, particularly the “*Financial Information of the Company*” and the related notes, “*Our Business*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” on page 198, 138 and 258 respectively of this Draft Red Herring Prospectus and the risks and uncertainties described below, before making a decision to invest in our Equity Shares.

The risk factors set forth below are not exhaustive and do not purport to be complete or comprehensive in terms of all the risk factors that may arise in connection with our business or any decision to purchase, own or dispose of the Equity Shares. This section addresses general risks associated with the industry in which we operate and specific risks associated with our Company. Any of the following risks, individually or together, could adversely affect our business, financial condition, results of operations or prospects, which could result in a decline in the value of our Equity Shares and the loss of all or part of your investment in our Equity Shares. While we have described the risks and uncertainties that our management believes are material, these risks and uncertainties may not be the only risks and uncertainties we face. Additional risks and uncertainties, including those we currently are not aware of or deem immaterial, may also have an adverse effect on our business, results of operations, financial condition and prospects.

This Draft Red Herring Prospectus contains forward-looking statements that involve risks and uncertainties. Our actual results could differ materially from those anticipated in these forward-looking statements as a result of certain factors, including the considerations described below and elsewhere in this Draft Red Herring Prospectus. The financial and other related implications of risks concerned, wherever quantifiable, have been disclosed in the risk factors below. However, there are risk factors the potential effects of which are not quantifiable and therefore no quantification has been provided with respect to such risk factors. In making an investment decision, prospective investors must rely on their own examination of our Company and the terms of the Offer, including the merits and the risks involved. You should not invest in this offer unless you are prepared to accept the risk of losing all or part of your investment, and you should consult your tax, financial and legal advisors about the particular consequences to you of an investment in our Equity Shares.

### **Materiality**

*The Risk factors have been determined on the basis of their materiality. The following factors have been considered for determining the materiality.*

- 1. Some events may not be material individually but may be found material collectively.*
- 2. Some events may have material impact qualitatively instead of quantitatively.*
- 3. Some events may not be material at present but may be having material impact in future.*

### **Note:**

*The risk factors as envisaged by the management along with the proposals to address the risk if any. Unless specified or quantified in the relevant risk factors below, we are not in a position to quantify the financial implication of any of the risks described in this section.*

*In this Draft Red Herring Prospectus, any discrepancies in any table between total and the sums of the amount listed are due to rounding off. Any percentage amounts, as set forth in “**Risk Factors**” on page 22 and “**Management Discussion and Analysis of Financial Condition and Results of Operations**” on page 258 of this Draft Red Herring Prospectus unless otherwise indicated, have been calculated on the basis of the amount disclosed in the “**Restated Consolidated Financial Statements**” on page 198 of this Draft Red Herring Prospectus.*

- 1. Our business is dependent on the sale of our products to certain key customers and we do not have any long term contracts with any of these customers. The loss of any of these customers or loss of revenue from sales to these customers could have a material adverse effect on our business, financial condition, results of operations and cash flows.**

Our customer base currently comprises of a host of international and domestic companies. The table below sets out the revenue contribution as a percentage of our total revenue from operations from our largest customer, our top five customers and our top ten customers, for the period ended September 30, 2025 and Fiscal 2025, Fiscal 2024 and Fiscal 2023.

(Rs in lakhs)

Particulars	September 30, 2025		FY 24-25		FY 23-24		FY 22-23	
	Revenue	% of Revenue	Revenue	% of Revenue	Revenue	% of Revenue	Revenue	% of Revenue
Top 1 customer	983.85	37.58%	489.07	9.96%	421.91	11.89%	263.34	8.88%
Top 5 customers	1,772.67	67.72%	1,821.59	37.11%	1,462.51	41.22%	1,067.85	36.01%
Top 10 customers	2,080.85	79.49%	2,760.32	56.24%	2,172.73	61.24%	1,641.71	55.36%
<b>Total</b>	<b>2617.59</b>	<b>100.00%</b>	<b>4907.98</b>	<b>100.00%</b>	<b>3547.74</b>	<b>100.00%</b>	<b>2965.39</b>	<b>100.00%</b>

The loss of these customers or a loss of revenue from sales to these customers may materially affect our business, financial condition, results of operations and cash flows. As a result, the volume of sales to our customers may vary due to changes in our customers' sourcing strategies. We cannot assure you that we will be able to significantly reduce customer concentration in the future. Most of our business comprises direct supply to our customers, for which we do not have long term agreements. Therefore, as we do not bind a majority of our customers to any long-term agreements, our customers may terminate their relationship with us, with or without cause, with no advance notice and without compensation. Consequently, there is no commitment on the part of the customer to continue to place new purchase orders with us and as a result, our sales from period to period may fluctuate. Many of the purchase orders we receive from customers specify the price per unit and delivery schedule, with the quantities to be delivered. However, such orders may be amended or cancelled and should such amendment or cancellation take place, we may be unable to seek compensation for any surplus bought out or manufactured. Cancellation by customers or delay or reduction in their orders or instances where anticipated orders fail to materialize can result in mismatch between our inventories of raw materials and of manufactured products, thereby increasing our costs with regard to maintaining our inventory, which may adversely affect our profitability and liquidity. Additionally, our customers have high and stringent standards for product quality and quantity as well as delivery schedules. As we are dependent on certain key customers for a significant portion of our sales, the loss of any one of our key customers, if not replaced, may have a material adverse effect on our business, results of operations and financial condition.

Our reliance on a selected group of customers for our business exposes us to risks, that may include, but are not limited to, reductions, delays or cancellation of orders from our customers, failure to negotiate favourable terms or the loss of these customers, all of which could affect financial position and future prospects of our Company.

In addition, we are exposed to payment delays and/or defaults by our major customers and our financial position and financial performance are dependent on the creditworthiness of our customers. There is no guarantee that all or any of our customers will honour their outstanding amounts in time and whether they will be able to fulfil their obligations, due to any financial difficulties, cash flow difficulties, deterioration in their business performance, or a downturn in the global economy. If such events or circumstances occur from all or any of our major customer, our financial performance and our operating cash flows may be adversely affected.

**2. *We derive a portion of our revenues from exports and are subject to risk of international trade in multiple countries including Netherlands where our wholly owned subsidiary is located.***

We intend to pursue growth by expanding our geographical presence in both domestic and international markets supported by our "Dual-Hub" operating model. Under this model, our Company is focused on strengthening our European footprint through our wholly owned subsidiary, HGS Products B.V., in Netherlands, which serves as a centre for marketing activities and customer engagement in developed markets. Various international jurisdictions restrict investments or otherwise doing business in or with certain countries or territories. We sell our products primarily outside India serving multinational customers having their head offices globally spread across United States, Germany, Sweden, Switzerland, Estonia, Slovakia, Netherlands, South Africa, Saudi Arabia, Australia, Spain, United Kingdom, Norway, Ukraine, Brazil, Canada, Indonesia, Denmark and UAE etc. For the stub period ended on September 30, 2025 and financial year ended on March 31, 2025, March 31, 2024 and March 31, 2023, our revenue from exports to these countries accounted for Rs. 2040.82 lakhs, Rs. 2903.09 lakhs, Rs.2241.28 lakhs and Rs. 2558.26 lakhs which accounted for 77.97%, 59.15%, 63.17% and 86.27% of our revenue from operations. Therefore, any developments in the global seismic industry or the industries in which our customers operate could have an impact on our sales from exports. For instance, there was unrest in Ukraine due to outbreak of war between Russia and Ukraine which began on February 24, 2022. Similarly, the recent escalation of conflict in the Persian Gulf and surrounding areas has led to heightened volatility in global crude oil prices and disruptions in supply chains. As a result of such geopolitical developments, our exports to these affected regions and beyond may be disrupted, and we may face operational challenges. If such severity persists or similar war like situations occurs between countries across the globe in future our revenue from export may be affected. Such disruptions could adversely impact our business operations, revenues, and overall financial performance. Further from time to time, tariffs, quotas and other tariff and non-tariff trade barriers may be imposed on our products in jurisdictions in which we operate or seek to sell our

products. There can be no assurance that the countries where we export, among others, will not impose trade restrictions on us in future. We may also be prohibited from exporting to certain restricted countries that may be added to the sanctions list maintained by the Government of India or other foreign governments. Any such imposition of trade barriers may have an adverse effect on our results of operations and financial condition. Our operations are subject to risks that are specific to each country from where our customers operate, including:

- Social, economic, political, geopolitical conditions and adverse weather conditions, such as natural disasters, civil disturbance, terrorist attacks, war or other military action, which may adversely affect our business and operations;
- Compliance with local laws, including legal constraints on ownership and corporate structure, environmental, health, safety, labour and accounting laws, which may impose onerous and costly obligations on our multinational customers.
- Changes in foreign laws, regulations and policies, including restrictions on trade, import and export licence requirements, and tariffs and taxes, intellectual property enforcement issues and changes in foreign trade and investment policies and
- Fluctuations in foreign currency exchange rates against the Indian Rupee.

Our failure to effectively react to these situations or to successfully introduce new products in these markets could adversely affect our business, prospects, results of operations and financial position. Further, our international operations are subject to risks that are specific to each country and region in which we operate, as well as risks associated with international operations, in general. These risks include complying with changes in foreign laws, regulations and policies, including restrictions on trade, import and export license requirements, and tariffs and taxes, intellectual property enforcement issues and changes in foreign trade and investment policies. In the event we are unable to effectively address or comply with changes in foreign laws, or meet the conditions stipulated in our licenses, we may be subject to penalties and other regulatory actions, which could adversely affect our reputation, business, prospects, result of operations and financial condition

**3. *We derive a significant portion of our revenue from the sale of our key product i.e. Geophones Strings/Harness and Seismic Cables. An inability to anticipate or adapt to evolving upgradation of the required products or inability to ensure product quality or reduction in the demand of these products may adversely impact our revenue from operations and growth prospects.***

Our revenue from operations during the stub period ended on September 30, 2025 and in last three financial years Fiscal 2025, 2024 and 2023 are significantly dependent on our revenue from sales of Geophones Strings/Harness which represented 45.62%, 51.15%, 66.98% and 58.18% of our revenue from operations and revenue from sales of Seismic Cables which represented 33.86%, 26.95%, 23.06% and 22.98% of our revenue from operations during the said periods. We cannot assure you that we will be able to increase our market share in the future for these products. Further, the products may be substituted by product upgradation and our Company may be unable to upgrade these products. We may not be able to introduce new products that are in faster-growing and more profitable categories. Any of these factors could have a material adverse impact on our financial condition and the results of operations. We may also be required to invest in updated technology and processes to develop upgraded products having the desired specification, qualities and characteristics and continually monitor and adapt to evolving demand. Any such upgradation may also require for additional capital investment which may affect our financial position. For details related to total revenue from operations from various types of products, kindly refer section titled “***Our Business***” beginning on Page 138 of this Draft Red Herring Prospectus.

**4. *Our reliance on certain industries for a significant portion of our sales could have an adverse effect on our business.***

We are engaged in the business of manufacturing geophones, seismic cables, and connectors for the seismic industry within the energy and geoscience sector. Our products are used in the acquisition of seismic data and are integral to recording and transmitting ground vibration signals for the processing, interpretation, and analysis of subsurface geological structures. Our products find their applications largely in Oil & Gas exploration, Coal exploration, civil engineering for critical infrastructure, defence research, earthquake seismology and other mining and geoscience applications.

Our wide-ranging offerings are deployed across diverse end-user segments, including oil and gas exploration for 2D or 3D seismic surveys, civil engineering for structural health monitoring of bridges, dams, and railways, earthquake seismology requiring high-sensitivity sensors for crustal studies, defence research, geothermal exploration and carbon capture and storage and other geoscience applications. Consequently, our revenues are dependent on the end user industries that use our products as an input. The table set forth below provides industry segment split of our revenue from operations for the stub period ended on September 30, 2025 and Fiscal 2025, Fiscal 2024 and Fiscal 2023.

Factors affecting any of these industries in general, or any of our customers in particular, could have a cascading adverse effect on our business, financial condition and results of operations. Such factors include, but are not limited to, the following:

- our customers' failure to successfully market their products or to compete effectively;
- change in any registration requirements or non-renewal of registrations or imposition of a regulatory ban, or trade sanctions imposed across the country or globally
- any such restrictions on the customer's business or final product;
- economic conditions of the markets in which our customers operate;
- regulatory issues faced by these industries in India and internationally;
- downturns or industry cycles that impact demand; and
- changes in technology or consumer requirements that alter demands for our products.

While entering into a new industry can offer exciting opportunities, it also comes with its fair share of risks including but not limited to lack of industry knowledge, regulatory and compliance issues, Competitive pressure, market uncertainties, technology or infrastructure changes etc., any or all of which could affect our business, financial condition and results of operations.

**5. *We are subject to strict quality requirements, customer inspections and audits, and any failure to comply with quality standards may lead to cancellation of existing and future orders and could negatively impact our reputation and our business and results of operations and future prospects.***

Our Company manufactures a wide range of critical assemblies and precision components with close tolerances through its precision machining, assembly, and specialized fabrication facilities, for onward usage by our customers in the energy and natural resources sector. All raw materials procured for manufacturing our products are sourced from trusted vendors and our quality control team applies stringent quality measurements at every manufacturing stage to ensure low rejection rate such that our finished product confirms to the exact requirement of our customers and successfully passes all validations and quality checks.

We develop and manufacture complex and specialized components for our diversified range of products catering to various sectors based on specific requirements stipulated by them. Given the nature of our products and the sector in which we operate, we believe that our customers have high standards for product quality and delivery schedules. Adherence to quality standards is a critical factor as a defect in products manufactured by our Company or failure to comply with the specifications of our customers may, in turn, lead to the manufacture of faulty end-products. Component failures, manufacturing non-conformance, unknown safety, efficacy concerns, design defects, off-label use, or inadequate disclosure of product-related risks or product-related information with respect to our products, if they were to occur, could result in directly or indirectly, personal injuries or other adverse effects. This may lead to cancellation of supply orders or non-renewal of agreements by our customers and at certain instances may impose additional costs in the form of product liability and/or product recall. However, in certain cases customers provide us an opportunity to submit our corrective and preventive action plans for quality issues. Further our facilities, process and products are exposed to regular inspection and audits by our customers to ensure that their internal standards are appropriately met. Any non-compliance observed during inspection/audit may have an adverse impact on our business, financial condition, results of operations and future prospects.

Any negative publicity regarding our Company or our products could adversely affect our reputation, our operations and our results from operations.

**6. *We may be subject to risks associated with product warranty.***

We are subject to risks and costs associated with product warranties, supply of defective products within the warranty periods stipulated for our products. We usually provide warranty against manufacturing defects on our products, other than for physical damages during transit, for a period of 1-3 years from the date of invoicing. Any defects in the finished products may result in invocation of such warranties issued by us and may require repair or replacement resulting in additional costs for our Company. For instance, we incur, from time to time, expenditure on account of product warranty claims, which are in the nature of product repairs on account of defects found in our products or on account of routine wear and tear. There can be no assurance that we will be able to successfully defend or settle such claims and lawsuits against defective products. Multiple instances of manufacturing defects in our products or any product liability claim against us could generate adverse publicity, leading to a loss of reputation, customers and/or increase our costs, thereby materially and adversely affecting our reputation, business, results of operations, financial condition and cash flows.

**7. *Our business is dependent on our manufacturing facility and we are subject to certain risks in our manufacturing process. Obsolescence, destruction, theft, breakdowns of our major plants or machineries or failures to repair or maintain the same or technology failures could disrupt our operations and have a material adverse effect on our business, results of operation or financial condition.***

We operate from our manufacturing facility situated at Manesar, Haryana, utilizing machinery including precision assembly lines, injection moulding units for ruggedized casing, and coil winding and magnetizing equipment. We possess around 40 years of manufacturing experience, inherited from foundational partnerships with a global Company Geosource Inc. (USA). We are equipped with in-house capabilities of developing and manufacturing geophones, seismic cables, and connectors for the seismic industry. Our manufacturing activities are characterized by tight dimensional tolerances, consistent material properties, and high levels of assembly accuracy to ensure accurate detection and transmission of subsurface vibration signals, capital investment, and dependence on advanced instrumentation, software, and skilled manpower.

Our business is dependent upon our ability to manage our manufacturing facilities, which are subject to various operating risks, including those beyond our control, such as the breakdown and failure of equipment or industrial accidents and severe climate conditions and natural disasters. Any significant malfunction or breakdown of our machinery may entail significant repair and maintenance costs and cause delays in our operations. If we are unable to repair breakdown of machinery in a timely manner or at all, our operations may need to be suspended for a limited time until we procure new machinery to replace the same.

While we have not encountered any significant disruptions at our factories in recent years apart from regular repair and maintenance required to be done on the installed plant and machineries, we cannot guarantee that future disruptions will not occur. Our inability to effectively respond to such events and rectify any disruption, in a timely manner and at an acceptable cost, could lead to the slowdown or shutdown of our operations or the under-utilization of our manufacturing facility, which in turn may have an adverse effect on our business, financial condition and results of operations. In addition, we may be required to carry out planned shutdowns of our facilities for maintenance, statutory inspections and testing, or may shut down a part of the facility for capacity expansion and equipment upgrades.

**8. *The industry where our Company operates requires deployment of skilled and technical employees including labour workforce and our success depends largely upon our ability to attract and retain these personnel.***

We have in our team skilled and semiskilled personnel who are abreast with our manufacturing activities. As on September 30, 2025, we have inhouse team of 161 employees that allow our Company to design and manufacture seismic sensors and transmission systems to improve sensitivity, frequency response, noise reduction, durability, and signal integrity. This facilitates the development of products capable of delivering high-resolution subsurface data under diverse operating conditions, including extreme temperatures, rugged terrain, and offshore environments. An inhouse technical team enables rapid customization of geophones, cable assemblies, and connectors to meet client-specific technical specifications, thereby enhancing customer satisfaction.

Our employee benefits expense, including salaries and bonus, Directors' Remuneration, Directors' Commission, contribution to provident and other funds and staff welfare expenses etc. for the stub period ended September 30, 2025 and fiscal years ending 2025, 2024 and 2023 accounted to Rs. 765.75 Lakhs, Rs. 1429.21 Lakhs, Rs. 1435.69 Lakhs and Rs. 1594.16 Lakhs, respectively, representing for 41.03%, 36.07%, 43.18% and 55.07%, respectively, of our total expense for

the respective year. Our business is substantially dependent on our design and engineering teams to accurately carry out the estimates and engineering studies for potential orders. Any deviation during the execution of the order as compared to our estimates could have a material adverse effect on our cashflows, results of operations and financial condition.

Furthermore, our manufacturing operations require deployment and our ability to retain labour. In case such labour workforce is unavailable, or we are unable to identify and retain such labour our business could be adversely affected. We cannot guarantee that we may be able to continue with the same on favourable terms or at all. Any such failure may impact the operations, business process and profitability. Additionally, there have been amendments in the labour and Employment related laws, which may have a direct impact on our employee costs and consequently, on our margins. Further, latest amendments in labour laws in India may lead to increasing cost of compliance, wages, social security, occupational safety, health and working conditions. We cannot assure you that we will continue to comply with all these labour related laws and that as we continue to grow our business in the future, our labour and employee costs coupled with operating compliances and expenses will not significantly increase.

We appoint contract labour for carrying out certain operations and we may be held responsible for paying the wages of such workers, if the independent contractors through whom such workers are hired default on their obligations, and such obligations could have an adverse effect on our results of operations and financial condition. In the event any regulatory body or court passes orders which require us to regularize any of the casual or contract labourers as regular employees, it may have an adverse effect on our business, results of operations and financial condition due to the various factors including increase in wages. There is intense competition for experienced skilled professionals with technical and industry expertise in our business and if we lose the services of any of these or other key individuals and are unable to find suitable replacements in a timely manner, our ability to realize our strategic objectives could be impaired. The loss of members of our team, particularly to competitors, could have a material adverse effect on our business and results of operations.

**9. *Inventories and trade receivables form a major part of our current assets. Failure to manage our inventory and trade receivables could have an adverse effect on our sales, profitability, cash flow and liquidity.***

Inventories and trade receivables form a major part of our current assets. The results of operations of our business are dependent on our ability to effectively manage our inventory and trade receivables. To effectively manage our inventory, we must be able to accurately estimate customer demand / potential orders and supply requirements and purchase new inventory accordingly. However, if we misjudge expected customer demand / potential orders, it could cause either a shortage of products or an accumulation of excess inventory. During the stub period ended on September 30, 2025 and Fiscals 2025, 2024 and 2023 our inventories were ₹ 4,464.52 lakhs, ₹ 3,796.00 lakhs, ₹ 4,237.89 lakhs and ₹ 4,727.38 lakhs respectively. To effectively manage our trade receivables, we must be able to accurately evaluate the credit worthiness of our customers and ensure that suitable terms and conditions are given to them in order to ensure our continued relationship with them. However, if we fail to accurately evaluate the credit worthiness of our customers, it may lead to bad debts, delays in recoveries and / or write-offs which could lead to a liquidity crunch, thereby adversely affecting our business and results of operations. During the stub period ended on September 30, 2025 and Fiscals 2025, 2024 and 2023 our trade receivables were ₹ 580.02 lakhs, ₹ 280.23 lakhs, ₹ 144.35 lakhs and ₹ 321.43 lakhs. We may be subject to working capital risks due to delays or defaults in payment by clients, which may restrict our ability to procure raw materials and make payments when due. In addition, any delay or failure on our part to supply the required quantity or quality of products, within the time stipulated, to our customers may in turn cause delay in payment or refusal of payment by the customer. Such defaults/delays by our customers in meeting their payment obligations to us may have a material effect on our business, financial condition and results of operations. Such situation may require an additional and, consequently, higher finance cost which will adversely impact our profitability.

**10. *Our Company is dependent on limited number of suppliers for procurement of raw materials and components. Any delay, interruption or reduction in the supply of raw materials and components required for our products may adversely affect our business, results of operations, cash flows and financial condition.***

We manufacture our products utilizing raw materials like: plastic granules, copper, brass, aluminium and stainless steel and mild steel and special conductors. The raw materials we use in our manufacturing process are primarily sourced from third party suppliers in India and are also imported from USA, Netherlands, Greece, Germany, Belgium, Canada and China. Moreover, our Company has established recurring procurement arrangements with global suppliers for seismographs and sensors etc. Our imported purchases account for 66.56%, 68.99%, 59.58%, and 51.62% of our total purchases for the period ended on September 30, 2025 and Fiscal 2025, 2024 and 2023 respectively.

For the stub period ending September 30, 2025 and Fiscal 2025, Fiscal 2024 and Fiscal 2023, our purchases from our top ten suppliers amounted to Rs. 788.70 Lakhs, Rs. 882.33 Lakhs, Rs. 550.38 Lakhs and Rs. 315.02 Lakhs respectively, which represented 75.67%, 77.12%, 81.39% and 72.89% of our total purchases, respectively, for the said period. We do not have

any long-term supply agreements with these suppliers and therefore, we cannot assure that we shall always have a steady supply of raw materials and components at prices favourable to us. The absence of long-term contracts/agreements at fixed prices exposes us to volatility in the prices of raw materials that we require and we may be unable to pass these costs onto our customers, which may reduce our profit margins. Any disruption of supply of raw materials from such suppliers could adversely impact our operations and business if we are unable to replace such suppliers in a timely manner. We cannot assure you that we will be able to enter into new arrangements with suppliers on terms acceptable to us, which could have an adverse effect on our ability to source raw materials in a commercially viable and timely manner, if at all, which may impact our business and profitability.

The quality of our products is primarily derived from the quality of our raw materials, and any deterioration in the quality of raw materials supplied to us will have an adverse effect on the quality of our products, market reputation and sales volumes. There can be no guarantee that we will be able to maintain our current line-up of suppliers or adequate supply of such raw materials at all times. Though, we have not faced any such instance in past, there can be no assurance that demand, capacity limitations or other problems experienced by our suppliers will not result in occasional shortages or delays in their supply of raw materials or components. If we experience a significant or prolonged shortage of raw materials from any of our suppliers and we cannot procure the raw materials from other sources, we would be unable to meet our production schedules for our products and may fail to deliver such products to our customers in a timely manner, which would adversely affect our sales, margins and customer relations. Further, our Company has outstanding dues of trade payables for the period ending September 30, 2025 and Fiscal years ending 2025, 2024 and 2023 of Rs. 279.39 Lakhs, Rs. 118.54 lakhs, Rs. 38.46 Lakhs and Rs. 59.10 lakhs respectively. Any delay in payment to our creditors may impact our long-standing relations with our suppliers and may result in stoppage of timely or at all delivery of raw material. Any such disruption would impact the production and overall financial position of our Company.

***11. We depend on our technical expertise to manufacture and develop products and if we are unable to keep our technical knowledge and process know-how confidential, we may suffer loss of our competitive advantage.***

We possess around 40 years of manufacturing experience, inherited from foundational partnerships with a global Company Geosource Inc. (USA). We are equipped with in-house capabilities of developing and manufacturing geophones, seismic cables, and connectors for the seismic industry. Our manufacturing activities are characterized by tight dimensional tolerances, consistent material properties, and high levels of assembly accuracy to ensure accurate detection and transmission of subsurface vibration signals, capital investment, and dependence on advanced instrumentation, software, and skilled manpower. Our core manufacturing capabilities include Precision Geophone Element Assembly, High-capacity Wire and Cable Extrusion, Injection Moulding (Vertical and Horizontal), Coil Winding and Magnetizing, Automated and manual assembly and testing. We have installed advanced machines with process automation such as Injection moulding machines, Extrusion and cable lines including extruders, stranders, braiders, and winders; and Industrial Printing Systems such as inkjet and laser printers. Further the cables and connectors manufactured by us involve multi-disciplinary engineering across mechanical design, electronics, signal transmission, ruggedized enclosures, and system integration. Our ability to manufacture such a diverse and technically demanding product suite demonstrates depth in precision machining, electrical and electromechanical assembly, and quality control processes.

We possess extensive technical knowledge about our products. We have gained such technical knowledge through our own experiences undertaken to develop our products. While we are subject to strict confidentiality, non-disclosure and non-compete obligations under the agreements with our customers, if such technical knowledge is not protected, we may lose our competitive edge. Even if all reasonable precautions, whether contractual or otherwise, are taken to protect the confidential and technical knowledge of our products and business, there is a risk that certain proprietary knowledge may be leaked, either inadvertently or wilfully, at various stages of the manufacturing process. Some members of our team have access to confidential design and product information and there can be no assurance that this information will remain confidential.

Further the development and commercialization of improved and/or new products is complex, time-consuming and costly, and its outcome may be uncertain. Accordingly, we have committed substantial effort, funds and other resources towards product development activities. We cannot guarantee that the improved and/or new products we will introduce in the future will be successful or will continue to be successful. Our ongoing investments in new product launches and development initiatives for future products could result in higher costs without a proportionate increase in revenues. There can be no assurance that our expenditure on product development activities will yield proportionate results or that commercially viable products may be developed. In the event that such products are unsuccessful, we may lose some or all of the investments that we have made in developing them.

***12. We are exposed to foreign currency fluctuation risks, in relation to export of products and import of material, which may affect our results of operations, financial condition and cash flows.***

Our financial statements are prepared in Indian Rupees and our business involves transactions with foreign companies which is received or paid in U.S. Dollars, EURO and other foreign currencies. Our sales from exports and a portion of our raw materials expenditures are denominated in foreign currencies. Accordingly, we have currency exposures relating to buying and selling in currencies other than in Indian Rupees. A depreciation of Rupee against these foreign currencies would mean that our import of raw materials would become expensive and will impact our profitability. Similarly, any appreciation of Rupee against these foreign currencies would mean that our sales become cheap. During the stub period ended September 30, 2025 and Fiscal 2025, 2024 and 2023 the cost of raw material imported amounted to ₹ 693.73 lakhs, ₹ 789.31 lakhs, ₹ 402.89 lakhs, and ₹ 223.07 lakhs respectively, which constituted 66.56%, 68.99%, 59.58% and 51.62% respectively, of our total raw material purchased. Similarly, during the stub period ended September 30, 2025 and Fiscal 2025, 2024 and 2023 our revenues from our exports amounted to ₹ 2040.82 lakhs, ₹ 2903.09 lakhs, ₹ 2241.28 lakhs and ₹ 2558.26 lakhs respectively, which constituted 77.97 %, 59.15 %, 63.17% and 86.27% respectively, of our total revenues from operations. Therefore, changes in the relevant exchange rates could also affect sales, operating results and assets and liabilities reported in Indian Rupees as part of our financial statements. We have earned gains/(losses) due to these fluctuations in foreign currency in the stub period ended on September 30, 2025 and in Fiscal 2025, 2024 and 2023 of ₹ 66.38 lakhs, ₹ 37.48 lakhs, ₹ 21.12 lakhs and ₹ (0.43) lakhs respectively. The exchange rate between the Rupee and the foreign currencies has fluctuated substantially in recent years and may continue to fluctuate significantly in the future. We bear the complete risk of currency exchange rate fluctuations. We are affected by fluctuations in exchange rates and we cannot assure you whether hedging or other risk management strategies will be effective. There can be no assurance that we will be able to avoid the effect of any adverse fluctuations in the value of the Indian Rupee against the U.S. Dollar or other foreign currencies.

**13. Our Company and its management are involved in certain legal proceedings and potential litigations. Any adverse decision in such proceedings may render us/them liable to liabilities/penalties/prosecutions and may adversely affect our business and results of operations.**

Our Company is currently involved in certain legal proceedings. These legal proceedings are pending at different levels of adjudication before various courts, tribunals, and government departments. The summary of outstanding litigation in relation to taxation matters, statutory or regulatory laws filed by or against our Company and Directors have been set out below.

*Litigations/ Matters involving our Company:*

<b>Nature of Litigation</b>	<b>Number of Cases Outstanding</b>	<b>Amount in dispute/demanded to the extent ascertainable (Amount in Lakhs)</b>
<b><i>Filed by the Company</i></b>		
Other pending material litigations	1	13.87
<b><i>Against the Company</i></b>		
Other pending material litigations	2	15.28
Tax Proceedings (Direct Tax)	5	0.42
Tax Proceedings (Indirect Tax)	1	5.94

*Litigations/ Matters against our Promoters and Directors:*

<b>Nature of Litigation</b>	<b>Number of Cases Outstanding</b>	<b>Amount in dispute/demanded to the extent ascertainable (Amount in Lakhs)</b>
<b><i>Filed by our Promoters and Directors</i></b>		
Other pending material litigations	3	400.88
<b><i>Against our Promoters and Directors</i></b>		
Tax Proceedings (Direct Tax)	6	12.75

*\*Amount mentioned to the extent quantifiable. The amount may be subject to additional interest/other charges being levied by the concerned authorities which are unascertainable as on date of this Draft Red Herring Prospectus.*

For further details, see “**Outstanding Litigation and Material Developments**” beginning on page 270 of this Draft Red Herring Prospectus. Any adverse decisions in the aforesaid proceedings may have a material effect on our business, future financial performance and results of operations. If the courts or tribunals rule against our Company, we may face monetary and/or reputational losses and may have to make provisions in our financial statements, which could increase our expenses and our liabilities.

**14. We are dependent on our promoter and senior management and other key personnel, and the loss of, or our inability to attract or retain, such persons could affect our business, results of operations, financial condition and cash flows.**

Our performance depends largely on the efforts and abilities of our Promoter and Managing Director Anil Dass and on our senior management team involving our Whole time Directors, Dhiraj Kumar Vashista and Samir Gugnani. They have gained experience in this line of business and have over the years build relations with suppliers, customers, regulators and other persons who are connected with us and have been actively involved in the day-to-day operations and management. Further we believe that the inputs and experience of our Promoter and senior management in particular, are valuable for product development activities, procurement of raw materials, successful delivery of products and our overall business operations of our Company. For details in relation to the experience of our key management personnel, see **“Our Management”** on page 172 of this Draft Red Herring Prospectus. We cannot assure you that these individuals or any other member of our senior management team will not leave us or join a competitor or that we will be able to retain such personnel or find adequate replacements in a timely manner, or at all. We may require a long period of time to hire and train replacement personnel when qualified personnel terminate their employment with our Company. We may also be required to increase our levels of employee compensation more rapidly than in the past to remain competitive in attracting employees that our business requires. The loss of the services of such persons may have an effect on our business, results of operations, financial condition and cash flows.

**15. *Our Subsidiary Company had incurred losses in the past and any operating losses in the future could adversely affect the results of operations and financial conditions of our Company.***

Our wholly owned Subsidiary Company i.e., HGS Products BV, Netherlands incorporated on January 27, 2015, had incurred loss in FY 2023-24 amounting to Rs (7.80) Lakhs. Any operating losses could adversely affect the overall operations of the subsidiary Company and its financial conditions and will also divert the attention of the management and promoter towards it which could have an adverse effect on our operations and financials. For more information, regarding the Company, please refer chapter titled **“Our Subsidiary Company”** beginning on page 170 of this Draft Red Herring Prospectus.

The Subsidiary Company is not under our full control, and its performance is influenced by various factors beyond our control, including its operational, financial, and compliance capabilities. There can be no assurance that our subsidiary will perform in line with our expectations or business plans. Any adverse developments relating to our subsidiary such as financial underperformance, management disputes, legal or regulatory non-compliance or reputational issues could have a material adverse effect on our consolidated financial results. In addition, such developments could negatively impact our brand, strategic relationships and stakeholder confidence. Furthermore, if we are required to provide financial support to our subsidiary Company, it may affect our liquidity position and profitability. If the subsidiary fails to meet its obligations our investment may be impaired, and we may be required to write down or write off such investments, which could materially affect our financial condition.

**16. *We are subject to strict quality requirements, regular inspections and audits, and the success and wide acceptability of our products is largely dependent upon our quality controls and standards. Any failure to comply with quality standards may adversely affect our business prospects and financial performance, including cancellation of existing and future orders***

All our products and manufacturing process are subject to stringent quality standards and specifications as specified by our customers. Given the nature of our products and the sector in which we operate, we believe that our customers have high standards for product quality and delivery schedules. Adherence to quality standards is a critical factor as a defect in products manufactured by our Company or failure to comply with the specifications of our customers may, in turn, lead to the manufacture of faulty end-products. This may lead to cancellation of supply orders by our customers. As a result, any failure on our part to maintain applicable standards and manufacture products according to prescribed quality specifications, may lead to loss of reputation of our Company, cancellation of the order, loss of customers, rejection of the product, which will require us to incur additional cost to replace the rejected product, all or any of which could have adverse effect on our business and financial condition. Additionally, it could expose us to monetary liability and/ or litigation. Further our facilities, process and products are exposed to regular inspection and audits by our customers to ensure that their internal standards are appropriately met. Any non-compliance observed during inspection/audit may have an adverse impact on our business, financial condition, results of operations and future prospects. Any negative publicity regarding our Company or our products could adversely affect our reputation, our operations and our results from operations.

**17. *If there are delays in executing the objects of the IPO or if the costs of setting up and the possible time or cost overruns related to the proposed capex or the purchase of plant and machinery, are higher than expected, it could have a material adverse effect on our financial condition, results of operations and growth prospects.***

We propose to utilise a portion of the IPO proceeds towards funding the capital expenditure towards replacement of plant and machinery for our existing manufacturing facility, towards backward integration for setting up in-house gold and silver-

plating facility and towards infrastructural development of building on 3rd Floor at our existing manufacturing facility. For further details, please refer to chapter titled “*Objects of the Offer*” beginning on page 98 of this Draft Red Herring Prospectus. The completion of the setting up of the new machinery is dependent on our ability to arrange finance through Net Proceeds. We cannot assure you that we will be able to arrange for such finance on time. Our plans of such capital expenditure remain subject to the potential problems and uncertainties involved in its implementation including cost overruns or delays, labour shortages, increased costs of equipment or manpower, defects in designs or product quality, the possibility of unanticipated future regulatory restrictions, incremental pre-operating or installation expenses and other external factors which may not be within the control of our management. There can be no assurance that our budgeted costs may be sufficient to meet our proposed capital expenditure requirements. If our actual capital expenditures significantly exceed our budgets, or even if our budgets were sufficient to cover these expenditures, we may not be able to achieve the intended economic benefits, which in turn may materially and adversely affect our financial condition, results of operations, cash flows, and prospects.

**18. *Our Company may not be successful in penetrating into new export markets***

Our manufacturing operations are situated in a 100% Export Oriented Unit (“EOU”) and our business model is significantly dependent on export markets. As part of our growth strategy, we intend to expand our presence in new international markets and geographies. However, our ability to successfully penetrate new export markets is subject to several uncertainties and risks, including our ability to identify suitable market opportunities, establish effective distribution networks, comply with varying regulatory and quality standards, and compete effectively with established local and international players.

Expansion into new export markets may also expose us to challenges associated with our limited familiarity with the cultural, economic and regulatory environment of such markets, language barriers, difficulties in recruiting and managing personnel, and the absence of an established reputation or brand presence in such regions. In addition, entry into new export markets may require us to incur significant time and resources in developing customer relationships, obtaining necessary approvals and certifications, adapting our products to meet local specifications and standards, and complying with import regulations, trade policies and other legal requirements of such jurisdictions.

Further, by expanding into new geographical regions, we may be exposed to additional risks associated with establishing and conducting operations in such markets, including compliance with a wide range of laws, regulations and business practices, exposure to governmental actions, and political, economic or social instability. Changes in global trade policies, imposition of tariffs, non-tariff barriers, geopolitical developments, protectionist measures by importing countries, or adverse currency fluctuations may also affect our ability to expand into such markets. There can be no assurance that our products will achieve adequate market acceptance in new export markets or that we will be able to establish and maintain long-term customer relationships in such geographies. If we are unable to successfully penetrate new export markets or expand our export customer base, our growth strategy may not materialize as anticipated, which could have a material adverse effect on our business, financial condition, cash flows and results of operations.

**19. *Our Company was incorporated in 1986 and we are unable to trace some of our historical records and certain of our corporate records relating to forms filed with the Registrar of Companies in respect of Allotment of Equity Shares, appointment of Statutory Auditor, appointment of directors, filing of financial statements etc. We cannot assure you that no legal proceedings or regulatory actions will be initiated against our Company in the future in relation to the missing filings and corporate records, which may impact our financial condition and reputation.***

Our Company was incorporated in 1986 and as on date of this Draft Red Herring Prospectus, we do not possess some of the prescribed forms filed with the Registrar of Companies, Delhi and Haryana, particularly relating to forms filed, inter alia, in respect of allotments of equity shares, alteration in authorized capital, appointment of statutory auditor, appointment of directors, filing of financial statements etc. Although we have obtained a search report dated March 29, 2026 from a Practicing Company Secretary, Jhamb & Associates in relation to records maintained by ROC in the physical form, but still, information relating to above mentioned forms filed by the Company could not be traced. In addition, certain historical records of the Company are not available and are believed to have been misplaced over time during the shifting of the registered office of the Company in the past. Thus, the history of our Company with regards to allotments of equity shares, appointment of statutory auditor, change in registered office, appointment of directors, filing of financial statements, transfer of shares etc. presented in this Draft Red Herring Prospectus is based on the limited information available with the Company. While our Company believes that these ROC forms were duly filed on a timely basis, we cannot assure you that all the aforementioned forms filed with ROC will be available in the future. Further, due to the non-availability of the requisite statutory records, we may not be able to present the requisite documentary evidence to validate our point which may lead to any penal actions being taken against the Company and its operations may get adversely affected.

**20. *We are dependent on third party transportation providers for the delivery of our raw material and products. Accordingly, continuing increases in transportation costs or unavailability of transportation services for them, as well***

***the extent and reliability of Indian infrastructure may have an adverse effect on our business, financial condition, results of operations and prospects***

We use third party transportation providers for the delivery of our raw material and products both in India and overseas. Transportation strikes if they happen, could have an adverse effect on overall industry and accordingly may affect our receipt of raw materials and our ability to deliver our products to our customers. In addition, transportation costs have been steadily increasing over the past several years. Continuing increases in transportation costs or unavailability of transportation services for our products may have an additional cost escalation. Continuing increases in transportation costs or unavailability of transportation services for our products may have an adverse effect on our business, financial condition, results of operations and prospects. These problems could interrupt our business operations, which could have a material adverse effect on our results of operations and financial condition. In addition, India's physical infrastructure is less developed than that of many developed nations, and problems with its road networks, electricity grid, communication systems or any other public facility could disrupt our normal business activity, including our supply of raw materials and the delivery of our products to customers by third-party transportation providers. These problems could interrupt our business operations, which could have a material adverse effect on our results of operations and financial condition.

Total Freight charges represented 3.40%, 3.33%, 3.33% and 4.5% respectively, of our total expenses during stub period ended on September 30, 2025 and Fiscals 2025, 2024 and 2023. We are subject to the risk of increases in freight costs. If we cannot fully offset any increases in freight costs, through increases in the prices for our products, we would experience lower margins. In addition, any increase in export tariffs also will increase expenses which in turn may adversely affect our business, financial condition and results of operations.

***21. We require certain approvals, licenses, registrations and permits to operate our business, and failure to obtain or renew them in a timely manner or maintain the statutory and regulatory permits and approvals required to operate our business may adversely affect our operations and financial conditions.***

We require certain statutory and regulatory permits, licenses and approvals to operate our business. We believe that we have obtained requisite permits and licenses which are adequate to run our business, however we cannot assure that there is no other statutory/regulatory requirement which we are required to comply with. Further, some of these approvals are granted for fixed periods of time and need renewal from time to time. We are required to renew such permits, licenses and approvals. There can be no assurance that the relevant authorities will issue any of such permits or approvals in time or at all. Failure by us to renew, maintain or obtain the required permits or approvals in time may result in the interruption of our operations and may have a material adverse effect on our business, financial condition and results of operations.

The approvals required by our Company are subject to certain conditions and there can be no assurance that these would not be suspended or revoked in the event of non-compliance or alleged non-compliance with any terms or conditions thereof, or pursuant to any regulatory action. If there is any failure by us to comply with the applicable regulations or if the regulations governing our business are amended, we may incur increased costs, be subject to penalties, have our approvals and permits revoked or suffer a disruption in our operations, any of which could adversely affect our business.

***22. Geographical concentration of our manufacturing facility may adversely affect our operations, business and financial condition***

We manufacture and supply our products to customers in different geographies within and outside India from our manufacturing facility located at Manesar, Haryana. Any disruption to our manufacturing facility may result in production shutdowns, which may affect our ability to carry on our operations. Further, any communal agitations in any parts of Haryana or NCR causing significant loss to infrastructure, shutdown of business and industry or damage to property may affect our operations. Additionally, if our manufacturing facility is harmed or rendered inoperable by natural or man-made disasters, including earthquakes, fire, floods, acts of terrorism and power outages, it may render it difficult or impossible for us to efficiently operate our business for some period of time which may adversely affect our business, financial condition, result of operations and cash flows. Our manufacturing operations require significant labour and are also reliant on government policies in terms of taxes, duties and incentives made applicable by the state government. As a result, any unfavourable policies of the state government or state or local governments in this region, could adversely affect our business, financial condition and results of operations.

***23. Under-utilization of our manufacturing facility and an inability to effectively utilize our expanded manufacturing capacities could have an adverse effect on our business, future prospects and future financial performance***

Our capacity utilization levels are dependent on our ability to carry out uninterrupted operations at our factory as well as on the market demand of the products sold by us. Among others, the capacity utilization also depends upon the availability

of raw materials, labour, industry/ market conditions and procurement practice followed by our customers. The table below sets out our total annual installed capacity and capacity utilization of our facility for the periods indicated below:

Name of Products	Unit	Installed Capacity	September 30, 2025		2024-2025		2023-2024		2022-2023

*\*Not Annualized*

Further, Information relating to our installed capacities and the historical capacity utilization of our factory included in this Draft Red Herring Prospectus is based on various assumptions and estimates of our management, including proposed operations, assumptions relating to availability and quality of raw materials and assumptions relating to potential utilization levels and operational efficiencies. Though the details related to our installed capacity and actual utilization is certified by R.K. Aggarwal Chartered Engineer, vide certificate dated January 24, 2026 the actual utilization rates may differ significantly from the estimated installed capacities or historical estimated capacity utilization information of our facility. Undue reliance should therefore not be placed on our installed capacity or historical estimated capacity utilization information for our existing facilities included in this Draft Red Herring Prospectus.

**24. The Objects of the Offer for which funds are being raised, are based on our management estimates and have not been appraised by any bank or financial institution or any independent agency.**

The deployment of funds will be entirely at our discretion, based on the parameters as mentioned in the chapter titled “*Objects of the Offer*”. The fund requirement and deployment, as mentioned in the “*Objects of the Offer*” on page 98 of this Draft Red Herring Prospectus is based on the estimates of our management and has not been appraised by any bank or financial institution or any other independent agency. These fund requirements are based on our current business plan. We cannot assure that the current business plan will be implemented in its entirety or at all. In view of the highly competitive and dynamic nature of our business, we may have to revise our business plan from time to time and consequently these fund requirements. The deployment of the funds as stated under chapter “*Objects of the Offer*” is at the discretion of our Board of Directors and is not subject to monitoring by any external independent agency. Further, we cannot assure that the actual costs or schedule of implementation as stated under chapter “*Objects of the Offer*” will not vary from the estimated

costs or schedule of implementation. Any such variance may be on account of one or more factors, some of which may be beyond our control. Occurrence of any such event may delay our business plans and/or may have an adverse bearing on our expected revenues and earnings.

**25. We may not be able to adequately protect or continue to use our intellectual property.**

We have registered the logos used by our Company **HG** and  under class 9 of the Trade Marks Act, 1999. We cannot assure you that the said registration will not be opposed in future or the use of our logo by third parties could adversely affect our reputation, which could in turn adversely affect our business and results of operations. In particular, the use of similar trade names by third parties may result in confusion among our customers, and we are exposed to the risk that entities in India and elsewhere could pass off their products as our products, which may adversely affect sale of our products, resulting in a damage to our reputation. In the event of such unauthorized use, we may be compelled to pursue legal action for the protection of our intellectual property, which may divert our attention and resources thereby affecting our business operations. Any litigation, whether or not it is resolved in our favour, could result in significant expense to us and divert the efforts of our technical and management personnel, which may adversely affect our business operations or financial results. For any of these reasons, despite our efforts, we may be unable to prevent third parties from infringing upon or misappropriating our intellectual property

**26. A portion of our recent income is attributable to other income, which may not be sustainable or indicative of our future results.**

In addition to revenue from operations, our total income includes other income, which amounted to ₹195.40 lakhs, ₹437.24 lakhs, ₹244.93 lakhs and ₹412.05 lakhs representing 6.95 %, 8.18 %, 6.46 %, and 12.20 % of total income during September 30, 2025, Fiscal 2025, Fiscal 2024 and Fiscal 2023 respectively. Other income includes income from Interest on Deposit, Income from Investments, Net gain/loss on sale of investments, Income from Incentives, Rent received, Provisions/Credit balances/Liabilities written back, Provision written back for Warranty expenses and Exchange rate fluctuation (net) etc. Any decline in such other income in future periods could impact our overall profitability and financial performance.

There can be no assurance that we will be able to sustain our historical growth rates, operating leverage or margins in the future. Our future performance may be affected by factors beyond our control including customer sentiment and discretionary spending, availability and cost of raw materials and components, competitive intensity, macro-economic conditions, interest rate movements, inflation, foreign exchange fluctuations and changes in regulatory or tax policies relating to the industry. Any adverse movement in these factors could impact our overall profitability and cash flows.

**27. Our contingent liabilities and Capital Commitments as stated in our Restated Consolidated Financial Statements could affect our financial condition.**

Our Contingent liabilities as on September 30, 2025 were ₹ 162.24 Lakhs. If these contingent liabilities materialize, fully or partly, the financial condition of our Company could be affected.

(₹ in lakhs)

For more information, regarding our contingent liabilities, please refer “**Note 32** in chapter titled “**Financial Information of the Company**” beginning on page 247 of this Draft Red Herring Prospectus.

**28. Any shutdown or disruption at our manufacturing facility may have an adverse effect on our business, results of operations and financial condition.**

Our manufacturing operations are subject to various operational risks that could disrupt or adversely affect production at our manufacturing facilities. These risks include breakdowns or failures of plant and machinery, power supply interruptions, process failures, industrial or workplace accidents, labour unrest or disputes, natural disasters, epidemics or

pandemics and the need to comply with directives, restrictions or guidelines issued by relevant governmental or regulatory authorities. Any of these events could result in partial or complete shutdowns, production delays or operational inefficiencies at our manufacturing facilities. Accordingly, our ability to ensure uninterrupted operations and on-time delivery of products is critical to maintaining customer relationships and contractual commitments. For instance we surrendered one of the Factory Units, namely 146, Sector-5, IMT Manesar, Gurgaon for the purpose of consolidation of operations at existing factory, 158, Sector-4, Industrial estate, Ch. Devi Lal IMT Manesar, Gurgaon, Haryana in the last three financial years to achieve operational efficiencies. Any such consolidation to achieve operation efficiencies or disruption, shutdown or operational failure at our manufacturing facility could lead to lower production volumes and reduced capacity utilisation, resulting in higher per-unit costs, loss of operational efficiencies and adverse impacts on our margins. Prolonged or recurring disruptions may also affect our ability to fulfil existing orders, secure new orders or retain customers. Any such events could have a material adverse effect on our business, results of operations, financial condition and cash flows.

- 29. *We have in the past entered into related party transactions and may continue to do so in the future. There can be no assurance that such transactions, individually or in the aggregate, will not have an adverse effect on our Company's financial condition and results of operations.***

Our Company has entered into various transactions with our directors and promoters. These transactions, inter-alia includes remuneration, loans and advances, purchases, sales, professional charges, interest payments, commission etc. For details, please refer to “**Note 33- Related Party Transactions**” under Section titled “**Financial Information of the Company**” and Chapter titled “**Capital Structure**” beginning on page 247 and 71 respectively of this Draft Red Herring Prospectus. Our Company has entered into such transactions due to easy proximity and quick execution in compliance with provisions of Companies Act 2013 and applicable laws. Although all related-party transactions that we may enter into in the future are subject to approval by our Audit Committee, Board or shareholders, as required under the Companies Act, we cannot assure you that such future transactions or any other future transactions, individually or in aggregate, will not have an adverse effect on our financial condition and results of operations or that we could not have achieved more favourable terms if such transactions are not entered into with related parties.

Furthermore, it is likely that we may enter into related party transactions in the future. Any future transactions with our related parties could potentially involve conflicts of interest. Accordingly, there can be no assurance that such transactions, individually or in the aggregate, will not have a material adverse effect on our business, financial condition, cash flows, results of operations and prospects.

- 30. *Our business is substantially dependent on our design and engineering teams to accurately carryout the estimates and engineering studies for potential orders. Any deviation during the execution of the order as compared to our estimates could have a material adverse effect on our cashflows, results of operations and financial condition.***

We have developed competencies to deliver products as per customer specifications. We rely on our in-house team of engineers for timely and efficient operations. While our teams have the necessary skill and experience in carrying out estimates and engineering studies, we may not be able to assure the accuracy of such studies. Further the accuracy of the estimates is dependent on the prices quoted by our suppliers and how accurately we have analysed and estimated the specifications provided by customers. Any deterrence or deviation in the estimation and calculation of the key elements on which we rely before submitting quotations to customers as compared to cost incurred during implementation and operation could have a material adverse effect on our cash flows, results of operations and financial condition.

- 31. *In the past, there have been delays in filings with the Registrar of Companies (RoC) under the Companies Act, which may result in penalties.***

Our Company has in the past delayed in filings of certain forms and secretarial records with the Registrar of Companies (RoC) as required under Companies Act 2013. Our Company filed few of the forms after the due dates along with late fees. Although, no show cause notice in respect of the delayed filings has been received by the Company till date, any penalty imposed in future by any regulatory authority could affect our financial conditions to that extent. Additionally, we cannot ensure that similar delays will not occur again. If regulatory authorities impose penalties or take actions against our Company or its directors/officers, it could adversely affect our business and financial condition.

- 32. *We have power and water requirements and any disruption to our power or water sources could increase our production costs.***

We require power and water for our manufacturing facilities, and energy costs represent a portion of the production costs for our operations. For the stub period ended on September 30, 2025 and Fiscals 2025, 2024 and 2023 our power and fuel charges were ₹ 39.82 lakhs, ₹ 59.62 lakhs, ₹ 56.33 lakhs, and ₹ 68.48 lakhs, constituting 2.13 %, 1.50 %, 1.69 % and 2.37 %, respectively, of our total expenses. If energy or water costs were to rise, our production costs could increase if we are unable to increase the prices for our products enough to offset these increased costs. If electricity or water supplies or supply arrangements were disrupted, we may need to rely on alternative sources, which may not be able to consistently

meet our requirements. Interruptions of electricity supply can also result in production shutdowns, increased costs associated with restarting production and the loss of production in progress.

**33. *If we are unable to manage our growth effectively and further expand into new markets our business, future financial performance and results of operations could be materially and adversely affected.***

The success of our business will depend on our ability to effectively implement our business and growth strategy. As part of our growth strategy, we aim to, among other things, continue to grow our business as and when opportunities exist including by continuing to strengthen our existing product portfolio with attractive growth and profitability prospects, to strive for cost efficiency, attracting and retaining talented employees and focusing on consistently meeting quality standards. As we continue to grow our business and expand into newer markets, we may face several challenges, including as set forth below:

- i. acquiring new customers;
- ii. identifying customer requirements and preferences in such markets;
- iii. obtaining approvals and certifications for our products;
- iv. making accurate assessments of the resources we will require;
- v. preserving a uniform culture, values and work environment;
- vi. developing and improving our internal administrative infrastructure, particularly our financial, operational, communications, internal control and other internal systems;
- vii. recruiting, training and retaining sufficient skilled management, technical and marketing personnel;
- viii. maintaining high levels of customer satisfaction; and
- ix. adhering to expected performance and quality standards.

In pursuing our growth strategy, we will require additional capital investments and cash outlays, which may have a material impact on our cash flows and results of operations. Our operating expenses and capital requirements may increase significantly pursuant to our expansion plans. Our ability to manage our growth effectively requires us to forecast accurately our sales, growth and manufacturing capacity and to expend funds to improve our operational, financial and management controls, reporting systems and procedures. An inability to implement our future business plan, manage our growth effectively, further expand into new markets or failure to secure the required funding on favourable terms or at all could have a material and adverse effect on our business, future financial performance and results of operations.

**34. *We are subject to stringent labour laws or other industry standards and any kind of disputes with our employees could adversely affect our business, results of operations, financial condition and cash flows.***

We are subject to a number of stringent labour laws, which protects the interests of workers, including legislation that sets forth detailed procedures for dispute resolution, employee removal and for imposing financial obligations on employers in the event of retrenchment of workers. We are also subject to state and local laws and regulations, where we have operations, governing our relationships with our employees, including those relating to minimum wage, overtime, working conditions, hiring and firing, non-discrimination, work permits and employee benefits. We may also be subject to changing judicial interpretation of the relevant statutes. If labour laws become more stringent or are more strictly enforced, it may become difficult for us to maintain flexible human resource policies, discharge employees or downsize, any of which could have an adverse effect on our business, results of operations, financial condition and cash flows. Furthermore, any upward revision of wages that may be required by the state government to be paid to contract labourers or the unavailability of the required number of contract labourers, may adversely affect the business and future results of our operations.

**35. *Our business is dependent on the level of exploration and production activities in the oil and gas sector, which may be adversely affected by geopolitical tensions, including conflicts in key oil-producing regions.***

Our Company is engaged in the manufacturing of geophones including harness and strings, which are primarily used in seismic data acquisition for oil and gas exploration. Accordingly, our business performance is significantly dependent on the level of capital expenditure and exploration activities undertaken by oil and gas companies globally. The ongoing geopolitical tensions and armed conflicts in key oil producing regions, particularly in and around the Persian Gulf, including potential disruptions in strategic routes such as the Strait of Hormuz, have resulted in volatility in global crude oil prices and uncertainty in the energy markets. While an increase in crude oil prices may, in certain scenarios, incentivize exploration activities, prolonged geopolitical instability, sanctions, or supply disruptions may also lead to deferment or reduction of capital expenditure by oil and gas companies.

Any slowdown, delay, or reduction in exploration and production activities, whether due to geopolitical risks, economic conditions, regulatory changes, or fluctuations in crude oil prices, may adversely impact the demand for our products. Additionally, such uncertainties may affect our order inflows, pricing, customer payment cycles, and overall business visibility. Further, geopolitical developments may also disrupt global supply chains, increase logistics and insurance costs, and impact the availability and cost of raw materials and components used in our manufacturing processes. We cannot

assure you that such factors will not materially and adversely affect our business, results of operations, financial condition, and cash flows.

**36. *Activities involving our manufacturing process can cause injury to people or property in certain circumstances. A significant disruption at our manufacturing facility may adversely affect our production schedules, costs, sales and ability to meet customer demand.***

Although we employ safety procedures in the operation of our manufacturing facilities and maintain what we believe to be adequate insurance, there is a risk that an accident may occur at our manufacturing facility. An accident may result in personal injury to our employees, destruction of property or equipment, environmental damage, manufacturing or delivery delays, or may lead to suspension of our operations and/or imposition of liabilities. Any such accident may result in litigation, the outcome of which is difficult to assess or quantify, and the cost to defend such litigation can be significant. As a result, the costs to defend any action or the potential liability resulting from any such accident or death or arising out of any other litigation, and any negative publicity associated therewith, may have a negative effect on our business, financial condition, results of operations, cash flows and prospects.

In particular, if operations at our manufacturing facilities were to be disrupted as a result of any significant workplace accident, equipment failure, natural disaster, power outage, fire, explosion, terrorism, adverse weather conditions, labour dispute, obsolescence or other reasons, our financial performance may be adversely affected as a result of our inability to meet customer demand or committed delivery schedules for our products. While we have not experienced any interruption in our manufacturing activities in the past on account of any workplace accident, any future interruptions in production may also increase our costs and reduce our sales, and may require us to make substantial capital expenditures to remedy the situation or to defend litigation that we may become involved in as a result, which may negatively affect our profitability, business, financial condition, results of operations, cash flows and prospects.

**37. *Our insurance coverage may not be adequate to protect us against all potential losses to which we may be subject and this may have a material effect on our business and financial condition.***

We maintain insurance coverage that we consider customary in the industry against certain of the operating risks. Our insurance policies include vehicle insurance, Bharat Sookshma Udyam Suraksha Policy for our corporate office that includes building, computers and laptops, and gen sets, Burglary – First Loss Policy for our factory unit that covers plant and machinery, office equipment, firefighting systems, stock, goods held in trust, furniture, fixtures and fittings, Nagirksuraksha Group Policy for our factory unit, Standard Fire and Special Perils Policy for our factory unit that covers plant and machinery, firefighting equipment, building, stock, goods held in trust, furniture, fixtures and fittings, electrical appliances and air conditioners; Public Liability Non-Industrial Policy for Lift insurance; Group Personal Accident Policy and Money Insurance Policy for cash in transit. We believe that we have adequate insurance coverage for known risks. However, for unforeseen circumstances, we may not have sufficient insurance coverage to cover all possible economic losses, including when the loss suffered is not easily quantifiable. Even if we have made a claim under an existing insurance policy, we may not be able to successfully assert our claim for any liability or loss under such insurance policy. Additionally, there may be various other risks and losses for which we are not insured either because such risks are uninsurable or not insurable on commercially acceptable terms. The occurrence of an event for which we are not adequately or sufficiently insured could have an adverse effect on our business, results of operations, financial condition and cash flows.

**38. *Any failure to adapt to industry trends, evolving automated technologies, precision working and quality management to meet our customers' demands may materially and adversely affect our business and results of operations.***

We are equipped with in-house capabilities of developing and manufacturing geophones, seismic cables, and connectors for the seismic industry. Our manufacturing activities are characterized by tight dimensional tolerances, consistent material properties, and high levels of assembly accuracy to ensure accurate detection and transmission of subsurface vibration signals, capital investment, and dependence on advanced instrumentation, software, and skilled manpower. Our core manufacturing capabilities include Precision Geophone Element Assembly, High-capacity Wire and Cable Extrusion, Injection Moulding (Vertical and Horizontal), Coil Winding and Magnetizing, Automated and manual assembly and testing. Our ability to manufacture such a diverse and technically demanding product suite demonstrates depth in precision machining, electrical and electromechanical assembly, and quality control processes.

Further, changes in customers' preferences, regulatory or industry requirements, or competitive technologies may render certain of our products obsolete or less attractive. Our ability to anticipate and successfully develop and introduce new or enhanced products on a timely basis may impact our revenue and results of operation. Our competition varies by customer requirements, geographic areas and type of product. Our customers consider many factors when choosing suppliers, including product quality, technology, cost, delivery and service, as well as quality and depth of senior level relationships, and other business factors. There can be no assurance that we will be able to secure the necessary technological knowledge

to enable us to develop our product portfolio as planned. Our failure to successfully adopt such technologies in a cost effective and a timely manner may increase our costs and lead to us being less competitive.

- 39. *We have not entered into definitive arrangements in relation to certain objects, and may not be able to enter into definitive agreements on favourable terms, or at all, in the future. Further, any delays in deploying the funds being raised in the Offer, may have an adverse effect on our business, financial condition and results of operations.***

Our Company proposes to incur capital expenditure towards replacement of plant and machinery for our existing manufacturing facility, towards backward integration for setting up in-house gold plating facility, towards infrastructural development of building on 3rd Floor at our existing manufacturing facility aggregating to ₹ 2427.83 lakhs. While we have identified the required plant and machinery, materials and software systems and have obtained quotations from suppliers, final purchase orders have not yet been placed for the same. Our Company is further subject to risks on account of inflation in the price of the proposed capital expenditures. Since the entire funding is from the IPO proceeds, any delay in access to IPO proceeds would eventually delay the process of placing the orders. The purchases would require us to consider factors including but not limited to pricing, delivery schedule and after-sales maintenance. There may be a possibility of delay at the supplier's end in providing timely delivery of these machineries and equipment, which in turn may delay the implementation of our expansion plan. Further, the quotations relied upon by us in arriving at the total cost are valid for a specific period of time and may lapse after the expiry of the specific period. Consequent upon which, there could be a possible escalation in the proposed cost at the actual time of purchase, resulting in increase in the additional cost to be borne by the Company, which may result in cost overruns, and may affect our profitability. For further details read section "*Objects of the Offer*" beginning on page 98 of the Draft Red Herring Prospectus.

- 40. *If we fail to maintain an effective system of internal controls, we may not be able to successfully manage or accurately report our financial risks***

An effective system of internal controls is critical to ensure the orderly and efficient conduct of our business, including the safeguarding of assets, the prevention and detection of fraud and errors, the accuracy and completeness of our accounting records, and the timely preparation of reliable financial statements in accordance with applicable accounting standards and regulatory requirements. Our internal control framework is designed to address financial reporting risks; however, no system of internal controls can provide absolute assurance that all material misstatements, deficiencies or instances of fraud will be prevented or detected on a timely basis. Further, as our business continues to evolve, including due to changes in the scale and complexity of our operations, geographic expansion, implementation of new systems or processes, or changes in regulatory and reporting requirements, our existing internal controls may become inadequate or may not operate as intended. In addition, internal controls may be adversely impacted by human error, circumvention of controls, management override, or deficiencies in the design or implementation of control processes. There can be no assurance that additional material weaknesses or significant deficiencies in our internal controls will not be identified in the future. Any failure to maintain effective internal controls, or to timely remediate identified deficiencies, could result in errors or misstatements in our financial statements, delays in financial reporting, increased audit costs, regulatory scrutiny, loss of investor confidence, and could impair our ability to effectively manage financial and operational risks. Such events may have a material adverse effect on our business, results of operations, financial condition and cash flows.

- 41. *We are subject to increasingly stringent environmental, health and safety laws, regulations and standards. Noncompliance with and adverse changes in health, safety, labour, and environmental laws and other similar regulations to our manufacturing operations may adversely affect our business, results of operations and financial condition***

We are subject to a wide range of laws and government regulations, including in relation to safety, health, labour, and environmental protection. These safety, health, labour, and environmental protection laws and regulations impose controls on air and water release or discharge, noise levels, storage handling, treatment, processing, disposal of hazardous materials, including the management of certain hazardous waste, and exposure to hazardous substances with respect to our employees, along with other aspects of our manufacturing operations. Environmental laws and regulations in India have become and continue to be more stringent, and the scope and extent of new environmental regulations, including their effect on our operations, cannot be predicted with any certainty. In case of any change in environmental or pollution regulations, we may be required to invest in, among other things, environmental monitoring, pollution control equipment, and emissions management and other expenditure to comply with environmental standards. The nature of our manufacturing activities involves inherent occupational and operational risks, including explosions, fires, mechanical failures, releases or discharges of hazardous substances, and other environmental and safety hazards. Our operations may also result in work-related injuries, including burn, cut, or crush injuries. While we conduct internal investigations and have implemented policies and procedures aimed at minimizing the risk of accidents, there can be no assurance that fatalities, accidents, or other incidents will not occur at our facilities in the future. Any failure on our part to comply with any existing or future regulations applicable to us may result in legal proceedings, including public interest litigation being commenced against us, third party claims or the levy of regulatory fines. Further, any violation of the environmental laws and regulations may result in

finances, criminal sanctions, revocation of operating permits, or shutdown of our manufacturing facility. The occurrence of any of these events could have an adverse effect on our business, results of operations and financial condition.

**42. *We face competition from both domestic as well as multinational corporations and our inability to compete effectively may have a material adverse impact on our business, financial condition and results of operations.***

Although the seismic industry provides for significant entry barriers, competition in our business is based on pricing, relationships with customers, research and development, product quality, customization, and innovation. We face pricing pressures from companies, that are able to produce similar products at competitive costs and consequently, may supply their products at cheaper prices. We are unable to assure you that we shall be able to meet the pricing pressures imposed by such multinational competitors which would adversely affect our business, financial condition and results of operations. Additionally, some of our competitors in the industry may have greater financial, research and technological resources, larger sales and marketing teams and more established reputation. They may also be in a better position to identify market trends, adapt to changes in industry, innovate and develop new products, offer competitive prices due to economies of scale and also ensure product quality and compliance.

**43. *Industry information included in this Draft Red Herring Prospectus has been derived from industry sources. There can be no assurance that such third-party statistical, financial and other industry information is complete, reliable or accurate.***

This Draft Red Herring Prospectus includes information on Industry in which we operate from various sources. For further details, please see “*Industry Overview*” beginning on page 116. The data has been furnished by independent agency on their websites and has no relationship with our Company, its Promoters, Directors, or the Book Running Lead Manager as on the date of this Draft Red Herring Prospectus. The data used in these sources may have been reclassified by us for the purposes of presentation and may also not be comparable. Industry sources and publications generally state that the information contained therein has been obtained from sources generally believed to be reliable, but that their accuracy, completeness and underlying assumptions are not guaranteed and their reliability cannot be assured. Industry sources and publications are also prepared based on information as of specific dates and may no longer be current or reflect current trends. Industry sources and publications may also base their information on estimates, projections, forecasts and assumptions that may prove to be incorrect. Accordingly, investors must rely on their independent examination of, and should not place undue reliance on, or base their investment decision solely on this information. The recipient should not construe any of the contents in this report as advice relating to business, financial, legal, taxation or investment matters and are advised to consult their own business, financial, legal, taxation, and other advisors concerning the transaction.

**44. *One of our individual Promoters, Cecilia Margareta Singh Ramel, is not an original promoter of our Company and does not possess prior experience in our line of business.***

One of our individual Promoters, Cecilia Margareta Singh Ramel, became a Promoter of our Company pursuant to the transmission of shares following the demise of our erstwhile Promoter, Late Major Brijendra Singh. Accordingly, she is not an original promoter of our Company. Prior to such transmission, she was part of the Promoter Group by virtue of being the spouse and an immediate relative of Late Major Brijendra Singh. As of the date of this Draft Red Herring Prospectus, she holds 8.24% of the equity share capital of our Company. For further details, see “*Capital Structure*” and “*Our Promoters & Promoter Group*” on pages 71 and 190, respectively.

Further, she does not possess prior experience in our line of business. While our other Promoters, Directors and members of the senior management team have relevant experience in the sector, the absence of industry-specific experience at the Promoter level may limit the extent of her involvement in the strategic, operational or technical aspects of our business. Consequently, our Company continues to rely primarily on the experience and expertise of the other Promoters and members of our senior management team for key decision-making and execution of our business strategies. Any limitations arising from the lack of relevant industry experience at the Promoter level could have an impact on certain strategic initiatives or governance matters, which may adversely affect our business, financial condition and results of operations.

**45. *We could be harmed by employee misconduct or errors that are difficult to detect and any such incidences could adversely affect our financial condition, results of operations and reputation.***

Employee misconduct or errors could expose us to business risks or losses, including regulatory sanctions and serious harm to our reputation. There can be no assurance that we will be able to detect or deter such misconduct. Moreover, the precautions we take to prevent and detect such activity may not be effective in all cases. Our employees may also commit errors that could subject us to claims and proceedings for alleged negligence, as well as regulatory actions on account of which our business, financial condition, results of operations and goodwill could be adversely affected.

**46. *We have not identified any alternate source of funding and hence any failure or delay on our part to mobilize the required resources or any shortfall in the Offer proceeds may delay the implementation schedule.***

The proposed fund requirement as detailed in the section titled "*Objects of the Offer*" is to be funded from the proceeds of this Offer. We have not identified any alternate source of funding and hence any failure or delay on our part to mobilize the required resources or any shortfall in the Offer proceeds may delay the implementation schedule. We therefore, cannot assure that we would be able to execute our future plans/strategy within the given timeframe. For details, please refer to the Chapter titled "*Objects of the offer*" beginning on page 98 of this Draft Red Herring Prospectus.

**47. *Information relating to the installed capacity and capacity utilization included in this Draft Red Herring Prospectus is based on various assumptions and estimates and capacity utilization may vary.***

The information relating to our installed capacity and capacity utilization included in this Draft Red Herring Prospectus is based on certain assumptions, estimates and methodologies adopted by our management and considered by the chartered engineer in determining such installed capacity and capacity utilization. These assumptions and estimates are inherently subject to uncertainties and may not accurately reflect actual or future operating conditions. As a result, our actual production levels and capacity utilization may differ materially from the stated installed capacity or historical utilization levels. Further, capacity utilization is not a standardized measure and may be calculated differently across industries, geographies and product categories, including among the various types of products manufactured by us. Accordingly, comparisons of our installed capacity or capacity utilization with those of other companies may not be meaningful. In addition, future capacity utilization rates may vary significantly due to factors such as changes in product mix, customer demand, operating efficiency, maintenance schedules, availability of raw materials, labour and power, and other operational or market-related factors. Accordingly, undue reliance should not be placed on the installed capacity and capacity utilization data for our existing manufacturing facilities included in this Draft Red Herring Prospectus. For further information, see "*Our Business*" on page 138.

**48. *Any variation in the utilization of the Net Proceeds as disclosed in this Draft Red Herring Prospectus shall be subject to certain compliance requirements, including prior approval of the shareholders of our Company.***

We propose to utilize the Net Proceeds towards replacement of plant and machinery for our existing manufacturing facility, towards backward integration for setting up in-house gold plating facility, towards infrastructural development of building on 3rd Floor at our existing manufacturing facility and pursuing unidentified acquisitions and general corporate purpose. For further details of the proposed objects of the Offer, see "*Objects of the Offer*" beginning on page 98. However, these objects of the Offer have not been appraised by any bank, financial institution or other independent agency. Further, we cannot determine with any certainty if we would require the Net Proceeds to meet any other expenditure or fund any exigencies arising out of the competitive environment, business conditions, economic conditions or other factors beyond our control. In accordance with the Companies Act, 2013 and the SEBI ICDR Regulations, we cannot undertake any variation in the utilization of the Net Proceeds as disclosed in this Draft Red Herring Prospectus without obtaining the approval of shareholders of our Company through a special resolution. In the event of any such circumstances that require us to vary the disclosed utilization of the Net Proceeds, we may not be able to obtain the approval of the shareholders of our Company in a timely manner, or at all. Any delay or inability in obtaining such approval of the shareholders of our Company may adversely affect our business or operations. Further, our Promoters would be required to provide an exit opportunity to the shareholders of our Company who do not agree with our proposal to modify the objects of the Offer, at a price and manner as prescribed by SEBI. Additionally, the requirement to provide an exit opportunity to such dissenting shareholders of our Company may deter our Promoters from agreeing to the variation of the proposed utilization of the Net Proceeds, even if such variation is in the interest of our Company. Further, we cannot assure you that the Promoters will have adequate resources at their disposal at all times to enable them to provide an exit opportunity. In light of these factors, we may not be able to vary the objects of the Offer to use any unutilized proceeds of the Offer, if any, even if such variation is in the interest of our Company. This may restrict our Company's ability to respond to any change in our business or financial condition, if any, which may adversely affect our business and results of operations.

**49. *Our lenders have charge over our immovable and movable properties in respect of finance availed by us.***

We have secured our lenders by creating a charge over our movable and immovable properties in respect of Working capital loan and Cash Credit and Overdraft loan availed by us from Canara Bank and Kotak Mahindra Bank. We have been extended such loan against hypothecation of our Company's property and current assets. For further information on the financing and loan agreements along with the total amounts outstanding and the details of the repayment schedule, please refer to chapter "*Statement of Financial Indebtedness*" beginning on page 256 of this Draft Red Herring Prospectus.

**50. *Our directors have no prior experience in managing a listed Company, which may pose challenges in complying with regulatory requirements. Also, being a listed Company may strain our existing resources.***

Our directors do not have any prior experience in serving as directors of any listed entity. Consequently, they may face challenges in complying with regulatory requirements, corporate governance norms, and stakeholder expectations applicable to listed companies. However, our directors possess experience in the precision components manufacturing, regarding procurement of raw materials, production processes, quality control, and supply chain management. They have

been instrumental in driving operational efficiency, expanding market reach, and ensuring product quality to meet industry standards. Their leadership, combined with the support of our employees have positioned the Company to navigate the responsibilities of a listed entity while continuing to leverage their domain knowledge for business growth. However, there is still a possibility of delays or mistakes in compliance, which could impact our business, reputation, or share price. Further, we are not a publicly listed Company and have not, historically, been subjected to the increased scrutiny of our affairs by shareholders, regulators and the public at large that is associated with being a listed Company. As a listed Company, we may be required to incur significant legal, accounting, corporate governance and other expenses that we did not incur as an unlisted Company. As a result, our management's attention may be diverted from our business concerns, which may adversely affect our business, prospects, results of operations and financial condition.

**51. Any Penalty or demand raised by statutory authorities in future will affect financial position of the Company.**

Our Company is engaged in the business of manufacturing geophone strings, seismic cables & connectors, which attracts tax liability such as Goods and Service Tax and Income Tax as per the applicable provisions of Law. We are also required to comply with the provisions such as registration under the labour laws like Provident Fund, Employee State insurance etc. Further, these tax laws, including Goods and Services Tax (GST), income tax, and other statutory levies, often involves complex interpretations, there may be differences in opinion between our Company and the relevant tax authorities with respect to the interpretation of certain provisions, the applicability of exemptions, or the treatment of specific transactions. During the past, our Company has faced challenges in adhering to various statutory provisions, spanning key regulations such as the Employees Provident Fund and the Employees State Insurance Act. Further, there have been delays primarily manifested in areas such as the depositing of provident fund contributions mandated by the Employees Provident Funds and Miscellaneous Provisions Act, 1952 and the Employees State Insurance Act. Although, we have taken all the necessary approvals and deposited the required returns and taxes under various applicable Acts but any demand or penalty raised by the concerned authority in future for any previous year and current year will affect the financial position of the Company.

Below are the instances of the delays we have made in filing the Employees Provident Fund, Employees State Insurance Act, during the stub period ended on September 30, 2025 and Fiscal 2025, 2024 and 2023:

(₹ in lakhs)

Particulars	For the stub period ended September 30, 2025		Fiscal 2025		Fiscal 2024		Fiscal 2023	
	Number of Instances	Amount Delayed	Number of Instances	Amount Delayed	Number of Instances	Amount Delayed	Number of Instances	Amount Delayed
The Employees Provident Fund and Miscellaneous Provisions Act, 1952	Nil	Nil	Nil	Nil	1	1.16	3	0.00*
Employee State Insurance Act, 1948	Nil	Nil	Nil	Nil	Nil	Nil	Nil	Nil

\*EDLI payment delay by the Company amounting to Rs 464.00

We cannot assure you that we will be able to pay our statutory dues timely, or at all, in the future. While there have been minor delays in payment of statutory dues in the past, our Company has corrected such non-compliances by repaying the amounts with applicable interest. Any failure or delay in payment of such statutory dues may expose us to statutory and regulatory action, as well as significant penalties, and may adversely impact our business, results of operations, cash flows and financial condition.

**52. Our ability to pay any dividends will depend upon future earnings, financial condition, cash flows and working capital requirements.**

We may retain all our future earnings, if any, for use in the operations and expansion of our business. As a result, we may not declare dividends in the foreseeable future. Any future determination as to the declaration and payment of dividends will be at the discretion of our Board of Directors and will depend on factors that our Board of Directors deem relevant, including among others, our results of operations, financial condition, cash requirements, business prospects and any other financing arrangements. Accordingly, realization of a gain on shareholders investments may largely depend upon the

appreciation of the price of our Equity Shares. There can be no assurance that our Equity Shares will appreciate in value. For details of our Dividend history refer to the Section “*Dividend Policy*” on page 196 of the Draft Red Herring Prospectus.

**53. *Technology failures or Cyber-attacks or other security breaches could have a material adverse effect on our business, results of operation or financial condition***

IT systems are critical to our ability to manage our operations. Our IT systems enable us to coordinate our operations, from planning, production scheduling, raw material ordering, invoicing, delivery, customer relationship, management and decision support. If we do not allocate and effectively manage the resources necessary to build and sustain the proper IT infrastructure, we could be subject to transaction errors, processing inefficiencies, customer service disruptions and, in some instances, loss of customers.

We face cyber threats, threats to the physical security of our facilities and employees, the potential for business disruptions associated with IT failures, natural disasters, or public health crises. We have installed anti-virus software to prevent our systems and infrastructure from being infected and crippled by computer viruses. All our internet facing servers installed at all our data centres as well as at all our offices are also secured with firewalls and intrusion preventions systems to prevent hacking. If we are unable to protect sensitive information, our customers could question the adequacy of our threat mitigation and detection processes and procedures. Due to the evolving nature of these security threats, the impact of any future incident cannot be predicted.

**54. *Our Company has made investment in equity instruments, and we have not made any provision for a decline in the value of our investments.***

Our Company has made investment in equity instruments and mutual funds (Un-quoted and Quoted) amounting to Rs. 1527.15 Lakhs as on September 30, 2025. Some of these investments may continue to yield return at rates lower than prevailing market rates, and there is no assurance of consistent returns in the future. We have not made any provisions for a decline in the value of above investments. In the event that the fair value of any investment falls below its carrying amount and such decline is considered other than temporary, our financial position and results of operations may be adversely affected.

**55. *Our management will have discretion in the utilisation of the Net Proceeds, including interim use, and any deviation from the proposed Objects of the Offer may adversely affect the returns on your investment.***

We intend to utilize the Net Proceeds of the Offer as set forth in “*Objects of the Offer*” with respect to funding capital expenditure towards replacement of plant and machinery for our existing manufacturing facility, towards backward integration for setting up in-house gold plating facility, towards infrastructural development of building on 3rd Floor at our existing manufacturing facility and pursuing unidentified acquisitions and general corporate purpose. The funding requirements mentioned as a part of the objects of the Offer are based on internal management estimates which in turn, is based on current conditions and is subject to change in light of changes in external circumstances, costs, other financial condition or business strategies. Further the deployment of the Net Proceeds will be at the discretion of our Board and the management of our Company will have significant flexibility in applying the proceeds received by our Company from the Offer. However, our Audit Committee will monitor the utilization of the proceeds of this Offer and prepare the statement for utilization of the proceeds of this Offer. Further in accordance with Section 27 of the Companies Act, 2013, a Company shall not vary the objects of the Offer without our Company being authorized to do so by our shareholders by way of special resolution and other compliances in this regard. Our Promoters shall provide exit opportunity to such shareholders who do not agree to the proposal to vary the Objects, at such price, and in such manner, as may be prescribed by SEBI, in this regard. Various risks and uncertainties, may limit or delay our efforts to use the Net Proceeds to achieve profitable growth in our business. We cannot assure you that use of the Net Proceeds to meet our future capital requirements, fund our growth and for other purposes identified by our management would result in actual growth of our business, increased profitability or an increase in the value of our business and your investment.

**56. *Any international market expansion efforts may expose us to complex management, legal, tax and economic risks, which could adversely affect our business, financial condition, cash flows and results of operations.***

As part of our long-term business strategy, we may explore opportunities to expand our presence in existing geographies or enter new markets both within India and overseas. Expansion into new jurisdictions may expose us to complex management, legal, tax and economic risks pursuant to unfamiliar regulatory environments, collaborating with international partners, or adapting to different technical standards and customer expectations. Such expansion efforts may expose us to various risks such as compliance with local laws and technical standards, complex tax and cost structures, regulatory barriers and trade restrictions, cultural, language, and operational differences etc. If we are unable to effectively manage these risks, it could affect our ability to enter in new markets efficiently or profitably. Any challenges in managing international operations, ensuring compliance, or achieving commercial viability in new geographies may adversely affect our business, financial condition, cash flows, and results of operations.

**57. *Our Promoters have extended personal guarantee in the loan facilities obtained by our Company, and any failure or default by our Company to repay such loans in accordance with the terms and conditions of the financing documents could trigger repayment obligations on them, which may impact their ability to effectively service their obligations and thereby, impact our business and operations***

The loan facilities availed by our Company from Canara Bank and Kotak Mahindra Bank Limited were secured against personal guarantees of our Promoters, Anil Dass and Late Major Brijendra Singh, however in the event that such guarantees are withdrawn, terminated, or otherwise cease to be enforceable, our lenders may, at their discretion, require the provision of alternate guarantees. For instance, pursuant to demise of one of the erstwhile promoters, Late Major Brijendra Singh our lenders for such facilities, may ask for alternate guarantees, repayment of amounts outstanding under such facilities, or even terminate such facilities. Our Promoters may continue to provide such personal guarantee post listing. Any default or failure by us to repay the loans in a timely manner, or at all could trigger repayment obligations of our guarantors in respect of such loans, which in turn, could have an impact on their ability to effectively service their obligations, thereby having an effect on our business, results of operation and financial condition. Furthermore, we may not be successful in procuring guarantees satisfactory to the lenders, and as a result may need to repay outstanding amounts under such facilities or seek additional sources of capital, which could affect our financial condition and cash flows, however as on September 30, 2025, we have nil outstanding balances against the sanctioned facilities. For further details, please refer to chapter titled “*Statement of Financial Indebtedness*” beginning on page 256 of this Draft Red Herring Prospectus

**58. *One of the Objects of the Offer is funding inorganic growth through unidentified acquisition and general corporate purposes. We may utilize a portion of the Proceeds from the Fresh Issue to undertake inorganic growth for which the target may not be identified. We have not made any strategic acquisitions in the past and inability to finalize such activities in a timely manner may delay our deployment of the Proceeds from the Fresh Issue and adversely affect our business and future growth.***

As on the date of this Draft Red Herring Prospectus, we have not identified any specific targets with whom we have entered into any definitive agreements. We may identify and evaluate potential targets for strategic acquisitions based on a number of factors, including: (i) domain expertise and operating experience in markets that we operate in or wish to expand into; (ii) strategic compatibility or synergy with our existing businesses; (iii) additional or enhanced services in order to expand, (iv) diversify and/or improve our offerings; and (v) access to technology infrastructure and capabilities, including ones which supplement or complement our existing infrastructure. Depending on the objectives decided by our management, such acquisitions and inorganic growth initiatives may be in the nature of, among others, acquisition of a minority interest in an entity or acquisition of a majority stake in an entity. The portion of the Proceeds from the Fresh Issue allocated towards this object of the offer may not be the total value or cost of any such strategic acquisition but is expected to provide us with sufficient financial leverage to enter into binding agreements. In the event that there is a shortfall of funds required for such strategic acquisition, such shortfall shall be met through our internal accruals or debt financing or any combination thereof.

As on the date of Draft Red Herring Prospectus, we have not entered into any definitive agreements towards any future acquisitions. At this stage, our Company cannot identify any acquisition targets and accordingly unable to arrive at a segregation for general corporate purposes and inorganic growth. We intend to utilize the amount earmarked for the object i.e., funding inorganic growth through unidentified acquisition and general corporate purposes during Fiscal 2027 and Fiscal 2028. See “*Objects of the Offer – Funding inorganic growth through unidentified acquisition and general corporate purposes*” on page 98.

We will from time to time continue to seek attractive inorganic opportunities, that we believe will fit well with our strategic business objectives and growth strategies, and the amount of Proceeds from the Fresh Issue to be used for acquisitions will be based on decisions of our management. While we cannot presently quantify the amount that will be used towards such initiatives, the cumulative amount to be utilized towards inorganic growth through unidentified acquisition and general corporate purposes shall not exceed 35% of the amount raised by our Company.

In case of any delay in identification of such entities and acquire them through the Proceeds of the Offer may require us to undertake variation in the disclosed utilization of the Proceeds from the Fresh Issue. In accordance with Section 13(8) and 27 of the Companies Act, 2013, we cannot undertake any variation in the utilization of the Proceeds from the Fresh Issue as disclosed in this Draft Red Herring Prospectus without obtaining the approval of shareholders of our Company through a special resolution and such variation is required to be in accordance with the applicable laws including the Companies Act 2013 and the SEBI ICDR Regulations. In the event of any such circumstances that require us to undertake variation in the disclosed utilization of the Proceeds from the Fresh Issue, we may not be able to obtain the approval of the shareholders of our Company in a timely manner, or at all. Any delay or inability in obtaining such approval of the shareholders of our Company may adversely affect our business or operations. Our Promoters will be required to provide an exit opportunity to such shareholders who do not agree to the proposal to vary the objects of the offer, at such price, and in such manner, in accordance with our Articles of Association, Companies Act and the SEBI ICDR Regulations. In light of these factors, we

may not be able to undertake variation of Objects of the Offer to use any unutilized proceeds of the Fresh Issue, if any, even if such variation is in the interest of our Company. This may restrict our Company's ability to respond to any change in our business or financial condition by re-deploying the unutilized portion of Proceeds from the Fresh Issue, if any, which may adversely affect our business and results of operations.

**59. *Excessive dependence on Canara Bank and Kotak Mahindra Bank Limited in respect of Loan facilities obtained by our Company.***

Our Company has been sanctioned Working capital loan and Cash Credit and Overdraft loan facilities by Canara Bank and Kotak Mahindra Bank Limited. The Company is dependent on such facilities and any default under such arrangement with such lender may create problem for operation of the Company, which may affect the financial stability of the Company. At the same time this may result into difficulty in arranging for funds for re-payment and may also adversely affect the financial position of the Company.

**60. *Failure to deal effectively with any fraudulent transactions and illegal activity affecting the sensitive information of our stakeholders could harm our business and reputation and expose us to liability.***

Our operations involve interactions with a wide range of stakeholders, including customers, suppliers, service providers, workers, employees, and others. As a result, we are exposed to risks associated with unauthorized access, data sharing, or alteration of sensitive information, which may lead to data breaches or inadvertent disclosure of confidential information to competitors, regulatory authorities, or other third parties. While we have implemented various preventive and detection mechanisms, including internal controls, monitoring systems, and disciplinary measures to reduce the occurrence of such fraudulent or malicious activities, there can be no assurance that such measures will be entirely effective or that they will scale proportionately with our business growth. Any delay or failure in identifying and addressing such activities may result in the erosion of trust among our stakeholders and could adversely impact our reputation, business operations, and financial condition. Further, any illegal, fraudulent, or collusive acts by our employees or associates may subject us to legal liabilities, regulatory scrutiny, or reputational harm. Although we have not experienced any material instances of such events in the past, this does not preclude the possibility of their occurrence in the future.

**61. *In addition to remuneration, other benefits and reimbursement of expenses of some of our directors (including our Promoter) and Key Management Personnel are interested in our Company to the extent of their shareholding and dividend entitlement in our Company.***

Some of our Directors (including our Promoters) and Key Management Personnel are interested in our Company to the extent of their shareholding and dividend entitlement in our Company, in addition to remuneration or benefits and reimbursement of expenses. We cannot assure you that our Directors or our Key Management Personnel would always exercise their rights as Shareholders to the benefit and best interest of our Company. As a result, our Directors including our Promoters will continue to exercise significant control over our Company, including being able to control the composition of our Board of Directors and determine decisions requiring simple or special majority voting, and our other Shareholders may be unable to affect the outcome of such voting. This concentration of control may lead to overlapping responsibilities and could limit diversity in management perspectives. Our Directors may take or block actions with respect to our business, which may conflict with our best interests or the interests of other minority Shareholders, such as actions with respect to future capital raising or acquisitions. Also, our ability to attract and retain independent professionals could be affected due to the dominant control. We cannot assure you that our Directors will always act to resolve any conflicts of interest in our favour, thereby adversely affecting our business and results of operations and prospects.

**62. *There is no monitoring agency appointed by Our Company to monitor the utilization of the Offer proceeds***

As per SEBI (ICDR) Regulations, 2018, as amended, appointment of monitoring agency is required only for Offer size above (excluding the size of offer for sale by selling shareholders) ₹5,000.00 lakhs. Hence, we have not appointed any monitoring agency for overseeing the deployment of utilization of funds raised through this Offer. However, the Audit Committee of our Board will monitor the utilization of Offer proceeds in terms of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Further, our Company shall inform about material deviations in the utilization of Offer proceeds to the stock exchange and shall also simultaneously make the material deviations / adverse comments of the Audit Committee public.

**63. *We have issued Equity Shares during the preceding one year at a price that may be below the Offer Price.***

We have, in the preceding one year prior to the date of this Draft Red Herring Prospectus, issued Equity Shares that may be lower than the Offer Price. For further details, see "*Capital Structure*" on page 71. The price at which such Equity Shares were issued is not indicative of the Offer Price, or the price at which the Equity Shares will be traded going forward. Further, we may, in the future, continue to issue Equity Shares at prices that may be lower than the Offer Price, subject to compliance with applicable law. Any issuances of Equity Shares by us may dilute your shareholding in our Company,

thereby adversely affecting the trading price of the Equity Shares and our ability to raise capital through any issuance of new securities.

**64. *We are subject to certain restrictive covenants in debt facilities provided to us by our lenders.***

We have entered into agreements for availing debt facilities from lenders. Our financing arrangements contain restrictive covenants whereby we are required to obtain approval from our lenders, regarding, among other things such as major changes in share capital, management, changes in fixed assets, creation of any other charge, undertake any guarantee obligation etc. Certain covenants in these agreements require us to obtain approval/permission from our lenders in certain conditions. There can be no assurance that such consents will be granted or that we will be able to comply with the financial covenants under our financing arrangements. In the event of default or the breach of certain covenants, our lender has the option to make the entire outstanding amount payable immediately. There can be no assurance that we will be able to comply with these financial or other covenants or that we will be able to obtain consents necessary to take the actions that we believe are required to operate and grow our business. For further details in this regard, please refer to chapter titled “*Statement of Financial Indebtedness*” beginning on page 256 of this Draft Red Herring Prospectus.

**65. *The average cost of acquisition of Equity Shares by our Promoters is lower than the face value of Equity Share.***

The average cost of acquisition of Equity Shares of our Promoters is lower than the face value of Equity Shares i.e. ₹10/-. For further details regarding the average cost of acquisition of Equity Shares by our Promoters in our Company and build-up of Equity Shares of our Promoters in our Company, please see section titled “*Capital Structure*” beginning on page 71 of this Draft Red Herring Prospectus.

**66. *Significant differences exist between Accounting Standards and other accounting principles, such as Indian GAAP, US GAAP and International Financial Reporting Standards (“IFRS”), which investors may be more familiar with and consider material to their assessment of our financial condition***

Our Restated Consolidated Financial Information have been prepared in accordance with the Accounting Standards, and have been restated in accordance with the SEBI ICDR Regulations, the SEBI Circular and the Prospectus Guidance Note. We have not attempted to quantify the impact of US GAAP, IFRS or any other system of accounting principles on the financial data included in this Draft Red Herring Prospectus, nor do we provide a reconciliation of our financial statements to those of US GAAP, IFRS or any other accounting principles. US GAAP and IFRS differ in significant respects from Accounting Standards. Accordingly, the degree to which the Restated Consolidated Financial Information included in this Draft Red Herring Prospectus will provide meaningful information is entirely dependent on the reader’s level of familiarity with Accounting Standards and the SEBI ICDR Regulations. Any reliance by persons not familiar with the accounting practices on the financial disclosures presented in this Draft Red Herring Prospectus should accordingly be limited

**67. *Our Promoters and the Promoter Group will jointly continue to retain majority shareholding in our Company after the offer, which will allow them to determine the outcome of the matters requiring the approval of shareholders.***

Our Promoters along with the Promoters group will continue to hold collectively [●] % of the post offer paid up share capital of the Company. As a result of the same, they will be able to exercise significant influence over the control of the outcome of the matter that requires approval of the majority shareholder’s vote. Such a concentration of the ownership may also have the effect of delaying, preventing or deterring any change in the control of our Company. In addition to the above, our Promoters and Promoters group will continue to have the ability to take actions that are not in, or may conflict with our interest or the interest of some or all of our minority shareholders and there is no assurance that such action will not have any adverse effect on our future financials or results of operations.

**68. *We may require further equity issuance, which will lead to dilution of equity and may affect the market price of our Equity Shares or additional funds through incurring debt to satisfy our capital needs, which we may not be able to procure and any future equity offerings by us.***

Our growth is dependent on having a strong balance sheet to support our activities. In addition to the IPO Proceeds and our internally generated cash flow, we may need other sources of financing to meet our capital needs which may include entering into new debt facilities with lending institutions or raising additional equity in the capital markets. We may need to raise additional capital from time to time, dependent on business conditions. The factors that would require us to raise additional capital could be business growth beyond what the current balance sheet can sustain; additional capital requirements imposed due to changes in regulatory regime or significant depletion in our existing capital base due to unusual operating losses. Any fresh issue of shares or convertible securities would dilute existing holders, and such issuance may not be done at terms and conditions, which are favourable to the then existing shareholders of our Company. If our Company decides to raise additional funds through the incurrence of debt, our interest obligations will increase, and we may be subject to additional covenants, which could further limit our ability to access cash flows from our operations. Such financings could cause our debt - equity ratio to increase or require us to create charges or liens on our assets in favour of lenders. We cannot assure you that we will be able to secure adequate financing in the future on acceptable terms, in time,

or at all. Our failure to obtain sufficient financing could result in the delay or abandonment of our expansion plans. Our business and future results of operations may be affected if we are unable to implement our expansion strategy.

Any future issuance of Equity Shares by our Company may dilute shareholding of investors in our Company; and hence affect the trading price of our Company's Equity Shares and its ability to raise capital through an offer of its securities. In addition, any perception by investors that such issuances or sales might occur could also affect the trading price of our Company's Equity Shares. Additionally, the disposal, pledge or encumbrance of Equity Shares by any of our Company's major shareholders, or the perception that such transactions may occur may affect the trading price of the Equity Shares. No assurance may be given that our Company will not offer Equity Shares or that such shareholders will not dispose of, pledge or encumber their Equity Shares in the future.

**69. *The Offer price of our Equity Shares may not be indicative of the market price of our Equity Shares after the offer and the market price of our Equity Shares may decline below the offer price and you may not be able to sell your Equity Shares at or above the Offer Price.***

The offer price of the equity shares has been based on many factors and may not be indicative of the market price of our Equity Shares after the offer. For further information please refer the section titled "**Basis for Offer Price**" beginning on page 108 of the Draft Red Herring Prospectus. The market price of our Equity Shares could be subject to significant fluctuations after the offer in case of unfavourable situation it, and may decline below the offer Price. We cannot assure you that you will be able to sell your Equity Shares at or above the offer Price.

**70. *Our Company will not receive any proceeds from the Offer for Sale portion, and the Selling Shareholder shall be entitled to the Offer Proceeds to the extent of the Equity Shares offered by the Selling Shareholder in the Offer for Sale.***

The Offer consists of a Fresh Issue and Offer for Sale, where, offer for Sale will be made by the Selling Shareholder. The entire proceeds of the Offer for Sale will be transferred to the Selling Shareholder and will not result in any creation of value for us or in respect of your investment in our Company. The entire proceeds from the Offer for Sale will be paid to the Selling Shareholder, and our Company will not receive any proceeds from the Offer for Sale. For further details, see "**Objects of the Offer**" on page 98 of this Draft Red Herring Prospectus.

**71. *We may be subject to surveillance measures, such as the Additional Surveillance Measures (ASM) and the Graded Surveillance Measures (GSM) by the Stock Exchanges which may adversely affect trading price of our Equity Shares.***

SEBI and Stock Exchanges in order to enhance market integrity and safeguard interest of investors, have been introducing various enhanced pre-emptive surveillance measures. The main objective of these measures is to alert and advice investors to be extra cautious while dealing in these securities and advice market participants to carry out necessary due diligence while dealing in these securities. Accordingly, SEBI and Stock Exchanges have provided for (a) GSM on securities where such trading price of such securities is not commensurate with financial health and fundamentals such as earnings, book value, fixed assets, net-worth, price per equity multiple and market capitalization; and (b) ASM on securities with surveillance concerns based on objective parameters such as price and volume variation and volatility. On listing, we may be subject to general market conditions which may include significant price and volume fluctuations. The price of our Equity Shares may also fluctuate after the issue due to several factors such as volatility in the Indian and global securities market, our profitability and performance, performance of our competitors, changes in the estimates of our performance or any other political or economic factor. The occurrence of any of the abovementioned factors may trigger the parameters identified by SEBI and the Stock Exchanges for placing securities under the GSM or ASM framework. In the event our Equity Shares are subject to such pre-emptive surveillance measures implemented by the Stock Exchange, we may be subject to certain additional restrictions in connection with trading of our Equity Shares such as limiting trading frequency (for example, trading either allowed once in a week or a month) or freezing of price on upper side of trading which may have an adverse effect on the market price of our Equity Shares or may in general cause disruptions in the development of an active trading market for our Equity Shares.

**72. *Certain data mentioned in this Draft Red Herring Prospectus has not been independently verified.***

We have not independently verified data from industry publications contained herein and although we believe these sources to be reliable, we cannot assure that they are complete or reliable. Such data may also be produced on a different basis from comparable information compiled with regard to other countries. Therefore, discussions of matters relating to India and its economy are subject to the limitation that the statistical and other data upon which such discussions are based have not been verified by us and may be incomplete or unreliable.

**73. *Any of the Bidders are not permitted to withdraw or lower their Bids (in terms of quantity of Equity Shares or the Bid Amount) at any stage after submitting a Bid.***

Pursuant to the SEBI ICDR Regulations, any of the Bidders are not permitted to withdraw or lower their Bids (in terms of quantity of Equity Shares or the Bid Amount) at any stage after submitting a Bid. While we are required to complete

Allotment, listing and commencement of trading pursuant to the offer within three (3) Working Days from the Bid/ offer Closing Date, events affecting the Bidders' decision to invest in our Equity Shares, including adverse changes in international or national monetary policy, financial, political or economic conditions, our business, results of operations, cash flows and financial condition may arise between the date of submission of the Bid and Allotment, listing and commencement of trading. We may complete the Allotment, listing and commencement of trading of our Equity Shares even if such events occur and such events may limit the Bidders' ability to sell our Equity Shares allotted pursuant to the offer or may cause the trading price of our Equity Shares to decline on listing.

#### **EXTERNAL RISK FACTORS**

**74. *Political, economic or other factors that are beyond our control may have an adverse effect on our business, results of operations, financial condition and cash flows.***

The Indian economy and capital markets are influenced by economic, political and market conditions in India and globally. Our results of operations are significantly affected by factors influencing the Indian economy. Factors that could adversely affect the Indian economy, and hence our results of operations, may include:

- epidemics, pandemics or any other public health concerns in India or in countries in the region or globally,
- the macroeconomic climate, including any increase in Indian interest rates or inflation;
- any exchange rate fluctuations, the imposition of currency controls and restrictions on the right to convert or repatriate currency or export/import assets;
- any scarcity of credit or other financing in India, resulting in an adverse effect on economic conditions in India and scarcity of financing for our expansions;
- prevailing income conditions among Indian consumers and Indian corporates;
- volatility in, and actual or perceived trends in trading activity on, India's principal stock exchanges;
- changes in India's tax, trade, fiscal or monetary policies;
- political instability, terrorism or military conflict in India or in countries in the region or globally, including in India's various neighbouring countries;
- occurrence of natural or man-made disasters (such as typhoons, flooding, earthquakes and fires) which may cause us to suspend our operations;
- civil unrest, acts of violence, terrorist attacks, regional conflicts or situations or war; and
- prevailing regional or global economic conditions, including in India's principal export markets, and the imposition of tariffs or other trade measures by India's trading partners, such as the United States;
- any downgrading of India's debt rating by a domestic or international rating agency;
- international business practices that may conflict with other customs or legal requirements to which we are subject, including anti-bribery and anti-corruption laws;
- logistical and communications challenges;
- financial instability in financial markets;
- difficulty in developing any necessary partnerships with local businesses on acceptable terms or on a timely basis;
- being subject to the jurisdiction of foreign courts, including uncertainty of judicial processes and difficulty enforcing contractual agreements or judgments in foreign legal systems or incurring additional costs to do so; and
- Other significant regulatory or economic developments in or affecting India or its manufacturing sector.

Any slowdown or perceived slowdown in the Indian economy, or in specific sectors of the Indian economy, could adversely affect our business, results of operations, financial condition and cash flows and the price of the Equity Shares. Also, a change in the government or a change in the economic and deregulation policies could adversely affect economic conditions prevalent in the areas in which we operate in general and our business in particular and high rates of inflation in India could increase our costs without proportionately increasing our revenues, and as such decrease our operating margins. Our performance and the growth of our business depends on the overall performance of the Indian economy as well as the economies of the regional markets in which we operate.

**75. *Changing laws, rules and regulations and legal uncertainties, including adverse application of laws, corporate and tax laws, could adversely affect our business, prospects and results of operations. Investors can be subject to Indian taxes arising out of capital gains on the sale of the Equity Shares or dividend paid thereon.***

The regulatory and policy environment in which we operate is evolving and subject to change. Such changes, could adversely affect our business, prospects and results of operations, to the extent that we are unable to suitably respond to and comply with any such changes in applicable law and policy. Further, any future amendments may affect our tax benefits such as changes in capital gains tax or tax on capital market transactions or the sale of shares could affect investor returns. As a result, any such changes or interpretations could have an adverse effect on our business and financial performance. For instance, the Government of India has announced the union budget for the Financial Year 2026 (the "Budget"), pursuant to which the Finance Act, 2025 has amended the Income-tax Act, 1961, including the capital gains tax rates with effect

from the date of announcement of the Budget. We have not fully determined the effects of these recent and proposed laws and regulations on our business.

The Government introduced (a) the Code on Wages, 2019 (“Wages Code”); (b) the Code on Social Security, 2020 (“Social Security Code”); (c) the Occupational Safety, Health and Working Conditions Code, 2020; and (d) the Industrial Relations Code, 2020, which consolidate, subsume and replace numerous existing central labour legislations. The Digital Personal Data Protection Act, 2023 (“PDP Act”), provides for personal data protection and privacy of individuals, regulates cross border data transfer, and provides several exemptions for personal data processing by the Government. It also provides for the establishment of a Data Protection Board of India for taking remedial actions and imposing penalties for breach of the provisions of the PDP Act. It imposes restrictions and obligations on data fiduciaries, resulting from dealing with personal data and further, provides for levy of penalties for breach of obligations prescribed under the PDP Act.

The Parliament of India has passed the Bharatiya Nyaya Sanhita, 2023, the Bharatiya Nagarik Suraksha Sanhita, 2023 and the Bharatiya Sakshya Adhiniyam, 2023, which have repealed the Indian Penal Code, 1860, the Code of Criminal Procedure, 1973 and the Indian Evidence Act, 1872, respectively, with effect from July 1, 2024. The effect of the provisions of these on us and the litigations involving us cannot be predicted with certainty. Unfavourable changes in or interpretations of existing, or the promulgation of new, laws, rules and regulations governing our business and operations could result in us being deemed to be in contravention of such laws and may require us to apply for additional approvals. Uncertainty in the applicability, interpretation, or implementation of any amendment to, or change in, governing law, regulation or policy, including by reason of an absence, or a limited body, of administrative or judicial precedent may be time consuming as well as costly for us to resolve and may affect the viability of our current businesses or restrict our ability to grow our businesses in the future. We cannot predict whether any tax laws or other regulations affecting it will be enacted or predict the nature and effects of any such laws or regulations or whether, if at all, any laws or regulations would have an adverse effect on our business, prospects and results of operations. For details, see **“Key Industrial Regulations and Policies”** on page 155.

**76. Any downgrade in India’s sovereign debt ratings may affect the trading price of the Equity Shares.**

India’s sovereign debt rating could be downgraded due to several factors, including changes in tax or fiscal policy or a decline in India’s foreign exchange reserves, all which are outside our control. Our borrowing costs and our access to the debt capital markets depend significantly on the sovereign credit ratings of India. Any adverse revisions to India’s credit ratings for domestic and international debt by international rating agencies could adversely affect our ability to raise additional external financing, and the interest rates and other commercial terms at which such additional financing is available. This could have an adverse effect on our business and future financial performance, our ability to obtain financing for capital expenditures and the trading price of the Equity Shares.

**77. If inflation continues to rise in India, increased costs may result in a decline in profits.**

Inflation rates in India have been volatile in recent years, and such volatility may continue. India has experienced high inflation in the recent past. High fluctuations in inflation rates may make it more difficult for us to accurately estimate or control our costs. Any increase in inflation in India can increase our expenses, which we may not be able to adequately pass on to our customers, whether entirely or in part, and could adversely affect our business and financial condition. If we are unable to increase our revenues sufficiently to offset our increased costs due to inflation, it could have an adverse effect on our business, prospects, results of operations, financial condition, and cash flows. Further, the Government of India has previously initiated economic measures to combat high inflation rates, and it is unclear whether these measures will remain in effect. There can be no assurance that Indian inflation levels will not worsen in the future.

**78. Under Indian law, foreign investors are subject to investment restrictions that limit our ability to attract foreign investors, which could adversely affect the trading price of the Equity Shares.**

Under foreign exchange regulations currently in force in India, the transfer of shares between non-residents and residents are freely permitted (subject to compliance with sectoral norms and certain other restrictions), if they comply with the pricing guidelines and reporting requirements specified by the RBI. If the transfer of shares, which are sought to be transferred, is not in compliance with such pricing guidelines or reporting requirements or falls under any of the exceptions referred to above, then a prior regulatory approval will be required. Further, unless specifically restricted, foreign investment is freely permitted in all sectors of the Indian economy up to any extent and without any prior approvals, but the foreign investor is required to follow certain prescribed procedures for making such investment. The RBI and the concerned ministries/departments are responsible for granting approval for foreign investment. Additionally, shareholders who seek to convert Rupee proceeds from a sale of shares in India into foreign currency and repatriate that foreign currency from India require a no-objection or a tax clearance certificate from the Indian income tax authorities. We cannot assure you that any necessary approvals from the RBI or any other governmental agency can be obtained on any particular terms, or at all. In addition, pursuant to the Press Note No. 3 (2020 Series), dated April 17, 2020, issued by the DPIIT, which has been incorporated as the proviso to Rule 6(a) of the FEMA Rules, investments where the beneficial owner of the equity

shares is situated in or is a citizen of a country which shares a land border with India, can only be made through the Government approval route, as prescribed in the Consolidated FDI Policy dated October 15, 2020 and the FEMA Rules. Further, in the event of transfer of ownership of any existing or future foreign direct investment in an entity in India, directly or indirectly, resulting in the beneficial ownership falling within the aforesaid restriction/purview, such subsequent change in the beneficial ownership will also require approval of the Government of India. These investment restrictions shall also apply to subscribers of offshore derivative instruments. We cannot assure investors that any required approval from the RBI or any other governmental agency can be obtained on any particular terms or conditions or at all. For further information, see *“Restrictions on Foreign Ownership of Indian Securities”* on page 339.

**79. *Our ability to raise foreign capital may be constrained by Indian law.***

As an Indian Company, we are subject to exchange controls that regulate borrowing in foreign currencies. Such regulatory restrictions limit our financing sources and could constrain our ability to obtain financings on competitive terms and refinance existing indebtedness. In addition, we cannot assure you that any required regulatory approvals for borrowing in foreign currencies will be granted to us without onerous conditions, or at all. Limitations on foreign debt may have an adverse effect on our business growth, results of operations, and financial condition.

**80. *Rights of shareholders under Indian laws may be different from laws of other jurisdictions.***

Indian legal principles related to corporate procedures, directors’ fiduciary duties and liabilities, and shareholders’ rights may differ from those that would apply to a Company in another jurisdiction. Shareholders’ rights including in relation to class actions, under Indian law may not be as extensive as shareholders’ rights under the laws of other countries or jurisdictions.

**81. *Any adverse application or interpretation of competition laws could adversely affect our business.***

The Competition Act, 2002, as amended (the “Competition Act”) was enacted for the purpose of preventing practices that have or are likely to have an adverse effect on competition (“AAEC”) in certain markets in India and has mandated the Competition Commission of India (the “CCI”) to separate such practices. Under the Competition Act, any arrangement, understanding or action, whether formal or informal, which causes or is likely to cause an AAEC is deemed void and attracts substantial penalties. Further, any agreement among competitors which directly or indirectly involves determination of purchase or sale prices, limits or controls production, or shares the market by way of geographical area or number of customers in the relevant market is presumed to have an appreciable adverse effect on competition in the relevant market in India and shall be void. Further, the Competition Act prohibits abuse of dominant position by any enterprise. If it is proved that the contravention committed by a Company took place with the consent or connivance or is attributable to any neglect on the part of, any director, manager, secretary or other officer of such Company, that person shall be guilty of the contravention and liable to be punished. The Competition Act aims to, among others, prohibit all agreements and transactions which may have an AAEC in India. Consequently, certain agreements entered into by us could be within the purview of the Competition Act. Further, the CCI has extra-territorial powers and can investigate any agreements, abusive conduct or combination occurring outside India if such agreement, conduct or combination has an AAEC in India. The effects of the provisions of the Competition Act on the agreements entered into by us cannot be predicted with certainty at this stage. The Government of India has also passed the Competition (Amendment) Act, 2023, which has proposed several amendments to the Competition Act, such as introduction of deal value thresholds for assessing whether a merger or acquisition qualifies as a “combination”, expedited merger review timelines, codification of the lowest standard of “control” and enhanced penalties for providing false information or a failure to provide material information. If we pursue acquisitions in the future, we may be affected, directly or indirectly, by the application or interpretation of any provision of the Competition Act, any enforcement proceedings initiated by the CCI, any adverse publicity that may be generated due to scrutiny or prosecution by the CCI, or any prohibition or substantial penalties levied under the Competition Act, which would adversely affect our business, results of operations, cash flows and prospects.

**82. *The extent and reliability of Indian infrastructure could adversely affect our Company’s results of operations and financial condition.***

India’s physical infrastructure is in developing phase compared to that of many developed nations. Any congestion or disruption in its port, rail and road networks, electricity grid, communication systems or any other public facility could disrupt our Company’s normal business activity. Any deterioration of India’s physical infrastructure would harm the national economy, disrupt the transportation of goods and supplies, and add costs to doing business in India. These problems could interrupt our Company’s business operations, which could have an adverse effect on its results of operations and financial condition.

**83. *Instability in financial markets could materially and adversely affect our results of operations and financial condition.***

The Indian economy and financial markets are significantly influenced by worldwide economic, financial and market conditions. Any financial turmoil, especially in the United States of America or Europe, may have a negative impact on

the Indian economy. Although economic conditions differ in each country, investors' reactions to any significant developments in one country can have adverse effects on the financial and market conditions in other countries. A loss in investor confidence in the financial systems, particularly in other emerging markets, may cause increased volatility in Indian financial markets. For example, any global financial turmoil originating from the United States of America may lead to a loss of investor confidence in worldwide financial markets. Indian financial markets have also experienced the contagion effect of the global financial turmoil, evident from the sharp decline in SENSEX, BSE's benchmark index in the past. Any prolonged financial crisis may have an adverse impact on the Indian economy and us, thereby resulting in a material and adverse effect on our business, operations, financial condition, profitability and price of our Equity Shares.

***84. The impact of the Russian invasion of Ukraine, the Israel-Hamas war and the Iran-Israel conflict on the global economy is uncertain, but may prove to negatively impact our business and operations.***

The short and long-term implications of Russia's invasion of Ukraine, the Israel-Hamas war and the Iran-Israel conflict are difficult to predict at this time. As on the date of this Draft Red Herring Prospectus, we have not experienced any material interruptions in our business operations in connection with these conflicts. We continue to monitor any adverse impact that the outbreak of war in Ukraine, the subsequent institution of sanctions against Russia by the United States and several European and Asian countries, and the Israel-Hamas war or the Iran-Israel conflict may have on the global economy in general, on our business and operations and on the businesses and operations of our lenders and other third parties with which we conduct business. To the extent the wars in Ukraine or Israel or the conflict between Iran and Israel may adversely affect our business as discussed above, it may also have the effect of heightening many of the other risks described herein. Such risks include, but are not limited to, adverse effects on macroeconomic conditions, including inflation; disruptions to our global technology infrastructure, including through cyberattack, ransom attack, or cyber-intrusion; adverse changes in international trade policies and relations; disruptions in global supply chains; significant volatility in commodity prices and supply of energy resources; political and social instability; changes in consumer or purchaser preferences and constraints; volatility, or disruption in the capital markets, any of which could negatively affect our business and financial condition.

- 3) In the event of over-subscription, allotment shall be made on a proportionate basis, subject to valid Bids received at or above the Offer Price. Allocation to investors in all categories, except the Individual Portion, shall be made on a proportionate basis subject to valid bids received at or above the Offer Price. The allocation to each Individual Investor shall not be less than the minimum Bid Lot, and subject to availability of Equity Shares in the Individual Portion, the remaining available Equity Shares, if any, shall be allocated on a proportionate basis.
- 4) The SEBI ICDR Regulations permit the offer of securities to the public through the Book Building Process, which states that, not less than 15% of the Net Offer shall be available for allocation on a proportionate basis to Non Institutional Bidders and not less than 35% of the Net Offer shall be available for allocation on a proportionate basis to Individual Bidders and not more than 50% of the Net Offer shall be allotted on a proportionate basis to QIBs, subject

to valid Bids being received at or above the Offer Price. Accordingly, we have allocated the Net Offer i.e., not more than 50% of the Net Offer to QIB and not less than 35% of the Net Offer shall be available for allocation to Individual Investors and not less than 15% of the Net Offer shall be available for allocation to non-institutional bidders. Further, (a) One-third of the portion available to NIBs shall be reserved for applicants with application size of more than two lots and up to such lots equivalent to not more than ₹ 10,00,000/-, and (b) Two-third of the portion available to NIBs shall be reserved for applicants with application size of more than ₹ 10,00,000/-. Provided that the unsubscribed portion in either of the sub-categories specified in clauses (a) or (b), could be allocated to applicants in the other sub-category of NIBs. The allocation to each NIB shall not be less than the minimum NIB Application Size, subject to availability of Equity Shares in the Non-Institutional Portion and the remaining available Equity Shares, if any, was available for allocation on a proportionate basis in accordance with the conditions specified in this regard in Schedule XIII of the SEBI ICDR Regulations.

- 5) Subject to valid Bids being received at or above the Offer Price, undersubscription, if any, in any category, except in the QIB Portion, would be allowed to be met with spill-over from any other category or combination of categories of Bidders at the discretion of our Company in consultation with the Book Running Lead Manager and the Designated Stock Exchange, subject to applicable laws.
- 6) Our Company may, in consultation with the Book Running Lead Manager, allocate up to 60% of the QIB Portion to Anchor Investors on a discretionary basis in accordance with the SEBI ICDR Regulations. 40% of the Anchor Investor Portion shall be reserved for (i) 33.33% for domestic Mutual Fund; and (ii) 6.67% for Life Insurance Companies and Pension Funds, subject to valid bids being received from the domestic Mutual Funds and Life Insurance Companies and Pensions Funds. In the event of under- subscription in the Anchor Investor Portion specified in clause (ii) above may be allocated to domestic mutual funds. In the event of under-subscription in the Anchor Investor Portion, the remaining Equity Shares shall be added to the QIB Portion. Further, 5% of the Net QIB Portion shall be available for allocation on a proportionate basis to Mutual Funds only, and the remainder of the QIB Portion shall be available for allocation on a proportionate basis to all QIB Bidders (other than Anchor Investors), including Mutual Funds, subject to valid Bids being received at or above the Offer Price. However, if the aggregate demand from Mutual Funds is less than 5% of the Net QIB Portion, the balance Equity Shares available for allotment in the Mutual Fund Portion will be added to the Net QIB Portion and allocated proportionately to the QIB Bidders (other than Anchor Investors) in proportion to their Bids. For further details, please refer section titled **“Offer Procedure”** beginning on page 307 of this Draft Red Herring Prospectus.

*For details, including grounds for rejection of Bids, refer to **“Offer Structure”** and **“Offer Procedure”** on page 303 and 307, respectively. For details of the terms of the Offer, see **“Terms of the Offer”** on page 294 of this Draft Red Herring Prospectus.*

Commencement of trading of the Equity Shares on the Stock Exchange	[●]

<sup>(1)</sup> Our Company in consultation with the Book Running Lead Manager may consider participation by Anchor Investors in accordance with the SEBI ICDR Regulations. The Anchor Investor Bid/ Offer Period shall be one Working Day prior to the Bid/ Offer Opening Date in accordance with the SEBI ICDR Regulations.

<sup>(2)</sup> Our Company in consultation with the BRLM, may consider closing the Bid/ Offer Period for QIBs one Working Day prior to the Bid/Offer Closing Date in accordance with the SEBI ICDR Regulations.

The above timetable is indicative and does not constitute any obligation on our Company or the Book Running Lead Manager. Whilst our Company shall ensure that all steps for the completion of the necessary formalities for the listing and the commencement of trading of the Equity Shares on the Stock Exchange are taken within 3 Working Days of the Bid/ Offer Closing Date, the timetable may change due to various factors, such as extension of the Bid/Offer Period by our Company, revision of the Price Band or any delays in receiving the final listing and trading approval from the Stock Exchange. The Commencement of trading of the Equity Shares will be entirely at the discretion of the Stock Exchange and in accordance with the applicable laws.

Bid Cum Application Forms and any upward revisions to the same will be accepted only between 10.00 A.M. to 5.00 P.M. (IST) during the Offer Period (except for the Bid/ Offer Closing Date). On the Bid/ Offer Closing Date, the Bid Cum Application Forms will be accepted only between 10.00 A.M. to 3.00 P.M. (IST) for Individual Investor and Non-Individual Investor. The time for applying for Individual Investor on Bid/Offer Closing Date maybe extended in consultation with the Book Running Lead Manager, RTA and NSE taking into account the total number of applications received up to the closure of timings.

Due to the limitation of time available for uploading the Bid Cum Application Forms on the Bid/Offer Closing Date, Bidders are advised to submit their applications one (1) day prior to the Bid/ Offer Closing Date and, in any case, not later than 3.00 P.M. (IST) on the Bid/ Offer Closing Date. Any time mentioned in this Draft Red Herring Prospectus is IST. Bidders are cautioned that, in the event a large number of Bid Cum Application Forms are received on the Bid/Offer Closing Date, as is typically experienced in public Offer, some Bid Cum Application Forms may not get uploaded due to the lack of sufficient time. Such Bid Cum Application Forms that cannot be uploaded will not be considered for allocation under this Offer. Applications will be accepted only on Working Days, i.e., Monday to Friday (excluding any public holidays). Neither our Company nor the BRLM is liable for any failure in uploading the Bid Cum Application Forms due to faults in any software/hardware system or otherwise.

In accordance with SEBI ICDR Regulations, Bidders/Applicants are not allowed to withdraw or lower the size of their application (in terms of the quantity of the Equity Shares or the Application amount) at any stage.

In case of discrepancy in the data entered in the electronic book vis-à-vis the data contained in the physical Bid Cum Application Form, for a particular Applicant, the details as per the file received from Stock Exchange may be taken as the final data for the purpose of Allotment. In case of discrepancy in the data entered in the electronic book vis-à-vis the data contained in the physical or electronic Bid Cum Application Form, for a particular ASBA Applicant, the Registrar to the Offer shall ask the relevant SCSBs/ RTAs / DPs / stock brokers, as the case may be, for the rectified data.

### **Withdrawal of the Offer**

In accordance with the SEBI (ICDR) Regulations, Our Company may, in consultation with the Book Running Lead Manager, reserve the right to not to proceed with the Offer at any time before the Bid/ Offer Opening Date without assigning any reason thereof.

If our Company withdraws the Offer any time after the Bid/ Offer Opening Date but before the allotment of Equity Shares, a public notice within 2 (two) days of the Bid/ Offer Closing Date, providing reasons for not proceeding with the Offer shall be issued by our Company. The notice of withdrawal will be issued in the same newspapers where the pre- Offer advertisements have appeared and the Stock Exchange will also be informed promptly. The Book Running Lead Manager, through the Registrar to the Offer, will instruct the SCSBs to unblock the ASBA Accounts within 1 (one) working Day from the day of receipt of such instruction.

If our Company withdraws the Offer after the Bid/ Offer Closing Date and subsequently decides to proceed with an Offer of the Equity Shares, our Company will have to file a fresh Draft Red Herring Prospectus with the stock exchange where the Equity Shares may be proposed to be listed.

Notwithstanding the foregoing, the Offer is subject to obtaining (i) the final listing and trading approvals of the Stock Exchange with respect to the Equity Shares issued through the Draft Red Herring Prospectus, which our Company will apply for only after Allotment; and (ii) filing of Red Herring Prospectus/ Prospectus with Registrar of Companies.

### Underwriting

The Company and the Book Running Lead Manager to the Offer hereby confirm that the Offer will be 100% Underwritten by the Underwriter Hem Securities Limited in the capacity of Underwriter to the Offer.

The underwriting agreement is dated [●]. Pursuant to the terms of the underwriting Agreement, the obligations of the underwriters are several and are subject to certain conditions specified therein. The underwriters have indicated their intention to underwrite the following number of specified securities being issued through this Offer:

### Details of the Market Making arrangement for this Offer:

Our Company may, in consultation with the Book Running Lead Manager, shall allot at least 5.00% of the Offer to the Market Maker under the Market Maker Reservation Portion as per the Regulation 261(4) of the SEBI ICDR Regulations.

Our Company has entered into a Market Making Agreement dated [●] with the following Market Maker for fulfilling the Market Making obligations under this Offer:

<b>Name</b>	[●]
<b>Correspondence Address</b>	[●]
<b>Tel</b>	[●]
<b>E-Mail</b>	[●]
<b>Website</b>	[●]
<b>Contact Person</b>	[●]
<b>SEBI Registration No.</b>	[●]
<b>Market Maker Registration No.</b>	[●]

In accordance with Regulation 261 of the SEBI ICDR Regulations and amendments thereto, we shall enter into an agreement with the Book Running Lead Manager and the Market Maker (duly registered with NSE to fulfil the obligations

of Market Making) dated [●], to ensure compulsory Market Making for a minimum period of three years from the date of listing of equity shares Issued in this Offer.

[●] registered with SME Platform of NSE “NSE Emerge” will act as the Market Maker and has agreed to receive or deliver of the specified securities in the market making process for a period of three years from the date of listing of our Equity Shares or for a period as may be notified by any amendment to SEBI ICDR Regulations.

The Market Maker shall fulfil the applicable obligations and conditions as specified in the SEBI ICDR Regulations, as amended from time to time and the circulars issued by NSE and SEBI in this matter from time to time.

**Following is a summary of the key details pertaining to the Market making arrangement:**

- 1) The Market Maker(s) (individually or jointly) shall be required to provide a 2-way quote for 75% of the time in a day. The same shall be monitored by the stock exchange. Further, the Market Maker(s) shall inform the exchange in advance for each and every black out period when the quotes are not being offered by the Market Maker(s).
- 2) The prices quoted by Market Maker shall be in compliance with the Market Maker Spread Requirements and other particulars as specified or as per the requirements of the NSE “NSE Emerge” and SEBI from time to time.
- 3) The minimum depth of the quote shall be Rs.1,00,000/-. However, the investors with holdings of value less than Rs. 1,00,000/- shall be allowed to offer their holding to the Market Maker(s) (individually or jointly) in that scrip provided that he sells his entire holding in that scrip in one lot along with a declaration to the effect to the selling broker.
- 4) The Market Maker shall not sell in lots less than the minimum contract size allowed for trading on the NSE EMERGE platform (in this case currently the minimum trading lot size is [●] equity shares of face value of ₹10/ each; however, the same may be changed by the NSE SME platform from time to time).
- 5) After a period of three (3) months from the market making period, the Market Maker would be exempted to provide quote if the Shares of Market Maker in our Company reaches to 25% of Offer Size. Any Equity Shares allotted to Market Maker under this Offer over and above 25% of Offer Size would not be taken in to consideration of computing the threshold of 25% of Offer Size. As soon as the Shares of Market Maker in our Company reduces to 24% of Offer Size, the Market Maker will resume providing 2-way quotes.
- 6) There shall be no exemption/threshold on downside. However, in the event the Market Maker exhausts his inventory through market making process, NSE may intimate the same to SEBI after due verification.
- 7) Execution of the order at the quoted price and quantity must be guaranteed by the Market Maker(s), for the quotes given by him.
- 8) There would not be more than five Market Makers for a scrip at any point of time and the Market Makers may compete with other Market Makers for better quotes to the investors.
- 9) On the first day of the listing, there will be pre-opening session (call auction) and there after the trading will happen as per the equity market hours. The circuits will apply from the first day of the listing on the discovered price during the pre-open call auction.
- 10) The Market Maker may also be present in the opening call auction, but there is no obligation on him to do so.
- 11) There will be special circumstances under which the Market Maker may be allowed to withdraw temporarily/fully from the market – for instance due to system problems, any other problems. All controllable reasons require prior approval from the Exchange, while *force-majeure* will be applicable for non-controllable reasons. The decision of the Exchange for deciding controllable and non-controllable reasons would be final
- 12) The Market Maker(s) shall have the right to terminate said arrangement by giving a six months’ notice or on mutually acceptable terms to the Merchant Banker, who shall then be responsible to appoint a replacement Market Maker(s) and execute a fresh arrangement. In case of termination of the above-mentioned Market Making agreement prior to the completion of the compulsory Market Making period, it shall be the responsibility of the BRLM to arrange for another Market Maker in replacement during the term of the notice period being served by the Market Maker but prior to the date of releasing the existing Market Maker from its duties in order to ensure compliance with the requirements of regulation 261 of the SEBI (ICDR) Regulations, 2018, as amended. Further our Company and the BRLM reserve the right to appoint other Market Makers either as a replacement of the current Market Maker or as an additional

Market Maker subject to the total number of Designated Market Makers does not exceed five or as specified by the relevant laws and regulations applicable at that particular point of time. The Market Making Agreement is available for inspection at our office from 10.00 a.m. to 5.00 p.m. on working days.

- 13) **Risk containment measures and monitoring for Market Makers:** Stock Exchange will have all margins, which are applicable on NSE main Board viz., Mark-to-Market, Value-At-Risk (VAR) Margin, Extreme Loss Margin, Special Margins and Base Minimum Capital etc. Stock Exchange can impose any other margins as deemed necessary from time-to-time.
- 14) **Punitive Action in case of default by Market Makers:** SME Platform of NSE “NSE Emerge” will monitor the obligations on a real time basis and punitive action will be initiated for any exceptions and/or non-compliances. Penalties / fines may be imposed by the Exchange on the Market Maker, in case he is not able to provide the desired liquidity in a particular security as per the specified guidelines. These penalties / fines will be set by the Exchange from time to time. The Exchange will impose a penalty on the Market Maker in case he is not present in the market (offering two way quotes) for at least 75% of the time. The nature of the penalty will be monetary as well as suspension in market making activities / trading membership. The Department of Surveillance and Supervision of the Exchange would decide and publish the penalties / fines / suspension for any type of misconduct/ manipulation/ other irregularities by the Market Maker from time to time.
- 15) **Price Band and Spreads:** The price band shall be 20% and the market maker spread (difference between the sell and the buy quote) shall be within 10% or as intimated by Exchange from time to time
- 16) Pursuant to SEBI Circular number CIR/MRD/DSA/31/2012 dated November 27, 2012, limits on the upper side for market makers during market making process has been made applicable, based on the Offer size and as follows:

Offer Size	Buy quote exemption threshold (including mandatory initial inventory of 5% of the Offer Size)	Re-Entry threshold for buy quote (including mandatory initial inventory of 5% of the Offer Size)
Up to ₹20 Crore	25%	24%
₹20 to ₹50 Crore	20%	19%
₹50 to ₹80 Crore	15%	14%
Above ₹80 Crore	12%	11%

- 17) The SEBI Circular bearing reference no: CIR/MRD/DP/ 02/2012 dated January 20, 2012, has laid down that for offer size up to ₹250 crores, the applicable price bands for the first day shall be:
  - i. In case equilibrium price is discovered in the Call Auction, the price band in the normal trading session shall be 5% of the equilibrium price.
  - ii. In case equilibrium price is not discovered in the Call Auction, the price band in the normal trading session shall be 5% of the offer price.

  - d) Further in terms of Regulation 243 of the SEBI (ICDR) Regulations, the specified securities held by the promoters and locked-in as per regulation 238 may be transferred to another promoters or any person of the promoter group or a new promoters or a person in control of the offeror subject to continuation of the lock-in in the hands of the transferees for the remaining period and compliance with SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011, as applicable.
20. Neither, we nor our Promoters, Directors and the BRLM to this Offer have entered into any buyback and/ or standby arrangements and/ or similar arrangements for the purchase of our Equity Shares from any person.
21. As on the date of this Draft Red Herring Prospectus, the entire Issued, Subscribed and Paid-up Share Capital of our Company is fully paid up. Since the entire offer price in respect of the offer is payable on application, all the successful applicants will be allotted fully paid- up Equity shares.
22. The BRLM i.e. Hem Securities Limited and their associates do not hold any Equity Shares in our Company as on the date of filing of this Draft Red Herring Prospectus.

#### **23. Employees Stock Option Scheme of our Company**

In order to motivate the employees and to enable them to participate in the long-term growth and financial success of the Company, with a common objective of maximizing the shareholder value, our Company has adopted the Employee Stock Option Schemes as detailed below:

##### ***Employee Stock Option Plan 2026 "HGS ESOP 2026" "ESOP Scheme"***

Our Company, pursuant to the resolutions passed by our Board on February 12, 2026 and shareholders on March 11, 2026 has adopted the Employee Stock Option Plan 2026 ("HGS ESOP 2026"). Our Company will grant an aggregate number of 30,000 employee stock options to employees under the ESOP Scheme. Upon exercise and payment of the exercise price, the option holder will be entitled to be allotted 30,000 Equity Share per employee stock option as per ESOP Scheme. Accordingly, the number of Equity Shares that may be issued under the ESOP Scheme shall not exceed

30,000 equity shares of face value ₹10/- each. The objectives of ESOP Scheme are, amongst others, to enable the employees, present and future, to share the wealth that they help to create for the organisation over certain period of time. The ESOP Scheme has been framed in compliance with the Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021.

As on the date of this Draft Red Herring Prospectus, no options have been granted, vested or exercised by our Company under the ESOP Scheme.

24. We have 43 (Forty-Three) shareholders as on the date of filing of this Draft Red Herring Prospectus.
25. Except for the options that may be granted pursuant to the ESOP Scheme, there are no outstanding warrants, options or rights to convert debentures, loans or other instruments which would entitle Promoters or any shareholders or any other person any option to acquire our Equity Shares of our Company, as on the date of this Draft Red Herring Prospectus.
26. Our Company has not raised any bridge loan against the proceeds of the Offer.
27. As on the date of this Draft Red Herring Prospectus, none of the shares held by our Promoters/ Promoter Group are subject to any pledge.
28. Except for Equity Shares that may be allotted pursuant to the ESOP Scheme and the Equity Shares Allotted pursuant to the offer, there will be no further issue of capital whether by way of issue of bonus shares, preferential allotment, rights issue or in any other manner during the period commencing from the date of the Draft Red Herring Prospectus until the Equity Shares offered have been listed or application money unblocked on account of failure of Offer.
29. None of our Equity Shares has been issued out of revaluation reserve created out of revaluation of assets.
30. An over-subscription to the extent of 10.00% of the Offer, subject to the maximum post offer paid up capital of ₹ 25 Crore, can be retained for the purpose of rounding off to the nearest integer during finalizing the allotment, subject to minimum allotment, which is the minimum application size in this offer. Consequently, the actual allotment may go up by a maximum of 10.00% of the offer, as a result of which, the post-offer paid up capital after the Offer would also increase by the excess amount of allotment so made. In such an event, the Equity Shares held by the Promoters and subject to 3-year lock- in shall be suitably increased; so as to ensure that 20% of the post Offer paid-up capital is locked in.
31. Allocation to all categories shall be made on a proportionate basis subject to valid applications received at or above the Offer Price. Under subscription, if any, in any of the categories, would be allowed to be met with spill-over from any of the other categories or a combination of categories at the discretion of our Company in consultation with the BRLM and Designated Stock Exchange i.e., NSE. Such inter-se spill over, if any, would be affected in accordance with applicable laws, rules, regulations and guidelines.
32. In case of over-subscription in all categories the allocation in the Offer shall be as per the requirements of Regulation 253 of SEBI (ICDR) Regulations, 2018 and its amendments from time to time.
33. At any given point of time there shall be only one denomination of the Equity Shares, unless otherwise permitted by law.
34. Our Company shall comply with such disclosure and accounting norms as may be specified by NSE, SEBI and other regulatory authorities from time to time.
35. There are no Equity Shares against which depository receipts have been issued.
36. Other than the Equity Shares, there is no other class of securities issued by our Company.
37. There are no safety net arrangements for this public Offer.
38. As per RBI regulations, OCBs are not allowed to participate in this offer.
39. Our Promoters and the Promoter Group will not participate in the Offer, except to the extent of the sale of Offered Shares by way of Offer for Sale

40. This Offer is being made through Book Building Method.
41. Our Company has not made any public issue or rights issue of any kind or class of securities since its incorporation.
42. In terms of Rule 19(2)(b)(i) of the Securities Contracts (Regulation) Rules, 1957, as amended, (the SCRR) the Offer is being made for at least 25% of the post-offer paid-up Equity Share capital of our Company. Further, this Offer is being made in terms of Chapter IX of the SEBI (ICDR) Regulations, 2018, as amended from time to time.
43. No person connected with the Offer shall offer any incentive, whether direct or indirect, in the nature of discount, commission, and allowance, or otherwise, whether in cash, kind, services or otherwise, to any Applicant.

We shall ensure that transactions in Equity Shares by the Promoters and members of the Promoter Group, if any, between the date of filing the Red Herring Prospectus with the RoC and the Offer Closing Date are reported to the Stock Exchanges within 24 hours of such transactions being completed.

## **OBJECTS OF THE OFFER**

This Offer includes a fresh Issue of up to 23,26,000 Equity Shares of face value of ₹ 10 each aggregating [●] lakhs and Offer for Sale of up to 5,54,000 equity shares of face value of ₹10 each aggregating [●] lakhs by the Selling Shareholders of our Company at an offer Price of Rs. [●] per Equity Share.

### **Offer for Sale**

Our Company will not receive any proceeds of the Offer for Sale by the Selling Shareholders. Each of the selling Shareholders will be entitled to the respective proportion of the proceeds of the Offer for Sale after deducting their portion of the Offer related expenses and relevant taxes thereon. Other than the listing fees for the Offer, all cost, fees and expenses in respect of the Offer will be shared amongst our Company and Selling Shareholders, respectively, in proportion to the proceeds received for the Fresh issue and their respective portion of Offered Shares, as may be applicable, upon the successful completion of the Offer.

### **Fresh Issue**

Our Company proposes to utilize the Proceeds from Fresh Issue up to ₹ [●] lakhs, after deducting the Offer related expenses to the extent payable by our Company with respect to the Fresh Issue, towards funding the following objects:

1. Funding the capital expenditure towards replacement of plant and machinery for our existing manufacturing facility at Manesar, Gurugram.
2. Funding the capital expenditure towards Backward Integration for setting up in-house gold plating facility
3. Funding the capital expenditure towards Infrastructural development of building on 3rd Floor at our existing manufacturing facility at Manesar, Gurugram.
4. Pursuing unidentified acquisitions and general corporate purpose  
(Collectively referred as the “**Objects**”)

We believe that listing will enhance our corporate image and visibility of brand name of our Company. We also believe that our Company will receive the benefits from listing of Equity Shares on the NSE Emerge Platform. It will also provide liquidity to the existing shareholders and will also create a public trading market for the Equity Shares of our Company. The main objects clause of our Memorandum enables our Company to undertake its existing activities.

#### **Details of Utilization of Net Proceeds**

The details of utilization of the Net Proceeds are set forth herein below:

##### **1. Funding the capital expenditure towards replacement of plant and machinery for our manufacturing facility at Manesar, Gurugram**

Our Company is engaged in the business of manufacturing geophones, seismic cables, and connectors for the seismic industry within the energy and geoscience sector. Our products are used in the acquisition of seismic data and are integral to recording and transmitting ground vibration signals for the processing, interpretation, and analysis of subsurface geological structures. As on date of the Draft Red Herring Prospectus, we are currently operating from our factory at Manesar, Gurugram. In order to achieve economies of scale we want to replace some of our existing machinery with below mentioned new plant and machineries from the IPO proceeds. This upgradation by shifting to advanced injection moulding and tandem extrusion shall streamline the production process, reduce lead time, and allows us to respond quickly to changes in demand or design modifications. The capital expenditure in our manufacturing facility is estimates as under:

**Notes:**

- We have considered the above quotations for the budgetary estimate purpose and have not placed orders for them. The actual cost of procurement and actual supplier/dealer may vary.
- Quotation received from the vendor mentioned above is valid as on the date of this Draft Red Herring Prospectus. However, we have not entered into any definitive agreements with any of the vendor and there can be no assurance that the same vendor would be engaged to eventually supply the machineries or at the same costs.
- The machinery models and quantity to be purchased are based on the present estimates of our management. The Management shall have the flexibility to revise such estimates (including but not limited to change of vendor or any modification/addition/deletion of machineries) at the time of actual placement of the order. In such case, the

Management can utilize the surplus of proceeds, if any, arising at the time of actual placement of the order, to meet the cost of such other machinery or utilities, as required. Furthermore, if any surplus from the proceeds remains after meeting the total cost of machineries and utilities for the aforesaid purpose, the same will be used for our general corporate purposes, subject to limit of 15% of the amount raised by our Company through this offer or Rs 10 crores whichever is lower.

- We are not acquiring any second-hand machinery.
- The quotations relied upon by us in arriving at the above cost are valid for a specific period of time and may lapse after the expiry of the said period. Consequent upon which, there could be a possible escalation in the cost of machineries proposed to be acquired by us at the actual time of purchase, resulting in increase in the estimated cost. Further, cost will be escalated on account of freight expenses, installation charges, packaging & forwarding, custom duty etc. Such cost escalation would be met out of our internal accruals.

### 3. Funding the capital expenditure towards Infrastructural development of building on 3rd Floor at our existing manufacturing facility at Manesar, Gurugram.

The Company intends to undertake expansion of its existing factory premises by developing additional building infrastructure admeasuring approximately 18,500 square feet on the third floor. This Infrastructural development provides the structural capacity required for assembly line. Beyond capacity, the expansion facilitates a workflow redesign that integrates the manufacturing department to streamline logistics, reduce material transit times, and maximize overall process effectiveness.

### 4. Pursuing unidentified acquisitions and general corporate purpose

We expect to utilize ₹ [●] lakhs of the Net Proceeds towards funding unidentified acquisitions and general corporate purposes, subject to (a) the cumulative amount to be utilized for general corporate purposes and our object of unidentified acquisitions shall not exceed 35% of the Gross Proceeds, and the total amount utilized towards funding unidentified acquisition shall not exceeding 25% of the amount being raised in the Offer, in compliance with the SEBI ICDR Regulations. Furthermore, the amount to be utilized for our object of “general corporate purpose” shall not exceed 15% of the gross proceeds from the Fresh Issue or ₹ 1,000.00 lakhs, whichever is lower in accordance with the SEBI ICDR Regulations.

Our Company shall evaluate acquisition opportunities in the future that we believe will fit well with our strategic business objectives and growth strategies. We will evaluate growth opportunities, keeping in line with our strategy to grow and develop our market share or may consider companies with international operations or client presence, enabling global exposure, technology scalability and cross border business opportunities. We may consider opportunities for growth, such as through business or asset purchase, mergers and acquisitions, to acquire new customers, expanding into new geographies, consolidate our market position in our existing lines of business.

The actual deployment of funds will depend on a number of factors, including the timing, nature, size and number of acquisitions undertaken, as well as general factors affecting our results of operation, financial condition and access to capital. These factors will also determine the form of investment for these potential strategic initiatives and acquisitions, i.e., whether they will be directly done by our Company in the form of equity, debt or any other instrument or combination thereof, or whether these will be in the nature of asset or technology acquisitions or joint ventures or invest in entities. Depending on the objectives decided by our management, such acquisitions and growth initiatives may be in the nature of, among others, acquisition of a minority interest in an entity, entering into a joint venture arrangement or acquisition of a majority stake in an entity or acquisition of business as a going concern or acquisition through identified assets and liabilities. The amount of Net Proceeds to be used for acquisitions may not be the aggregate value of any such acquisitions

but is expected to provide us with sufficient financial leverage to pursue such acquisitions. As on the date of this Draft Red Herring Prospectus, we have not entered into any definitive agreements towards any future acquisitions or strategic initiatives.

Our Company intends to deploy any balance left out of the Net Proceeds towards general corporate purposes, as approved by our management, from time to time, subject to (i) such utilization for general corporate purposes not exceeding 15% of the gross proceeds from the Fresh Issue or ₹ 1,000.00 lakhs, whichever is less in accordance with the SEBI ICDR Regulations, and (ii) the cumulative amount to be utilized for general corporate purposes and our object of funding inorganic growth through unidentified acquisitions shall not exceed 35% of the Gross Proceeds, in compliance with SEBI ICDR Regulations. The general corporate purposes for which our Company proposes to utilize the Proceeds from the Fresh Issue include, but not limited to: (i) strategic initiatives; (ii) funding growth opportunities; (iii) strengthening marketing capabilities; (iv) meeting ongoing general corporate exigencies and contingencies; (v) capital expenditure; (vi) other expenses of our Company; and (vii) any other purpose, as may be approved by the Board or a duly constituted committee thereof, subject to compliance with applicable law, including provisions of the Companies Act.

The allocation or quantum of utilization of funds towards the specific purposes described above will be determined by our Board, based on our business requirements and other relevant considerations, from time to time. Our Company's management, in accordance with the policies of our Board, shall have flexibility in utilizing surplus amounts, if any. In the event we are unable to utilize the entire amount that we have currently estimated for use out of Net Proceeds in a Fiscal, we will utilize such unutilized amount(s) in the subsequent Fiscals.

In case of any increase in the actual utilization of funds earmarked for the Objects, such additional funds for a particular activity will be met by way of means available to our Company, including from internal accruals. If the actual utilization towards any of the Objects is lower than the proposed deployment such balance will be used for future growth opportunities including funding existing objects, if required. In case of delays in raising funds from the Offer, our Company may deploy certain amounts towards any of the abovementioned Objects through a combination of Internal Accruals or Loans (Bridge Financing) and in such case the Funds raised shall be utilized towards repayment of such Loans or recouping of Internal Accruals. However, we confirm that no bridge financing has been availed as on date, which is subject to being repaid from the Offer Proceeds.

#### **Appraisal**

None of the Objects have been appraised by any bank or financial institution or any other independent third-party organization. The funding requirements of our Company and the deployment of the proceeds of the Offer are currently based on available quotations and management estimates. The funding requirements of our Company are dependent on a number of factors which may not be in the control of our management, including but not limited to variations in interest rate structures, changes in our financial condition and current commercial conditions of our Business and are subject to change in light of changes in external circumstances or in our financial condition, business or strategy.

#### **Shortfall of Funds**

Any shortfall in meeting the fund requirements will be met by way of internal accruals and/or borrowings and/or unsecured Loans.

#### **Bridge Financing Facilities**

Our Company has not raised any bridge loans from any bank or financial institution as on the date of this Draft Red Herring Prospectus, which are proposed to be repaid from the Net Proceeds. However, depending upon business requirements, our Company may consider raising bridge financing facilities, including through secured or unsecured loans. If any bridge financing is availed to fund any of the objects mentioned above, then the same would be repaid out of the IPO proceeds and such utilization (towards repayment of Bridge Loan) shall be construed to be done for the specific object itself.

#### **Monitoring Utilization of Funds**

As the size of the Offer, excluding the size of offer for sale by selling shareholders will not exceed Rs. 5,000 Lakhs, the appointment of Monitoring Agency would not be required as per Regulation 262(1) of the SEBI ICDR Regulations. Our Board and the management will monitor the utilization of the Net Offer Proceeds through our audit committee. Pursuant to Regulation 32 of the SEBI Listing Regulations, our Company shall on half yearly basis disclose to the Audit Committee the Application of the proceeds of the Offer. On an annual basis, our Company shall prepare a statement of funds utilized for purposes other than stated in the Red Herring Prospectus and place it before the Audit Committee. Such disclosures shall be made only until such time that all the proceeds of the offer have been utilized in full.

#### **Interim Use of Proceeds**

Pending utilization for the purposes described above, our Company intends to deposit the funds temporarily in the scheduled commercial banks included in the second schedule of the Reserve Bank of India Act, 1934, as may be approved by our Board of Directors in compliance with the Companies Act, 2013 and other applicable laws.

Our Company confirms that pending utilization of the Net Proceeds towards the stated objects of the Offer, our Company shall not use/deploy the Net Proceeds for buying, trading or otherwise dealing in shares of any other listed Company or for any investment in the equity markets.

#### **Variation in Objects**

In accordance with Section 27 of the Companies Act, 2013, our Company shall not vary the objects of the offer without our Company being authorized to do so by the Shareholders by way of a special resolution. In addition, the notice issued to the Shareholders in relation to the passing of such special resolution shall specify the prescribed details as required under the Companies Act and shall be published in accordance with the Companies Act and the rules there under. As per the current provisions of the Companies Act, our Promoters or controlling Shareholders would be required to provide an exit opportunity to such shareholders who do not agree to the proposal to vary the objects, at such price, and in such manner, as may be prescribed by SEBI, in this regard.

#### **Other confirmations**

There are no material existing or anticipated transactions with our Promoters, our Directors, our Company's key Managerial personnel, SMPs, in relation to the utilization of the Net Proceeds. No part of the Net Proceeds will be paid by us as consideration to our Promoters, our directors or key managerial personnel or SMP except in the normal course of business and in compliance with the applicable laws

## **BASIS FOR OFFER PRICE**

Investors should read the following summary with the section titled “**Risk Factors**”, the details about our Company under the section titled “**Our Business**” and its financial statements under the section titled “**Financial Information of the Company**” beginning on page 22, 138 and 198 respectively of the Draft Red Herring Prospectus. 4.	September 30, 2025	7.99	
	<b>Weighted Average</b>	<b>7.01</b>	<b>6</b>

### **Notes:**

- i. The figures disclosed above are based on the Restated Consolidated Financial Statements of the Company.
- ii. The face value of each Equity Share is ₹10.00.
- iii. Earnings per Share has been calculated in accordance with Accounting Standard 20 – “Earnings per Share” issued by the Institute of Chartered Accountants of India.
- iv. The above statement should be read with Significant Accounting Policies and the Notes to the Restated Consolidated Financial Statements as appearing in Annexure IV.
- v. Basic Earnings per Share = Net Profit/(Loss) after tax, as restated attributable to equity shareholders/ Weighted average number of equity shares outstanding during the year/ period.

vi. *Diluted Earnings per Share = Net Profit/(Loss) after tax, as restated attributable to equity shareholders/ Weighted average number of diluted potential equity shares outstanding during the year/ period.*

**2. Price Earning (P/E) Ratio in relation to the Price Band of ₹ [●] to ₹ [●] per Equity Share of Face Value of ₹ 10/- each fully paid up**

Particulars	(P/E) Ratio at the Floor Price	(P/E) Ratio at the Cap Price
P/E ratio based on the Basic & Diluted EPS, as restated for Financial Year 2024-2025	[●]	[●]
P/E ratio based on the Weighted Average EPS, as restated.	[●]	[●]

**3. Average Return on Return on Net worth (RoNW)\***

Sr. No	Period	RoNW (%)	Weights
1	Financial Year 2022-2023	3.88%	1
2	Financial Year 2023-2024	4.21%	2
3	Financial Year 2024-2025	12.34%	3
4	September 30, 2025	7.77%	
	<b>Weighted Average</b>	<b>8.22%</b>	<b>6</b>

**Note:**

- The RoNW has been computed by dividing net profit after tax (excluding exceptional items) with restated Net worth as at the end of the year/ period*
- Weighted average = Aggregate of year-wise weighted RoNW divided by the aggregate of weights i.e. (RoNW x Weight) for each year/ Total of weights.*

## **STATEMENT OF SPECIAL TAX BENEFITS**

To,  
**The Board of Directors**  
**HGS (India) Limited,**  
**Portion-2, First & Second Floor, A-259,**  
**Defence Colony, New Delhi, Delhi-110024, India**

**Sub: Statement of Tax Benefits ('The Statement') available to HGS (India) Limited ('The Company'), and its shareholders prepared in accordance with the requirement in Schedule VI-Clause 9L of Securities and Exchange Board of India (Issue of Capital Disclosure Requirements) Regulations 2018, as amended ('The Regulation')**

Dear Sirs,

We hereby report that the enclosed annexure prepared by the management of HGS (India) Limited states the special tax benefits available to the Company and the shareholders of the Company under the Income-Tax Act, 1961, the Customs Act, 1962, the Central Goods and Services Tax Act, 2017, the Integrated Goods and Services Tax Act, 2017, the Union Territory Goods and Services Tax Act, 2017, respective State Goods and Services Tax Act, 2017 (collectively the "GST Act") presently in force in India. Several of these benefits are dependent on the Company or its shareholders fulfilling the conditions prescribed under the relevant provisions of the Act. Hence, the ability of the Company or its shareholders to derive the tax benefits is dependent upon fulfilling such conditions which, based on business imperatives which the Company may face in the future, the Company may or may not choose to fulfil.

The benefits discussed in the enclosed Annexure cover only special tax benefits available to the Company do not cover any general tax benefits available to the Company. Further, the preparation of enclosed statement and the contents stated therein is the responsibility of the Company's management. We are informed that, this Statement is only intended to provide general information to the investors and is neither designed nor intended to be a substitute for professional tax advice. In view of the individual nature of the tax consequences and the changing tax laws, each investor is advised to consult his or her own tax consultant with respect to the specific tax implications arising out of their participation in the proposed initial public offering of Equity shares ("the Offer") by the Company. We do not express any opinion or provide any assurance as to whether:

- a) The Company or its shareholders will continue to obtain these benefits in future; or
- b) The conditions prescribed for availing the benefits have been/would be met.

The contents of the enclosed statement are based on information, explanations and representations obtained from the Company and on the basis of our understanding of the business activities and operations of the Company.

Our views are based on facts and assumptions indicated to us and the existing provisions of tax law and its interpretations, which are subject to change or modification from time to time by subsequent legislative, regulatory, administrative, or judicial decisions. Any such changes, which could also be retrospective, could have an effect on the validity of our views stated herein.

We assume no obligation to update this statement on any events subsequent to its issue, which may have a material effect on the discussions herein. This report including enclosed annexure are intended solely for your information and for the inclusion in the Draft offer document/ offer document or any other issue related material in connection with the proposed initial public offer of the Company and is not to be used, referred to or distributed for any other purpose without our prior written consent.

This statement has been prepared solely in connection with the Proposed Issue by the Company under the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended.

Yours faithfully,

## ANNEXURE TO THE STATEMENT OF SPECIAL TAX BENEFITS

*The information provided below sets out the special tax benefits available to the Company and the Equity Shareholders under the Income Tax Act, 1961 presently in force in India. It is not exhaustive or comprehensive and is not intended to be a substitute for professional advice. Investors are advised to consult their own tax consultant with respect to the tax implications of an investment in Equity Shares particularly in view of the fact that certain recently enacted legislation may not have a direct legal precedent or may have a different interpretation on the benefits, which an investor can avail.*

### **A. SPECIAL DIRECT AND INDIRECT TAX BENEFITS TO THE COMPANY:**

The Company is not entitled to any special tax benefits under the Income Tax Act, 1961 and GST Act.

### **B. SPECIAL DIRECT AND INDIRECT TAX BENEFITS TO THE SHAREHOLDERS:**

The Shareholders of the Company are not entitled to any special tax benefits under the Income Tax Act, 1961 and GST Act.

### **NOTES:**

1. The above Annexure of special tax benefits sets out the provisions of Tax Laws in a summary manner only and is not a complete analysis or listing of all potential tax consequences of the purchase, ownership and disposal of shares.
2. The above Annexure covers only the special tax benefits under the Act, read with the relevant rules, circulars and notifications and does not cover any benefit under any other law in force in India. This Annexure also does not discuss any tax consequences, in the country outside India, of an investment in the shares of an Indian Company.
3. The above Annexure of special tax benefits is as per the current direct tax laws relevant for the assessment year 2026-27. Several of these benefits are dependent on the Company or its shareholders fulfilling the conditions prescribed under the relevant provisions of the Tax Laws.
4. In respect of non-residents, the tax rates and consequent taxation mentioned above will be further subject to any benefits available under the relevant Double Taxation Avoidance Agreement, if any, entered into between India and the country in which the non-resident has fiscal domicile.
5. A new Section 115BAA has been inserted by the Taxation Laws (Amendment) Act, 2019 ('the Amendment Act, 2019') with effect from Financial Year 2019-20 granting an option to domestic companies to compute corporate tax at a reduced rate of 25.168% (22% plus surcharge of 10% and cess of 4%), provided such companies do not avail specified exemptions/ incentives. The option under section 115BAA of the Act once exercised cannot be subsequently withdrawn for any future financial year. The Amendment Act, 2019 further provides that domestic companies availing such option will not be required to pay Minimum Alternate Tax ('MAT') under Section 115JB. The CBDT has further issued Circular 29/2019 dated October 02, 2019 clarifying that since the MAT provisions under Section 115JB itself would not apply where a domestic Company exercises option of lower tax rate under Section 115BAA, MAT credit would not be available.

In such a case, the Company is not allowed to claim any of the following deductions/ exemptions under the Act: -

- Deduction under the provisions of Section 10AA.
- Deduction under clause (iia) of sub- section (1) of Section 32 (additional depreciation).
- Deduction under section 32AD or Section 33AB or Section 33ABA
- Deduction under section 35AD or Section 35CCC
- Deduction under section 80G

Lower corporate tax rate under Section 115BAA of the Act and Minimum Alternate Tax ('MAT') credit under section 115JAA of the Act which are in general available and hence may not be treated as special tax benefits

6. This Annexure is intended only to provide general information to the investors and is neither designed nor intended to be a substitute for professional tax advice. In view of the individual nature of tax consequences, each investor is advised to consult his or her tax advisor with respect to specific tax consequences of his/her investment in the shares of the Company.

7. For the purpose of reporting here, we have not considered the general tax benefits available to the Company or shareholders.
8. The above statement covers only certain relevant direct tax law benefits and indirect tax law benefits or benefit.
9. No assurance is given that the revenue authorities/ courts will concur with the views expressed herein. The views are based on the existing provisions of law and its interpretation, which are subject to changes from time to time. We do not assume responsibility to update the views consequent to such changes. We shall not be liable to any claims, liabilities or expenses relating to this assignment except to the extent of fees relating to this assignment, as finally judicially determined to have resulted primarily from bad faith or intentional misconduct. We will not be liable to any other person in respect of this statement.

Neither we nor any other person connected with the issue has independently verified the information provided in this section. Industry sources and publications, referred to in this section, generally state that the information contained therein has been obtained from sources generally believed to be reliable but their accuracy, completeness and underlying assumptions are not guaranteed and their reliability cannot be assured, and, accordingly, investment decisions should not be based on such information.*

*Investors should note that this is only a summary of the industry in which we operate and do not contain all information that should be considered before investing in the Equity Shares. Before deciding to invest in the Equity Shares, prospective investors should read this Draft Red Herring Prospectus, including the information in “Our Business” and “Financial Information” beginning on pages 138 and 198 respectively of this Draft Red Herring Prospectus. An investment in the Equity Shares involves a high degree of risk. For a discussion of certain risks in connection with an investment in the Equity Shares, see “Risk Factors” beginning on page 22 of this Draft Red Herring Prospectus.*

#### **Global Economic Growth – Fragile and Diverging**

Since the last version of the Economic Survey was published, the global economy has been subjected to multiple upheavals. The most disruptive amongst these disturbances was the imposition of tariffs by the USA on imports from its trade partners. The long promised reciprocal tariffs, announced in April 2025, initially sparked concerns about lower growth and higher inflation in the global economy which have proven to be transient in the short run. This was due to multiple reasons. Trade agreements between the US and certain trading partners have considerably lowered the US’s effective tariff rate. According to the IMF’s World Economic Outlook (WEO), October 2025, US households and businesses increased their spending ahead of expected tariff hikes. In some instances, delays in tariff implementation allowed businesses to postpone raising prices and frontload their exports. As a result, global economic activity has remained relatively stable in the short term. This is reflected in the IMF’s projections of growth and inflation for advanced economies (AEs) and emerging market and developing economies (EMDEs) made at various points in time between January 2025 and January 2026. Growth in EMDEs for the year 2025 is eventually higher than the levels projected in April 2025, while that in AEs is projected to be better than initially feared, primarily driven by strong growth in the US. For the year 2025, inflation in AEs is expected to have remained stubbornly higher by 40 basis points compared to initial projections, while that in EMDEs is expected to have declined further.

These aggregated statistics, however, hide emerging frailties in economic activity within and across countries. Growth in the US has remained strong, primarily driven by investment in artificial intelligence (AI). Total IT investment, which also includes spending by businesses on equipment and software to facilitate AI use, has accounted for nearly half of GDP growth in recent quarters, helping to mitigate the negative effects of trade tariffs on growth. This strong growth has been accompanied by inflation remaining stubbornly above the 2 per cent target and a rising unemployment rate. While inflation in Europe is broadly trending towards the European Central Bank’s target, growth in the region’s economies has been mixed. Forecasts by the European Commission indicate that growth rates in Germany, Italy, and France are expected to

remain moderate, while Spain is anticipated to outperform. In Asia, the Chinese economy continues to face deflationary pressures amid headwinds stemming from the crisis in its property sector, indicating tepid domestic demand, even as Chinese merchandise exports remain a key driver of its growth. Growth in the Japanese economy remains moderate, while inflation continues to exceed the Bank of Japan's (BOJ) target of 2 per cent.

Globally, the shift from aggressive monetary policy tightening to a neutral or accommodative stance is still underway. However, the aforementioned variance in growth-inflation dynamics has led to divergent trajectories of central bank policy rates across these economies. This has implications for capital flows as fund houses trot the globe in search of higher yields.

Amidst ongoing weaknesses in growth and inflation, fiscal policies in major economies stay expansionary. While the projected primary deficits for 2025 are generally smaller than the record deficits of 2020 and 2021, when substantial fiscal stimulus was used to address the pandemic impact, they are still significantly higher than pre-pandemic levels, except in Brazil and India. Long-term borrowing costs for the world's biggest economies have stayed elevated as investors question the ability of governments to cover massive budget deficits. These pressures are showing in elevated bond yields across major AEs, particularly in the ultra-long tenure segment. Earlier in May 2025, 30-year bond yields reached a peak of 5.15 per cent in the US, approaching levels last seen in 2007. Those in Japan exceeded the highest on record in data since 1999, with auctions in both countries drawing tepid demand. Long dated bonds in the UK, Germany and Australia also faced selling pressure.

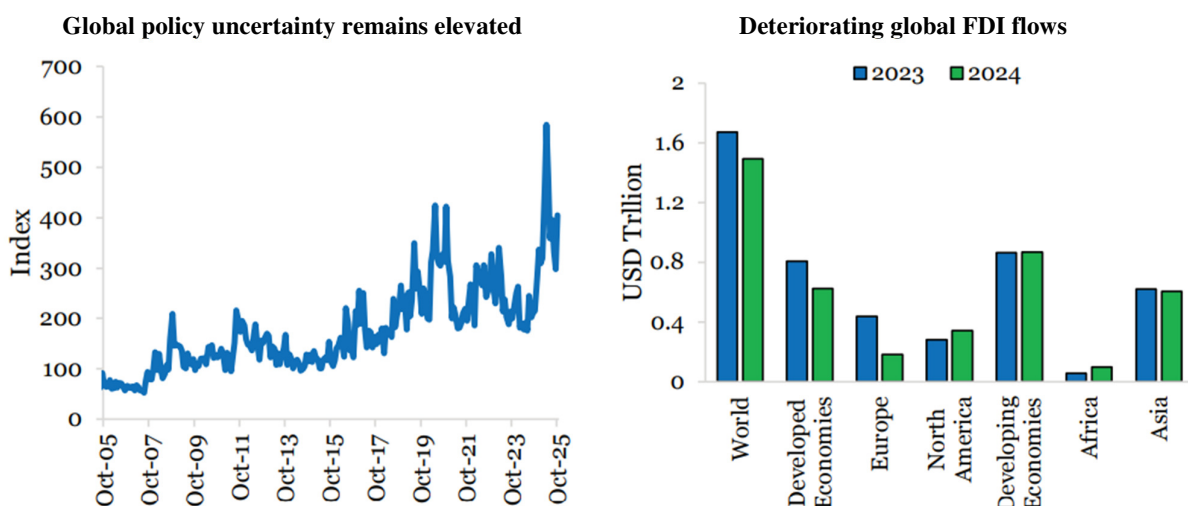

**Primary deficits in major economies are higher than pre-pandemic levels**

**Sovereign 10Y bond yields of major economies remain elevated**

Global economic uncertainty remains elevated compared to historical trends primarily on account of fragmentation in geopolitical relationships and lower visibility on policy continuity. This, coupled with the aforementioned macroeconomic developments, has led to a deterioration in global foreign direct investment (FDI) flows. As per the United Nations Conference on Trade and Development's (UNCTAD) World Investment Report 2025, FDI flows in 2024, barring those in certain conduit economies, declined by 11 per cent YoY. Capital flows are also increasingly being shaped by the surge in demand across the AI supply chain in a few countries. While FDI flows in most developed countries fell, they rose by 19.7 per cent in the US. Among the top 10 highest-value greenfield projects announced in 2024, four were in semiconductor manufacturing, with three of them located in the United States. Data centre development is also expanding rapidly, driven by growing digital demand and strategic industrial policies.

The global economy has entered a phase in which geopolitical considerations exert a much stronger influence than they did in the 2010s. Rapidly evolving country alignments and supply chains, as well as technological developments, necessitate supplementing traditional economic assessments with a geopolitical perspective.

## INDIAN ECONOMY

The Indian economy was in distress at the brink of the country's independence. Being a colony, she was fulfilling the development needs not of herself, but of a foreign land. The state, that should have been responsible for breakthroughs in agriculture and industry, refused to play even a minor role in this regard. On the other hand, during the half century before India's independence, the world was seeing accelerated development and expansion in agriculture and industry - on the behest of an active role being played by the states.

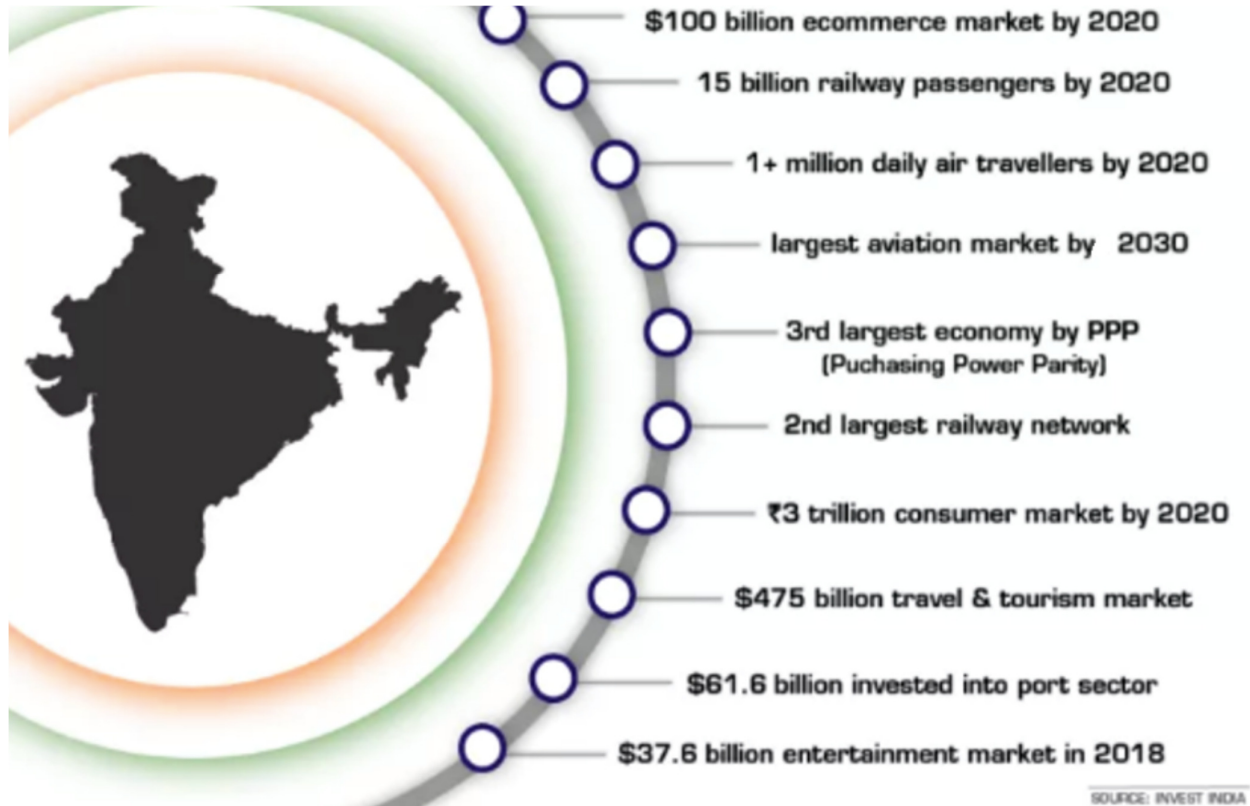

British rulers never made any significant changes for the benefit of the social sector, and this hampered the productive capacity of the economy. During independence, India's literacy was only 17 percent, with a life expectancy of 32.5 years. Therefore, once India became independent, systematic organisation of the economy was a real challenge for the government of that time. The need for delivering growth and development was in huge demand in front of the political leadership - as the country was riding on the promises and vibes of national fervour. Many important and strategic decisions were taken by 1956, which are still shaping India's economic journey.

Today India is ranked the seventh largest economy, and third largest in terms of Purchasing Power Parity (PPP). The Indian economy's GDP is pegged at \$ 2.9 tn. At a press conference, Finance Minister Arun Jaitley commented, *'We keep oscillating between the fifth and the sixth largest economy, depending on the dollar rate. As we look at the years ahead, we will be \$ 5 tn by 2024 and \$ 10 tn by 2030 or 2031.'*

The GDP per capita in India was \$ 1963.55 in 2017. The GDP per Capita in India is equivalent to 16% of the world's average, and averaged \$ 693.96 from 1960 until 2017. It reached an all - time high of \$ 1963.55 in 2017.

As per a recent WEF report titled 'Future of Consumption in Fast-Growth Consumer Market – India', India's market size is pegged to grow at a thriving \$ 6 tn in the coming years.

#### Recent Developments in the Economy of India

Besides these developments and reforms, it is imperative to bear in mind that in order to tap the highest potential of the economy and ensure good governance, an optimal level of synergy is required between the central and state government. This will not only add strength to our cooperative federal structure but will also strengthen India's economy. Initiatives such as –

- Goods and Services Tax (GST)
- Insolvency and Bankruptcy Code (IBC)
- Startup India
- Digital India

These, among others, have helped the Indian economy jump 65 ranks (in the last four years) in the World Bank's Ease of Doing Business Report.

These measures cemented India's reputation as one of the few bright spots in an otherwise grim global economy. India is among the fastest growing major economies, underpinned by a stable macro - economy with declining inflation and improving fiscal and external balances. Not only that, it was also one of the few economies enacting major 'structural reforms', that have positioned India as a competitive player in the international market.

### **Future of Indian Economy**

To make India a \$ 5 tn economy by 2030, and to achieve consistent 8% growth, NITI Aayog has released a comprehensive document titled 'Strategy for New India @75'. Its main objectives are –

1. Doubling farmers' incomes.
2. Creating an all India talent pool for the entire States together - such as the All India Services.
3. Providing a major boost to the 'Make in India' campaign.
4. Achieving 22% tax to GDP ratio by 2023 - up from the current 17%.
5. Achieving 36% of investment rate by 2023 - up from the current 29%.

Guided by unwavering democratic credentials and strong government leadership, India is an emerging superpower with a vibrant economic climate. Under Prime Minister Narendra Modi, India's growth rate in the last quarter has been pegged at 7.7%. And with an ever - expanding middle - class base and youth demographic, the opportunity for business has never been better.

Oil & Gas Blocks Industry Overview:

### **Sustained Government Initiatives in Exploration**

In recent years, the Government of India has undertaken a series of transformative initiatives to boost hydrocarbon exploration across both conventional and frontier basins. Strategic campaigns such as the National Seismic Programme (NSP) have enabled extensive 2D seismic data acquisition in underexplored basins, laying the ground work for more informed bidding and exploration. Complementing this, Mission Anveshan was launched as an infill seismic campaign to sharpen subsurface imaging and fill critical data gaps. A major game changer has been the opening up of previously restricted No-Go offshore areas, unlocking nearly 99% of India's Exclusive Economic Zone (EEZ) for E&P activities. To support data-driven exploration, the National Data Repository (NDR) has been a key enabler by providing centralized access to India's geoscientific data. The upcoming launch of NDR 2.0, with improved interface and analytical capabilities, is set to further empower operators and investors. Together, these efforts reflect a coherent national strategy to unlock the full potential of India's sedimentary basins and attract sustained investment in exploration.

### **India's Sedimentary Basins: Subsurface Insights**

India's sedimentary basins have proven petroleum systems. The country is one of the 171 petroleum provinces independently mapped by U.S. Geological Survey (USGS) in 2012. The basin area occupies 50% of country's onland area and 73% of country's offshore within Exclusive Economic Zone (EEZ). With 26 sedimentary basins mapped and assessed, India has discovered petroleum of 12.0 billion tonnes of oil equivalent and undiscovered risked potential of 12.9 billion tonnes of oil equivalent. While this is an estimate of conventional petroleum occurrence, unconventional petroleum exists in form of coal seam gas, shale plays, tight plays, basement fractures and gas hydrate. Sedimentary basins are divided into three categories mapping conventional resources and following the rationale of Petroleum Resources Management System (PRMS). With the objective for complete appraisal of India's sedimentary basins, Government of India, over the past decade has been implementing various data acquisition campaigns through extensive seismic surveys both onland and offshore. As a result, 79.5% basin area are now appraised for some meaningful subsurface analysis. For more insights of hydrocarbon play systems, four stratigraphic wells are planned for drilling and further, all forms of hydrocarbon resources are now drawn up for re-assessment through expert consultancy. A country-level plan is chalked out to bring out hydrocarbon potential and their maturity in a holistic manner for a realistic assessment of fossil-fuels, to optimally align with the energy transition initiatives.

With a futuristic view, the current version portrays a succinct treatise of India's sedimentary basins in terms of basic geology, brief exploration history, present status and data availability. The sub-chapters are segregated into three clusters

aligned with major geological provinces (East Coast, West Coast and Other Onland basins) focusing on the upcoming Hydrocarbon Resource Assessment Study (HRAS 2025).

### National Seismic Program

India has 26 sedimentary basins covering an area of 3.36 Million SqKm spread over onland, shallow water and deep water. As a base to launch future Exploration and Production (E&P) activities in the country, appraisal of all un-appraised areas by acquiring Geo-scientific data with state-of-the-art technology has been embarked on. The generated data is instrumental in identifying the prospective areas, carving out the blocks in Open Acreage Licensing Policy (OALP) etc.

As a step towards Prime Minister's vision of reducing India's energy imports, Ministry of Petroleum & Natural Gas has launched the Central Sector Scheme christened as 'National Seismic Program' (NSP) and approved by Cabinet Committee of Economic Affairs for appraisal of onland part of Indian sedimentary basins where no/scanty data is available. Appraisal of un-appraised offshore areas up to EEZ and drilling of parametric wells are also being taken up separately.

The NSP project commenced in September 2016 and total ~ 46,960 LKM 2D seismic data acquisition, processing and interpretation (API) thereof have been completed covering Category-I, II and III basins.

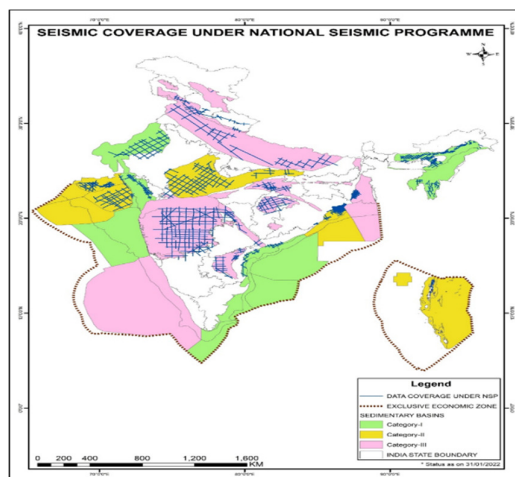

Details of areas taken up under NSP campaign are:

2D Seismic Data Acquisition, Processing and Interpretation	
Category-I	
Assam Shelf & Assam Arakan	5246 LKM
Cambay	1469 LKM
Krishna-Godavari	981 LKM
Rajasthan	2752 LKM
Category-II	
Andaman	264 LKM
Kutch	1809 LKM
Mahanadi	2481 LKM
Saurashtra	2306 LKM
Vindhyan	5373 LKM
Category-III	
Himalayan Foreland	1564 LKM
Ganga-Punjab	3858 LKM
Bengal	911 LKM

## 2D Seismic Data Acquisition, Processing and Interpretation

Satpura-South Rewa- Damodar	1124 LKM
Narmada	1618 LKM
Deccan Synclise	10436 LKM
Bhima	612 LKM
Kaladgi	257 LKM
Cudappah	1387 LKM
Pranhita-Godavari	735 LKM
Chhattisgarh	1778 LKM

The data generated under NSP campaign using long spreads (12 to 18 Km) and state-of-the-art technology has enabled in ascertaining presence of sub-trappean Mesozoic sediments in some of the areas. The NSP data has provided significant leads towards the extension of existing producing basins as the information about the tectonics framework has improved.

So far, 11 blocks have been awarded from areas appraised under NSP (7 in Rajasthan basin, 2 in Mahanadi basin and 2 in Assam Shelf).

The interested Exploration and Production stakeholders can view geo-scientific data from anywhere in the world and firm up an opinion regarding prospectivity of the blocks prior to bidding for the block. Further details of NSP data can be accessed through the National Data Repository website <https://www.ndrdgh.gov.in/NDR/>.

Exploration and Development of Oil & Gas Blocks in India under the Hydrocarbon Exploration & Licensing 2 & Licensing Policy (HELP) Open Acreage Licensing Policy (OALP) Bid Round X

### Announcement

(i) With the objective to augment domestic production of Petroleum, the Government of India (“Government”) announces the offer of total twenty five (25) Oil and Gas blocks under the Hydrocarbon Exploration and Licensing Policy (“HELP”) through International Competitive Bidding (“ICB”) for Petroleum Operations that have been identified pursuant to the

Expressions of Interest received under the Open Acreage Licensing Programme in the EoI window-XVI (20 Blocks) 1st April 2023 to 31st July 2023, EoI window-XVII (05 Blocks) 1st August 2023 to 30th November 2023.

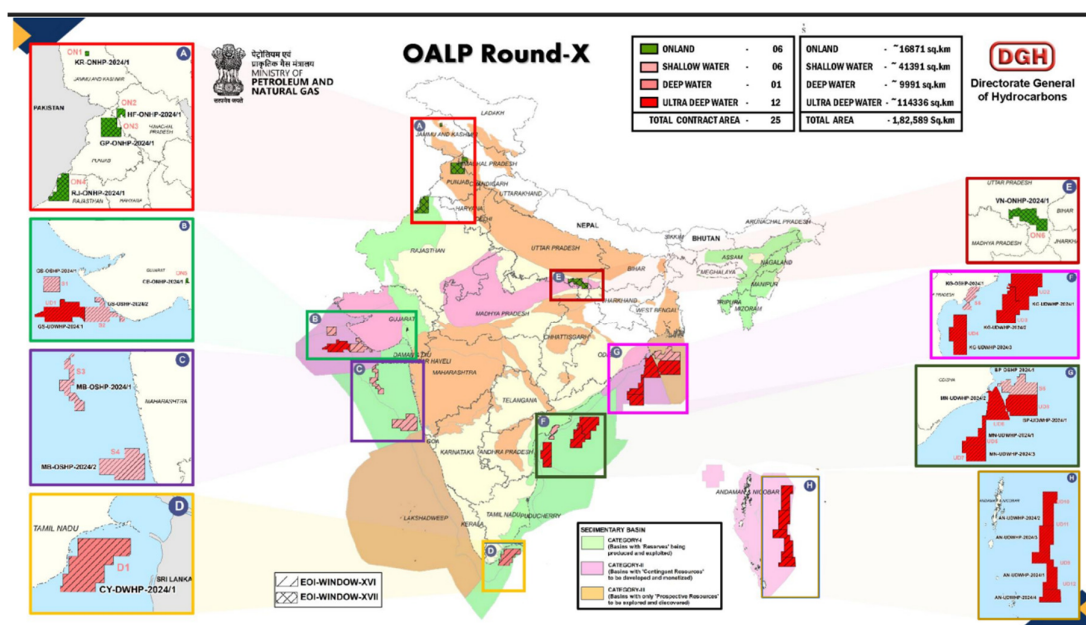

(ii) Companies are invited to bid for the exploration, development, and monetization of twentyfive (25) Oil and Gas blocks likely to contain both conventional and/or unconventional hydrocarbon resources, distributed in the sedimentary basins of India. A total of six (06) Onland Blocks, six (06) Shallow Water Blocks, one (01) Deep water Block and twelve (12) Ultra Deep water Blocks are on offer.

(iii) Eligible companies, either alone or in a consortium of unincorporated or incorporated joint ventures, may bid for one or more blocks. Any Company(ies) either singly or in consortium can put in only one (1) bid either as an Operator or Non-operator for one (1) particular block. Requisite qualifying technical and financial criteria are mentioned in Para 4 of this document. The bidders are required to fulfil requisite Net Worth criteria commensurate to the value of their bid for the Committed Work Programme as specified, at the time of bidding. Bids would be evaluated on the basis of Bid Evaluation Criteria (BEC) specified for Category-I, Category II & III basins blocks under Para 6 of this document.

(iv) The bids are to be submitted through the e-Bidding Portal (<https://ebidding.dghindia.gov.in>) set up for this purpose. Detailed instructions regarding the use of the e-Bidding Portal are provided in the portal. Bidders are requested to familiarize themselves with the e-Bidding Portal and the tutorial provided there prior to preparation and submission of their bids.

**Initiatives adopted by DGH to elevate EODB in the Hydrocarbon sector**

In line with the liberalized economic policy adopted by the GoI in July 1991, which aimed to deregulate and de-license key sectors, including petroleum, significant structural reforms were introduced to enhance private sector participation. It became imperative to establish an independent body to administer and regulate their operations in alignment with national interests.

The Directorate General of Hydrocarbons (DGH) was formally established on April 8, 1993, through Government of India Resolution No. 0-20013/2/92/ONG-III, under the administrative control of the MoPNG. DGH has been entrusted with a broad spectrum of responsibilities, including the implementation of the NELP, administration of PSCs for discovered fields and exploration blocks, facilitation of investment in the E&P sector, and rigorous monitoring of upstream activities, including reservoir performance reviews of producing fields. Additionally, DGH plays a pivotal role in expanding exploration into unexplored areas and fostering the development of non-conventional hydrocarbon resources such as CBM, gas hydrates, and oil shales, which are essential for India's long term energy security.

As a key regulatory authority, DGH has remained at the forefront of addressing stakeholder concerns and implementing strategic initiatives to enhance EoDB in the hydrocarbon sector. A summary of the initiatives are provided below: Multiple internal orders have been issued with an aim to simply and standardize existing processes under various contractual regimes, including:

- Simplification of processes related to work programme and budget proposals for E&P contracts (order dated 15 July 2024)
- Re-engineering of Internal SOP for processing of Appraisal Plan or FDP or its revision in CMS for PSC's (order dated 16 July 2024)
- Simplification and standardization of procedures and processes under PSC of Pre-NELP/NELP Blocks. (order dated 12 July 2024)
- Approval process in management of PSCs/RSCs for facilitating Management Committee meeting. (order dated 3 July 2024)
- Issuance of Bank Guarantee (BG) towards unfinished work programme

Significant upgrades have been implemented across online platforms such as the Contract Management System (CMS), focusing on process digitization, system enhancements, e-simplification, and the introduction of standardized forms to facilitate smoother submission.

A major step towards expanding India's exploration footprint is Mission Anveshan, launched in February 2024. The program aims to conduct 20,275 LKM of 2D seismic surveys across seven onshore sedimentary basins to identify new hydrocarbon reserves. By leveraging a collaborative approach between public and private stakeholders and ensuring targeted funding, this initiative is expected to significantly enhance geological understanding.

To complement these efforts, the government has approved the drilling of stratigraphic wells in key offshore basins such as Mahanadi, Bengal, Saurashtra, and the Andamans. This initiative is expected to improve subsurface geological understanding, enhance hydrocarbon prospectivity, and strengthen bidding rounds under the Open Acreage Licensing Policy (OALP).

Recognizing the importance of data accessibility, the National Data Repository (NDR) is undergoing a major transformation into a cloud-based platform, ensuring instant access to seismic, well, and production data.

As part of its academic collaboration, a dedicated data center is being established at the University of Houston, facilitating seamless access to India's hydrocarbon data for international investors.

DGH is also in the process of implementing an Integrated Management System (IMS) to streamline stakeholder engagement and improve business efficiency across all contractual regimes. IMS will enable centralized data management and provide a unified view of all regulatory interactions. Equipped with digital dashBoarding, artificial intelligence (AI), and machine learning (ML) capabilities, IMS will deliver intelligent insights to enhance decision-making and operational oversight.

The Hydrocarbon Efficiency & New Energy (HENE) department of DGH is planning to carry out studies and/or pilot projects in the areas of emissions monitoring, renewable energy integration, and Carbon Capture, Utilization, and Storage (CCUS) and Hydrogen etc.

DGH has also launched DGH UrjaVarta, an annual strategic and technical forum for bringing together industry operators, policymakers, service providers, think tanks, and academia. This platform facilitates knowledge exchange, networking, and collaboration with an aim to maximize India's upstream hydrocarbon potential.

Further, recognizing the need for streamlined environmental clearances, DGH is organizing specialized workshops with relevant stakeholders to address key challenges in obtaining environmental and forest-related approvals.

Through these initiatives, DGH aims to reinforce its commitment to enhance the EODB in India's upstream oil and gas sector, drive technological and policy innovation, and ensure a sustainable and investor-friendly hydrocarbon ecosystem.

## Thematic Areas for UrjaVarta 2025

(Source: <https://www.urjavarta-dgh.org/home/conclavebrief>)

### Importance of Oil Exploration and Production

As per the report of Energy Institute Statistical Review of World Energy, 2024, India is the world third-largest energy consumer. Further, India's energy consumption is increasing continuously, due to sustained economic growth over the last few years, through industrialisation, urbanisation, transportation needs, infrastructure development, rising income, improved standard of living, increased access to modern energy coupled with increase in private consumption and gross fixed capital formation, etc. resulting in increasing import of Crude Oil. Currently, about ~13% of oil and ~53% of gas are domestically produced by E&P companies. Exploration and Production (E&P) contributes to reducing the country's dependence on imported oil and gas through various mechanisms. Production of crude oil has been 29.36 MMT during 2023-24 and 14.4 MMT (provisionally) during the current year 2024-25. As per International Energy Agency, projected demand of oil and petrol in India, by 2030, would be 6.6 mb/d (million barrel per day) and 1.0 mb/d respectively.

Government has been taking various steps to boost domestic oil and gas production and accelerate the pace of exploration activities which, inter-alia, include:

- i. Policy under PSC regime for early monetization of hydrocarbon discoveries, 2014.
- ii. Discovered Small Field Policy, 2015.
- iii. Hydrocarbon Exploration and Licensing Policy (HELP), 2016.
- iv. Policy for Extension of PSCs, 2016 and 2017.
- v. Policy for early monetization of Coal Bed Methane, 2017.
- vi. Setting up of National Data Repository, 2017.
- vii. Appraisal of Un-appraised areas in Sedimentary Basins under National Seismic Programme, 2017.
- viii. Policy framework for extension of PSCs for Discovered Fields and Exploration Blocks under Pre-New Exploration Licensing Policy (Pre-NELP), 2016 and 2017.
- ix. Policy to Promote and Incentivize Enhanced Recovery Methods for Oil and Gas, 2018.
- x. Policy Framework for exploration and exploitation of Unconventional Hydrocarbons under Existing Production Sharing Contracts (PSCs), Coal Bed Methane (CBM) Contracts and Nomination Fields, 2018.
- xi. Natural Gas Marketing Reforms, 2020.

xii. Lower Royalty Rates, Zero Revenue Share (till Windfall Gain) and no drilling commitment in Phase-I in OALP Blocks under Category II and III basins to attract bidders.

xiii. Release of about 1 Million Sq. Km. (SKM) 'No-Go' area in offshore which were blocked for exploration for decades.

xiv. Government is also spending about Rs.7500 Cr. for acquisition of seismic data in onland and offshore areas and drilling of stratigraphic wells to make quality data of Indian Sedimentary Basins available to bidders. Government has approved acquisition of additional 2D Seismic data of 20,000 LKM in onland and 30,000 LKM in offshore beyond Exclusive Economic Zone (EEZ) of India.

Shri Dharmendra Pradhan, Hon'ble Minister of Petroleum & Natural Gas and Steel, inaugurated the seismic survey campaign of Oil India Limited (OIL), India's second largest National Exploration & Production Company, at Kakatpur in Puri District, Odisha in the Mahanadi Basin (Onland).

Speaking on the occasion, Minister Pradhan said, "It is a matter of great personal pride for me. OALP is not a mere policy anymore but is something which is translating into reality on ground. Activities under OALP are gaining steam and garnering immense interest from the industry. We recently signed contract for E&P blocks awarded under OALP bid round-V. Today's inauguration is an important chapter in the activities around OALP. This will be a major milestone in establishing Mahanadi as a hub of E&P operations and building hydrocarbon reserves in line with PM Modi's vision of Aatmanirbhar Bharat. Commercial production of oil and gas from Mahanadi basin will be a game changer in the socio-economic development of Odisha."

"Oil and gas activities started in 1980s in Odisha. With new approach, state-of-the-art technology and Mahaprabhu Jagannath's blessings, we are confident that we will get success in the seismic campaign launched today in Odisha", he further added.

Government of India since 2014 has launched a number of policy reforms in hydrocarbon E&P sector, chief among them being Open Acreage Licensing Policy (OALP). The Government also is implementing the National Seismic Programme (NSP) for appraising unappraised areas of Indian sedimentary basins. Seismic data acquired under NSP in the state of Odisha led to offer of five blocks by DGH and OIL won all the five blocks for hydrocarbon exploration under OALP-II and III rounds.

OIL plans to acquire, process and interpret 1502 LKM of 2D seismic data and 1670 Sq Km of 3D seismic data in the five blocks. Interpretation of the data is envisaged to lead to an extensive exploratory drilling campaign, in quest of establishing hydrocarbon reserves in line with the vision of Hon'ble Prime Minister of Atmanirbhar Bharat. The total envisaged expenditure on the entire exploration campaign in the five blocks in Mahanadi Basin (Onshore) is Rs. 1248.00 Crores of which Rs. 220.00 Crores is for Seismic survey. The blocks are spread in eleven districts of Odisha namely Puri, Khurda, Cuttack, Jagatsingpur, Kendrapara, Dhenkanal, Jajpur, Bhadrak, Baleshore, Maurbhanj and Keonjhar.

The Minister outlined India's renewed momentum to explore and drill for hydrocarbons by opening 2.5 lakh sq km under OALP Round-10. "With this major step and being close to discovering a Guyana-scale oilfield in the Andaman Sea, India is undertaking one of the most ambitious efforts to expand hydrocarbon exploration under the dynamic leadership of Prime Minister Shri Narendra Modi Ji. Our aim is to increase exploration acreage to 0.5 million sq km by 2025 and 1.0 million sq km by 2030," he noted.

This vision is supported by key policy reforms, including shifting from a Production Sharing Contract regime to a Revenue Sharing Model under HELP, and amendments to the ORD Act 1948 to improve lease management, safety and dispute resolution, while integrating renewable energy into hydrocarbon projects. Additionally, reducing 'No-Go' areas by 99% has freed over 1 million sq km for exploration, strengthened by national data acquisition initiatives such as the National Seismic Program, Andaman Offshore Project, Mission Anveshan and the Extended Continental Shelf Survey.

As the world's third-largest energy consumer with demand of around 5.4 million barrels per day, Shri Puri described India as both a structural growth engine and a long-term stabilizer of global oil markets. "India will contribute nearly 25% of the incremental global energy demand growth in the coming years," he stated. Speaking on India's comprehensive approach to navigating the volatile global energy landscape, he emphasized diversification of crude import sources from 27 to 40 countries, enhancing domestic production, developing alternative fuels, transitioning towards a gas-based economy, and

aiming to become a global refining hub by increasing refining capacity to 310 MMTPA by 2028 and expanding petrochemical capacity to become a US\$ 300 billion industry by 2030.

Despite global geopolitical challenges, Shri Puri noted that India successfully balanced energy availability, affordability and sustainability — becoming the only major economy to reduce fuel prices even as global oil prices surged. “We aim to achieve energy independence by 2047 and Net Zero emissions by 2070,” he affirmed.

The Minister also highlighted the importance of biofuels, mentioning the Global Biofuels Alliance which now has over 29 countries and 14 international organisations working together to scale up sustainable biofuels. Domestically, India is accelerating the use of ethanol, compressed biogas (CBG), biodiesel and sustainable aviation fuel (SAF) as part of its decarbonization roadmap. “India firmly believes the global energy transition must be just, inclusive and equitable. For 1.4 billion Indians, and billions more across the Global South, it must also ensure development with dignity,” he said.

### **Government initiatives to increase Hydrocarbon Production**

The government has been taking various steps to increase hydrocarbon production which inter-alia include:

- i. Policy for Relaxations, Extensions and Clarifications under Production Sharing Contract (PSC) regime for early monetization of hydrocarbon discoveries, 2014.
- ii. Discovered Small Field Policy, 2015.
- iii. Hydrocarbon Exploration and Licensing Policy (HELP), 2016.
- iv. Policy for Extension of Production Sharing Contracts, 2016 and 2017.
- v. Policy for early monetization of Coal Bed Methane 2017
- vi. Setting up of National Data Repository, 2017. Further, the National Data Repository (NDR) is now being further upgraded to a cloud-based system for seamless dissemination of Exploration & Production data to global investors.
- vii. Appraisal of Un-appraised areas in Sedimentary Basins under National Seismic Programme, 2017;
- viii. Re-assessment of Hydrocarbon Resources, 2017.
- ix. Policy framework to streamline the working of Production Sharing Contracts in Pre- NELP and NELP Blocks, 2018.
- x. Policy framework for extension of Production Sharing Contracts for Discovered Fields and Exploration Blocks under Pre-New Exploration Licensing Policy (Pre-NELP), 2016 and 2017.
- xi. Policy to Promote and Incentivize Enhanced Recovery Methods for Oil and Gas, 2018.
- xii. Policy framework for exploration and exploitation of Coal Bed Methane (CBM) from areas under Coal Mining Lease allotted to Coal India Limited (CIL) and its subsidiaries, 2018.
- xiii. Policy Framework for exploration and exploitation of Unconventional Hydrocarbons under Existing Production Sharing Contracts (PSCs), Coal Bed Methane (CBM) Contracts and Nomination Fields, 2018.
- xiv. Reforms in Hydrocarbon Exploration and Licensing Policy for enhancing domestic exploration and production of oil and gas, 2019.
- xv. Natural Gas Marketing Reforms, 2020.
- xvi. Reforms in Model Revenue Sharing Contracts (RSCs) for Blocks under Open Acreage Licensing Programme (OALP), 2023.
- xvii. Lower Royalty Rates, Zero Revenue Share (till Windfall Gain) and no drilling commitment in Phase-I in OALP Blocks under Category II and III to attract bidders.
- xviii. Release of about 1 Million Sq. Km. ‘No-Go’ area in offshore which were blocked for exploration for decades. In these erstwhile ‘No-Go’ area, after the release now, so far bids/ expression of interests received for 1,52,325 Sq. Km. area. Two gas discoveries have also been made by ONGC in Mahanadi offshore recently in a block having 94% area in ‘No-Go’ area. Andaman offshore area has also been opened for exploration and production activities after a long time post removal of restrictions imposed by defence and space agencies in 2022.
- xix. Till now, 12 hydrocarbon discoveries have been made in blocks awarded under OALP, one already producing gas (0.44 MMSCMD) and condensate (819 BBL/Day) in Gujarat while other discoveries are under appraisal.
- xx. Government is spending about Rs.7500 Cr. for acquisition of seismic data in onland and offshore areas and drilling of stratigraphic wells to make quality data of Indian Sedimentary Basins available to bidders.
- xxi. Government has also approved acquisition of additional 2D Seismic data of 20,000 LKM in onland and 30,000 LKM in offshore beyond Exclusive Economic Zone (EEZ) of India.
- xxii. Production of Coal Bed Methane (CBM) has reached 2 Million Standard Cubic Meters per day and will increase further in coming years. More blocks are being identified for offer in future bid rounds.
- xxiii. Cumulative production from Discovered Small Fields (DSF) till FY 2023-24 are ~5,56,000 bbl Oil and ~139 MMSCM Gas. More fields are being planned for offer in future rounds.

Various steps have been taken to reduce import of crude oil. These inter alia include demand substitution by promoting usage of natural gas as fuel/feedstock across the country towards increasing the share of natural gas in economy and moving towards gas based economy, promotion of renewable and alternate fuels like ethanol, second generation ethanol,

compressed bio gas and biodiesel, refinery process improvements, promoting energy efficiency and conservation, efforts for increasing production of oil and natural gas through various policies initiatives, etc. To give a major thrust to Ethanol Blending Programme, Government of India through Oil Marketing Companies (OMCs) is establishing 2G Ethanol plants across the country. Also, for promoting the use of Compressed Bio Gas (CBG) as automotive fuel, Sustainable Alternative Towards Affordable Transportation (SATAT) initiative has been launched.

## Coal & Lignite Resource

According to the National Coal Inventory of 2025, published by Geological Survey of India based on resources estimated by CMPDI, GSI, MECL, SCCL, and some private/public entrepreneurs, a maximum depth of up to 1200m.; the total estimated coal reserve (resource) of India is **400.715 billion tonnes as of 01.04.2025**.

With Continuous exploration efforts in 64 coal fields (45 Gondwana & 19 Tertiary Coalfields) and 15 lignite fields have resulted in substantial augmentation of the geological resources of coal and lignite. As 1<sup>st</sup> April'2025 total updated geological coal and lignite resources of the country stand at **400.715 billion tonnes and 47.37 billion tonnes** respectively.

Coal Resources in Billion Tonnes

## PROMOTIONAL AND DETAILED EXPLORATION

### Promotional Exploration

Mineral Exploration Corporation Limited (MECL), State Governments and Central Mine Planning and Design Institute (CMPDI) and other contractual agencies of CMPDI conducted Promotional Exploration under the Ministry of Coal's Plan scheme of "Promotional Exploration for Coal & Lignite". During 2023-24, a total of 1.743 lakh meters. of Promotional (Regional) drilling in 29 blocks was carried out in Coal and Lignite by CMPDI with a growth of about 127% over previous years.

### Detailed Drilling in Non-CIL Blocks

CMPDI carries out Detailed Exploration in CIL and Non-CIL blocks as per strict timelines to bring resources falling in indicated and inferred category into the Measured (Proved) category. The exploratory drilling in non-CIL/captive Mining blocks is taken up under the Ministry of Coal's Plan scheme of "Detailed Drilling in Non-CIL Blocks". In 2023-24, a total of 2.547 lakh meters drilling was achieved by CMPDI and its contractual agencies. Out of which, the departmental drills of CMPDI carried out 0.983 lakh meters of exploratory drilling whereas 1.565 lakh meters was achieved through outsourcing drilling. In Non-CIL blocks the achievement is 127%

### Drilling Performance in 2023-24

CMPDI deployed its departmental resources for detailed exploration of CIL, Non-CIL, Promotional, and Consultancy blocks. Under MoU with CMPDI, MECL deployed its resources in CIL, Non-CIL, Promotional, NMET funded, and Captive blocks. DGM (Nagaland), DGM (Assam), deployed their departmental resources in Promotional exploration. DGM (Assam), DGM (Arunachal Pradesh), DMR (Meghalaya) participated in exploration in Non CIL/ Promotional blocks through their outsourced agencies. Besides, six contractual agencies also deployed resources for detailed drilling/exploration in CIL, Non-CIL, Promotional & NMET blocks. A total of 120 to 140 drills were deployed in 2023-24 out of which 67 were departmental drills.

### **Geological Reports**

In 2023-24, 31 Geological Reports were prepared based on detailed/ regional exploration conducted in previous years. About 12 billion tonnes of coal resources are expected to be added to the Measured Category through Detailed Exploration covering an area of about 340 sq km through 19 Geological Reports. While, about 11 billion tonnes of new coal resources (in Indicated and Inferred categories) are expected to be added Promotional (Regional) Exploration covering an area of about 261 sq km through 12 Geological Reports. CMPDI expanded its exploration scope with 2 Geological Reports submitted for Bauxite Regional Exploration, potentially adding about 16.093 million tonnes of Aluminum Laterite and about 9.285 million tonnes of Bauxite resources to the national inventory. Overall, during Jan'23 – Mar'24, CMPDI submitted 33 Geological Reports of Detailed Exploration in CIL/ Non-CIL/Consultancy blocks, covering an area of about 510 sq km and with proved resource of about 18.5 billion tonnes, 12 Geological Reports of Promotional (Regional) Exploration covering an area of about 261 sq km with about 11 billion tonnes of new coal resources (in Indicated and Inferred categories) and with 2 Geological Reports submitted for Bauxite Regional Exploration, added about 16.093 million tonnes of Aluminum Laterite and about 9.285 million tonnes of Bauxite resources to the national inventory.

### **Geophysical Studies**

(a) 2D/3D Seismic Survey During 2023-24, CMPDI achieved 234.57 line km of 2D/3D seismic survey. Out of 234.57 line km of 2D/3D seismic survey, about 205 line km of survey was carried out departmentally against the target of 190 line km and additionally 29.57 line km of 2D/3D seismic survey was also carried out through outsourced resources. Overall, during the period between Jan'2023 to Mar'2024, CMPDI carried out 403.00 line km of 2D/3D seismic survey, out of which 298.23 line km through departmental & 104.77 Line KM through outsourcing has been carried out.

(b) Other Geophysical work During the year 2023-24, a total of 4.852 lakh meters of geophysical logging has been carried out in CIL and Non-CIL projects with multi-parametric geophysical logging equipment. Out of this, 1.719 lakh meters of geophysical logging was done by 6 departmental geophysical logging units and 3.133 lakh meters of logging was carried out by contractual agencies. About 40.66 line km, 40.99 line km & 152 stations of Magnetic survey, Resistivity Survey and Gravity survey respectively were carried out departmentally without outsourcing. Overall Geophysical surveys during Jan'2023 to Mar'2024 are as follows:

- 1) Geophysical Logging: 2.84 Lakh meters (Departmental) & 3.21 Lakh meters (Outsourced)
- 2) Magnetic Survey: 77.06 Line Km (Only departmental)
- 3) Resistivity Survey: 83.506 Line Km (Only departmental)
- 4) Gravity Survey: 365 stations (Only departmental)

### **Earthquake Safety Overview:**

#### **Government's Proactive Measures for Earthquake Safety**

##### **Summary**

- 59% of India is prone to earthquakes.
- India recorded 159 earthquakes from November 2024 to February 2025, with the latest being a magnitude 4.0 in Delhi on 17th February, raising concerns.
- The Disaster Management Act of 2005 led to the formation of NDMA (National Disaster Management Authority), NDRF (National Disaster Response Force) and SDMA's (State Disaster Management Authorities) for efficient disaster response.
- Seismic observatories increased from 80 in 2014 to 168 by February 2025.
- The BhooKamp app was launched for real-time earthquake updates.
- NDMA's Earthquake Risk Indexing (EDRI) project assesses earthquake risks in 50 cities, with plans to cover 16 more cities.

## Introduction

India has experienced several earthquake tremors this past year, highlighting the need for better disaster preparedness. Earthquakes occur when stress builds up in the Earth's crust. The crust is made of large plates that slowly move and these movements cause earthquakes. When an earthquake hits a populated area, it can cause significant damage. **Approximately 59% of India is vulnerable to earthquakes**, and the Bureau of Indian Standards (BIS) has classified the country into four seismic zones based on earthquake risk. Zone V is the most active, including regions like the Himalayas, while Zone II is the least affected. Over the years, India has experienced several devastating earthquakes.

## Major Earthquakes in India

The 1905 Kangra and 2001 Bhuj earthquakes are among the most catastrophic in India's history. The magnitude 8.0 Kangra earthquake struck Himachal Pradesh, claiming 19,800 lives. In 2001, the magnitude 7.9 Bhuj earthquake followed, claiming 12,932 lives and devastating 890 villages. More recently, on 17th February 2025, a magnitude 4.0 earthquake struck Delhi. India recorded 159 earthquakes from November 2024 to February 2025, raising concerns about the country's future preparedness.

## Government Initiatives for Earthquake Safety

To enhance earthquake safety, the government has launched several initiatives:

❖ **Increase in Seismic Observatories:** The number of seismic observatories increased from 80 in 2014 to 168 by February 2025

❖ **Special Program:** NDMA aired an earthquake discussion program called "Aapda Ka Samna" on Doordarshan TV in March 2025.

❖ **10-Point Agenda:** Prime Minister Narendra Modi proposed a 10-point agenda in 2016 for disaster risk reduction, which aligns with Vision Document 2047 for a disaster-resilient India.

❖ **Retrofitting of Buildings:** Approximately 59% of India's land area is earthquake-prone, prompting strict enforcement of building code compliance.

❖ **Himalayan Region Earthquake Preparedness:** The Himalayan region received special attention with the implementation of early warning systems and a well-defined disaster response framework.

❖ **Simplified Earthquake Safety Guidelines:** In 2021, earthquake safety guidelines were simplified to ensure better infrastructure safety under the Building Code of India.

❖ **Risk Transfer Mechanism and Infrastructure Insurance:** A system has been established to assess earthquake-induced damage and ensure insurance coverage for affected infrastructure.

❖ **Launch of Bhookamp App:** Bhookamp is a mobile app of National Center for Seismology (NCS), Ministry of Earth Sciences (MoES), Government of India; which provides real-time earthquake information to the users.

In addition to these efforts, the Government of India has been actively providing Humanitarian Assistance and Disaster Relief (HADR) support to countries affected by natural calamities. Upholding the spirit of 'Vasudhaiva Kutumbakam,' India swiftly extended aid to Türkiye and Syria after the devastating earthquake in February 2023 by deploying NDRF teams, medical personnel and essential relief supplies.

### Key Government Agencies for Earthquake Preparedness and Response

Several key agencies play a crucial role in earthquake risk reduction and response in India. These organizations work together to monitor seismic activity, develop disaster management policies and ensure effective response during emergencies.

**National Disaster Response Force (NDRF):** The National Disaster Response Force (NDRF) was formed under the Disaster Management Act of 2005. Its purpose is to provide specialized response to natural and man-made disasters. The NDRF was first established in 2006 with 8 Battalions. Today, it has expanded to **16 Battalions, each with 1,149 personnel**.

**National Centre for Seismology (NCS):** India's earthquake monitoring began in 1898 with the establishment of the first seismological observatory in Alipore (Calcutta). Today, the National Seismological Network monitors earthquake activity across the country. The collected data is shared with national and state authorities using advanced technology. The system also conducts research on developing earthquake early warning systems.

**National Disaster Management Authority (NDMA):** The Disaster Management Act was passed on 23rd December 2005, leading to the creation of the National Disaster Management Authority (NDMA), which is headed by the Prime Minister. Each state also has its own State Disaster Management Authority (SDMA), led by the Chief Minister. While NDMA is responsible for setting disaster management policies, the SDMAs are in charge of creating and implementing disaster plans, including those for earthquakes.

**National Institute of Disaster Management (NIDM):** It began as the National Centre for Disaster Management (NCDM) in 1995. In 2005, it was renamed the National Institute of Disaster Management (NIDM) to focus on training and building skills. Under the Disaster Management Act of 2005, NIDM is responsible for developing human resources, providing training, conducting research, and promoting policies related to disaster management.

### **Key Earthquake Safety Measures and Research Initiatives**

To enhance earthquake resilience, various safety guidelines, early warning systems and risk assessments are being implemented. These initiatives focus on providing safety information, monitoring risks and preparing for future earthquake hazards.

1. **Guidelines for Earthquake Safety:** The Home Owner's Guide (2019) helps homeowners build safe and disaster-resilient homes that meet safety standards. The Simplified Guidelines (2021) offer earthquake safety tips for those constructing new homes or buying flats in multi-storey buildings.
2. **Earthquake Early Warning (EEW):** Research on an early warning system is underway in the Himalayan region. NCS records earthquakes of certain magnitudes across India and shares the data publicly on their website.
3. **Earthquake Risk Indexing (EDRI):** NDMA's EDRI project assesses earthquake risks in Indian cities. It evaluates hazard, vulnerability, and exposure to guide mitigation efforts. Phase I covered 50 cities, and Phase II targets 16 more.

### **Conclusion**

India is actively working to strengthen its earthquake preparedness through key policies, safety guidelines, and the development of early warning systems. Government agencies, along with public awareness campaigns, play a vital role in educating citizens and reducing risks. Ongoing efforts to improve infrastructure are crucial to ensuring safety during future earthquakes. However, citizens must also stay informed and follow safety tips to protect themselves. When people are prepared and aware, it can significantly reduce damage and help save lives.

### **National Center for Seismology**

National Center for Seismology (NCS) is the nodal agency of the Government of India for monitoring earthquake activity in the country. NCS maintains the National Seismological Network of more than 160 stations each having state of art equipment and spreading all across the country. NCS monitors earthquake activity all across the country through its 24x7 around-the-clock monitoring center. NCS also monitors earthquake swarm and aftershock by deploying a temporary observatory close to the affected region.

Apart from earthquake monitoring, NCS is also actively involved in Seismic Hazard Microzonation and seismological research. The major activities currently being pursued by the NCS are:

1. Earthquake monitoring on a 24X7 basis.
2. Operation and maintenance of national seismological network comprising of 160 Stations.
3. Maintenance of Seismological data center and information services.
4. Seismic hazard microzonation related studies.
5. Aftershock/Earthquake swarm monitoring/survey.
6. Understanding of Earthquake processes.
7. Public outreach.

### **Monitoring Background:**

The history of instrumental earthquake monitoring in India dates back to 1898 when the first seismological observatory of the country was established at Alipore (Calcutta) on 1 December 1898 after the great Shillong plateau earthquake of 1897. The occurrence of devastating earthquakes such as the 1905 Kangra earthquake, 1934 Nepal-Bihar, Assam, and many other strong earthquakes, necessitated strengthening the national seismological network progressively from a paltry 6 in 1940 to 8 in 1950, 15 in 1960, and 18 in 1970. The early 1960s marked a very important landmark in the history of seismic monitoring when the WWSSN (World Wide Standardized Seismic Network) stations started functioning globally.

(Source: <https://seismo.gov.in/about-national-center-seismology>)

## High-Risk Seismic Categorization of the Himalayan Region

As per the updated seismic zonation map of India, the entire Himalayan arc falls within the highest seismic risk category, Seismic Zone VI, reflecting its extremely high tectonic activity and vulnerability to strong earthquakes. Only a small portion of the Ladakh region in the north-eastern corner falls under Seismic Zone V, which is the second-highest seismic hazard category.

In view of the high-risk seismic categorisation of the Himalayan region, the Government has undertaken several focused initiatives to strengthen earthquake monitoring, hazard assessment, and preparedness. These measures include the expansion and upgradation of the seismic monitoring network across Himalayas, the conduct of detailed regional seismic hazard assessments, enhancement of strong-motion instrumentation, and improvement of data acquisition systems to enable precise detection and analysis of seismic events. In addition, various scientific studies relating to site response, fault mapping, and regional source characterisation have been carried out to support disaster risk reduction efforts and facilitate informed planning and development in the Himalayan region. Seismic Microzonation studies conducted by NCS for selected cities, help to identify differential ground-shaking characteristics at the local level, thereby assisting in safe land-use planning, infrastructure design, and mitigation strategies.

The National Centre for Seismology (NCS) is making steady and systematic progress toward establishing an operational Earthquake Early Warning (EEW) system in India. A real-time seismic network dedicated to EEW has been initiated across the Himalayan region, including the installation of 10 P-Alert instruments in the Himachal Himalayas for rapid ground-motion detection. Concurrently, NCS is actively developing and testing prototype EEW algorithms for reliable P-wave detection, rapid magnitude estimation, and early shaking prediction, using regional datasets.

## Historical Data

Oldham was perhaps the earliest to create an earthquake catalogue for India. A list of significant Indian earthquakes up to 1869 was prepared by Oldham (1883). Chandra (1977) compiled 378 events from 1594 to 1975 and prepared an earthquake catalogue for Peninsular India. The historical events in this catalogue were taken from the publications of Oldham (1883), Turner (1911), Milne (1911), Tandon and Choudhary (1968), and Guha *et al.* (1968). Instrumentally located earthquakes listed by IMD and USGS were also included in this catalogue. Quittmeyer and Jacob (1979) prepared a list of Himalayan earthquakes. The catalogue of Bapat *et al.* (1983) lists about 40 earthquakes in India and its neighbouring region prior to 1800 AD. Rao and Rao (1984) reported 295 events in Peninsular India from 1340 AD to 1983. Chandra (1992) compiled 711 events from the Himalayan region for the period 1505-1986. Guha and Basu (1993) prepared a list of earthquakes of magnitude  $\geq 3$  for Peninsular India. Vitanage (1998) reported 58 historical earthquakes for the period AD 1614-1993 in Sri Lanka. Iyengar *et al.* (1999) carried out an intensive search of ancient Indian literature for earthquake related information. They identified 38 damaging events in India in the medieval period. Ambraseys and Jackson (2003) identified seven historical events with estimated magnitudes  $M_w > 7$  in North India and Tibet. Rao (2005) reviewed several earthquake catalogues prepared for the Indian region and identified fifty important events from 1250 BC to 1963 AD. Iyengar and Ghosh (2005) and Raghukanth and Iyengar (2006) developed earthquake database in a region of 300 km radius around Delhi and Mumbai cities. Jaiswal and Sinha (2007) prepared an earthquake catalogue with 640 events for Peninsular India after removing aftershocks. The website (<http://isr.gujarat.gov.in/>) contains a list of earthquakes from earliest time till 2008 for Gujarat and Northeast India. Pakistan Meteorological Department compiled a list of 58 historical events during AD 25-1905 that occurred in Kashmir and in Pakistan. Ambraseys and Bilham (2009) searched historical Persian documents, British and French Consular reports to identify 52 earthquakes in Afghanistan for the period AD 734-2004.

## MAPPING THE SEISMIC HAZARD

### Introduction

Any site gets affected by events occurring within a radius of influence of 300 km (500 km near the Himalayas). Within this circle of influence, normally there will be several faults that can give rise to earthquakes of differing strength. This fact introduces two uncertain factors namely, the seismicity of the individual causative faults and the hypocentral distance to the site which sensitively depends on the geometry and orientation of the faults within the source zones. Similar to the recurrence relation for the source zones, one can ask for the G-R relation or (a, b) value for every fault in a source zone. However, this information is not available since accurate and acceptable slip rates for the faults are unknown. This gap in our knowledge is unlikely to be filled up in the near future even for well marked active faults. Hence, it is important to circumvent this difficulty in a reasonable way even if the arguments were to be heuristic (Iyengar and Ghosh 2004).

### All India PSHA Maps

Probabilistic seismic hazard analysis for PGA, and spectral accelerations corresponding to periods 0.5 and 1.25 seconds has been carried out for all the grid points spread over the Indian land mass. The final results valid for A-type sites are presented as contour maps for return periods 475 (~500), and 2475 (~2500) years. For developing design response spectrum as per the International Building Code IBC-2009, one needs spectral acceleration values at 0.2-second and 1-second periods corresponding to 2500 year return period. These results are shown in Figures 5.12 and 5.13 respectively. The PGA values at 48 important cities in India are also reported in Table 5.4 for two return periods.

## **OUR BUSINESS**

*Some of the information contained in the following discussion, including information with respect to our plans and strategies, contain forward-looking statements that involve risks and uncertainties. You should read the section “Forward-Looking Statements” for a discussion of the risks and uncertainties related to those statements and also the section “Risk Factors” for a discussion of certain factors that may affect our business, financial condition or results of operations. Our actual results may differ materially from those expressed in or implied by these forward looking statements. Our fiscal year ends on March 31 of each year, so all references to a particular fiscal are to the Twelve-month period ended March 31 of that year. In this section, a reference to the “HGSI”, “Company” or “we”, “us” or “our” means HGS (India) Ltd.*

*All financial information included herein is based on our “Financial information of the Company” included on page 198 of this Draft Red Herring Prospectus.*

### **OVERVIEW**

HGS (India) Limited, (HGSI) was established in 1986 in technical and financial collaboration with Geosource Inc USA, to manufacture geophone strings, seismic cables & connectors. When Geosource Inc was bought out by HGS Inc USA, Geosource India Limited changed its name to HGS (India) Ltd.

We are engaged in the business of manufacturing geophones, geophone strings, seismic cables, geophysical connectors, and parts and accessories for geophysical equipment for the seismic industry within the energy and geoscience sectors. Our products are used in the acquisition of seismic data and are integral to recording and transmitting ground vibration signals for the processing, interpretation, and analysis of subsurface geological structures.

Our product portfolio includes Geophone Elements precision-engineered for high-resolution surveys, including ultra-sensitive models for passive monitoring. Alongside these, we manufacture custom-configured Geophone Strings tailored for land and marsh environments. Beyond core sensor technology, our offerings span the full spectrum of seismic accessories. This includes Seismographs & Accelerographs, Seismometers, Seismic System Cables, Panel-mount Connectors, Battery Chargers and equipment like Weight Drops and Pig Tracking Systems. This wide range ensures seamless client compatibility across diverse field operations. We manufacture our products under the brand name “HG” that sets the standard for quality and reliability. Over the years we have also invested in backward integration where we focus on critical component manufacturing with multiple extrusion and cable lines to meet wire and cable requirements and 16 Injection Moulding Machines to manufacture components internally. This vertical integration ensures absolute quality control over every input used in their final assemblies.

We manufacture our products utilizing raw materials like: engineered plastic granules, copper, brass, aluminium and stainless steel and mild steel and special conductors designed to meet the operational and quality standards of our vast product-line. Our products are custom-developed to satisfy specific customer requirements. Our solutions are utilized extensively in Oil & Gas Exploration, Defence Research, Mineral Exploration, Vibration Monitoring, Geophysical Seabed Surveys, Earthquake Seismology, and Applied & Academic Research industries & Institutes. Beyond seismic data acquisition systems, we also manufacture cables and connectors for resistivity meters and radar equipment. As a One Star Export House, we maintain a broad global client base across the United States, Germany, Sweden, Switzerland, Estonia, Slovakia, Netherlands, South Africa, Saudi Arabia, Australia, Spain, United Kingdom, Norway, Ukraine, Brazil, Canada, Indonesia, Denmark, UAE and many other nations. Our primary focus is delivering integrated services to global seismic contractors and major oil companies.

Our manufacturing facility is situated in Manesar, Haryana, utilizing machinery such as: Precision assembly lines, Injection moulding machines for ruggedized casings and other thermoplastic sub-assemblies, Coil winding and magnetizing equipment. The production process is supported by in-house testing facilities capable of environmental stress screening and harmonic distortion analysis. This ensures our sensors withstand extreme temperatures ranging from -40°C to +200°C. We are Recognized as a 100% Export Oriented Unit by NSEZ (Noida Special Economic Zone). Our operations adhere to stringent quality standards that include:

- ISO 9001:2015 certified (Quality Management System issued by TUV SUD)
- Awarded the ZED Gold Certification (“Zero Defect Zero Effect”) by the Ministry of MSME

Thereafter in the year 2015 HGSI established its wholly owned subsidiary HGS Products B.V. in Netherlands to provide comprehensive global sales support.

The initial subscribers to the Company’s Memorandum of Association were the Late Major Brijendra Singh (succeeded by Ms. Cecilia Magareta Singh Ramel), along with Mr. Anil Dass, Mr. Shashi Singh, Mr. N. Rajagopal, Mr. Krishna Pal Singh,

Mr. P. Manoharan, and Mr. Sunil Sharma. The Company is presently led by Promoter and Managing Director Mr. Anil Dass, who brings approximately 40 years of industry experience.

## AWARDS RECEIVED BY OUR COMPANY

We have received numerous prestigious awards in the past that bear testimony to the faith our customers have in us and our ability to successfully serve and meet their requirements. Some of these are listed below:

- Jt. Winner in the category Engineering Products at the "SME Empowering India Awards 2025",
- SME Empowering India Award 2021 for the category Electronics Products and Solutions
- SME Empowering India Awards, 2018 for engineering goods (Presented by National Productivity Council)
- SME Awards 2017 (Presented by Dun and Bradstreet)
- Indian Exporters Excellence Awards 2017 (Presented by ECGC Ltd)

### Notes:

- (1) 'Revenue from Operations' means the Revenue from Operations as appearing in the Restated Consolidated Financial Statements
- (2) 'EBITDA' is calculated as Profit before tax + Depreciation + Interest Expenses
- (3) 'EBITDA Margin' is calculated as EBITDA divided by Revenue from Operations
- (4) 'PAT' is Profit after tax available for owner of the group.
- (5) 'PAT Margin' is calculated as PAT available for owner of the group for the period/year divided by revenue from operations.
- (6) 'Net worth means Equity share capital + Reserves and surplus (including, Securities Premium, General Reserve, Foreign Currency Translation Reserve, Capital Redemption Reserves and surplus in statement of profit and loss and excluding Revaluation Reserve).
- (7) 'Return on Net Worth' is ratio of Profit after Tax and Net Worth.
- (8) 'Return on Capital Employed' is calculated as EBIT divided by capital employed, which is defined as shareholders' equity plus total borrowings {current & non-current}.

## OUR STRENGTHS

### Wide product portfolio catering to various end user industries

Our Company offers a comprehensive range of products for the seismic industry within the energy and geoscience sector. Our core offerings encompass geophones, seismic cables, and connectors essential for high-precision data acquisition. Beyond sensor technology, our portfolio includes accessories and systems such as seismographs, seismometers, magnetometers, and specialized heavy-duty equipment like weight drops and pig tracking systems. By addressing the entire seismic value chain from field data capture and signal transmission to power management, we enable customers to source compatible, integrated equipment from a single platform. This holistic approach significantly improves operational efficiency while reducing procurement complexity. Details of revenue breakup from different product categories in the last three financial years and during stub period ended on September 30, 2025 is as under

Our wide-ranging offerings are deployed across diverse end-user segments, including oil and gas exploration for seismic surveys, civil engineering for structural health monitoring of bridges, dams, and railways, earthquake seismology requiring high-sensitivity sensors for crustal studies, defence research, geothermal exploration and carbon capture and storage and other geoscience applications. This broad market applicability reduces dependence on any single product category or end-user segment and enhances the Company's ability to serve varied customer requirements across different environments. ***Precision engineering expertise with complex product manufacturing capabilities.***

We possess around 40 years of manufacturing experience, inherited from foundational partnerships with a global Company Geosource Inc. (USA). We are equipped with in-house capabilities of developing and manufacturing geophones, geophone strings, seismic cables, geophysical connectors, and parts and accessories for geophysical equipment for the seismic industry. Our manufacturing activities are characterized by tight dimensional tolerances, consistent material properties, and high levels of assembly accuracy to ensure accurate detection and transmission of subsurface vibration signals, capital investment, dependence on instrumentation, software, and skilled manpower allow us to consistently provide quality products. Our core manufacturing capabilities include Precision Geophone Element Assembly, Wire and Cable Extrusion, Injection Moulding (Vertical and Horizontal), Coil Winding and Magnetizing, Automated and manual assembly and testing. We have installed machines with process automation such as Injection moulding machines, Extrusion and cable lines including extruders, stranders, braiders, and winders; and Industrial Printing Systems such as inkjet and laser printers. Further the cables and connectors manufactured by us involve multi-disciplinary engineering across mechanical design, electronics, signal transmission, ruggedized enclosures, and system integration. Our ability to manufacture such a diverse and technically demanding product suite demonstrates depth in precision machining, electrical and electromechanical assembly, and quality control processes.

We have inhouse team of engineers that allows our Company to design and refine seismic sensors and transmission systems to improve sensitivity, frequency response, noise reduction, durability, and signal integrity. This facilitates the development of products capable of delivering high-resolution subsurface data under diverse operating conditions, including extreme temperatures, rugged terrain, and offshore environments. An inhouse technical team enables rapid customization of geophones, cable assemblies, and connectors to meet client-specific technical specifications, thereby enhancing customer satisfaction.

#### ***Long term and well-established relationships with customers***

Our Company has developed long-standing and stable relationships with customers engaged in seismic surveys, exploration activities, and geoscience applications, primarily through consistent product quality, manufacturing reliability, and technical dependability. As a manufacturer of critical seismic equipment including geophones, seismic cables, connectors, and related accessories our products are integral to customers' field operations, where performance failures can directly impact data quality and project outcomes. Our manufacturing processes are aligned with customer's technical requirements, enabling repeat orders for standardized products as well as continued engagement for customized assemblies and specialized equipment. These long-term customer relationships provide the Company with stable order flows, improved production planning visibility, and lower customer acquisition costs. They also act as an entry barrier for competitors, as customers in the seismic equipment segment typically prioritize proven manufacturing partners with established track records, thereby strengthening the Company's competitive position in the seismic products market.

During the Fiscal 2025 we sold our products to 146 domestic & foreign customers out of which we received repeat orders from around 29 customers during the last 3 Fiscal years and Stub period ending September 2025. Set out in the table below is the share of the top 1, top 5 and top 10 customers in our revenue from operations for stub period ended on September 30, 2025 and the Fiscals 2025, 2024 and 2023:

#### ***Focus on Quality Assurance***

Our facility is ISO 9001:2015 certified with Quality Management System issued by TUV SUD. Further, our manufacturing operations emphasize stringent quality assurance standards, and our Company has been awarded the ZED Gold Certification ("Zero Defect Zero Effect") by the Ministry of MSME. Our manufacturing process incorporates specific testing milestones. Finished Geophone Sensors undergo tests such as Resistance, Frequency, Damping, Sensitivity, Distortion, Impedance, to ensure they meet the precise performance within predetermined tolerances. Furthermore, Geophone String assemblies for Land and Marsh applications are subjected to critical "Water Leakage Testing" and "Shaker Testing" prior to final shipment to ensure performance in harsh environments.

Our Company manufactures a wide range of critical assemblies and precision components with close tolerances through its precision machining, assembly, and specialized fabrication facilities, for onward usage by our customers in the energy and natural resources sector. All raw materials procured for manufacturing our products are sourced from trusted vendors and our quality control team applies stringent quality measurements at every manufacturing stage to ensure low rejection rate such that our finished product confirms to the exact requirement of our customers and successfully passes all validations and quality checks. The process begins with the issuance of a Material Receipt Report (MRR). QC Inspectors verify materials against engineering drawings. Dimensional testing is done internally while specialized processes like gold and silver plating thickness and their verification and compositional analysis of raw materials are outsourced to accredited external labs. For plastics, Supplier Certificates of Analysis (COA) are verified against technical data. Additionally, we hold certification from the Department of Legal Metrology (Govt. of Haryana), validating the accuracy of testing weights and calibration instruments.

Furthermore, as our contribution to sustainability, our facility operates a specialized Effluent Treatment Plant (ETP) for water recovery. Hazardous oil disposal is executed through certified outsourcing channels. We maintain active GEPIL (Gujarat Enviro Protection and Infrastructure (Haryana) Private Limited) registration and an annual HEMS (Haryana Environmental Management Society) agreement for waste management.

Given our operations are specialized, our manufacturing facilities also employ extensive and stringent quality control mechanism at various stages including that of material issue and manufacturing process, to ensure that our finished product confirms to the quality and traceability requirements of our customers.

#### ***Established supply chain and sourcing network***

We possess a reliable supply chain network. We have long-term relationships with our vendors within India and globally. We source raw materials and components from various regions including Germany, Belgium, Malaysia, China, Netherlands, Canada, United States, Italy and Kazakhstan as well as locally within India. We do not rely on a single source or vendor for components, instead, have alternative sources for vendors for each component category. This offers us leverage to ensure availability of materials and negotiate better credit terms at cost-effective rates. Our Company was selected as a strategic partner to manufacture cables and strings required in seismic data acquisition systems (G3i) by one of our vendors. Additionally, we maintain a long-standing partnership with our vendors in USA & Greece to assemble seismographs & seismometers in India.

Further the strategic location of our factory in Manesar, Haryana is in close proximity to the New Delhi International Airport, facilitating efficient global logistics and the rapid shipment of critical seismic equipment to clients worldwide. This location in the National Capital Region grants access to key national infrastructure.

#### ***Experienced Promoters and professional management team***

Our growth has been fostered by the entrepreneurial spirit of our promoters and senior management along with a team of qualified employees. We believe our promoters and senior management team is able to leverage our market position and their collective experience and knowledge in the industry helps us to execute our business strategies and drive our future growth. Our Promoter and Managing Director, Anil Dass is a qualified Chartered Management Accountant (UK) with nearly four decades of experience in the industry. He has been associated with the Company since its inception in 1986 and played a pivotal role in establishing the Company's manufacturing facility and global supply chain. Our Whole Time Director and CFO, Dhiraj Vashista has been associated with the Company for around 20 years and has an overall experience of around 27 years in the field of accounts and finance. He is a Chartered Accountant (India), a Fellow Chartered Management Accountant (UK), and an alumnus of the IIM Calcutta. He has also completed a certificate course in Risk and Crisis Management from The London School of Economics and Political Science (LSE) and holds an ACCA diploma in International Financial Reporting (IFRS) from ACCA. We believe that his financial acumen ensures corporate governance, risk compliance, and strategic financial planning for the Company's global expansion. Our Whole Time Director, Samir Gugnani, holds the degree of Master of Science (Honours) in Economics and a Master of Science (Technology) in Instrumentation from BITS- Pilani, Rajasthan and has also completed MBA from IGNOU. Additionally, he has completed a Postgraduate-level Advanced Programme in Digital Manufacturing and Smart Factories from the Indian Institute of Science. He has been associated with the Company for over 30 years and has an overall experience of 39 years. He has been a cornerstone of the Company's technical operations, overseeing the manufacturing facilities at Manesar. We believe that his expertise ensures that our production lines meet the exacting standards of clients, driving the Company's reputation for zero-defect manufacturing.

Thus, we are well placed to capitalize the knowledge and experience of our management team which has been instrumental in the growth of our Company. Our management team has substantial experience, which enables us to capture market opportunities, formulate and execute business strategies, manage client expectations as well as proactively respond to changes in the market conditions or technologies. They are instrumental in establishing and maintaining relationships with our customers. Our mid-level management is supported by our trained personnel and skilled staff. As of September 30, 2025 we have a team of 161 employees. We believe that our qualified management and employee base has enabled us to extend our operating capabilities, improve the technical quality of our products and facilitate our growth in the industry.

### **OUR STRATEGIES**

#### ***Continue to focus on manufacturing by expanding our product portfolio and end user industry segments.***

We seek to leverage our capabilities, including our manufacturing facility and quality control practices, to further expand our product portfolio. We believe that by developing upgraded technological advanced products, we can successfully expand our product offerings to larger customer base. Recently our Company developed the HG-5VHS (Very High Sensitivity) and HG-2 (Low Frequency) advanced sensors and launched them in the first round of commercialization. In addition, we intend to continue to focus on our ability to customize our products according to the specific requirements of our customers and broaden our portfolio.

We have developed Geophone Sensor Network comprising geophones, Seismographs (Sigma-4+), seismic cables, and various geophysical accessories to study avalanches. This system is designed for critical geophysical surveillance, snow avalanche detection, and advance warning, serving as a primary sensory layer for real-time terrain stability monitoring and hazard assessment in extreme alpine environments. This solution is deployed with specialized government institutions dedicated to avalanche monitoring and geohazard assessment. Additionally, we have supplied Strong Motion Accelerographs (SMAs) for Earthquake Seismology, alongside seismometers and relevant accessories, to other government entities to bolster their monitoring capabilities. Ongoing government-led initiatives focused on the study of avalanches, and terrain hazards in the Indian Himalayas are expected to create significant opportunities for further expansion in this sector.

#### ***Increase our manufacturing capacity through backward integration and operation efficiency***

Our Company intends to expand our manufacturing facility towards backward integration by setting up in-house gold plating facility. For the said purpose our Company intends to install Gold & Silver Electroplating Production Line, X-Ray Thickness Measurement System, Ancillary Equipment & Tooling and would additionally require transfer of technical knowledge & Lab Setup. The estimated cost of the expansion is Rs 105.00 lakhs. With backward integration, we will have greater control on the manufacturing process, with improved quality standards and benefit from cost efficiencies. As a result, we expect to fulfil our customers' needs in a timely manner, increase our sales per customer and improve our working capital and supply chain processes.

Our Company intends to replace the existing plant and machinery in the Geophone Manufacturing Department, Extrusion Department, Assembly Department, Geophone Line Assembly, Moulding Department requiring upgradation and improvement. Accordingly our Company intends to install Multi Spindle Winding Machine, Automatic Lathe, Laser Marking Machine, Amplifier, Speed Extrusion Line, Buncher for Pairing, Moulding Machines, Workstations for Wire & String Soldering, Wire Cutting Equipment, Gauges for Quality control, Geophone Assembly Equipment, Ultrasonic & Etching machine, Magnetizers & Demagnetizers for Geophone Assembly, Tumbling Machines, Ovens for Geophone and Coils, Microscopes for Geophone Assembly and Coils, Soldering Stations. The estimated cost of replacement is Rs 1850.33 lakhs. This expenditure will strengthen our long-term operational & financial efficiency.

Additionally, we intend to spend a portion of net proceeds for Rs 472.50 lakhs towards Infrastructural development of building on 3rd Floor at our existing manufacturing facility at Manesar, Gurugram. This Infrastructural development provides the structural capacity required for assembly line. Beyond capacity, the expansion facilitates a workflow redesign that integrates the manufacturing department to streamline logistics, reduce material transit times, and maximize overall process effectiveness

We intend to utilize net Offer proceeds for the said expansion and replacement which will require us to make capital expenditure to the extent of Rs. 2427.83 lakhs. For details, please refer to the chapter ***“Objects of the Offer”*** on page 98 of this Draft Red Herring Prospectus.

#### ***Expansion of Geographical Footprint in India and Overseas***

We intend to pursue growth by expanding our geographical presence in both domestic and international markets supported by our “Dual-Hub” operating model. Under this model, our Company is focused on strengthening our European footprint through our wholly owned subsidiary, HGS Products B.V., The Netherlands, which serves as a centre for marketing activities and customer engagement in developed markets. This presence enables the Company to remain closely aligned with evolving technological standards, customer specifications, and regulatory requirements in key international geographies.

Concurrently our Company leverages our manufacturing operations in India for cost-efficient, scalable production. This integrated structure allows us to combine product development and market access in Europe with competitive manufacturing in India, thereby enhancing operational efficiency, product competitiveness, and margins.

During the last three financial years and stub period ended on September 30, 2025 our revenue from various geographical locations is as under:

As of September 30, 2025, our product portfolio is sold in around 21 countries including India. We further propose to expand our export footprint and strengthen relationships with existing international customers and enter new geographies. Moreover, we aim to capitalize on the Government of India's "Make-in-India" initiative by increasing our focus on the domestic market for seismic equipment and accessories. By offering locally manufactured, cost-competitive, and application-specific products, we seek to enhance our position as a preferred domestic supplier to exploration companies, infrastructure developers, research institutions, and geoscience agencies.

#### ***Focus on consistently meeting quality standard and reduce operating costs to improve operational efficiencies***

Our Company intends to focus on adhering to the quality standards of the products. Our Company is dedicated towards quality of our products, processes and input materials and components. Quality of the product is very important for the Company from both customer and end user point of view. Continuous quality review of products and timely corrective measures in case of quality diversion are keys for maintaining quality standards of the products. Providing desired and good quality products help us in enhancing customer trust and maintaining long term relationships with them. We are accredited with ISO 9001:2015 for Quality Management System. Our quality assurance department conducts various tests such as functional test, reliability test or drop test to ensure that our end products adhere to our quality policies.

Offering quality products is a key aspect of maintaining and expanding our relationships with our customers. We intend to continue enhancing our operational efficiencies, to increase economies of scale, better absorb our fixed costs, reduce our other operating costs and strengthen our competitive position. We will focus on improving capacity utilization at our production facilities, through increase in our overall production volumes. We will continue to seek to manage our supply chain costs through optimal inventory levels, economic orders and other measures.

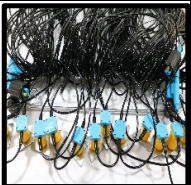

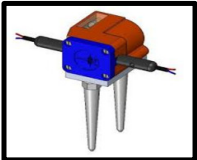

## OUR MANUFACTURING UNIT

## OUR PRODUCT PORTFOLIO

We have a wide product range which includes Geophone strings/Harness, Seismic Cables, Geophysical Connectors and Parts/Accessories of Geophysical Instruments:

Name of Product	Photo	Application	Features
Geophone strings /Harness	   	<p>Used with Seismic data acquisitions in diverse terrains ranging from deserts to swamps - for land and marsh applications</p> <p>Used for geotechnical services in research, oil &amp; gas exploration, defence and mines and Minerals industry.</p>	Series of interconnected sensors designed to detect minute ground vibrations and convert mechanical energy into electrical signals. Fully integrated, environment-specific designs, specialized cables and connectors, tailor-made solutions co-designed with clients for optimal data quality.
Seismic Cables	   	<p>Transmit low-level analog or digital seismic signals from the field sensors to the recording unit with minimal noise and signal loss.</p> <p>Connectivity and support solutions for seismic industry</p> <p>Used in oil and gas, defence, mining, earthquake seismology and research industry.</p>	<p>Specialized, heavy-duty data transmission lines designed to connect large arrays of sensors to a central recording system.</p> <p>Includes Telemetry, Shallow refraction, multi-pair cables, Downhole, Resistivity, Leader cables, G3i Cables</p> <p>Available in various configurations including single-channel, multi-channel, take-out cables, and spread cables to support different survey layouts</p>
Geophysical Connectors	     	<p>Facilitates transmission of high-bandwidth vibration data and power to seismic stations and recording instruments with microsecond precision. Used in civil engineering and geotechnical services in research, oil and gas and mining industry.</p>	<p>High-durability, waterproof coupling components used to link geophone strings, seismic cables, and recording units</p> <p>Includes System connectors, Panel mount connectors, Cable connectors (up to 256 pins).</p>
<b>Parts/Accessories of Geophysical Instruments</b>			
Geophones and geophone testers	 	<p>Seismic (2D/3D), nodal surveys, passive monitoring, deep seismic and infrastructure monitoring</p> <p>Used in civil engineering and geotechnical services in vibration monitoring, research, mining, earthquake seismology, oil and gas, geophysical</p>	<p>Geophone elements prepared under 'HG' brand with available variants such as</p> <ol style="list-style-type: none"> <li>1. HG-24 (10Hz): Features low harmonic distortion (<math>\leq 0.1\%</math>) and high spurious frequency (<math>&gt;240</math> Hz) for high-resolution 2D/3D surveys.</li> <li>2. HG-5HS (5Hz): High sensitivity (<math>&gt;80</math> V/m/s) sensor designed for nodal systems and passive monitoring.</li> </ol>

			seabed survey and defence industry.	<p>3. HG-2 (2.5Hz): Specialized low-frequency sensor for deep seismic and infrastructure monitoring.</p> <p>4. Testers: Portable in-field geophone testers (HGT-1L, HGT-1F) supplied to ensure field reliability and operational readiness.</p>
<b>Seismometers</b>			<p>Earthquake monitoring, crustal studies and volcanic research.</p> <p>Used in civil engineering in earthquake seismology, oil and gas and research industry.</p>	<p>High-precision instruments designed to measure the motion of the ground caused by earthquakes, volcanic eruptions, or man-made explosions.</p> <p>We offer broadband and wideband seismometers and digitizers and recorders. Supplied via strategic distributorship with international partner viz: GEObit Instruments.</p>
<b>Seismographs</b>			<p>Data Acquisition System for refraction studies, weathering studies (LVL) and up-hole monitoring.</p> <p>Used in oil and gas, mines and minerals and research industry.</p>	<p>Seismograph systems (DAQlink, DX-6), assembled and supplied through partnership with a USA based entity. Complete recording systems that combine a seismic sensor with a data-logging unit to create a permanent digital record of ground motion.</p>
<b>Accelerograph</b>			<p>Data Acquisition System with high-precision seismic monitoring used in research institutions.</p>	<p>Low Latency Compact Digital Accelerograph</p> <p>Measures peak ground acceleration and displacement to evaluate how critical infrastructure is.</p>
<b>Sigma Weather Monitors</b> 4+			<p>Seismic refraction and reflection surveys, geotechnical sites investigation.</p> <p>Used in environmental studies, engineering surveys in research and defence.</p>	<p>Multi-sensor data acquisition systems used to continuously measure and record atmospheric conditions in remote or extreme environments.</p> <p>Used to track weather patterns that trigger snow instability for avalanche forecasting and the protection of personnel in harsh terrains</p>
<b>Boom Box</b>			<p>They ensure precise timing for controlled explosives in subsurface exploration projects.</p> <p>Used in oil and gas sector.</p>	<p>Boom Box is a dynamite source control and synchronization unit used in seismic exploration.</p> <p>Used in dynamite shot synchronization, seismic production surveys, and large-scale exploration</p>

## MANUFACTURING PROCESS FLOW CHART

The Company follows a vertically integrated manufacturing process designed to ensure precision, durability, and high performance of its seismic products. The process begins with in-house extrusion and moulding operations and extends through sensor assembly, product integration, and stringent quality control procedures. This integrated approach enables control over critical manufacturing parameters and ensures consistency across product batches. Our core manufacturing capabilities include precision geophone element assembly, high-capacity wire and cable extrusion, injection moulding (Vertical and Horizontal), coil winding and magnetizing and automated and manual assembly and testing. The below flowchart depicts the flow of our manufacturing operations.

### 1. Extrusion Process for Seismic Cables

In the extrusion process, copper conductors are first insulated by applying a uniform layer of polymer material through an extrusion line and then rewound onto reels. The insulated conductors are subsequently paired and twisted to form pairs, which are further assembled and twisted to create multi-pair constructions of up to 105 pairs. After twisting, the cable core undergoes a braiding process to provide shielding and mechanical strength. Finally, a protective outer sheath is extruded over the braided core, completing the cable with enhanced durability, electrical performance, and environmental protection.

### 2. Moulding Process for Casings and Connectors

In the moulding process, ruggedized casings and connectors are manufactured using carefully selected polymer materials. The raw materials are pre-dried for approximately 3–4 hours to remove moisture and ensure dimensional stability and surface finish. The dried material is then loaded into the moulding machines, where it is injected into precision moulds and processed under controlled temperature and pressure parameters. This ensures consistent quality, mechanical strength, and accuracy of the moulded components, making them suitable for demanding industrial and operational conditions.

### 3. First Article Inspection and Quality Control

Prior to commencement of mass production, the first five manufactured units are subjected to strict Quality Control (“QC”) procedures. These initial samples are thoroughly inspected for dimensional accuracy, material integrity, and functional performance to ensure compliance with prescribed specifications and quality standards. Once approved, the process is validated, and full-scale production is commenced to maintain consistent quality across all subsequent units.

### 4. Core Geophone Sensor Assembly

The core geophone sensor assembly is a highly intricate process that involves precision coil winding, controlled gluing, and the careful installation of pole pieces and magnets. Following assembly, critical finishing operations are carried out, including magnetizing the magnetic components, nitrogen filling to ensure an inert internal environment, and comprehensive vibration testing. These steps are essential to ensure the sensor’s sensitivity, stability, and reliable performance under field operating conditions.

### 5. Product Integration

These sensors are subsequently integrated into Geophone Strings by stripping the cable jackets and securely attaching the sensing elements at specified intervals. Alternatively, they are processed into Seismic Cables by moulding take-outs along the cable length and fitting end connectors as per design requirements. This integration process ensures reliable electrical connectivity, mechanical strength, and consistent signal transmission for seismic data acquisition applications.

### 6. Final Quality Control and Dispatch

Final Quality Control is conducted to ensure that the finished products meet all technical specifications, performance standards, and reliability requirements. Each unit undergoes thorough inspection and functional testing before approval. Upon successful completion of quality checks, the products are carefully packed and dispatched, ensuring safe handling and delivery to customers while maintaining product integrity.

**PLANT & MACHINERY: -**

Some of the major plant and machinery installed in our manufacturing units are as follows:

Injection moulding machines from Arburg, Vertical, Negri Bossi, and CLF; extrusion and cable lines including extruders, stranders, braiders, and winders; and industrial printing systems such as inkjet and laser printers. Auxiliary machinery including tapping machines, and wire cutting machines, along with industrial drying systems such as plastic dryers and hot air dryers, industrial ovens and cooling systems including chillers. Power generation systems including diesel generators ranging from 125 KVA to 320 KVA, transformers, and electrical panels. In addition, the unit utilizes moulds and dies such as injection moulds, inserts, and over-moulds, supported by workshop tools and fixtures, as well as quality control and testing equipment etc.

### **SALES AND MARKETING:-**

We have a dedicated sales and marketing team who remain in constant touch with prospective customers via email and telephone calls. Client engagement begins with a consultative assessment of operational needs. Then the RFQ team in consultation with the engineering team prepares estimates with quotations on bill of material, packaging, labour costs etc and sends the final quotation. Our team in consultation with clients deliver solutions along with detailed formal quotations. Upon receipt of purchase orders and payment, manufacturing workflow is commenced at our factory.

Our diversified customer base enables us to reduce our dependence on any particular market. Our marketing activities involve our development and engineering teams working closely with customers or prospective customers, and our design and manufacturing facilities work to design products tailored to meet specific customer requirements. Our Company participates in various exhibitions at international forums to launch products and reinforce our brand visibility. For instance, our Company participated in EAGE Annual Conferences in France in the year 2025, in Norway in the year 2024, in Vienna in the year 2023 and in Madrid in the year 2022. It also participated in MEOS-GEO in Bahrain in the year 2023 and in GEO India in Jaipur in the year 2022 and in Varanasi in the year 2024. Recently our Company participated in 15<sup>th</sup> International Conference and Exposition “SPG 2025” hosted by Society of Petroleum, Geophysicists India.

During the last three financial years and stub period ended on September 30, 2025 our revenue from sale of products, sale of services and scrap sales are as under:

(Rs. In Lakhs)

## **CORPORATE SOCIAL RESPONSIBILITY**

Our Company has adopted a CSR policy in compliance with the requirements of the Companies Act, 2013 and the Companies (Corporate Social Responsibility Policy) Rules, 2014. During the financial year 2025–26, the Company has made CSR contributions totalling ₹14.40 lakhs, comprising ₹4.00 lakhs to Caddies Welfare Trust and ₹10.40 lakhs to Amba Care Centre.

## **COMPETITION: -**

Our Company operates in a very niche Industry. Our Company is well placed, well informed and well trained to assist clients in overall delivery. We have a number of international competitors offering services similar to us. We believe the principal elements of competition in our industry are technical specifications of products, quality, price, timely delivery and reliability and most importantly our pace in keeping up with the changing technology in the industry. We believe that our cost effective and integrated facilities, our focus on customer satisfaction and our reliability combined with our quality consciousness provides us with competitive advantage in our operations. For further information, see, “*Risk Factors - We face competition from both domestic as well as multinational corporations and our inability to compete effectively may have a material adverse impact on our business, financial condition and results of operations*” on page 39 of the Draft Red Herring Prospectus.

## **INFRASTRUCTURE FACILITIES**

**Availability of Raw Material:** The raw materials we use in our manufacturing process are primarily sourced from third party suppliers in India and are also imported from USA, Netherlands, Greece, Germany, Belgium, Canada and China. The major raw materials used in our manufacturing operations include copper, brass, aluminium, stainless steel along with other consumables and packaging materials. Moreover, our Company has established recurring procurement arrangements with global suppliers for seismographs and seismometers etc.

Set out in the table below is the share of the top 1, top 5 and top 10 Suppliers in our purchases for stub period ended on September 30, 2025 and the Fiscals 2025, 2024 and 2023:

*The statements set out below are based on the current provisions of Indian law, and the current judicial, regulatory and administrative interpretations thereof, which may be subject to change or modification by any subsequent legislative, regulatory, administrative, quasi-judicial or judicial decisions/actions*

### **A. INDUSTRY RELATED LAWS AND REGULATIONS**

#### **Micro, Small and Medium Enterprises Development Act, 2006 (“MSMED Act”)**

The MSMED Act, was enacted to promote and enhance the competitiveness of Micro, Small and Medium Enterprise (“**MSMED**”). A National Board shall be appointed and established by the Central Government for MSME enterprise with its head office at Delhi in the case of the enterprises engaged in the manufacture or production of goods pertaining to any industry mentioned in first schedule to Industries (Development and Regulation) Act, 1951. With effect from April 01, 2025 the Manufacturing enterprises and enterprises rendering Services have been re-classified as Micro enterprise, where the investment in plant and machinery does not exceed ₹2.5 Crore and annual turnover does not exceed ₹ 10 Crore; Small enterprise, where the investment in plant and machinery does not exceed ₹25 crore and annual turnover does not exceed ₹ 100 Crore; a Medium enterprise, where the investment in plant and machinery does not exceed ₹ 125 crore and annual turnover does not exceed ₹ 500 Crore.

#### **The Electrical Wires, Cables, Appliances and Protection Devices and Accessories (Quality Control) Order, 2003 (the “Quality Control Order”)**

The Quality Control Order, issued by the Department of Industrial Policy and Promotion, Ministry of Commerce and Industry, GoI (“**DIPP**”), prohibits the manufacture, storage for sale, sale and distribution of electrical wires, cables, appliances, protection devices (including low voltage switchgear and fuses) and accessories that do not confirm to the standards specified in such order and that do not bear that standard mark issued by the BIS. The Quality Control Order directs a manufacturer of electric wires, cables and protection devices, amongst others, to commence manufacture of such electric equipment only after obtaining a license from the BIS for the use of standard mark. Further, it requires any sub-standard or defective electrical wires, cables, appliances, protection devices or accessories to be deformed by such manufacturer beyond use and disposed of as scrap. The Central Government is authorized to appoint an officer who shall be empowered to require any person engaged in the manufacture, storage, sale or distribution of electrical equipment to furnish information and samples in relation to the electric equipment manufactured, stored, sold or distributed, as the case may be, inspect any books or documents and search any premises and seize electric equipment in case of contravention of the Quality Control Order.

#### **Legal Metrology Act, 2009 (“LM Act”) and the Legal Metrology (Packaged Commodities) Rules, 2011 (the “LM Rules”)**

The LM Act seeks to establish and enforce standards of weights and measures and regulate trade and commerce in weights, measures and other goods which are sold or distributed by weight, measure, or number. The LM Act and rules framed thereunder regulate, inter alia, the labelling and packaging of commodities, appointment of government-approved test centers for verification of weights and measures used, and lists penalties for offenses and compounding of offenses under it. Any non-compliance or violation under the LM Act may result in, inter alia, a monetary penalty on the manufacturer, seller, distributor, or seizure of the goods or imprisonment in certain cases. The LM Act defines a “pre-packaged commodity” as a commodity that without the purchaser being present is placed in a package of a pre-determined quantity.

Further, LM Rules inter alia provide that certain commodities shall be packed for sale, distribution and delivery in standard quantities as laid down under the LM Rules. It also provides for declarations that must be made on packages, where those declarations should appear on the package and the manner in which the declarations are to be made.

### **Electricity Act, 2003**

The Electricity Act, 2003 (“**Electricity Act**”) was enacted to regulate the generation, transmission, distribution, trading and use of electricity by authorising a person to carry on the above acts either by availing a license or by seeking an exemption under the Electricity Act. Additionally, the Electricity Act states no person other than Central Transmission Utility or State Transmission Utility, or a licensee shall transmit or use electricity at a rate exceeding 250 watts and 100 volts in any street or place which is a factory within the meaning of the Factories Act, 1948 or a mine within the meaning of the Mines Act, 1952 or any place in which 100 or more persons are ordinarily likely to be assembled. An exception to the said rule is given by stating that the applicant shall apply by giving not less than 7 days’ notice in writing of his intention to the Electrical Inspector and to the District Magistrate or the Commissioner of Police as the case may be, containing the particulars of electrical installation and plant, if any, the nature and purpose of supply of such electricity. The Electricity Act also lays down the requirement of mandatory use of meters to regulate the use of electricity and authorises the Commission so formed under the Electricity Act, to determine the tariff for such usage. The Electricity Act also authorises the State Government to grant subsidy to the consumers or class of consumers it deems fit from paying the standard tariff required to be paid.

### **Shops and Establishments Legislations**

Establishments are required to be registered under the provisions of local shops and establishments legislations applicable in the states where such establishments are set up. Such legislations regulate the working and employment conditions of workers employed in such shops and establishments including commercial establishments and provide for fixation of working hours, rest intervals, overtime, holidays, leave, termination of service, maintenance of shops and establishments and other rights and obligations of the employers and employees. Shops and establishments have to be registered under the shops and establishments legislations of the respective states where they are located.

### ***Contract Labour (Regulation and Abolition) Act, 1970, As Amended (The “CLRA Act”)***

The Contract Labour (Regulation and Abolition) Act, of 1970 (the “**CLRA Act**”) requires a Company to be registered as a principal employer and prescribes certain obligations with respect to the welfare and health of contract labourers. The CLRA vests responsibility in the principal employer of an establishment, to which the CLRA applies, to make an application to the concerned officer for registration of the concerned establishment. In the absence of such registration, contract labour cannot be employed in the concerned establishment. Likewise, every contractor, to whom the CLRA applies, is required to obtain a license and may not undertake or execute any work through contract labour except under and in accordance with the license issued. To ensure the welfare and health of the contract labour, the CLRA imposes certain obligations on the contractor in relation to the establishment of canteens, restrooms, drinking water, washing facilities, first aid, other facilities and payment of wages. However, in the event the contractor fails to provide these amenities, the principal employer is under an obligation to provide these facilities within a prescribed time period. Penalties, including both fines and imprisonment, may be levied for contravention of the provisions of the CLRA.

### **Fire Safety and Life Safety Legislations**

Commercial and industrial establishments are required to comply with the fire prevention and life safety regulations prescribed under the respective fire safety legislations applicable in the states where such establishments operate. These legislations generally govern the installation, maintenance, and periodic inspection of fire prevention, fire protection, and life safety systems in buildings and premises. They also prescribe requirements relating to fire-fighting equipment, emergency exits, evacuation measures, accessibility for fire services, and adherence to technical and safety standards notified by the competent authorities. Establishments are typically required to obtain and periodically renew fire safety clearances or no-objection certificates from the designated fire authorities and ensure continuous compliance with the operational and safety conditions stipulated therein. Non-compliance with applicable fire safety requirements may attract penalties, enforcement actions, or other measures as prescribed under the relevant state laws.

### **Special Economic Zones Act, 2005 and the Special Economic Zones Rules, 2006 framed thereunder**

Special Economic Zones (“**SEZs**”) are regulated and governed by the Special Economic Zones Act, 2005 (“**SEZ Act**”). The SEZ Act has been enacted for the establishment, development and management of the SEZs for the promotion of exports. An SEZ is a specifically delineated duty free enclave, deemed to be a foreign territory for the purposes of trade as

well as duties and tariffs. Initially, India had introduced the concept of the SEZ as a part of its Foreign Trade Policy, 2000. This concept embodied fiscal and regulatory concessions, which formed part of various laws, for example, Customs Act, 1962, Income Tax Act, 1961 and Central Excise Act, 1944. Due to its relatively complex legal framework, it was unable to attract significant private investment and therefore, the SEZ Act was enacted. A Board of approval (“**SEZ Board**”) has been set up under the SEZ Act, which is responsible for promoting the SEZ and ensuring its orderly development. The SEZ Board has a number of powers including the authority to approve proposals for the establishment of the SEZ, the operations to be carried out in the SEZ by the developer, the foreign collaborations and foreign direct investments.

The Special Economic Zones Rules, 2006 (“**SEZ Rules**”) have been enacted to effectively implement the provisions of the SEZ Act. The SEZ Rules provide for a simplified procedure for a single window clearance from central and state governments for setting up of SEZs and a “unit” in SEZ. The SEZ Rules also prescribe the procedure for the operation and maintenance of an SEZ, for setting up and conducting business therein with an emphasis on self-certification and the terms and conditions subject to which entrepreneur and developer shall be entitled to exemptions, drawbacks and concessions. The SEZ Rules also provide for the minimum area requirement for various categories of SEZs.

#### **Haryana Lifts and Escalators Act, 2000 and the Haryana Lifts and Escalators Rules, 2008 framed thereunder**

The Haryana Lifts and Escalators Rules, 2000, as notified under the Haryana Lifts and Escalators Act, 2008 and as currently in force, establish the regulatory framework governing the installation, operation, maintenance, and safety of lifts and escalators within the State of Haryana.

### **B. APPLICABLE GOVERNMENT POLICIES/SCHEMES**

#### **Export Promotion Capital Goods Scheme, 2020 (“EPCG Scheme”)**

The EPCG Scheme provides that importers can benefit from reduced duties on the import of capital goods provided that they fulfil an export obligation to export a prescribed amount of their goods manufactured or services rendered (such amount being a multiple of the duty saved) within a specified period. Export obligations can be fulfilled by either through direct exports or through third parties. An EPCG authorization holder shall be liable to pay custom duties along with interest custom in the event of nonfulfillment of prescribed export obligations.

#### **Duty Drawback Scheme, 2020**

The Duty Drawback Scheme is an option available to exporters. Under this scheme, an exporter of goods is entitled to a refund of the excise duty and integrated goods and services tax paid by him on the inputs used in the products exported by him. It neutralizes the duty impact on the goods exported by giving a relief on customs and central excise duties suffered on the inputs used in the manufacture of export product. The Customs and Central Excise Duties Drawback Rules, 2017, as amended (“**Drawback Rules**”) have also been framed outlining the procedure to be followed for claiming drawback on goods exported by cost and other than post from the customs authorities. Under duty drawback scheme, an exporter can opt for either All Industry Rate (“**AIR**”) of duty drawback scheme or brand rate of duty drawback scheme. The AIR of duty drawback scheme essentially attempts to compensate exporters of various export commodities for average incidence of customs and central excise duties suffered on the inputs used in their manufacture of the export goods.

### **C. INTELLECTUAL PROPERTY LAWS**

#### **Trademarks Act, 1999 (the “Trademarks Act”)**

The Trademarks Act governs the statutory protection of trademarks and prevention of the use of fraudulent marks in India. It provides for the application and registration of trademarks in India. It also provides for exclusive rights to marks such as brand, label and heading, and to obtain relief in case of infringement for commercial purposes as a trade description. Under the provisions of the Trade Marks Act, an application for trade mark registration may be made with the Controller General of Patents, Designs and Trademarks by any person or persons claiming to be the proprietor of a trade mark, whether individually or as joint applicants, and can be made on the basis of either actual use or intention to use a trade mark in the future. Once granted, a trademark registration is valid for 10 years unless cancelled, subsequent to which, it can be renewed. If not renewed, the trademark lapses and the registration is required to be restored to gain protection under the provisions of the Trademarks Act. The Trademarks Act prohibits registration of deceptively similar trademarks and provides penalties for infringement, falsifying or falsely applying for trademarks. Further, pursuant to the notification of the Trademarks (Amendment) Act, 2010, simultaneous protection of trademark in India and other countries has been made available to owners of Indian and foreign trademarks. It also seeks to simplify the law relating to the transfer of ownership of trademarks by assignment or transmission and to bring the law in line with international practices.

### **Patents Act, 1970 (“Patents Act”)**

The Patents Act recognises both product and process patents and prescribes eligibility criteria for grant of patents, including the requirement that an invention must satisfy the requirements of novelty, utility and non-obviousness in order for it to avail patent protection. The term of a patent under the Patents Act is twenty years from the date of filing an application for the patent.

### **Copyright Act, 1957 (“Copyright Act”)**

The Copyright Act, 1957, along with the Copyright Rules, 2013 (“Copyright Laws”) governs copyright protection in India. A registration under the Copyright Laws acts as prima facie evidence of the particulars entered therein and helps expedite infringement proceedings and reduce delay caused due to evidentiary considerations. The Copyright Laws prescribe a fine, imprisonment or both for violations, with enhanced penalty on second or subsequent convictions.

### **Designs Act, 2000**

The Designs Act, 2000 along with the Design Rules, 2001 (“Design Laws”) govern design protection in India. The Design Laws were enacted to protect new or original designs from getting misappropriated. A design can only be registered under one specific class. The registered proprietor of the design shall have a copyright in the design for ten years which is extendable for another five years. The Design Laws permit the proprietor to file a suit for recovery of damage and as well as an injunction in the event of piracy of a registered design.

## **D. FOREIGN EXCHANGE LAWS**

### **Foreign Exchange Management Act, 1999 (“FEMA”)**

Foreign investment in Indian securities is governed by the provisions of the FEMA (that replaced the erstwhile Foreign Exchange Regulation Act, 1973) and the FDI policy of the Government of India. Foreign investment is permitted (except in the prohibited sectors) in Indian companies, either through the automatic route or the government approval route, depending upon the sector in which foreign investment is sought to be made. The regulatory framework, developed over a period of time consists of Acts, regulations, press notes, press releases, and clarifications among other amendments.

### **Foreign Trade (Development and Regulation) Act, 1992**

The Foreign Trade (Development and Regulation) Act, 1992 and the Rules framed thereunder governing foreign trade in India. The Act provides for the development and regulation of foreign trade by facilitating imports into, and augmenting exports from, India and for matters connected therewith or incidental thereto. Under the Act the Government of India is empowered to make provisions inter-alia to prohibit, restrict and regulate exports and imports formulate and announce export and import policy. The Act prohibits a person from undertaking any import or export except under an Importer-Exporter Code member (IEC) unless exempted in that aspect.

### **The Foreign Trade Policy, 2023**

The FTA read with the Indian Foreign Trade Policy, 2023 provides that no person or Company can make exports or imports without having obtained an importer exporter code (“IEC”) number unless such person or Company is specifically exempted. An application for an importer exporter code number has to be made to the Office of the Director General of Foreign Trade, Ministry of Commerce (“DGFT”). An importer-exporter code number allotted to an applicant is valid for all its branches, divisions, units and factories. Failure to obtain the IEC number shall attract penalty under the FTA.

### **Foreign Investment Regulations**

The foreign investment in India is governed, among others, by the Foreign Trade (Regulation and Development) Act, 1992 and the rules framed thereunder (“FTA”), Foreign Exchange Management Act, 1999, the Foreign Exchange Management (Non-debt Instruments) Rules, 2019 (“FEMA Rules”) and the consolidated FDI policy (“FDI Policy”) effective from October 15, 2020, issued by the Department for Promotion of Industry and Internal Trade, Ministry of Commerce and Industry, Government of India (earlier known as the Department of Industrial Policy and Promotion (“DPIIT Policy”), each as amended. The FDI Policy consolidates all the press notes, press releases, and clarifications on FDI issued by DPIIT. Further, the Reserve Bank of India has enacted the Foreign Exchange Management (Mode of Payment and Reporting of Non-Debt Instruments) Regulations, 2019 on October 17, 2019 which regulates mode of payment and remittance of sale proceeds, among others. Under the FDI Policy, 100% foreign direct investment under the automatic route, i.e., without

requiring prior governmental approval, is permitted in the manufacturing sector. The FDI Policy and the FEMA Rules prescribe inter alia the method of calculation of total foreign investment (i.e., direct foreign investment and indirect foreign investment) in an Indian Company.

### **Importer-Exporter Code**

Under the Indian Foreign Trade Policy, 2004, no export or import can be made by a person or Company without an Importer Exporter Code number unless such person/Company is specifically exempted. An application for an Importer Exporter Code number has to be made to the office of the Joint Director General of Foreign Trade, Ministry of Commerce. An Importer Exporter Code number allotted to an applicant is valid for all its branches/divisions/ units/factories.

### **Remission of Duties and Taxes on Exported Products (“RoDTEP”)**

RoDTEP scheme is an export subsidy program launched by the Indian government in January 2021. The scheme's objectives are to neutralize the costs of exported goods by providing rebates on hidden central, state, and local duties, taxes, and levies, ensure India's compliance with the WTO and boost exports in India. The RoDTEP scheme replaced the Merchandise Exports from India Scheme (“MEIS”). It covers all sectors, including textiles, marine, leather, gems and jewellery, agriculture, electrical/electronics, automobiles, machinery, and plastics. The RoDTEP scheme provides rebates as a percentage of FOB or a fixed amount per unit of measurement. The current RoDTEP rates are in the range of 0.3% to 4.3%.

## **E. EMPLOYMENT RELATED LAWS**

The following is an indicative list of labour laws which may be applicable to our Company due to the nature of our business activities:

### **State Specific Labour Welfare Fund Acts**

The various Labour Welfare Fund Acts enacted by the respective states extend a measure of social assistance to employees to improve their working conditions and standard of living. State specific labour welfare fund acts require the employer to deposit contribution towards the labour welfare fund established under the respective state labour welfare fund acts.

### **Code on Wages, 2019**

The Code on Wages, 2019 amalgamates, simplifies and rationalises the relevant provisions of the following four central labour enactments relating to wages, namely, (a) The Payment of Wages Act, 1936; (b) The Minimum Wages Act, 1948; (c) The Payment of Bonus Act, 1965; and (d) The Equal Remuneration Act, 1976. The Code on Wages, 2019 is an Act to amend and consolidate the laws relating to wages and bonus and matters connected therewith or incidental thereto. The Code received the assent of the President of India on August 8, 2019 and is published in the Official Gazette. The Code applies to the covered employees and allows the Central Government to set a fixed floor wage taking into account minimum living standards of a worker.

### ***Occupational Safety, Health and Working Conditions Code, 2020***

The Occupational Safety, Health and Working Conditions Code, 2020 consolidates 13 laws related to safety, health, and working conditions of workers in various establishments, including factories, mines, plantations, motor transport undertakings, and construction work. The Code seeks to ensure that every worker is provided with a safe working environment, adequate occupational health standards, and regulated working hours. It mandates employers to provide free annual health check-ups, welfare facilities, and protective equipment depending on the nature of work, and to ensure risk-free and hazard-free working conditions. The Code also addresses the rights of inter-state migrant workers by introducing a portability-based registration system and enabling them to avail benefits in the destination State. Licensing processes for contractors and establishments are simplified through a single-registration system. The overall objective is to enhance safety, reduce workplace hazards, and promote humane working conditions across industries.

### **Code on Social Security, 2020**

The Code on Social Security, 2020 received the assent of the President of India on September 28, 2020 and was published in the official gazette. The objective of the Code is to amend and consolidate the laws relating to social security, with the primary goal to extend social security to all employees and workers. The Code on Social Security, 2020, amalgamates, simplifies and rationalises the relevant provisions of the following nine (9) central labour enactments relating to social security, namely, (i) The Employees' Compensation Act, 1923; (ii) The Employees' State Insurance Act, 1948; (iii) The

Employees' Provident Funds and Miscellaneous Provisions Act, 1952; (iv) The Employment Exchanges (Compulsory Notification of Vacancies) Act, 1959; (v) The Maternity Benefit Act, 1961; (vi) The Payment of Gratuity Act, 1972; (vii) The Cine Workers Welfare Fund Act, 1981; (viii) The Building and Other Construction Workers Welfare Cess Act, 1996; and (ix) The Unorganised Workers' Social Security Act, 2008.

### **Industrial Relations Code, 2020**

The Industrial Relations Code, 2020 is an Act to consolidate and amend the laws relating to Trade Unions, conditions of employment in an industrial establishment or undertaking, investigation and settlement of industrial disputes. The Industrial Relation Code 2020 amalgamates, simplifies and rationalises the relevant provisions of (a) the Trade Unions Act, 1926; (b) the Industrial Employment (Standing Orders) Act, 1946; and (c) the Industrial Disputes Act, 1947.

### **Child and Adolescent Labour (Prohibition and Regulation) Act, 1986**

The Child and Adolescent Labour (Prohibition and Regulation) Act, 1986 prohibits employment of children below fourteen years of age in certain occupations and processes and provides for regulation of employment of children in all other occupations and processes. The Act regulates the conditions of work of adolescents.

### **Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013**

The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 Act provides for protection to women against sexual harassment at workplace and prevention and redressal of complaints of sexual harassment. The Act defines "Sexual Harassment" to include any unwelcome sexually determined behaviour (whether directly or by implication). "Workplace" under the Act has been defined to include government bodies, private and public sector organizations, non-governmental organizations, organizations carrying on commercial, vocational, educational, entertainment, industrial, financial activities, hospitals and nursing homes, educational institutes, sports institutions and stadiums used for training individuals.

The Act requires an employer to set up an "Internal Complaints Committee" at each office or branch of an organization employing at least 10 employees. The Government is required to set up a "Local Complaints Committee" at the district level to investigate complaints regarding sexual harassment from establishments where internal complaints committee has not been constituted.

## **F. ENVIRONMENTAL LEGISLATIONS**

### **National Environmental Policy, 2006**

This Policy seeks to extend the coverage, and fill in gaps that still exist, in light of present knowledge and accumulated experience. This policy was prepared through an intensive process of consultation within the Government and inputs from experts. It does not displace, but builds on the earlier policies. It is a statement of India's commitment to making a positive contribution to international efforts. This is a response to our national commitment to a clean environment, mandated in the Constitution in Articles 48 A and 51 A (g), strengthened by judicial interpretation of Article 21. The dominant theme of this policy is that while conservation of environmental resources is necessary to secure livelihoods and well-being of all, the most secure basis for conservation is to ensure that people dependent on particular resources obtain better livelihoods from the fact of conservation, than from degradation of the resource.

### **Air (Prevention and Control of Pollution) Act, 1981 (the Air Act)**

The Air Act was enacted with an objective to protect the environment from smoke and other toxic effluents released in the atmosphere by industries. With a view to curb air pollution, the Air Act has declared several areas as air pollution control areas and also prohibits the use of certain types of fuels and appliances. Prior written consent is required of the Board constituted under the Air Act, if a person intends to commence an industrial plant in a pollution control area.

### **Water (Prevention and Control of Pollution) Act, 1974 (the Water Act)**

The Water Act was enacted with an objective to protect the rivers and streams from being polluted by domestic and industrial effluents. The Water Act prohibits the discharge of toxic and poisonous matter in the river and streams without treating the pollutants as per the standard laid down by the Pollution Control Boards constituted under this Act. A person intending to commence any new industry, operation or process likely to discharge pollutants must obtain prior consent of the Board constituted under this Act.

### **Noise Pollution (Regulation and Control) Rules, 2000 (“Noise Pollution Rules”)**

These Noise Pollution (Regulation and Control) Rules, 2000 (“Noise Pollution Rules”) were constituted to regulate and control noise producing and generating sources with the objective of maintaining the ambient air quality standards in respect of noise and were considered necessary as increasing ambient noise levels in public places from various sources, inter-alia, industrial activity, construction activity, (fire crackers, sound producing instruments), generator sets, loud speakers, public address systems, music systems, vehicular horns and other mechanical devices have deleterious effects on human health and psychological well-being of the people. The Noise Pollution Rules provide ambient air quality criteria with respect of noise for different areas/zones. The Noise Pollution Rules further provide powers to the authority to enforce the noise control measures in the areas/zones. The Noise Pollution Rules provide modes of making complaints to the authority in case noise levels exceed the ambient noise standards along with penalties and liabilities on account of violations in the silence zones/areas.

### **Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016**

The Hazardous Waste Rules regulate the management, treatment, storage and disposal of hazardous waste by imposing an obligation on every occupier and operator of a facility generating hazardous waste to dispose of such waste without harming the environment. A list of hazardous wastes and processes that generate hazardous waste have been specified under the Hazardous Waste Rules. We are required to obtain authorizations for, inter alia, the generation, processing, treatment, package, storage, transportation, use, collection, destruction or transfer of the hazardous waste from the concerned state pollution control Board.

### **Plastic Waste Management Rules, 2016 (“Plastic Waste Management Rules”)**

Under the Plastic Waste Management Rules, all institutional generators of plastic waste, are required to, inter alia, segregate and store the waste generated by them in accordance with the Solid Waste Management Rules, 2016, and handover segregated wastes to authorized waste processing or disposal facilities or deposition centers, either on its own or through the authorized waste collection agency. Under the Plastic Waste Management Rules, waste generator shall also take steps to minimize generation of plastic waste. The Plastic Waste Management Rules also requires the producers, importers, and brand owners to collect back the plastic waste generated due to their products. On August 12, 2021, the Government of India notified the Plastic Waste Management (Amendment) Rules, 2021, prohibiting the use of identified single use plastic items which have low utility and high littering potential. Under the Plastic Waste Management Rules, the state governments have also been requested to develop a comprehensive action plan for elimination of single use plastics and effective implementation of Plastic Waste Management Rules, in a time bound manner.

### **Environment Protection Act, 1986 and Environment (Protection) Rules, 1986**

The Environmental Protection Act, 1986 is an “umbrella”; legislation designed to provide a framework for coordination of the activities of various central and state authorities established under various laws. The potential scope of the Act is broad, with “environment” defined to include water, air and land and the interrelationships which exist among water, air and land, and human beings and other living creatures, plants, micro-organisms and property.

### **Public Liability Insurance Act, 1991 (the “PLI Act”)**

The PLI Act imposes liability on the owner or controller of hazardous substances for any damage arising out of an accident involving such hazardous substances. A list of hazardous substances covered by the PLI Act has been enumerated by the Central Government by way of a notification. Under the law, the owner or handler is also required to take out an insurance policy insuring against liability. The PLI Act mandates the employer to contribute towards the Environmental Relief Fund a sum equal to the premium paid on the insurance policies.

## **G. TAX RELATED LEGISLATIONS**

### **Income Tax Act, 1961**

Income Tax Act, 1961 is applicable to every Domestic / Foreign Company whose income is taxable under the provisions of this Act or Rules made under it depending upon its Residential Status and-Type of Income involved. U/s 139(1) every Company is required to file its Income tax return for every Previous Year by 30th September of the Assessment Year. Other compliances like those relating to Tax Deduction at Source, Fringe Benefit Tax, Advance Tax, and Minimum Alternative Tax like are also required to be complied by every Company.

### **Customs Act, 1962**

The provisions of the Customs Act, 1962 and rules made there under are applicable at the time of import of goods i.e., bringing into India from a place outside India or at the time of export of goods i.e., taken out of India to a place outside India. Any Company requiring to import or export any goods is first required to get itself registered and obtain an IEC (Importer Exporter Code).

### **Central Goods and Services Tax Act, 2017**

The Goods and Services Tax Act, 2017 (“**GST Act**”) levies indirect tax throughout India to replace many taxes levied by the Central and State Governments. The GST Act was applicable from July 1, 2017 and combined the Central Excise Duty, Commercial Tax, Value Added Tax (VAT), Food Tax, Central Sales Tax (CST), Introit, Octroi, Entertainment Tax, Entry Tax, Purchase Tax, Luxury Tax, Advertisement Tax, Service Tax, Customs Duty, Surcharges. GST is levied on all transactions such as sale, transfer, purchase, barter, lease, or import of goods and/or services. India has adopted a dual GST model, meaning that taxation is administered by both the Union and State Governments. Transactions made within a single state is levied with Central GST (CGST) by the Central Government and State GST (SGST) by the government of that state. For inter-state transactions and imported goods or services, an Integrated GST (IGST) is levied by the Central Government. GST is a consumption-based tax; therefore, taxes are paid to the state where the goods or services are consumed and not the state in which they were produced.

### **The Haryana Goods and Service Tax Act, 2017**

The Haryana Goods and Services Tax Act, 2017 (“**HGST Act**”) governs the levy and collection of State Goods and Services Tax on intra-state supply of goods and services within the State of Haryana. The HGST Act came into force with effect from July 1, 2017 and is applicable concurrently with the Central Goods and Services Tax Act, 2017. Under the dual GST framework, intra-state transactions carried out within Haryana are subject to levy of Central GST (“CGST”) by the Central Government and State GST (“SGST”) by the Government of Haryana. The HGST Act provides for registration, assessment, collection, input tax credit, returns, audits, refunds, inspections, penalties, and adjudication in respect of SGST. Taxes collected under the HGST Act accrue to the Government of Haryana and are administered by the Haryana State Tax authorities.

### **The Delhi Goods and Service Tax Act, 2017**

The Delhi Goods and Services Tax Act, 2017 (“**DGST Act**”) provides for the levy and collection of State Goods and Services Tax on intra-state supply of goods and services within the National Capital Territory of Delhi. The DGST Act became effective from July 1, 2017 and operates in conjunction with the Central Goods and Services Tax Act, 2017 as part of India’s dual GST regime. For transactions carried out within Delhi, CGST is levied by the Central Government and SGST is levied by the Government of the National Capital Territory of Delhi. The DGST Act sets out provisions relating to registration, compliance, filing of returns, payment of tax, availment of input tax credit, audits, enforcement, penalties, and dispute resolution. Revenue collected under the DGST Act is retained by the Government of NCT of Delhi and administered by the Delhi State Tax authorities.

### **Integrated Goods and Services Tax Act, 2017**

Integrated Goods and Services Tax Act, 2017 (“**IGST Act**”) is a Central Act enacted to levy tax on the supply of any goods and/or services in the course of inter-State trade or commerce. IGST is levied and collected by Centre on interstate supplies. The IGST Act sets out the rules for determination of the place of supply of goods. Where the supply involves movement of goods, the place of supply shall be the location of goods at the time at which the movement of goods terminates for delivery to the recipient. The IGST Act also provides for determination of place of supply of service where both supplier and recipient are located in India or where supplier or recipient is located outside India. The provisions relating to assessment, audit, valuation, time of supply, invoice, accounts, records, adjudication, appeal etc. given under the CGST Act are applicable to IGST Act.

### **Professional Tax**

The professional tax slabs in India are applicable to those citizens of India who are either involved in any profession or trade. The State Government of each State is empowered with the responsibility of structuring as well as formulating the respective professional tax criteria and is also required to collect funds through professional tax. The professional taxes are charged on the incomes of individuals, profits of business or gains in vocations. The professional tax is charged as per the List II of the Constitution. The professional taxes are classified under various tax slabs in India. The tax payable under the State Acts by any person earning a salary or wage shall be deducted by his employer from the salary or wages payable to such person before such salary or wages is paid to him, and such employer shall, irrespective of whether such deduction

has been made or not when the salary and wage is paid to such persons, be liable to pay tax on behalf of such person and employer has to obtain the registration from the assessing authority in the prescribed manner. Every person liable to pay tax under these Acts (other than a person earning salary or wages, in respect of whom the tax is payable by the employer), shall obtain a certificate of enrolment from the assessing authority.

## **H. GENERAL LAWS**

### **Negotiable Instruments Act, 1881**

In India, cheques are governed by the Negotiable Instruments Act, 1881, which is largely a codification of the English Law on the subject. The Act provides effective legal provision to restrain people from issuing cheques without having sufficient funds in their account or any stringent provision to punish them in the event of such cheque not being honoured by their bankers and returned unpaid. Section 138 of the Act creates statutory offence in the matter of dishonour of cheques on the ground of insufficiency of funds in the account maintained by a person with the banker which is punishable with imprisonment for a term which may extend to two years, or with fine which may extend to twice the amount of the cheque, or with both.

### **Companies Act, 2013**

The consolidation and amendment in the law relating to the Companies Act, 1956 made way to the enactment of the Companies Act, 2013 and rules made there under the Companies Act primarily regulates the formation, financing, functioning, and restructuring of Companies as separate legal entities. The Act provides regulatory and compliance mechanism regarding all relevant aspects including organizational, financial, and managerial aspects of companies. The provisions of the Act state the eligibility, procedure, and execution for various functions of the Company, the relation and action of the management and that of the shareholders. The law laid down transparency, corporate governance, and protection of shareholders & creditors. The Companies Act plays the balancing role between these two competing factors, namely, management autonomy and investor protection.

### **Competition Act, 2002**

The Competition Act, 2002 (“**Competition Act**”) aims to prevent anti-competitive practices that cause or are likely to cause an appreciable adverse effect on competition in the relevant market in India. The Competition Act regulates anti-competitive agreements, abuse of dominant position and combinations. The Competition Commission of India (“**Competition Commission**”) which became operational from May 20, 2009, has been established under the Competition Act to deal with inquiries relating to anti-competitive agreements and abuse of dominant position and regulate combinations. The Competition Act also provides that the Competition Commission has the jurisdiction to inquire into and pass orders in relation to an anti-competitive agreement, abuse of dominant position or a combination, which even though entered into, arising, or taking place outside India or signed between one or more non-Indian parties, but causes an appreciable adverse effect in the relevant market in India.

### **Consumer Protection Act, 2019 and the rules made thereunder**

The Consumer Protection Act (“**CPA**”) provides for a three-tier consumer grievance redressal mechanism at the national, state and district levels. Non-compliance of the orders of the redressal commissions attracts criminal penalties. The CPA introduced a Central Consumer Protection Council to promote, protect and enforce the rights of consumers executive agency to provide relief to a class of consumers. The CPA brought e-commerce entities and their customers under its purview including providers of technologies or processes for advertising or selling, online marketplace or online auction sites. The CPA also provides for mediation cells for early settlement of the disputes between the parties.

### **Specific Relief Act, 1963**

The Specific Relief Act, 1963 (“**SR Act**”) is complimentary to the provisions of the Contract Act and the Transfer of Property Act, as the Act applies both to movable property and immovable property. The SR Act applies in cases where the Court can order specific performance of a contract. Specific relief can be granted only for purpose of enforcing individual civil rights and not for the mere purpose of enforcing a civil law. ‘Specific performance’ means Court will order the party to perform his part of agreement, instead of imposing on him any monetary liability to pay damages to other party.

### **Bharatiya Nyaya Sanhita, 2023**

The Bharatiya Nyaya Sanhita, 2023 (“**BNS**”) consolidates and replaces the Indian Penal Code, 1860 and inter alia provides the substantive criminal law in India. BNS defines offences, prescribes punishments and sets out liability for individuals and entities. Key provisions cover offences against the State, human body, property, documents and cyber-enabled crimes along with penalties for corporate fraud and misconduct. Compliance with BNS is relevant for entities and their management in the context of criminal liability, fraud prevention and corporate governance.

### **Bharatiya Nagarik Suraksha Sanhita, 2023**

The Bharatiya Nagarik Suraksha Sanhita, 2023 (“**BNSS**”) replaces the Code of Criminal Procedure, 1973 and lays down the procedural framework for investigation, trial and adjudication of offences. BNSS, inter alia, provides for registration of FIRs, powers of investigation, rights of the accused, trial processes and mechanisms for appeal. It also introduces timelines for filing chargesheets and mandates use of technology in investigation and trial. Compliance with BNSS is relevant for entities in relation to criminal proceedings against them or their personnel.

### **Bharatiya Sakshya Adhiniyam, 2023**

The Bharatiya Sakshya Adhiniyam, 2023 (“**BSA**”) replaces the Indian Evidence Act, 1872 and governs the admissibility and relevancy of evidence in judicial proceedings. BSA, inter alia, provides for documentary, oral, electronic and digital evidence and prescribes rules for burden of proof, examination of witnesses and evidentiary value of records. Compliance with BSA is relevant for entities in connection with legal proceedings involving documentary and electronic records.

### **Indian Stamp Act, 1899**

Under the Indian Stamp Act, 1899 (“**Stamp Act**”), as amended, stamp duty is payable on instruments that evidence the transfer, creation, or extinguishment of any right, title, or interest in immovable property. Stamp duty must be paid on all such instruments at the rates prescribed in the schedules to the Stamp Act. The applicable rates vary from state to state. An instrument that is not duly stamped is inadmissible as evidence before a civil court, arbitrator, or any other authority empowered to receive evidence.

### **Transfer of Property Act, 1882**

The Transfer of Property Act, 1882 (“**TP Act**”) as amended, establishes the general principles relating to transfer of property in India. It forms a basis for identifying the categories of property that are capable of being transferred, the persons competent to transfer property, the validity of restrictions and conditions imposed on the transfer and the creation of contingencies and vested interest in the property. It also provides for the rights and liabilities of the vendor and purchaser in a transaction of sale of land.

### **Registration Act, 1908**

The Registration Act, 1908, as amended, has been enacted with the objective of providing public notice of the execution of documents affecting, inter alia, the transfer of interest in immovable property. The purpose of the Registration Act, 1908 is the conservation of evidence, assurances, title and publication of documents and prevention of fraud. It details the formalities for registering an instrument.

### **Indian Contract Act, 1872**

The Indian Contract Act, 1872 codifies the way in which a contract may be entered into, executed, implementation of the provisions of a contract and effects of breach of a contract. A person is free to contract on any terms he chooses. The Contract Act consists of limiting factors subject to which contract may be entered into, executed and the breach enforced. It provides a framework of rules and regulations that govern formation and performance of contract. The contracting parties themselves decide the rights and duties of parties and terms of agreement.

### **Sale of Goods Act, 1930 (“Sale of Goods Act”)**

The Sale of Goods Act, 1930 (“**SOGA**”) governs contracts relating to the sale of goods. The contracts for sale of goods are subject to the general principles of the law relating to contracts. A contract for sale may be an absolute one or based on certain conditions. SOGA contains provisions in relation to the essential aspects of such contracts, including the transfer of ownership of goods, delivery of goods, rights and duties of the buyer and seller, remedies for breach of contract and the conditions and warranties implied under a contract for the sale of goods.

### **The Arbitration & Conciliation Act, 1996**

The Arbitration and Conciliation Act, 1996 (“**A&C Act**”) provides a framework for the resolution of disputes through arbitration and conciliation. The main aim of A&C Act is to promote alternative dispute resolution mechanisms and offer cost-effective, and private alternative to court litigation. Arbitration or conciliation is initiated based on an agreement between the parties or by a court order. In arbitration proceedings the tribunal conducts hearings, gathers evidence, and issues an award based on the proceedings. In conciliation proceedings, the conciliator engages with the parties to help them reach a mutually acceptable resolution. The arbitral award is the final decision of the arbitrator(s), which is binding on the parties. The arbitral award has the same force of decree as that the court decree.

### **Information Technology Act, 2000 (the “IT Act”) and the Information Technology (Reasonable Security Practices and Sensitive Personal Data or Information) Rules, 2011 (the “IT Security Rules”)**

The IT Act has been enacted with the intention of providing legal recognition to transactions that are undertaken electronically. The IT Act facilitates electronic commerce by recognizing contracts concluded through electronic means and protects intermediaries in respect of third-party information made available to or hosted by them. The IT Act has created a mechanism for authenticating electronic documentation by means of digital signatures, and provides for civil and criminal liability including fines and imprisonment for various offences. The IT Act prescribes various offences, including those offences relating to unauthorized access of computer systems, unauthorized disclosure of confidential information and fraud emanating from computer applications. The IT Security Rules prescribe directions for the collection, disclosure, and transfer of sensitive personal data by a body corporate or any person acting on behalf of a body corporate.

The IT Security Rules require every such body corporate or person who on behalf of the body corporate receives, stores or handles information to provide a privacy policy for handling and dealing with personal information, including sensitive personal data, publishing such policy on its website. The IT Security Rules further require that all such personal data be used solely for the purposes for which it was collected, and any third-party disclosure of such data is made with the prior consent of the information provider, unless contractually agreed upon between them or where such disclosure is mandated by law.

### **The Digital Personal Data Protection Act, 2023**

The Digital Personal Data Protection Act, 2023 (“**DPDP Act**”) received the assent of the President of India on August 11, 2023. The DPDP Act provides for the processing of digital personal data in a manner that recognises both the right of individuals to protect their personal data and the need to process such personal data for lawful purposes and for matters connected therewith or incidental thereto.

The DPDP Act provides for the processing of digital personal data and makes consent essential for the processing of personal data. The data collection entity is required to maintain the security of the personal data and delete the same once the purpose thereof has been accomplished. Under the DPDP Act, 2023 the Data principal, is granted rights to seek correction, erasure of personal data. The DPDP Act contemplates a grievance mechanism to address grievances of the data principal. The DPDP Act also seeks to establish the Data Protection Board of India to adjudicate on non-compliance of the DPDP Act provisions. The DPDP Act seeks to impose heavy monetary penalties for contravention of the provisions of the DPDP Act, 2023.

## ANNEXURE IV

### ACCOUNTING POLICIES

#### Corporate information

HGS (INDIA) Ltd. is a public limited Company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company is engaged in the business of manufacturing Geophone strings, Cables and Connectors. It caters to both domestic and international markets.

The Holding Company has one Subsidiary namely HGS Products B.V. The Netherlands which is engaged in trading of Geophysical Equipment.

#### Significant accounting policies

##### 1. Basis of preparation of Consolidated Restated financial statements

The Consolidated Restated Statement of Assets and Liabilities of the Company as September 30, 2025, March 31, 2025, March 31, 2024, and March 31, 2023 and the Consolidated Restated Statement of Profit and Loss and Consolidated Restated Statements of Cash Flows for the period/year ended on September 30, 2025, March 31, 2025, March 31, 2024, and March 31, 2023 and the annexure thereto (collectively, the “Consolidated Restated Financial Statements”) have been extracted by the management from the Audited Consolidated Financial Statements of the Company.

The Consolidated Restated Financial statements of the Company have been prepared to comply in all material respects with the accounting standards specified under section 133 of the Act read with the rule 7 of the Companies (Accounts) Rules, 2014. The Consolidated Restated Financial Statements have been prepared under the historical cost convention, on accrual basis. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

The Consolidated Restated Financial Statements have been prepared on a going concern basis, in as much as the management neither intends to liquidate the Company nor to cease operations. Accordingly, assets, liabilities, income and expenses are recorded on a Going Concern basis. Based on the nature of products and services, and the time between the acquisition of assets and realization in cash or cash equivalents, the Company has ascertained its operating cycle as 12 months for the purposes of current and non-current classification of assets and liabilities.

##### 2. Use of estimates

The preparation of Consolidated Restated Financial Statements required the management to make estimates and assumptions that affect the reported balance of assets and liabilities, revenues and expenses including of warranty claims and disclosures relating to contingent liabilities. The Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Future results could differ from these estimates. Any revision of accounting estimates is recognized prospectively in the current and future periods. Significant estimates used by the management in the preparation of these financial statements include estimates of the economic useful life of plant and equipment, provision for expenses, etc.

#### Principles of Consolidation

The Consolidated financial statements have been prepared in accordance with Accounting Standard 21 (AS-21) – “Consolidated Financial Statements”. The Consolidated financial statements comprise the financial statements of HGS (India) Limited (Parent Company) and the following subsidiary: -

Name of Company	Country of Incorporation	Holding (%)
HGS products B.V.	The Netherlands	100.00%

##### 3. Property, Plant and Equipments

Property, Plant and Equipments are stated at cost of acquisition or construction, or at revalued amounts, net of impairment loss if any, less accumulated depreciation/amortization. The Company capitalizes all costs including costs of borrowed funds and duties & taxes attributable to acquisition or construction of fixed assets, up to the date the assets are put to use. Assessment of indication of impairment of an asset is made at the year end and impairment loss, if any, recognized.

The Company adjusts exchange differences arising on translation/settlement of long term foreign currency monetary items pertaining to the acquisition of depreciable assets to the cost of the asset and depreciates the same over the remaining life of the asset.

Subsequent expenditures related to Property; Plant & Equipment are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

Assets are capitalized as capital work-in-progress till it is not ready for the intended use. At the point when an asset is operating at management's intended use, the cost of asset is transferred to the appropriate category of property, plant and equipment and depreciation commences.

#### **4. Intangible Assets**

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and impairment losses, if any.

#### **5. Borrowing costs**

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

#### **6. Depreciation**

Depreciation is provided on Property, Plant and Equipment from the date of installation/acquisition on a pro-rata basis. Depreciation is being provided on Straight line method as per useful life of the asset specified in schedule II of the Companies Act 2013.

The Company has adopted component accounting, wherever applicable, and identifies and determines cost of each component/part separately, if the component part has a cost which is significant to the total cost of the asset having useful life that is materially different from that of the remaining asset. These components are depreciated over their useful life; the remaining asset is depreciated over the life of the principal asset.

Intangible fixed assets are amortized on straight line basis over their estimated useful economic life. The Company is amortizing its software over its useful life on pro rata basis.

The estimated useful lives of the intangible asset i.e., Computer Software is 5 years.

#### **7. Impairment**

The carrying amounts of assets are reviewed at each balance sheet date to assess whether there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of amount.

#### **8. Revenue recognition**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Specifically,

- i) Revenue from sale of goods is recognized at the point of dispatch of the finished goods to the customers. Sales are inclusive of excise duty and exclusive of sales tax. Sales includes warranty sales and sample sales.
- ii) Income under repair charges is recognized on accrual basis on execution of Contracts.
- iii) Exports Benefits including duty drawbacks are recognized when sanctioned by the authorities.
- iv) Interest income is recognized on time proportion basis at applicable Interest rate.
- v) Business Auxiliary Services are recognized on accrual basis as per terms and condition of the contract.

- vi) Rent income is recognized on accrual basis.
- vii) Management Fees is recognized on accrual basis as per terms and conditions of the contract.
- viii) Dividend income is accounted for when right to receive is established.
- ix) Profit/loss on sale of investments is recognized at the time of actual sale/redemption.

## **9. Foreign currency transactions**

### **Initial Recognition**

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.

### **Conversion**

Foreign currency monetary items are reported using the closing rate. Non-monetary items, which are measured in terms of historical costs denominated in foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

### **Exchange Differences**

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

For exchange differences arising on certain long term foreign currency monetary items, refer to note 3 on Property, Plant and Equipments and note 10 on forward exchange contracts to hedge foreign currency risks.

All other exchange differences are recognized as income or as expenses in the period in which they arise.

### **Foreign Subsidiaries/Associates**

All the activities of the foreign subsidiaries/associates are carried out with a significant degree of autonomy from those of the parent. Accordingly, as per the provisions of Accounting Standard - 11 (AS-11) "Effect of changes in foreign exchange rates", these operations have been classified as "Non-integral operations" and therefore all the assets and liabilities, both monetary and non-monetary, are translated at the closing rates while income and expenses are translated at the average exchange rates. The resulting exchange differences are accumulated in the foreign currency translation reserve account until the disposal of net investment.

## **10. Forward exchange contracts to hedge foreign currency risks**

The Company uses foreign exchange forward contracts to mitigate its exposure to movements in foreign exchange rates in respect of highly probable transactions or firm commitments. No premium or discount is recorded separately on such foreign exchange contracts. The gain/losses arising on settlement/cancellation of the contracts are recognized in the profit and loss account of the period of such cancellation/settlement. Provision for losses in respect of all outstanding derivative contracts are made at the Balance sheet date by marking them to market keeping in view the principle of prudence as enunciated in Accounting Standard 1(AS-1).

## **11. Investments**

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments or short-term investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are valued at lower of cost and fair value determined on an individual investment basis. Changes in the carrying amount of current investments are recognized in the statement of profit and loss account.

Long term investments are valued at cost. However, provision for diminution in value is made to recognize decline that is other than temporary in the value of investments, wherever considered necessary.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

## **12. Inventories**

Raw materials, components, stores and spares are valued at the cost. Cost is determined on FIFO basis. Scrap is valued at net realizable value. Finished goods are valued at lower of cost or net realizable value.

Cost of finished goods, work in progress (WIP) and Intermediate goods comprise raw material cost on First in First out (FIFO) basis plus actual conversion cost.

## **13. Retirement benefits**

**The different types of retirement and employee benefits are accounted for as follows:**

- i. Contributory provident fund benefit is a defined contribution scheme and the contribution is charged to the statement of profit and loss account of the year when the contribution to the respective fund is due. There is no obligation other than the contribution payable to the respective fund.
- ii. Employees' Gratuity liability is fully covered under a gratuity cum Insurance Policy of Life Insurance Corporation of India taken by HGS (India) Limited Employees Gratuity Trust Fund and contributions made by the Company to the said fund of the amount of accruing liability each year, is charged to Profit & Loss Account. The gratuity liability in the current financial year is based on independent actuarial valuation.
- iii. Accrual for leave encashment benefit is based on actuarial valuation as on the date of the balance sheet in pursuance of the Company's leave rules.

## **14. Income and deferred taxes**

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961 and tax laws prevailing in the respective tax jurisdictions where the Company operates.

Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted at the balance sheet date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax asset on unabsorbed depreciation and carry forward losses is recognized only to the extent that there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each balance sheet date, the Company reassesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

## **15. Cash and cash equivalents**

Cash and cash equivalents comprise cash at bank and cash/cheques in hand and short-term deposits with Banks with an original maturity of three months or less.

## **16. Earnings per share**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. The weighted average number of equity shares is adjusted for events such as bonus issue and shares split that have changed the number of equity shares outstanding without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss attributable to equity shareholders and the weighted average number of shares outstanding are adjusted for the effects of all dilutive potential equity shares if any.

## **17. Provisions**

A provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

## **18. Contingent liabilities**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is probable that an outflow of resources will be required to settle the obligations. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

## **19. Warranty**

Warranty is provided for as estimated by the management.

## **20. Research & Development**

Expenditure on Research & Development including that of capital nature is charged against the profit of the year in which it is incurred.

## **21. Segment Reporting**

### **A. Business Segment**

Based on the guiding principles given in Accounting Standard 17 (AS - 17) on Segment Reporting issued by ICAI, since the Company is only engaged in the business of manufacturing Geophone strings, Cables and Connectors, the Company has only one business segment.

### **B. Geographical Segment**

The Company has identified geographical segments as primary segment based on the location of customers, namely Domestic and Export, for the purpose of segment reporting, as the risks and returns associated with exports to customers in different countries are similar.

### **Changes in Accounting Policies in the years covered in the financials**

There was no change in the accounting policies, which needs to be adjusted in the restated financial statements.

**\*Provision for warranty**

A provision is recognized for expected warranty claims on products sold during the year, based on past experience of the level of repairs and returns. It is expected that significant portion of these costs will be incurred in the next financial year. Assumptions used to calculate the provision for warranties are based on current sales levels and current information available about returns based on one year / two-year warranty period for all products sold. The provision for current year is made @1% (Previous year @1%) of the sales. The table below gives information about movement in warranty provisions.

### **RESTATED STATEMENT OF SEGMENT REPORTING**

#### **SEGMENT REPORTING**

##### **1. Primary Segment (Geographic Segment)**

The Company has identified geographic segments as its primary segment. The Company has identified geographical segments based on the location of customers, namely Domestic and Export, for the purpose of segment reporting, as the risks and returns associated with exports to customers in different countries are similar. Revenue from external customers shall be reliably attributed to these geographical segments. However, the segment results, assets and liabilities are not separately identifiable and cannot be allocated to these segments due to centralized operations and the absence of a reasonable basis for allocation. Accordingly, the Company has disclosed only segment revenue.

EBITDA	1,020.66	1,530.85	615.88	636.79

**Note:**

- The ratios have been computed as below:
  - Basic and Diluted earnings per share (₹): Net profit after tax as restated for calculating diluted EPS / Weighted average number of equity shares outstanding at the end of the year for diluted EPS.
  - Return on net worth (%): Net profit after tax (as restated) / Net worth at the end of the year.
  - Net assets value per share -: Net Worth at the end of the period or year / Total number of equity shares outstanding at the end of the year.
- Weighted average number of equity shares is the number of equity shares outstanding at the beginning of the period/year adjusted by the number of equity shares issued during period/year multiplied by the time weighting factor. The time weighting factor is the number of days for which the specific shares are outstanding as a proportion of total number of days during the year
- The Company has issued bonus shares in the ratio of 1:5. In terms of AS-20 "Earning Per Share", the number of equity shares outstanding before the event is adjusted for the proportionate change in the number of equity shares outstanding as if the event had occurred at the beginning of the earliest period reported. Consequently, the basic and diluted earnings per share for all comparative periods have been restated to reflect the impact of the bonus issue, ensuring consistency and comparability across reporting periods.
- Net worth means Equity share capital + Reserves and surplus (including, Securities Premium, General Reserve, Foreign Currency Translation Reserve, Capital Redemption Reserves and surplus in statement of profit and loss and excluding Revaluation Reserve).
- The figures disclosed above are based on the restated summary statements of the Company.
- EBITDA has been calculated as Profit before tax + Depreciation + Interest Expenses.
- The above statement should be read with the significant accounting policies and notes to restated statements of assets and liabilities, Statement of profits and losses and Statement of cash flows appearing in Annexures IV, I, II and III.

## **MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITIONS AND RESULTS OF OPERATIONS**

*You should read the following discussion in conjunction with our restated Consolidated financial statements attached in the chapter titled “Financial Information of the Company” beginning on page 198. You should also read the section titled “Risk Factors” on page 22 and the section titled “Forward Looking Statements” on page 21 of this Draft Red Herring Prospectus, which discusses a number of factors and contingencies that could affect our financial condition and results of operations. The following discussion relates to us, and, unless otherwise stated or the context requires otherwise, is based on our Restated Consolidated financial Statements. Our financial statements have been prepared in accordance with Indian GAAP, the Companies Act and the SEBI (ICDR) Regulations and restated as described in the report of our auditor dated March 17, 2026 which is included in this Draft Red Herring Prospectus under “Financial Statements”. The Restated Consolidated Financial Information has been prepared on a basis that differs in certain material respects from generally accepted accounting principles in other jurisdictions, including US GAAP and IFRS. Our financial year ends on March 31 of each year, and all references to a particular financial year are to the twelve-month period ended March 31 of that year.*

### **BUSINESS OVERVIEW**

HGS (India) Limited, (HGSI) was established in 1986 in technical and financial collaboration with Geosource Inc USA, to manufacture geophone strings, seismic cables & connectors. When Geosource Inc was bought out by HGS Inc USA, Geosource India Limited changed its name to HGS (India) Ltd.

We are engaged in the business of manufacturing geophones, geophone strings, seismic cables, geophysical connectors, and parts and accessories for geophysical equipment for the seismic industry within the energy and geoscience sectors. Our products are used in the acquisition of seismic data and are integral to recording and transmitting ground vibration signals for the processing, interpretation, and analysis of subsurface geological structures.

Our product portfolio includes Geophone Elements precision-engineered for high-resolution surveys, including ultra-sensitive models for passive monitoring. Alongside these, we manufacture custom-configured Geophone Strings tailored for land and marsh environments. Beyond core sensor technology, our offerings span the full spectrum of seismic accessories. This includes Seismographs & Accelerographs, Seismometers, Seismic System Cables, Panel-mount Connectors, Battery Chargers and specialized heavy-duty equipment like Weight Drops and Pig Tracking Systems. This wide range ensures seamless client compatibility across diverse field operations. We manufacture our products under the brand name “HG” that sets the gold standard for quality and reliability. Over the years we have also invested in backward integration where we focus on critical component manufacturing with multiple extrusion and cable lines to meet wire and cable requirements and 16 Injection Moulding Machines to manufacture components internally. This vertical integration ensures absolute quality control over every input used in their final assemblies.

We manufacture our products utilizing raw materials like: engineered plastic granules, copper, brass, aluminium and stainless steel and mild steel and special conductors designed to meet the operational and quality standards of our vast product-line. Our products are custom-developed to satisfy specific customer requirements. Our solutions are utilized extensively in Oil & Gas Exploration, Defence Research, Mineral Exploration, Vibration Monitoring, Geophysical Seabed Surveys, Earthquake Seismology, and Applied & Academic Research industries & Institutes. Beyond seismic data acquisition systems, we also manufacture cables and connectors for resistivity meters and radar equipment. As a One Star Export House, we maintain a broad global client base across the United States, Germany, Sweden, Switzerland, Estonia, Slovakia, Netherlands, South Africa, Saudi Arabia, Australia, Spain, United Kingdom, Norway, Ukraine, Brazil, Canada, Indonesia, Denmark, UAE and many other nations. Our primary focus is delivering integrated services to global seismic contractors and major oil companies.

Our manufacturing facility is situated in Manesar, Haryana, utilizing machinery such as: Precision assembly lines, Injection moulding machines for ruggedized casings and other thermoplastic sub-assemblies, Coil winding and magnetizing equipment. The production process is supported by in-house testing facilities capable of environmental stress screening and harmonic distortion analysis. This ensures our sensors withstand extreme temperatures ranging from -40°C to +200°C. We are Recognized as a 100% Export Oriented Unit by NSEZ (Noida Special Economic Zone). Our operations adhere to stringent quality standards that include:

- ISO 9001:2015 certified (Quality Management System issued by TUV SUD)
- Awarded the ZED Gold Certification (“Zero Defect Zero Effect”) by the Ministry of MSME

In the year 2015 HGSI established its wholly owned subsidiary HGS Products B.V. in Netherlands to provide comprehensive global sales support.

The initial subscribers to the Company's Memorandum of Association were the Late Major Brijendra Singh (succeeded by Ms. Cecilia Magareta Singh Ramel), along with. Anil Dass, Shashi Singh, N. Rajagopal, Krishna Pal Singh, P. Manoharan, and Sunil Sharma. The Company is presently led by Promoter and Managing Director Mr. Anil Dass, who brings approximately 40 years of industry experience.

In case the minimum number of prospective allottees is less than 200, no allotment will be made pursuant to this Offer and the monies collected shall be unblocked forthwith.

### **Jurisdiction**

Exclusive jurisdiction for the purpose of this Offer is with the competent courts/ authorities in Delhi, India.

**The Equity Shares have not been and will not be registered under the Securities Act or any state securities laws in the United States, and may not be offered or sold within the United States, except pursuant to an exemption from or in a transaction not subject to, registration requirements of the Securities Act. Accordingly, the Equity Shares are only being offered or sold outside the United States in compliance with Regulation S under the Securities Act and the applicable laws of the jurisdictions where those offers and sales occur.**

**The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and applications may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.**

### **Joint Holders**

Where 2 (two) or more persons are registered as the holders of any Equity Shares, they will be deemed to hold such Equity Shares as joint-holders with benefits of survivorship.

### Nomination Facility to Investor

In accordance with Section 72 of the Companies Act, 2013 the sole or first applicant, along with other joint applicant, may nominate any one person in whom, in the event of the death of sole applicant or in case of joint applicant, death of all the applicants, as the case may be, the Equity Shares allotted, if any, shall vest. A person, being a nominee, entitled to the Equity Shares by reason of the death of the original holder(s), shall in accordance with Section 72 of the Companies Act, 2013 be entitled to the same advantages to which he or she would be entitled if he or she were the registered holder of the Equity Share(s). Where the nominee is a minor, the holder(s) may make a nomination to appoint, in the prescribed manner, any person to become entitled to Equity Share(s) in the event of his or her death during the minority. A nomination shall stand rescinded upon a sale of equity share(s) by the person nominating. A buyer will be entitled to make a fresh nomination in the manner prescribed. Fresh nomination can be made only on the prescribed form available on request at the Corporate Office of our Company or to the Registrar and Transfer Agents of our Company.

In accordance with Section 72 of the Companies Act, 2013 any Person who becomes a nominee by virtue of Section 72 of the Companies Act, 2013 shall upon the production of such evidence as may be required by the Board, elect either:

- a) to register himself or herself as the holder of the Equity Shares; or
- b) to make such transfer of the Equity Shares, as the deceased holder could have made.

Further, the Board may at any time give notice requiring any nominee to choose either to be registered himself or herself or to transfer the Equity Shares, and if the notice is not complied with within a period of 90 (ninety) days, the Board may thereafter withhold payment of all dividends, bonuses or other moneys payable in respect of the Equity Shares, until the requirements of the notice have been complied with.

Since the allotment of Equity Shares in Offer is in dematerialized form, there is no need to make a separate nomination with us. Nominations registered with the respective depository participant of the applicant would prevail. If the investors require changing the nomination, they are requested to inform their respective depository participant.

The Anchor Investor Bid/Offer Period shall be one Working Day prior to the Bid/Offer Opening Date in accordance with the SEBI (ICDR) Regulations.

<sup>2</sup>Our Company, in consultation with the Book Running Lead Manager, may consider closing the Bid/Offer Period for QIBs one Working Day prior to the Bid/Offer Closing Date in accordance with the SEBI (ICDR) Regulations.

<sup>3</sup>UPI mandate end time and date shall be at 5.00 p.m. on Bid/Offer Closing Date

\*In case of any delay in unblocking of amounts in the ASBA Accounts (including amounts blocked through the UPI Mechanism) exceeding four Working Days from the Bid/ Offer Closing Date, the Bidder shall be compensated at a uniform rate of ₹100 per day for the entire duration of delay exceeding four Working Days from the Bid/ Offer Closing Date by the intermediary responsible for causing such delay in unblocking. The Book Running Lead Manager shall, in their sole discretion, identify and fix the liability on such intermediary or entity responsible for such delay in unblocking. For the avoidance of doubt, the provisions of the SEBI circular dated March 16, 2021, as amended pursuant to SEBI circular dated June 2, 2021 shall be

deemed to be incorporated in the agreements to be entered into by and between the Company and the relevant intermediaries, to the extent applicable.

**The above time table is indicative and does not constitute any obligation on our Company. Whilst our Company shall ensure that all steps for the completion of the necessary formalities for the listing and the commencement of trading of the Equity Shares on NSE is taken within Three Working Days from the Offer Closing Date, the timetable may change due to various factors, such as extension of the Offer Period by our Company or any delays in receiving the final listing and trading approval from the Stock Exchange. The Commencement of trading of the Equity Shares will be entirely at the discretion of the Stock Exchange and in accordance with the applicable laws.**

**Any circulars or notifications from the SEBI after the date of this Draft Red Herring Prospectus may result in changes to the above-mentioned timelines. Further, the Offer procedure is subject to change to any revised circulars issued by the SEBI to this effect.**

In terms of the UPI Circulars, in relation to the Offer, the BRLM will be required to submit reports of compliance with listing timelines and activities prescribed by the SEBI, identifying non-adherence to timelines and processes and an analysis of entities responsible for the delay and the reasons associated with it.

#### **Submission of Bids (Other than Bids from Anchor Investors)**

The above timetable is indicative and does not constitute any obligation on our Company or the Book Running Lead Manager. Whilst our Company shall ensure that all steps for the completion of the necessary formalities for the listing and the commencement of trading of the Equity Shares on the Stock Exchange are taken within three Working Days of the Bid/Offer Closing Date, the timetable may change due to various factors, such as extension of the Bid/Offer Period by our Company, revision of the Price Band or any delays in receiving the final listing and trading approval from the Stock Exchange. The Commencement of trading of the Equity Shares will be entirely at the discretion of the Stock Exchange and in accordance with the applicable laws.

It is clarified that Bids not uploaded on the electronic bidding system or in respect of which the full Bid Amount is not blocked by SCSBs or not blocked under the UPI Mechanism in the relevant ASBA Account, as the case may be, would be rejected.

Due to the limitation of time available for uploading the Bid-Cum-Application Forms on the Bid/ Offer Closing Date, Bidders are advised to submit their applications one (1) day prior to the Bid/ Offer Closing Date and, in any case, not later than 3.00 P.M. (IST) on the Bid/ Offer Closing Date. Any time mentioned in this Draft Red Herring Prospectus is IST. Bidders are cautioned that, in the event a large number of Bid-Cum- Application Forms are received on the Bid/ Offer Closing Date, as is typically experienced in public Offer, some Bid-Cum- Application Forms may not get uploaded due to the lack of sufficient time. Such Bid-Cum- Application Forms that cannot be uploaded will not be considered for allocation under this Offer. Applications will be accepted only on Working Days, i.e., Monday to Friday (excluding any public holidays). Neither our Company nor the Book Running Lead Manager is liable for any failure in uploading the Bid-Cum- Application Forms due to faults in any software/hardware system or otherwise.

In accordance with SEBI (ICDR) Regulations, Bidders are not allowed to withdraw or lower the size of their application (in terms of the quantity of the Equity Shares or the Application amount) at any stage. In case of discrepancy in the data entered in the electronic book vis-à-vis the data contained in the physical Bid-Cum- Application Form, for a particular Bidder, the details as per the file received from Stock Exchange may be taken as the final data for the purpose of Allotment. In case of discrepancy in the data entered in the electronic book vis-à-vis the data contained in the physical or electronic Bid-Cum-Application Form, for a particular ASBA Bidder, the Registrar to the Offer shall ask the relevant SCSBs / RTAs / DPs / stock brokers, as the case may be, for the rectified data.

Our Company in consultation with the Book Running Lead Manager, reserves the right to revise the Price Band during the Bid/ Offer Period. The revision in the Price Band shall not exceed 20% on either side, i.e. the Floor Price can move up or down to the extent of 20% of the Floor Price and the Cap Price will be revised accordingly. The Floor Price shall not be less than the face value of the Equity Shares.

In case of any revision to the Price Band, the Bid/ Offer Period will be extended by at least three additional Working Days following such revision of the Price Band, subject to the Bid/ Offer Period not exceeding a total of 10 Working Days. In cases

of force majeure, banking strike or similar circumstances, our Company in consultation with the Book Running Lead Manager, for reasons to be recorded in writing, extend the Bid/ Offer Period for a minimum of one Working Days, subject to the Bid/ Offer Period not exceeding 10 Working Days. Any revision in the Price Band and the revised Bid/ Offer Period, if applicable, will be widely disseminated by notification to the Stock Exchange, by issuing a public notice, and also by indicating the change on the respective websites of the Book Running Lead Manager and the terminals of the Syndicate Members, if any and by intimation to SCSBs, other Designated Intermediaries and the Sponsor Bank, as applicable. In case of revision of Price Band, the Bid Lot shall remain the same.

### **Minimum Subscription and Underwriting**

Minimum subscription in the Offer is 90% and the Offer is 100% underwritten. As per Section 39 of the Companies Act, 2013, if the stated minimum amount is not subscribed and the sum payable on application is not received within a period of 30 days from the date of the Prospectus, or such other period as may be specified by the SEBI, the application money has to be returned within such period as may be prescribed. If the stated minimum amount has not been subscribed and the sum payable on application is not received within the period specified therein, then the application money shall be repaid within a period of fifteen days from the closure of the Offer and if any such money is not so repaid within such period, the directors of the Company who are officers in default shall jointly and severally be liable to repay that money with interest at the rate of fifteen percent per annum.

Subject to applicable law, the Selling Shareholders shall not be responsible to pay interest for any delay, unless such delay is solely and directly attributable to an act or omission of such Selling Shareholder, in which case such liability shall be on a several and not joint basis.

The requirement of minimum subscription is not applicable to the Offer for Sale.

In case of undersubscription in the Offer, the Equity Shares in the Fresh Offer will be offered prior to the sale of Equity Shares in the Offer for Sale.

Further, in accordance with Regulation 268(1) of the SEBI (ICDR) Regulations, our Company shall ensure that the number of prospective allottees to whom the Equity Shares will allotted will not be less than 200 (two-hundred).

In terms of Regulation 272(2) of SEBI (ICDR) Regulations, in case the Company fails to obtain listing or trading permission from the stock exchanges where the specified securities are proposed to be listed, it shall refund through verifiable means the entire monies received within four days of receipt of intimation from stock exchange(s) rejecting the application for listing of specified securities, and if any such money is not repaid within four days after the Offer becomes liable to repay it, the Offeror and every director of the Company who is an officer in default shall, on and from the expiry of the fourth day, be jointly and severally liable to repay that money with interest at the rate of fifteen per cent per annum.

Further, in accordance with Regulation 268(1) of the SEBI (ICDR) Regulations, our Company shall ensure that the number of prospective allottees to whom the Equity Shares will allotted will not be less than 200 (Two Hundred). In terms of Regulation 260 of the SEBI (ICDR) Regulations, 2018, the Offer is 100% underwritten. For details of underwriting arrangement, kindly refer the chapter titled “**General Information - Underwriting**” on page 68 of this Draft Red Herring Prospectus.

Further, in accordance with Regulation 267 of the SEBI (ICDR) Regulations, 2018, the minimum application size in terms of number of specified securities shall not be less than two lots. Provided that minimum application size shall be above ₹2 lakhs.

### **Migration to Main Board**

As per the provisions of the Chapter IX of the SEBI (ICDR) Regulation, 2018 read with SEBI ICDR (Amendment) Regulations, 2025 to the extent applicable, our Company may migrate to the main Board of NSE from the SME Exchange on a later date subject to the following:

As per Regulation 280(2) of the SEBI ICDR Regulation, 2018 read along with SEBI ICDR (Amendment) Regulations, 2025, Where the post-Offer paid up capital of the Company listed on a NSE Emerge is likely to increase beyond twenty-five crore rupees by virtue of any further issue of capital by the Company by way of rights issue, preferential issue, bonus issue, etc. the Company shall migrate its equity shares listed on NSE Emerge to the Main Board and seek listing of the equity shares proposed

to be offered on the Main Board subject to the fulfilment of the eligibility criteria for listing of equity shares laid down by the Main Board:

Provided that no further issue of capital shall be made unless –

- a) the shareholders have approved the migration by passing a special resolution through postal ballot wherein the votes cast by shareholders other than promoters in favour of the proposal amount to at least two times the number of votes cast by shareholders other than promoter shareholders against the proposal;
- b) the Company has obtained an in-principal approval from the Main Board for listing of its entire specified securities on it.

Provided further that where the post-Offer paid-up capital pursuant to further issue of capital including by way of rights issue, preferential issue, bonus issue, is likely to increase beyond ₹25 crores, the Company may undertake further issuance of capital without migration from SME exchange to the main Board, subject to the undertaking to comply with the provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as applicable to companies listed on the main Board of the stock exchange(s)."

If the Paid-up Capital of the Company is more than ₹10 crores but below ₹25 crores, we may still apply for migration to the main Board if the same has been approved by a special resolution through postal ballot wherein the votes cast by the shareholders other than the promoters in favour of the proposal amount to at least two times the number of votes cast by shareholders other than promoter shareholders against the proposal.

SEBI through its UPI Circular no. SEBI/HO/CFD/DIL2/CIR/P/2018/138 dated November 1, 2018 read with its circular no. SEBI/HO/CFD/DIL2/CIR/P/2019/50 dated April 3, 2019 and circular no. SEBI/HO/CFD/DIL2/CIR/P/2019/76 dated June 28, 2019, has introduced an alternate payment mechanism using Unified Payments Interface (UPI) and consequent reduction in timelines for listing in a phased manner. From January 1, 2019, the UPI Mechanism for Individual Investors applying through Designated Intermediaries was made effective along with the existing process and existing timeline of T+3 days (“UPI Phase I”). The UPI Phase I was effective till June 30, 2019.

With effect from July 1, 2019, SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2019/76 dated June 28, 2019, read with circular bearing number SEBI/HO/CFD/DIL2/CIR/P/2019/85 dated July 26, 2019 with respect to Bids by RIIs through Designated Intermediaries (other than SCSBs), the existing process of physical movement of forms from such Designated Intermediaries to SCSBs for blocking of funds has been discontinued and only the UPI Mechanism for such Bids with existing timeline of T+6 days was mandated for a period of three months or launch of five main Board public Offers, whichever is later (“UPI Phase II”). Further, as per the SEBI circular (SEBI/HO/CFD/DCR2/CIR/P/2019/133) dated November 8, 2019, the UPI Phase II had been extended until March 31, 2020. However, due to the outbreak of COVID-19 pandemic, UPI Phase II has been further extended by SEBI until further notice, by its circular (SEBI/HO/CFD/DIL2/CIR/P/2020/50) dated March 30, 2020. Thereafter, the final reduced timeline of T+3 days may be made effective using the UPI Mechanism for applications by Retail Individual Investors (“UPI Phase III”), as may be prescribed by SEBI. Further, SEBI, vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2021/2480/1/M dated March 16, 2021, and circular no. SEBI/HO/CFD/DIL2/P/CIR/2021/570 dated June 2, 2021, has introduced certain additional measures for streamlining the process of initial public Issues and redressing investor grievances. This circular is effective for initial public Issues opening on or after May 1, 2021, except as amended pursuant to SEBI circular SEBI/HO/CFD/DIL2/P/CIR/2021/570 dated June 2, 2021, and SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2022/51 dated April 20, 2022, and the provisions of this circular are deemed to form part of this Prospectus. Furthermore, pursuant to SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/P/2022/45 dated April 5, 2022, all individual Investors in initial public Issue (opening on or after May 1, 2022) whose application sizes are up to ₹ 500,000 shall use the UPI Mechanism.

Furthermore, SEBI vide press release bearing number 12/2023 has approved the proposal for reducing the time period for listing of shares in public Offer from existing 6 working days to 3 working days from the date of the closure of the Offer. The revised timeline of T+3 days shall be made applicable in two phases i.e. voluntary for all public Offers opening on or after September 1, 2023 and mandatory on or after December 1, 2023. Further, SEBI has vide its circular no. SEBI/HO/CFD/TPD1/CIR/P/2023/140 dated August 9, 2023 reduced the time taken for listing of specified securities after the closure of a public Offer to three Working Days. Accordingly, the Offer will be made under UPI Phase III on a mandatory basis, subject to any circulars, clarification or notification issued by the SEBI from time to time.

The list of Banks that have been notified by SEBI as Offeror Banks for UPI are provided on <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognisedFpi=yes&intmId=40>. The list of Stockbrokers,

Please note that the information stated/covered in this section may not be complete and/or accurate and as such would be subject to modification/change. Our Company and Book Running Lead Manager do not accept any responsibility for the completeness and accuracy of the information stated in this section and the General Information Document. Our Company and Book Running Lead Manager would not be able to include any amendment, modification or change in applicable law, which may occur after the date of Prospectus. Applicants are advised to make their independent investigations and ensure that their application do not exceed the investment limits or maximum number of Equity Shares that can be held by them under applicable law or as specified in the Draft Red Herring Prospectus and Red Herring Prospectus. Further, the Company and the LM are not liable for any adverse occurrence’s consequent to the implementation of the UPI Mechanism for application in this Offer.*

### **Phased implementation of Unified Payments Interface**

SEBI has issued the UPI Circulars in relation to streamlining the process of public Offer of, inter alia, equity shares. Pursuant to the SEBI circular bearing number SEBI/HO/CFD/DIL2/CIR/P/2018/138 dated November 1, 2018, SEBI circular bearing number SEBI/HO/CFD/DIL2/CIR/P/2019/50 dated April 3, 2019, SEBI circular bearing number SEBI/HO/CFD/DIL2/CIR/P/2019/76 dated June 28, 2019, SEBI circular bearing number SEBI/HO/CFD/DIL2/CIR/P/2019/85 dated July 26, 2019, SEBI circular bearing number SEBI/HO/CFD/DIL2/CIR/P/2020/50 dated March 30, 2020 (“Previous UPI Circulars”) and the UPI Circulars, the UPI Mechanism has been introduced in a phased manner as a payment mechanism (in addition to mechanism of blocking funds in the account maintained with SCSBs under ASBA) for applications by UPI Bidders through Designated Intermediaries with the objective to reduce the time duration from public Offer closure to listing from six Working Days to up to three Working Days. The SEBI in its circular no. SEBI/HO/CFD/TPD1/CIR/P/2023/140 dated August 9, 2023, has reduced the time period for listing of equity shares pursuant to a public Offer from six Working Days to three Working Days. The timeline was applicable on a voluntary basis for public Offers opening on or after September 1, 2023 and has been made applicable on a mandatory basis for public Offers opening on or after December 1, 2023. Considering the time required for making necessary changes to the systems and to ensure complete and smooth transition to the UPI payment mechanism, the UPI Circulars have introduced the UPI Mechanism in three phases in the following manner:

**Phase I:** This phase was applicable from January 1, 2019 until March 31, 2019 or floating of five main Board public Offers, whichever was later. Subsequently, the timeline for implementation of Phase I was extended till June 30, 2019. Under this phase, an RIIs had the option to submit the ASBA Form with any of the Designated Intermediary and use his/ her UPI ID for the purpose of blocking of funds. The time duration from public Offer closure to listing continued to be six Working Days.

**Phase II:** This phase became applicable from July 1, 2019 and was to initially continue for a period of three months or floating of five main Board public Offers, whichever was later. SEBI vide its circular no. SEBI/HO/CFD/DCR2/CIR/P/2019/133 dated November 8, 2019 had decided to extend the timeline for implementation of UPI Phase II until March 31, 2020. Subsequently, SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2020/50 dated March 30, 2020 extended the timeline for implementation of UPI Phase II until further notice. Under this phase, submission of the ASBA Form by RIIs through Designated Intermediaries (other than SCSBs) to SCSBs for blocking of funds was discontinued and replaced by the UPI Mechanism. However, the time duration from public Offer closure to listing continued to be six Working Days during this phase.

**Phase III:** This phase has become applicable on a voluntary basis for all Offers opening on or after September 1, 2023 and on a mandatory basis for all Offers opening on or after December 1, 2023, vide SEBI circular bearing number SEBI/HO/CFD/TPD1/CIR/P/2023/140 dated August 9, 2023 (“**T+3 Notification**”). In this phase, the time duration from public Offer closure to listing has been reduced to three Working Days. The Offer shall be undertaken pursuant to the processes and procedures as notified in the T+3 Notification as applicable, subject to any circulars, clarification or notification issued by SEBI from time to time, including any circular, clarification or notification which may be issued by SEBI. The Offer is being made under Phase III of the UPI (on a mandatory basis). The processing fees for applications made by UPI Bidders may be released to the SCSBs only after such banks provide a written confirmation, in compliance with the SEBI RTA Master Circular in a format as prescribed by SEBI, from time to time, and such payment of processing fees to the SCSBs shall be made in compliance with circulars prescribed by SEBI and applicable law.

All SCSBs offering facility of making application in public Offers shall also provide facility to make application using UPI. The Issuers will be required to appoint one of the SCSBs as the Sponsor Bank(s) to act as a conduit between the Stock Exchanges and NPCI in order to facilitate collection of requests and / or payment instructions of the Individual applicants into the UPI mechanism.

For further details, refer to the General Information Document available on the websites of the Stock Exchanges and the BRLM.

## **PART A**

### **Book Building Procedure**

In terms of Rule 19(2)(b) of the Securities Contracts (Regulation) Rules, 1957, as amended (the “SCRR”) read with Regulation 252 of SEBI (ICDR) Regulations, 2018, the Offer is being made for at least 25% of the post-Offer Paid-up Equity Share capital of our Company. The Offer is being made under Regulation 229(2) of Chapter IX of SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 via book building process wherein not more than 50% of the Offer shall be allocated on a proportionate basis to QIBs, provided that our Company and may, in consultation with the Book Running Lead Manager, allocate up to 60% of the QIB Portion to Anchor Investors on a discretionary basis in accordance with the SEBI (ICDR) Regulations. Pursuant to the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) (Third Amendment) Regulations, 2025, out of the Anchor Investor Portion, 40% shall be reserved, of which (i) 33.33% shall be available for allocation to domestic Mutual Funds and (ii) 6.67% shall be available for allocation to life insurance companies and pension funds, subject to valid Bids being received from domestic Mutual Funds, life insurance companies, and pension funds at or above the Anchor Investor Allocation Price. In the event of under-subscription under (ii) above, the allocation may be made to domestic Mutual Funds. Further, 5% of the QIB Portion (excluding the Anchor Investor Portion) shall be available for allocation on a proportionate basis only to Mutual Funds, and the remainder of the QIB Portion shall be available for allocation on a proportionate basis to all QIBs (other than Anchor Investors), including Mutual Funds, subject to valid Bids being received at or above the Offer Price. Further, not less than 15% of the Offer shall be available for allocation on a proportionate basis to Non-Institutional Investors, out of which (a) one-third of such portion shall be reserved for applicants with application size of more than 2 lots and up to ₹ 10.00 lakhs; and (b) two-third of such portion shall be reserved for applicants with application size of more than ₹ 10.00 lakhs, provided that the unsubscribed portion in either of such sub-categories may be allocated to applicants in the other sub- category of Non-Institutional Bidders and not less than 35% of the Offer shall be available for allocation to Individual Investors who applies for minimum application size in accordance with the SEBI (ICDR) Regulations, subject to valid Bids being received at or above the Offer Price.

Subject to valid Bids being received at or above the Offer Price, undersubscription, if any, in any category, except the QIB Portion, would be allowed to be met with spill-over from any other category or a combination of categories at the discretion of our Company in consultation with the Book Running Lead Manager, and the Designated Stock Exchange. However, under-subscription, if any, in the QIB Portion will not be allowed to be met with spillover from other categories or a combination of categories.

The Equity Shares, on Allotment, shall be traded only in the dematerialized segment of the Stock Exchanges. All potential Bidders (except Anchor Investors) are required to mandatorily utilize the ASBA process providing details of their respective ASBA accounts, and UPI ID (in case of UPI Bidders) if applicable, in which the corresponding Bid Amounts will be blocked by the SCSBs or under the UPI Mechanism, as applicable.

Bidder must ensure that their PAN is linked with Aadhaar and are in compliance with the notification by the Central Board of Direct Taxes dated February 13, 2020, read with press releases dated June 25, 2021, and September 17, 2021 and March 30, 2022, read with press release dated March 28, 2023. Bidders should note that the Equity Shares will be Allotted to all successful Bidders only in dematerialized form. The Bid cum Application Forms which do not have the details of the Bidders’ depository account, including DP ID, Client ID, PAN, and UPI ID, for UPI Bidders Bidding using the UPI Mechanism, shall be treated as incomplete and will be rejected. Bidders will not have the option of being Allotted Equity Shares in physical form. However, they may get the Equity Shares rematerialized subsequent to Allotment of the Equity Shares in the Offer, subject to compliance with Applicable Law.

### **Bid cum Application Form**

In case of revision in Applications, the Non-Institutional Bidders, who are individuals, have to ensure that the Application is for more than two lots for being considered for allocation in the Non-Institutional Portion.

Bidders are advised to ensure that any single Application from them does not exceed the investment limits or maximum number of Equity Shares that can be held by them under applicable law or regulation or as specified in this Draft Red Herring Prospectus.

The above information is given for the benefit of the Bidders. The Company and the Book Running Lead Manager are not liable for any amendments or modification or changes in applicable laws or regulations, which may occur after the date of this Draft Red Herring Prospectus. Bidders are advised to make their independent investigations and ensure that the number of Equity Shares applied for do not exceed the applicable limits under laws or regulations.

## **METHOD OF BIDDING PROCESS**

Our Company in consultation with the Book Running Lead Manager will decide the Price Band and the minimum Bid lot size for the Offer and the same shall be advertised in all editions of [●] the English national daily newspaper, all editions of [●] and a Hindi national daily newspaper [●] Hindi also being the regional language of Delhi, where our Registered Office is located, each with wide circulation, at least two Working Days prior to the Bid/ Offer Opening Date. The Book Running Lead Manager and the SCSBs shall accept Bids from the Bidders during the Bid/ Offer Period.

- a) The Bid / Offer Period shall be for a minimum of three Working Days and shall not exceed 10 Working Days. The Bid/ Offer Period maybe extended, if required, by an additional one Working Days, subject to the total Bid/ Offer Period not exceeding 10 Working Days. Any revision in the Price Band and the revised Bid/ Offer Period, if applicable, will be published in all editions of [●] the English national daily newspaper, all editions of [●] and a Hindi national daily newspaper [●] Hindi also being the regional language of Delhi, each with wide circulation and also by indicating the change on the websites of the Book Running Lead Manager.
- b) During the Bid/ Offer Period, Individual Bidders, should approach the Book Running Lead Manager or their authorized agents to register their Bids. The Book Running Lead Manager shall accept Bids from Anchor Investors and ASBA Bidders in Specified Cities and it shall have the right to vet the Bids during the Bid/ Offer Period in accordance with the terms of the Red Herring Prospectus. ASBA Bidders should approach the Designated Branches or the Book Running Lead Manager (for the Bids to be submitted in the Specified Cities) to register their Bids.
- c) Each Bid cum Application Form will give the Bidder the choice to Bid for up to three optional prices (for details refer to the paragraph titled “Bids at Different Price Levels and Revision of Bids” below) within the Price Band and specify the demand (i.e., the number of Equity Shares Bid for) in each option. The price and demand options submitted by the Bidder in the Bid cum Application Form will be treated as optional demands from the Bidder and will not be cumulated. After determination of the Offer Price, the maximum number of Equity Shares Bid for by a Bidder/Applicant at or above the Offer Price will be considered for allocation/Allotment and the rest of the Bid(s), irrespective of the Bid Amount, will become automatically invalid.
- d) The Bidder/ Applicant cannot Bid through another Bid cum Application Form after Bids through one Bid cum Application Form have been submitted to a Book Running Lead Manager or the SCSBs. Submission of a second Bid cum Application Form to either the same or to another Book Running Lead Manager or SCSB will be treated as multiple Bid and is liable to be rejected either before entering the Bid into the electronic bidding system, or at any point of time prior to the allocation or Allotment of Equity Shares in this Offer. However, the Bidder can revise the Bid through the Revision Form, the procedure for which is detailed under the paragraph “Buildup of the Book and Revision of Bids”.
- e) Except in relation to the Bids received from the Anchor Investors, the Book Running Lead Manager /the SCSBs will enter each Bid option into the electronic bidding system as a separate Bid and generate a Transaction Registration Slip, (“TRS”), for each price and demand option and give the same to the Bidder. Therefore, a Bidder can receive up to three TRSs for each Bid cum Application Form
- f) The Book Running Lead Manager shall accept the Bids from the Anchor Investors during the Anchor Investor Bid/ Offer Period i.e. one working day prior to the Bid/ Offer Opening Date. Bids by QIBs under the Anchor Investor Portion and the QIB Portion shall not be considered as multiple Bids.
- g) Along with the Bid cum Application Form, Anchor Investors will make payment in the manner described in “*Escrow*

***Mechanism - Terms of payment and payment into the Escrow Accounts***” in the section “***Offer Procedure***” beginning on page 307 of this Draft Red Herring Prospectus

- h) Upon receipt of the Bid cum Application Form, submitted whether in physical or electronic mode, the Designated Branch of the SCSB shall verify if sufficient funds equal to the Bid Amount are available in the ASBA Account, as mentioned in the Bid cum Application Form prior to uploading such Bids with the Stock Exchange.
- i) If sufficient funds are not available in the ASBA Account, the Designated Branch of the SCSB shall reject such Bids and shall not upload such Bids with the Stock Exchange.
- j) If sufficient funds are available in the ASBA Account, the SCSB shall block an amount equivalent to the Bid Amount mentioned in the Bid cum Application Form and will enter each Bid option into the electronic bidding system as a separate Bid and generate a TRS for each price and demand option. The TRS shall be furnished to the ASBA Bidder on request.
- k) The Bid Amount shall remain blocked in the aforesaid ASBA Account until finalisation of the Basis of Allotment and consequent transfer of the Bid Amount against the Allotted Equity Shares to the Public Offer Account, or until withdrawal/failure of the Offer or until withdrawal/rejection of the Bid cum Application Form, as the case may be. Once the Basis of Allotment is finalized, the Registrar to the Offer shall send an appropriate request to the SCSB for unblocking the relevant ASBA Accounts and for transferring the amount allocable to the successful Bidders to the Public Offer Account. In case of withdrawal/failure of the Offer, the blocked amount shall be unblocked on receipt of such information from the Registrar to the Offer.

#### **BIDS AT DIFFERENT PRICE LEVELS AND REVISION OF BIDS**

- a. Our Company in consultation with the Book Running Lead Manager, and without the prior approval of, or intimation, to the Bidders, reserves the right to revise the Price Band during the Bid/ Offer Period, provided that the Cap Price shall be less than or equal to 120% of the Floor Price and the Floor Price shall not be less than the face value of the Equity Shares. The revision in Price Band shall not exceed 20% on the either side i.e. the floor price can move up or down to the extent of 20% of the floor price disclosed. If the revised price band decided, falls within two different price bands than the minimum application lot size shall be decided based on the price band in which the higher price falls into.
- b. Our Company in consultation with the Book Running Lead Manager, will finalize the Offer Price within the Price Band, without the prior approval of, or intimation, to the Bidders.
- c. The Bidders can Bid at any price within the Price Band. The Bidder has to Bid for the desired number of Equity Shares at a specific price.
- d. The price of the specified securities Offered to an anchor investor shall not be lower than the price Offered to other applicants.

#### **Participation by Associates /Affiliates of Book Running Lead Manager and the Syndicate Members**

The Individual Applicants may apply through UPI Channel, they have to provide the UPI ID and validate the blocking of the funds and such Bid Cum Application Forms that do not contain such details are liable to be rejected.
8. Bidders applying directly through the SCSBs should ensure that the Bid Cum Application Form is submitted to a Designated Branch of SCSB, where the ASBA Account is maintained. Applications submitted directly to the SCSB's or other Designated Intermediaries (Other than SCSBs), the relevant SCSB, shall block an amount in the ASBA Account equal to the Application Amount specified in the Bid Cum Application Form, before entering the ASBA application into the electronic system.
9. Except for applications by or on behalf of the Central or State Government and the Officials appointed by the courts

and by investors residing in the State of Sikkim, the Bidders, or in the case of application in joint names, the first Bidder (the first name under which the beneficiary account is held), should mention his/her PAN allotted under the Income Tax Act. In accordance with the SEBI Regulations, the PAN would be the sole identification number for participating transacting in the securities market, irrespective of the amount of transaction. Any Bid Cum Application Form without PAN is liable to be rejected. The demat accounts of Bidders for whom PAN details have not been verified, excluding person resident in the State of Sikkim or persons who may be exempted from specifying their PAN for transacting in the securities market, shall be “suspended for credit” and no credit of Equity Shares pursuant to the Offer will be made into the accounts of such Bidders.

10. The Bidders may note that in case the PAN, the DP ID and Client ID mentioned in the Bid Cum Application Form and entered into the electronic collecting system of the Stock Exchange Designated Intermediaries do not match with PAN, the DP ID and Client ID available in the Depository database, the Bid Cum Application Form is liable to be rejected.

#### **BIDS BY ANCHOR INVESTORS:**

Our Company in consultation with the Book Running Lead Manager, may consider participation by Anchor Investors in the Offer for up to 60% of the QIB Portion in accordance with the SEBI Regulations. Only QIBs as defined in Regulation 2(1) (ss) of the SEBI Regulations and not otherwise excluded pursuant to Schedule XIII of the SEBI Regulations are eligible to invest. The QIB Portion will be reduced in proportion to allocation under the Anchor Investor Portion. In the event of undersubscription in the Anchor Investor Portion, the balance Equity Shares will be added to the QIB Portion. In accordance with the SEBI Regulations, the key terms for participation in the Anchor Investor Portion are provided below.

- 1) Anchor Investor Bid cum Application Forms will be made available for the Anchor Investors at the offices of the Book Running Lead Manager.
- 2) The Bid must be for a minimum of such number of Equity Shares so that the Bid Amount is at least ₹200.00 lakhs. A Bid cannot be submitted for over 60% of the QIB Portion. In case of a Mutual Fund, separate Bids by individual schemes of a Mutual Fund will be aggregated to determine the minimum application size of ₹200.00 lakhs
- 3) Pursuant to the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) (Third Amendment) Regulations, 2025, out of the Anchor Investor Portion, 40% shall be reserved, of which (i) 33.33% shall be available for allocation to domestic Mutual Funds and (ii) 6.67% shall be available for allocation to life insurance companies and pension funds, subject to valid Bids being received from domestic Mutual Funds, life insurance companies, and pension funds at or above the Anchor Investor Allocation Price. In the event of under-subscription under (ii) above, the allocation may be made to domestic Mutual Funds. In the event of under-subscription or non-allocation in the Anchor Investor Portion, the balance Equity Shares shall be added to the remaining QIB Portion (other than the Anchor Investor Portion) (“Net QIB Portion”).
- 4) Bidding for Anchor Investors will open one Working Day before the Bid/ Offer Opening Date and be completed on the same day.
- 5) Our Company in consultation with the Book Running Lead Manager, will finalize allocation to the Anchor Investors on a discretionary basis, provided that the minimum and maximum number of Allottees in the Anchor Investor Portion will be, as mentioned below:
  - where allocation in the Anchor Investor Portion is up to ₹ 200.00 Lakhs, maximum of 2 (two) Anchor Investors.
  - where the allocation under the Anchor Investor Portion is more than ₹ 200.00 Lakhs but upto ₹ 2500.00 Lakhs, minimum of 2 (two) and maximum of 15 (fifteen) Anchor Investors, subject to a minimum Allotment of ₹ 100.00 Lakhs per Anchor Investor; and
  - where the allocation under the Anchor Investor portion is more than ₹ 2500.00 Lakhs:(i) minimum of 5 (five) and maximum of 15 (fifteen) Anchor Investors for allocation upto ₹ 2500.00 Lakhs; and (ii) an additional 10 Anchor Investors for every additional allocation of ₹ 2500.00 Lakhs or part thereof in the Anchor Investor Portion; subject to a minimum Allotment of ₹ 100.00 Lakhs per Anchor Investor.
- 6) Allocation to Anchor Investors will be completed on the Anchor Investor Bid/ Offer Period. The number of Equity Shares

allocated to Anchor Investors and the price at which the allocation is made will be made available in the public domain by the Book Running Lead Manager before the Bid/Offer Opening Date, through intimation to the Stock Exchange.

- 7) Anchor Investors cannot withdraw or lower the size of their Bids at any stage after submission of the Bid.
- 8) If the Offer Price is greater than the Anchor Investor Allocation Price, the additional amount being the difference between the Offer Price and the Anchor Investor Allocation Price will be payable by the Anchor Investors within 2 (two) Working Days from the Bid/ Offer Closing Date. If the Offer Price is lower than the Anchor Investor Allocation Price, Allotment to successful Anchor Investors will be at the higher price, i.e., the Anchor Investor Offer Price.
- 9) At the end of each day of the bidding period, the demand including allocation made to anchor investors, shall be shown graphically on the bidding terminals of syndicate members and website of stock exchange offering electronically linked transparent bidding facility, for information of public.
- 10) 50% of the Equity Shares Allotted to Anchor Investors in the Anchor Investor Portion shall be locked in for a period of 90 days from the date of Allotment, while the remaining 50% of the Equity Shares Allotted to Anchor Investors in the Anchor Investor Portion shall be locked in for a period of 30 days from the date of Allotment.
- 11) The Book Running Lead Manager, our Promoters, Promoter Group or any person related to them (except for Mutual Funds sponsored by entities related to the Book Running Lead Manager) will not participate in the Anchor Investor Portion. The parameters for selection of Anchor Investors will be clearly identified by the Book Running Lead Manager and made available as part of the records of the Book Running Lead Manager for inspection by SEBI.
- 12) Bids made by QIBs under both the Anchor Investor Portion and the QIB Portion will not be considered multiple Bids.
- 13) Anchor Investors are not permitted to Bid in the Offer through the ASBA process.

#### **BIDS BY ELIGIBLE NRI'S:**

Eligible NRIs may obtain copies of Bid cum Application Form from the offices of the Book Running Lead Manager and the Designated Intermediaries. Eligible NRI Bidders bidding on a repatriation basis by using the Non- Resident Forms should authorize their SCSB to block their Non-Resident External ("NRE") accounts, or Foreign Currency Non-Resident ("FCNR") ASBA Accounts, and eligible NRI Bidders bidding on a non-repatriation basis by using Resident Forms should authorize their SCSB to block their Non- Resident Ordinary ("NRO") accounts for the full Bid Amount, at the time of the submission of the Bid cum Application Form.

- Eligible NRIs bidding on non-repatriation basis are advised to use the Bid cum Application Form for residents (white in colour).
- Eligible NRIs bidding on a repatriation basis are advised to use the Bid cum Application Form meant for Non-Residents (blue in colour).

#### **BIDS BY FPI INCLUDING FII'S:**

In terms of the SEBI FPI Regulations, the issue of Equity Shares to a single FPI including its investor group (which means multiple entities registered as FPIs and directly or indirectly having common ownership of more than 50% or common control) must be below 10% of the post-Issue paid-up capital.

In case of Bids made by FPIs, a certified copy of the certificate of registration issued under the SEBI FPI Regulations is required to be attached to the Bid cum Application Form, failing which our Company reserves the right to reject any Bid without assigning any reason. FPIs who wish to participate in the Issue are advised to use the Bid cum Application Form for Non-Residents ([●] in colour).

If the total holding of an FPI increases beyond 10% of the total paid-up Equity Share capital, on a fully diluted basis or 10% or more of the paid-up value of any series of debentures or preference shares or share warrants issued that may be issued by our Company, the total investment made by the FPI will be re-classified as FDI subject to the conditions as specified by SEBI and

the RBI in this regard and our Company and the investor will be required to comply with applicable reporting requirements. Further, the total holdings of all FPIs put together, with effect from April 1, 2020, can be up to the sectoral cap applicable to the sector in which our Company operates.

In terms of the FEMA Regulations, for calculating the aggregate holding of FPIs in a Company, holding of all registered FPIs shall be included.

The FEMA Non-Debt Instruments Rules was enacted on October 17, 2019 in supersession of the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident Outside India) Regulations, 2017, except as respects things done or omitted to be done before such supersession. FPIs are permitted to participate in the Issue subject to compliance with conditions and restrictions which may be specified by the Government from time to time.

To ensure compliance with the above requirement, SEBI, pursuant to its circular dated July 13, 2018, has directed that at the time of finalisation of the Basis of Allotment, the Registrar shall (i) use the PAN issued by the Income Tax Department of India for checking compliance for a single FPI; and (ii) obtain validation from Depositories for the FPIs who have invested in the Issue to ensure there is no breach of the investment limit, within the timelines for issue procedure, as prescribed by SEBI from time to time.

Subject to compliance with all applicable Indian laws, rules, regulations, guidelines and approvals in terms of Regulation 21 of the SEBI FPI Regulations, an FPI, may issue, subscribe to or otherwise deal in offshore derivative instruments (as defined under the SEBI FPI Regulations as any instrument, by whatever name called, which is issued overseas by a FPI against securities held by it in India, as its underlying) directly or indirectly, only in the event (i) such offshore derivative instruments are issued only by persons registered as Category I FPIs; (ii) such offshore derivative instruments are issued only to persons eligible for registration as Category I FPIs; (iii) such offshore derivative instruments are issued after compliance with 'know your client' norms as specified by SEBI; and (iv) such other conditions as may be specified by SEBI from time to time.

An FPI is required to ensure that the transfer of an offshore derivative instruments issued by or on behalf of it, is subject to (a) the transfer being made to persons which fulfil the criteria provided under the SEBI FPI Regulations (as mentioned above from points (a) to (d)); and (b) prior consent of the FPI is obtained for such transfer, except in cases, where the persons to whom the offshore derivative instruments are to be transferred, are pre-approved by the FPI. Bids by following FPIs, submitted with the same PAN but with different beneficiary account numbers, Client IDs and DP IDs shall not be treated as multiple Bids:

- FPIs which utilise the multi investment manager ("MIM") structure
- Offshore derivative instruments which have obtained separate FPI registration for ODI and proprietary derivative investments
- Sub funds or separate class of investors with segregated portfolio who obtain separate FPI registration
- FPI registrations granted at investment strategy level/sub fund level where a collective investment scheme or fund has multiple investment strategies/sub-funds with identifiable differences and managed by a single investment manager
- Multiple branches in different jurisdictions of foreign bank registered as FPIs
- Government and Government related investors registered as Category 1 FPIs; and
- Entities registered as collective investment scheme having multiple share classes.

The Bids belonging to any of the above mentioned seven structures and having same PAN may be collated and identified as a single Bid in the Bidding process. The Equity Shares allotted in the Bid may be proportionately distributed to the applicant FPIs (with same PAN).

In order to ensure valid Bids, FPIs making multiple Bids using the same PAN, and with different beneficiary account numbers, Client IDs and DP IDs, are required to provide a confirmation along with each of their Bid cum Application Forms that the relevant FPIs making multiple Bids utilize any of the above-mentioned structures and indicate the name of their respective investment managers in such confirmation. In the absence of such confirmation from the relevant FPIs, such multiple Bids shall be rejected.

The FPIs who wish to participate in the Issue are advised to use the Bid cum Application Form for non-residents.

#### **BIDS BY SEBI REGISTERED VCF'S, AIF'S AND FVCI'S:**

The SEBI FVCI Regulations and the SEBI AIF Regulations inter-alia prescribe the investment restrictions on the VCFs, FVCIs and AIFs registered with SEBI. Further, the SEBI AIF Regulations prescribe, among others, the investment restrictions on AIFs.

The holding by any individual VCF registered with SEBI in one venture capital undertaking should not exceed 25% of the corpus of the VCF. Further, VCFs and FVCIs can invest only up to 33.33% of the investible funds by way of subscription to an initial public offering.

The category I and II AIFs cannot invest more than 25% of the corpus in one Investee Company. A category III AIF cannot invest more than 10% of the corpus in one Investee Company. A venture capital fund registered as a category I AIF, as defined in the SEBI AIF Regulations, cannot invest more than 1/3rd of its corpus by way of subscription to an initial public offering of a venture capital undertaking. Additionally, the VCFs which have not re-registered as an AIF under the SEBI AIF Regulations shall continue to be regulated by the VCF Regulation until the existing fund or scheme managed by the fund is wound up and such funds shall not launch any new scheme after the notification of the SEBI AIF Regulations.

All FIIs and FVCIs should note that refunds, dividends and other distributions, if any, will be payable in Indian Rupees only and net of Bank charges and commission.

Our Company or the Book Running Lead Manager will not be responsible for loss, if any, incurred by the Bidder on account of conversion of foreign currency.

There is no reservation for Eligible NRIs, FPIs and FVCIs and all Bidders will be treated on the same basis with other categories for the purpose of allocation.

#### **BIDS BY HUFs:**

Hindu Undivided Families or HUFs, in the individual name of the Karta. The Bidder should specify that the Application is being made in the name of the HUF in the Bid cum Application Form as follows: "Name of sole or first Applicant: XYZ Hindu Undivided Family applying through XYZ, where XYZ is the name of the Karta". Bid cum Applications by HUFs may be considered at par with Bid cum Applications from individuals.

#### **BIDS BY MUTUAL FUNDS:**

No Mutual Fund scheme shall invest more than 10% of its net asset value in equity shares or equity related instruments of any single Company provided that the limit of 10% shall not be applicable for investments in index funds or sector or industry specific funds. No Mutual Fund under all its schemes should own more than 10% of any Company's paid-up share capital carrying voting rights.

With respect to Bids by Mutual Funds, a certified copy of their SEBI registration certificate must be lodged with the Bid cum Application Form. Failing this, our Company reserves the right to accept or reject any Bid cum Application in whole or in part, in either case, without assigning any reason thereof.

In case of a mutual fund, a separate Bid cum Application can be made in respect of each scheme of the mutual fund registered with SEBI and such Applications in respect of more than one scheme of the mutual fund will not be treated as multiple applications provided that the Bids clearly indicate the scheme concerned for which the Bids has been made.

The Bids made by the asset management companies or custodians of Mutual Funds shall specifically state the names of the concerned schemes for which the Applications are made.

15. The details uploaded in the online IPO system shall be considered as final and Allotment will be based on such details for applications.

#### **Build of the Book**

- a) Bids received from various Bidders through the Designated Intermediaries may be electronically uploaded on the Bidding Platform of the Stock Exchange on a regular basis. The book gets built up at various price levels. This information may be available with the Book Running Lead Manager at the end of the Bid/ Offer Period.
- b) Based on the aggregate demand and price for Bids registered on the Stock Exchange Platform, a graphical representation of consolidated demand and price as available on the websites of the Stock Exchange may be made available at the Bidding centres during the Bid/ Offer Period.

#### **Withdrawal of Bids**

None of the bidders can withdraw their Bids or lower the size of their Bids at any stage

#### **Price Discovery and Allocation**

- a) Based on the demand generated at various price levels, our Company in consultation with the Book Running Lead Manager, shall finalise the Offer Price and the Anchor Investor Offer Price.
- b) The SEBI (ICDR) Regulations, 2018 specify the allocation or Allotment that may be made to various categories of Bidders in an Offer depending on compliance with the eligibility conditions. Certain details pertaining to the percentage of Offer size available for allocation to each category is disclosed overleaf of the Bid cum Application Form and in the Red Herring Prospectus. For details in relation to allocation, the Bidder may refer to the Red Herring Prospectus.
- c) Under-subscription in any category (except QIB Category) is allowed to be met with spillover from any other category or combination of categories at the discretion of the Offer and the in consultation with the Book Running Lead Manager and the Designated Stock Exchange and in accordance with the SEBI (ICDR) Regulations. Unsubscribed portion in QIB Category is not available for subscription to other categories.
- d) In case of under subscription in the Offer, spill-over to the extent of such under-subscription may be permitted from the Reserved Portion to the Offer. For allocation in the event of an undersubscription applicable to the Offer, Bidders may refer to the Red Herring Prospectus.
- e) In case if the Individual Investor category is entitled to more than the allocated portion on proportionate basis, the category shall be allotted that higher percentage.
- f) Allocation to Anchor Investors shall be at the discretion of our Company and in consultation with the Book Running Lead Manager, subject to compliance with the SEBI Regulations.

**Illustration of the Book Building and Price Discovery Process:** Bidders should note that this example is solely for illustrative purposes and is not specific to the Offer; it also excludes Bidding by Anchor Investors. Bidders can bid at any price within the Price Band. For instance, assume a Price Band of ₹20 to ₹24 per share, Offer size of 3,000 Equity Shares and receipt of five Bids from Bidders, details of which are shown in the table below. The illustrative book given

below shows the demand for the Equity Shares of the Offer at various prices and is collated from Bids received from various investors.

<b>Bid Quantity</b>	<b>Bid Amount (₹)</b>	<b>Cumulative Quantity</b>	<b>Subscription</b>
500	24	500	16.67%
1,000	23	1,500	50.00%
1,500	22	3,000	100.00%
2,000	21	5,000	166.67%
2,500	20	7,500	250.00%

The price discovery is a function of demand at various prices. The highest price at which the Offer is able to Offer the desired number of Equity Shares is the price at which the book cuts off, i.e., ₹22.00 in the above example. The Offer, in consultation with the Book Running Lead Manager, may finalise the Offer Price at or below such Cut-Off Price, i.e., at or below ₹22.00. All Bids at or above this Offer Price are valid Bids and are considered for allocation in the respective categories.

#### **BASIS OF ALLOCATION**

- a) The SEBI (ICDR) Regulations specify the allocation or Allotment that may be made to various categories of Bidders in an Offer depending on compliance with the eligibility conditions. Certain details pertaining to the percentage of Offer size available for allocation to each category is disclosed overleaf of the Bid cum Application Form and in the Draft Red Herring Prospectus. For details in relation to allocation, the Bidder may refer to the Red Herring Prospectus.
- b) Under-subscription in any category (except QIB Category) is allowed to be met with spill over from any other category or combination of categories at the discretion of the Offer and in consultation with the Book Running Lead Manager and the Designated Stock Exchange and in accordance with the SEBI (ICDR) Regulations, Unsubscribed portion in QIB Category is not available for subscription to other categories.
- c) In case of under subscription in the Offer, spill-over to the extent of such under- subscription may be permitted from the Reserved Portion to the Offer. For allocation in the event of an under-subscription applicable to the offer, Bidders may refer to the Red Herring Prospectus.

#### **ALLOTMENT PROCEDURE AND BASIS OF ALLOTMENT**

The Allotment of Equity Shares to Bidders other than Individual Investors, who applies for minimum application size, noninstitutional investors and Anchor Investors may be on proportionate basis. For Basis of Allotment to Anchor Investors, Bidders may refer to Draft Red Herring Prospectus. No Individual Investor will be allotted less than the minimum Bid Lot subject to availability of shares in Individual Investor Category and the remaining available shares, if any will be allotted on a

proportionate basis. The offer is required to receive a minimum subscription of 90% of the Offer.

If the offer does not receive the minimum subscription of ninety per cent. of the offer through offer document (except in case of an offer for sale of specified securities) on the date of closure of the Offer, or if the subscription level falls below ninety per cent. after the closure of Offer after technical rejections, or if the listing or trading permission is not obtained from the stock exchanges for the securities so offered under the offer document, the offer shall forthwith refund the entire subscription amount received. If there is a delay beyond fifteen days after the offer becomes liable to pay the amount, the offer and every director of the offer who are officers in default, shall pay interest at the rate of fifteen per cent. per annum.

## **BASIS OF ALLOTMENT**

### **a. For Individual Bidders**

Bids received from the Individual Bidders at or above the Offer Price shall be grouped together to determine the total demand under this category. The Allotment to all the successful Individual Bidders will be made at the Offer Price.

The Offer size less Allotment to Non-Institutional and QIB Bidders shall be available for Allotment to Individual Bidders who have Bid in the Offer at a price that is equal to or greater than the Offer Price. If the aggregate demand in this category is less than or equal to [●] Equity Shares at or above the Offer Price, full Allotment shall be made to the Individual Bidders to the extent of their valid Bids.

If the aggregate demand in this category is greater than [●] Equity Shares of face value of ₹10/- each at or above the Offer Price, the Allotment shall be made by draw of lots in such a manner that the total number of Shares allotted in that category is equal to the number of Shares allocated. In the event of the Offer being over-subscribed, the Offer may finalize the Basis of Allotment in consultation with the NSE Emerge (The Designated Stock Exchange).

### **b. For Non-Institutional Bidders**

Bids received from Non-Institutional Bidders at or above the Offer Price shall be grouped together to determine the total demand under this category. The Allotment to all successful Non- Institutional Bidders will be made at the Offer Price. The allotment of specified securities to each non-institutional investor shall not be less than the minimum application size in the non-institutional investor category, and the remaining shares, if any, shall be allotted on proportionate basis.

The Offer size less Allotment to QIBs and Individual Investors shall be available for Allotment to Non- Institutional Bidders who have Bid in the Offer at a price that is equal to or greater than the Offer Price. If the aggregate demand in this category is less than or equal to [●] Equity Shares of face value of ₹10/- each at or above the Offer Price, full Allotment shall be made to Non-Institutional Bidders to the extent of their demand.

In case the aggregate demand in this category is greater than [●] Equity Shares of face value of ₹10/- each at or above the Offer Price, Allotment shall be made on a proportionate basis up to a minimum of [●] Equity Shares of face value of ₹10/- each and in multiples of [●] Equity Shares of face value of ₹10/- each thereafter. The allocation may be made in marketable lots on proportionate basis as set forth hereunder:

- a. The number of Equity Shares to be allocated to the successful Bidders in a particular category shall be determined.
- b. The successful Bidders, from amongst all valid Bidders in that category, shall be determined by a draw of lots, such that the total number of Equity Shares allotted in that category equals the number of Equity Shares allocated.
- c. If the proportionate allotment to any Bidder results in a number that is not a multiple of [●] Equity Shares of face value ₹10/- each, the number of Equity Shares allotted shall be rounded off to the nearest multiple of [●] Equity Shares of face value ₹10/- each, subject to a minimum allotment of [●] Equity Shares of face value ₹10/- each.

If as a result of the process of rounding off to the nearest multiple of [●] Equity Shares of face value of ₹10/- each, results in the actual allotment being higher than the shares offered, the final allotment may be higher at the sole discretion of the Board of Directors, up to 110% of the size of the Offer specified under the Capital Structure mentioned in this Draft Red Herring Prospectus.

### **c. For QIBs**

For the Basis of Allotment to Anchor Investors, Bidders/Applicants may refer to the SEBI (ICDR) Regulations or Red Herring Prospectus / Prospectus. Bids received from QIBs Bidding in the QIB Category (net of Anchor Portion) at or above the Offer Price may be grouped together to determine the total demand under this category. The QIB Category may be available for Allotment to QIBs who have Bid at a price that is equal to or greater than the Offer Price. Allotment may be undertaken in the following manner:

- a) In the first instance allocation to Mutual Funds for [●] % of the QIB Portion shall be determined as follows:
  - In the event that Bids by Mutual Fund exceeds [●] % of the QIB Portion, allocation to Mutual Funds shall be done on a proportionate basis for [●] % of the QIB Portion.
  - In the event that the aggregate demand from Mutual Funds is less than [●] % of the QIB Portion then all Mutual Funds shall get full Allotment to the extent of valid Bids received above the Offer Price.
  - Equity Shares remaining unsubscribed, if any, not allocated to Mutual Funds shall be available for Allotment to all QIB Bidders as set out in (b) below;
- b) In the second instance Allotment to all QIBs shall be determined as follows:
  - In the event that the oversubscription in the QIB Portion, all QIB Bidders who have submitted Bids above the Offer Price shall be allotted Equity Shares on a proportionate basis, upto a minimum of [●] Equity Shares of face value of ₹10/- each and in multiples of [●] Equity Shares of face value of ₹10/- each thereafter for [●] % of the QIB Portion.
  - Mutual Funds, who have received allocation as per (a) above, for less than the number of Equity Shares of face value of ₹10/- each Bid for by them, are eligible to receive Equity Shares on a proportionate basis, upto a minimum of [●] Equity Shares of face value of ₹10/- each and in multiples of [●] Equity Shares of face value of ₹10/- each thereafter, along with other QIB Bidders.
  - Under-subscription below [●] % of the QIB Portion, if any, from Mutual Funds, would be included for allocation to the remaining QIB Bidders on a proportionate basis. The aggregate Allotment to QIB Bidders shall not be more than [●] Equity Shares of face value of ₹10/- each.

**d. ALLOTMENT TO ANCHOR INVESTOR (IF APPLICABLE)**

- a) Allocation of Equity Shares to Anchor Investors at the Anchor Investor Allocation Price will be at the discretion of the offeror, in consultation with the Book Running Lead Manager, subject to compliance with the following requirements:
  - i) not more than 60% of the QIB Portion will be allocated to Anchor Investors;
  - ii) one-third of the Anchor Investor Portion shall be reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the price at which allocation is being done to other Anchor Investors; and

- On T Day, RTA To validate the electronic bid details with the depository records and also reconcile the final certificates received from the Sponsor Bank for UPI process and the SCSBs for ASBA and Syndicate ASBA process with the electronic bid details.
- RTA identifies cases with mismatch of account number as per bid file / FC and as per applicant's bank account linked to depository demat account and seek clarification from SCSB to identify the applications with third party account for rejection.
- Third party confirmation of applications to be completed by SCSBs on T+1 day.
- RTA prepares the list of final rejections and circulates the rejections list with BRLM(s)/ Company for their review/ comments.
- Post rejection, the RTA submits the basis of allotment with the Designated Stock Exchange (DSE).
- The DSE, post verification approves the basis and generates drawl of lots wherever applicable, through a random number generation software.
- The RTA uploads the drawl numbers in their system and generates the final list of allottees as per process mentioned below:

**Process for generating list of allottees: -**

- Instruction is given by RTA in their Software System to reverse category wise all the application numbers in the ascending order and generate the bucket /batch as per the allotment ratio. For example, if the application number is 78654321 then system reverses it to 12345687 and if the ratio of allottees to applicants in a category is 2:7 then the system will create lots of 7. If the drawl of lots provided by DSE is 3 and 5 then the system will pick every 3rd and 5th application in each of the lot of the category and these applications will be allotted the shares in that category.
- In categories where there is proportionate allotment, the Registrar will prepare the proportionate working based on the oversubscription times.
- In categories where there is undersubscription, the Registrar will do full allotment for all valid applications.

- On the basis of the above, the RTA will work out the allottee, partial allottee and non- allottee, prepare the fund transfer letters and advise the SCSBs to debit or unblock the respective accounts.

## **RESTRICTIONS ON FOREIGN OWNERSHIP OF INDIAN SECURITIES**

The Department for Promotion of Industry and Internal Trade, Ministry of Commerce and Industry, Government of India (“**DPIIT**”) makes policy announcements on FDI through press notes and press releases which are notified by the RBI as amendments to the FEMA. The DPIIT also issues the Consolidated Foreign Direct Investment Policy (“**FDI Policy**”) from time to time. The regulatory framework pertaining to foreign investment, over a period of time, thus, consists of acts, regulations, master circulars, press notes, press releases, and clarifications among other amendments.

India’s current FDI Policy issued by the DPIIT with effect from October 15, 2020, consolidates and supersedes all previous press notes, press releases and clarifications on FDI issued by the DPIIT till October 15, 2020. All the press notes, press releases, clarifications on FDI issued by DPIIT till October 15, 2020 stand rescinded as on October 15, 2020. In terms of the FDI Policy, Foreign investment is permitted (except in the prohibited sectors) in Indian companies either through the automatic route or the Government route, depending upon the sector in which foreign investment is sought to be made. In terms of the FDI Policy, the work of granting government approval for foreign investment under the FDI Policy and FEMA Regulations has now been entrusted to the concerned Administrative Ministries/Departments.

In accordance with Press Note No. 3 (2020 Series), dated April 17, 2020 issued by the DPIIT and the Foreign Exchange Management (Non-debt Instruments) Amendment Rules, 2020 which came into effect from April 22, 2020, any investment, subscription, purchase or sale of equity instruments by entities of a country which shares land border with India or where the beneficial owner of an investment into India is situated in or is a citizen of any such country, will require prior approval of the Government, as prescribed in the FDI Policy and the Foreign Exchange Management (Non-debt Instruments) Rules, 2019. Further, in the event of transfer of ownership of any existing or future foreign direct investment in an entity in India, directly or indirectly, resulting in the beneficial ownership falling within the aforesaid restriction/ purview, such subsequent change in the beneficial ownership will also require approval of the Government. Pursuant to the Foreign Exchange Management (Non-debt Instruments) (Fourth Amendment) Rules, 2020 issued on December 8, 2020, a multilateral bank or fund, of which India is a member, shall not be treated as an entity of a particular country nor shall any country be treated as the beneficial owner of the investments of such bank or fund in India.

Further, the existing individual and aggregate investment limits for an FPI in our Company are not exceeding 10% of the total paid-up Equity Share capital of our Company for each FPI and the total holdings of all FPIs in the Company shall not exceed 24% of the total paid-up Equity Share capital of our Company. The RBI, in exercise of its power under the FEMA, has also notified Foreign Exchange Management (Non-debt Instruments) Rules, 2019 (“**Rules**”) and Foreign Exchange Management (Mode of Payment and Reporting of Non-Debt Instruments) Regulations, 2019 to prohibit, restrict or regulate, transfer by or Offer security to a person resident outside India. SEBI registered FPIs have been permitted to purchase shares of an Indian Company through the offer, subject to total FPI investment being within the individual FPI/sub account investment limit of less than 10% of the total paid-up equity capital on a fully diluted basis of the Company subject to the total holdings of all FPIs/sub accounts including any other direct and indirect foreign investments in the Company shall not exceed 24% of the paid-up equity capital of the Company on a fully diluted basis. The aggregate limit of 24% in case of FPIs may be increased up to the sectoral cap/statutory ceiling, as applicable, by the Company concerned by passing of resolution by the Board of the Company to that effect and by passing of a special resolution to that effect by its Shareholders. With effect from April 1, 2020, the aggregate limit of 24% has increased to the sectoral cap applicable to the Indian Company which in case of the Company is 100% provided that the Company complies with conditions provided under the FDI Policy. As per the Rules, the aggregate limit as provided above was permitted to be decreased by the Company to a lower threshold limit of 24% or 49% or 74% as deemed fit, with the approval of its Board of Directors through a resolution and also of its shareholders by means of a special resolution, before March 31, 2020. The Company has passed no such Board Resolution and hence, has not revised its sectoral caps. Further, eligible NRIs and OCIs investing on repatriation basis are subject to individual investment limit of 5% of the total paid-up equity capital on a fully diluted basis subject to the aggregate paid-value of the shares purchased by all NRIs and OCIs put together on repatriation basis not exceeding 10% of the total paid-up equity capital on a fully diluted basis of the Company. The aggregate limit of 10% in case of NRIs and OCIs together may be raised to 24 % if a special resolution to that effect is passed by the shareholders of the Company. The Company has not passed such resolutions as yet.

The transfer of shares between an Indian resident and a Non-resident does not require prior approval of RBI, subject to fulfilment of certain conditions as specified by DPIIT / RBI, from time to time. Such conditions include (i) the activities of the investee Company are under the automatic route under the FDI Policy and transfer does not attract the provisions of the SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; (ii) the non-resident shareholding is within the sectoral limits under the FDI Policy; and (iii) the pricing is in accordance with the guidelines prescribed by the SEBI/RBI. Investors are

advised to refer to the exact text of the relevant statutory provisions of law before investing and / or subsequent purchase or sale transaction in the Equity Shares of our Company.

As per the existing policy of the Government of India, OCBs cannot participate in this Offer.

As per the FDI Policy, FDI in companies engaged in manufacturing sector is permitted up to 100% of the paid-up share capital of such Company under the automatic route.

For further details, see “*Offer Procedure*” on page 307. Each Bidder should seek independent legal advice about its ability to participate in the Offer. In the event such prior approval of the Government of India is required, and such approval has been obtained, the Bidder shall intimate our Company and the Registrar in writing about such approval along with a copy thereof within the Bid/Offer Period.

**The Equity Shares have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the “U.S. Securities Act”), or the securities laws of any state of the United States and may not be offered or sold within the United States, except pursuant to exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and applicable state securities laws. Accordingly, the Equity Shares are being offered and sold only outside the United States in offshore transactions in reliance on Regulation S under the U.S. Securities Act and the applicable laws of the jurisdiction where those offers and sale occur. The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Applications may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.**

**The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.**

**The above information is given for the benefit of the Bidders. Our Company and the BRLM are not liable for any amendments or modification or changes in applicable laws or regulations, which may occur after the date of this Draft Red Herring Prospectus. Bidders are advised to make their independent investigations and ensure that the Bids are not in violation of laws or regulations applicable to them.**

- Provided that the Board of directors may at any time declare any share to be wholly or in part exempt from the provisions of this clause.
- ii. The Company's lien, if any, on a share shall extend to all dividends payable and bonuses declared from time to time in respect of such shares.
  - iii. Unless otherwise agreed by the Board, the registration of a transfer of shares shall operate as a waiver of the Company's lien.
  - iv. That fully paid shares shall be free from all lien and that in the case of partly paid shares the Issuer's lien shall be restricted to moneys called or payable at a fixed time in respect of such shares.
10. The Company may sell, in such manner as the Board thinks fit, any shares on which the Company has a lien: Provided that no sale shall be made-
- a. unless a sum in respect of which the lien exists is presently payable; or
  - b. until the expiration of fourteen days after a notice in writing stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share or the person entitled thereto by reason of his death or insolvency.
11. i. To give effect to any such sale, the Board may authorise some person to transfer the shares sold to the purchaser thereof
- ii. The purchaser shall be registered as the holder of the shares comprised in any such transfer.
  - iii. The receipt of the Company for the consideration (if any) given for the share on the sale thereof shall (subject, if necessary, to execution of an instrument of transfer or a transfer by relevant system, as the case may be) constitute a good title to the share and the purchaser shall be registered as the holder of the share.

- iv. The purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.
12. i. The proceeds of the sale shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable.
- ii. The residue, if any, shall, subject to a like lien for sums not presently payable as existed upon the shares before the sale, be paid to the person entitled to the shares at the date of the sale.

In exercising its lien, the Company shall be entitled to treat the registered holder of any share as the absolute owner thereof and accordingly shall not (except as ordered by a court of competent jurisdiction or unless required by any statute) be bound to recognise any equitable or other claim to, or interest in, such share on the part of any other person, whether a creditor of the registered holder or otherwise. The Company's lien shall prevail notwithstanding that it has received notice of any such claim.

The provisions of these Articles relating to lien shall *mutatis mutandis* apply to any other securities including debentures of the Company.

### CALLS ON SHARES

13. i. The Board may, from time to time, make calls upon the members in respect of any monies unpaid on their shares (whether on account of the nominal value of the shares or by way of premium) and not by the conditions of allotment thereof made payable at fixed times:

Provided that no call shall exceed one-fourth of the nominal value of the share or be payable at less than one month from the date fixed for the payment of the last preceding call.

- ii. Each member shall, subject to receiving at least fourteen days' notice specifying the time or times and place of payment, pay to the Company, at the time or times and place so specified, the amount called on his shares.
  - iii. The Board may, from time to time, at its discretion, extend the time fixed for the payment of any call in respect of one or more members as the Board may deem appropriate in any circumstances.
  - iv. A call may be revoked or postponed at the discretion of the Board.
  - v. That any amount paid up in advance of calls on any share may carry interest but shall not in respect thereof confer a right to dividend or to participate in profits
14. A call shall be deemed to have been made at the time when the resolution of the Board authorizing the call was passed and may be required to be paid by installments.
15. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.
16. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest thereon from the day appointed for payment thereof to the time of actual payment at ten per cent per annum or at such lower rate, if any, as the Board may determine.

The Board shall be at liberty to waive payment of any such interest wholly or in part.

17. i. Any sum which by the terms of issue of a share becomes payable on allotment or at any fixed date, whether on account of the nominal value of the share or by way of premium, shall, for the purposes of these regulations, be deemed to be a call duly made and payable on the date on which by the terms of issue such sum becomes payable.
- ii. In case of non-payment of such sum, all the relevant provisions of these regulations as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.

18. i). The Board -

- a. may, if it thinks fit, receive from any member willing to advance the same, all or any part of the monies uncalled and unpaid upon any shares held by him and
- b. upon all or any of the monies so advanced, may (until the same would, but for such advance, become presently payable) pay interest at such rate not exceeding, unless the Company in general meeting shall otherwise direct, twelve per cent per annum, as may be agreed upon between the Board and the member paying the sum in advance.

ii). All calls shall be made on a uniform basis on all shares falling under the same class.

Explanation: Shares of the same nominal value on which different amounts have been paid-up shall not be deemed to fall under the same class.

iii). Neither a judgment nor a decree in favour of the Company for calls or other moneys due in respect of any shares nor any part payment or satisfaction thereof nor the receipt by the Company of a portion of any money which shall from time to time be due from any member in respect of any shares either by way of principal or interest nor any indulgence granted by the Company in respect of payment of any such money shall preclude the forfeiture of such shares as herein provided.

iv). The provisions of these Articles relating to calls shall *mutatis mutandis* apply to any other securities including debentures of the Company.

### **TRANSFER OF SHARES**

- 19. i. The instrument of transfer of any share in the Company shall be executed by or on behalf of both the transferor and transferee.
- ii. The transferor shall be deemed to remain a holder of the share until the name of the transferee is entered in the register of members in respect thereof.
- iii. That a common form of transfer shall be used
- 20. i. The Board may, subject to the right of appeal conferred by section 58 decline to register—
- ii. the transfer of a share, not being a fully paid share, to a person of whom they do not approve; or
- iii. any transfer of shares on which the Company has a lien.
- 21. The Board may decline to recognise any instrument of transfer unless—
  - a. the instrument of transfer is in the form as prescribed in rules made under sub-section (1) of section 56;
  - b. the instrument of transfer is accompanied by the certificate of the shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer; and
  - c. the instrument of transfer is in respect of only one class of shares.

That registration of transfer shall not be refused on the ground of the transferor being either alone or jointly with any other person or persons indebted to the Issuer on any account whatsoever

- 22. On giving not less than seven days' previous notice in accordance with section 91 and rules made thereunder, the registration of transfers may be suspended at such times and for such periods as the Board may from time to time determine:

Provided that such registration shall not be suspended for more than thirty days at any one time or for more than forty-five days in the aggregate in any year.

The provisions of these Articles relating to transfer of shares shall *mutatis mutandis* apply to any other securities including debentures of the Company.

#### **TRANSMISSION OF SHARES**

23.
  - i. On the death of a member, the survivor or survivors where the member was a joint holder, and his nominee or nominees or legal representatives where he was a sole holder, shall be the only persons recognised by the Company as having any title to his interest in the shares
  - ii. Nothing in clause (i) shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by him with other persons.
  - iii. That a common form of transmission shall be used
24.
  - i. Any person becoming entitled to a share in consequence of the death or insolvency of a member may, upon such evidence being produced as may from time to time properly be required by the Board and subject as hereinafter provided, elect, either-
    - a. to be registered himself as holder of the share; or
    - b. to make such transfer of the share as the deceased or insolvent member could have made.
  - ii. The Board shall, in either case, have the same right to decline or suspend registration as it would have had, if the deceased or insolvent member had transferred the share before his death or insolvency.
  - iii. The Company shall be fully indemnified by such person from all liability, if any, by actions taken by the Board to give effect to such registration or transfer.
25.
  - i. If the person so becoming entitled shall elect to be registered as holder of the share himself, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects.
  - ii. If the person aforesaid shall elect to transfer the share, he shall testify his election by executing a transfer of the share.
  - iii. All the limitations, restrictions and provisions of these regulations relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death or insolvency of the member had not occurred and the notice or transfer were a transfer signed by that member.
26. A person becoming entitled to a share by reason of the death or insolvency of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the Company:
27. Provided that the Board may, at any time, give notice requiring any such person to elect either to be registered himself or to transfer the share, and if the notice is not complied with within ninety days, the Board may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the share, until the requirements of the notice have been complied with.

The provisions of these Articles relating to transmission by operation of law shall *mutatis mutandis* apply to any other securities including debentures of the Company.

#### **FORFEITURE OF SHARES**

28. If a member fails to pay any call, or instalment of a call, on the day appointed for payment thereof, the Board may, at any time thereafter during such time as any part of the call or instalment remains unpaid, serve a notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued and all expenses that may have been incurred by the Company by reason of non-payment.

29. The notice aforesaid shall-
- a. name a further day (not being earlier than the expiry of fourteen days from the date of service of the notice) on or before which the payment required by the notice is to be made; and
  - b. state that, in the event of non-payment on or before the day so named, the shares in respect of which the call was made shall be liable to be forfeited.
30. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may, at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect.
31. i. A forfeited share may be sold or otherwise disposed of on such terms and in such manner as the Board thinks fit.
- ii. At any time before a sale or disposal as aforesaid, the Board may cancel the forfeiture on such terms as it thinks fit.
32. i. A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares, but shall, notwithstanding the forfeiture, remain liable to pay to the Company all monies which, at the date of forfeiture, were presently payable by him to the Company in respect of the shares.
- ii. The liability of such person shall cease if and when the Company shall have received payment in full of all such monies in respect of the shares.
33. i. A duly verified declaration in writing that the declarant is a director, the manager or the secretary, of the Company, and that a share in the Company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share;
- ii. The Company may receive the consideration, if any, given for the share on any sale or disposal thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of;
- iii. The transferee shall thereupon be registered as the holder of the share; and
- iv. The transferee shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the share.
34. The provisions of these regulations as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

#### **ALTERATION OF CAPITAL**

35. The Company may, from time to time, by ordinary resolution increase the share capital by such sum, to be divided into shares of such amount, as may be specified in the resolution.
36. Subject to the provisions of section 61, the Company may, by ordinary resolution-
- i. consolidate and divide all or any of its share capital into shares of larger amount than its existing shares;
  - ii. convert all or any of its fully paid-up shares into stock, and reconvert that stock into fully paid-up shares of any denomination;
  - iii. sub-divide its existing shares or any of them into shares of smaller amount than is fixed by the Memorandum; and
  - iv. cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person.

- v. Permit for sub-division/ consolidation of share certificates

37. Where shares are converted into stock, —

- the holders of stock may transfer the same or any part thereof in the same manner as, and subject to the same regulations under which, the shares from which the stock arose might before the conversion have been transferred, or as near thereto as circumstances admit;
- Provided that the Board may, from time to time, fix the minimum amount of stock transferable, so, however, that such minimum shall not exceed the nominal amount of the shares from which the stock arose.
- the holders of stock shall, according to the amount of stock held by them, have the same rights, privileges and advantages as regards dividends, voting at meetings of the Company, and other matters, as if they held the shares from which the stock arose; but no such privilege or advantage (except participation in the dividends and profits of the Company and in the assets on winding up) shall be conferred by an amount of stock which would not, if existing in shares, have conferred that privilege or advantage.
- such of the regulations of the Company as are applicable to paid-up shares shall apply to stock and the words “share” and “shareholder” in those regulations shall include “stock” and “stock-holder” respectively.

38. The Company may, by special resolution, reduce in any manner and with, and subject to, any incident authorised and consent required by law-

- its share capital;
- any capital redemption reserve account; or
- any share premium account.

#### **CAPITALISATION OF PROFITS**

39. The Company in general meeting may, upon the recommendation of the Board, resolve-

- i. that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the Company’s reserve accounts, or to the credit of the, profit and loss account, or otherwise available for distribution; and
- ii. that such sum be accordingly set free for distribution in the manner specified in clause (ii) amongst the members who would have been entitled thereto, if distributed by way of dividend and in the same proportions.
- iii. The sum aforesaid shall not be paid in cash but shall be applied, subject to the provision contained in clause (iii), either in or towards-
  - a. paying up any amounts for the time being unpaid on any shares held by such members respectively;
  - b. paying up in full, unissued shares of the Company to be allotted and distributed, credited as fully paid-up, to and amongst such members in the proportions aforesaid;
  - c. partly in the way specified in sub-clause (A) and partly in that specified in sub-clause (B);
- iv. A securities premium account and a capital redemption reserve account may, for the purposes of this regulation, be applied in the paying up of unissued shares to be issued to members of the Company as fully paid bonus shares;
- v. The Board shall give effect to the resolution passed by the Company in pursuance of this regulation.

- 40.
- i. Whenever such a resolution as aforesaid shall have been passed, the Board shall-
  - d. make all appropriations and applications of the undivided profits resolved to be capitalised thereby, and all allotments and issues of fully paid shares if any; and
  - e. generally do all acts and things required to give effect thereto.

- ii. The Board shall have power-

- a. to make such provisions, by the issue of fractional certificates or by payment in cash or otherwise as it thinks fit, for the case of shares becoming distributable in fractions; and
  - b. to authorise any person to enter, on behalf of all the members entitled thereto, into an agreement with the Company providing for the allotment to them respectively, credited as fully paid-up, of any further shares to which they may be entitled upon such capitalisation, or as the case may require, for the payment by the Company on their behalf, by the application thereto of their respective proportions of profits resolved to be capitalised, of the amount or any part of the amounts remaining unpaid on their existing shares;
- iii. Any agreement made under such authority shall be effective and binding on such members

### **BUY-BACK OF SHARES**

41. Notwithstanding anything contained in these articles but subject to the provisions of sections 68 to 70 and any other applicable provision of the Act or any other law for the time being in force, the Company may purchase its own shares or other specified securities.

### **GENERAL MEETINGS**

42. All general meetings other than annual general meeting shall be called extraordinary general meeting.
43. i. The Board may, whenever it thinks fit, call an extraordinary general meeting.
- ii. If at any time directors capable of acting who are sufficient in number to form a quorum are not within India, any director or any two members of the Company may call an extraordinary general meeting in the same manner, as nearly as possible, as that in which such a meeting may be called by the Board.

### **PROCEEDINGS AT GENERAL MEETINGS**

44. i. No business shall be transacted at any general meeting unless a quorum of members is present at the time when the meeting proceeds to business.
- ii. Save as otherwise provided herein, the quorum for the general meetings shall be as provided in section 103.
45. The chairperson, if any, of the Board shall preside as Chairperson at every general meeting of the Company.
46. If there is no such Chairperson, or if he is not present within fifteen minutes after the time appointed for holding the meeting or is unwilling to act as chairperson of the meeting, the directors present shall elect one of their members to be Chairperson of the meeting.
47. If at any meeting no director is willing to act as Chairperson or if no director is present within fifteen minutes after the time appointed for holding the meeting, the members present shall choose one of their members to be Chairperson of the meeting.
48. a. On any business at any general meeting, in case of an equality of votes, whether on a show of hands or electronically or on a poll, the Chairperson shall have a second or casting vote.
- b. The Company shall cause minutes of the proceedings of every general meeting of any class of members or creditors and every resolution passed by postal ballot to be prepared and signed in such manner as may be prescribed by the Rules and kept by making within thirty days of the conclusion of every such meeting concerned or passing of resolution by postal ballot entries thereof in books kept for that purpose with their pages consecutively numbered.
- c. 1. There shall not be included in the minutes any matter which, in the opinion of the Chairperson of the meeting -

- (a) is, or could reasonably be regarded, as defamatory of any person; or
- (b) is irrelevant or immaterial to the proceedings; or
- (c) is detrimental to the interests of the Company.

- 2. The Chairperson shall exercise an absolute discretion in regard to the inclusion or non-inclusion of any matter in the minutes on the grounds specified in the aforesaid clause.
- 3. The minutes of the meeting kept in accordance with the provisions of the Act shall be evidence of the proceedings recorded therein.
- 4. The books containing the minutes of the proceedings of any general meeting of the Company or a resolution passed by postal ballot shall:
  - (a) be kept at the registered office of the Company; and
  - (b) be open to inspection of any member without charge, during 11.00 a.m. to 1.00 p.m. on all working days other than Saturdays.
- d. Any member shall be entitled to be furnished, within the time prescribed by the Act, after he has made a request in writing in that behalf to the Company and on payment of such fees as may be fixed by the Board, with a copy of any minutes referred to in clause (1) above, Provided that a member who has made a request for provision of a soft copy of the minutes of any previous general meeting held during the period immediately preceding three financial years, shall be entitled to be furnished with the same free of cost.
- e. The Board, and also any person(s) authorised by it, may take any action before the commencement of any general meeting, or any meeting of a class of members in the Company, which they may think fit to ensure the security of the meeting, the safety of people attending the meeting, and the future orderly conduct of the meeting. Any decision made in good faith under this Article shall be final, and rights to attend and participate in the meeting concerned shall be subject to such decision.

#### **ADJOURNMENT OF MEETING**

- 49.
  - i. The Chairperson may, with the consent of any meeting at which a quorum is present, and shall, if so directed by the meeting, adjourn the meeting from time to time and from place to place.
  - ii. No business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.
  - iii. When a meeting is adjourned for thirty days or more, notice of the adjourned meeting shall be given as in the case of an original meeting.
  - iv. Save as aforesaid, and as provided in section 103 of the Act, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.

#### **VOTING RIGHTS**

- 50. Subject to any rights or restrictions for the time being attached to any class or classes of shares,
  - i. on a show of hands, every member present in person shall have one vote;
  - ii. and on a poll, the voting rights of members shall be in proportion to his share in the paid-up equity share capital of the Company.
  - iii. That option or right to call of shares shall not be given to any person except with the sanction of the Issuer in general meetings
- 51. A member may exercise his vote at a meeting by electronic means in accordance with Section 108 and shall vote only once.
- 52.
  - i. In the case of joint holders, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders.

- ii. For this purpose, seniority shall be determined by the order in which the names stand in the register of members.
53. Subject to the provisions of the Act and other provisions of these Articles, any person entitled under the Transmission Clause to any shares may vote at any general meeting in respect thereof as if he was the registered holder of such shares, provided that at least 48 (forty eight) hours before the time of holding the meeting or adjourned meeting, as the case may be, at which he proposes to vote, he shall duly satisfy the Board of his right to such shares unless the Board shall have previously admitted his right to vote at such meeting in respect thereof.
54. Any business other than that upon which a poll has been demanded maybe proceeded with, pending the taking of the poll.
55. No member shall be entitled to vote at any general meeting unless all calls or other sums presently payable by him in respect of shares in the Company have been paid
56. i. No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes.
- ii. Any such objection made in due time shall be referred to the Chairperson of the meeting, whose decision shall be final and conclusive.

### **PROXY**

57. a. Any member entitled to attend and vote at a general meeting may do so either personally or through his constituted attorney or through another person as a proxy on his behalf, for that meeting.
- b. The instrument appointing a proxy and the power-of-attorney or other authority, if any, under which it is signed or a notarised copy of that power or authority, shall be deposited at the registered office of the Company not less than 48 hours before the time for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote, or, in the case of a poll, not less than 24 hours before the time appointed for the taking of the poll; and in default the instrument of proxy shall not be treated as valid.
58. An instrument appointing a proxy shall be in the form as prescribed in the rules made under Section 105
59. A vote given in accordance with the terms of an instrument of proxy shall be valid, notwithstanding the previous death or insanity of the principal or the revocation of the proxy or of the authority under which the proxy was executed, or the transfer of the shares in respect of which the proxy is given:

Provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the Company at its office before the commencement of the meeting or adjourned meeting at which the proxy is used.

### **BOARD OF DIRECTORS**

60. a. The number of the directors and the names of the first directors shall be determined in writing by the subscribers of the memorandum or a majority of them. The following are the First Directors of the Company:
1. MR. BRIJENDER SINGH.
  2. MR. ANIL DASS
  3. SHASHI SINGH
- b. Unless otherwise determined by the Company in general meeting, the number of directors shall not be less than 3 (three) and shall not be more than 15 (fifteen).
61. i. The Managing Director shall be liable to retire by rotation. The Board shall have the power to determine the directors whose period of office is or is not liable to determination by retirement of directors by rotation.

62. ii. The same individual may, at the same time, be appointed as the Chairperson of the Company as well as the Managing Director or Chief Executive Officer of the Company
- a. The remuneration of the directors shall, in so far as it consists of a monthly payment, be deemed to accrue from day-to-day. However, sitting fee payable to non-executive directors will accrue at the conclusion of the Board/committee meetings as may be fixed by the Board in accordance with the limit set by the Act and the Rules thereunder.
- b. The remuneration payable to the directors, including any managing or whole-time director or manager, if any, shall be determined in accordance with and subject to the provisions of the Act by an ordinary resolution passed by the Company in general meeting.
- c. In addition to the remuneration payable to them in pursuance of the Act, the directors may be paid all travelling, hotel and other expenses properly incurred by them-
- in attending and returning from meetings of the Board of Directors or any committee thereof or general meetings of the Company; or
  - in connection with the business of the Company.
- d. The Board may pay all expenses incurred in getting up and registering the Company.
63. a. The Company may exercise the powers conferred on it by Section 88 with regard to the keeping of a foreign register; and the Board may (subject to the provisions of that section) make and vary such regulations as it may think fit respecting the keeping of any such register.
- b. All cheques, promissory notes, drafts, hundis, bills of exchange and other negotiable instruments, and all receipts for monies paid to the Company, shall be signed, drawn, accepted, endorsed, or otherwise executed, as the case may be, by such person and in such manner as the Board shall from time to time by resolution determine.
64. Every director present at any meeting of the Board or of a committee thereof shall sign his name in a book to be kept for that purpose.
65. i. Subject to the provisions of Section 149, the Board shall have power at any time, and from time to time, to appoint a person as an additional director, provided the number of the directors and additional directors together shall not at any time exceed the maximum strength fixed for the Board by the articles.
66. ii. Such person shall hold office only up to the date of the next annual general meeting of the Company but shall be eligible for appointment by the Company as a director at that meeting subject to the provisions of the Act.
- i. The Board may appoint an alternate director to act for a director (hereinafter in this Article called “the Original Director”) during his absence for a period of not less than three months from India. No person shall be appointed as an alternate director for an independent director unless he is qualified to be appointed as an independent director under the provisions of the Act.
- ii. An alternate director shall not hold office for a period longer than that permissible to the Original Director in whose place he has been appointed and shall vacate the office if and when the Original Director returns to India.
- iii. If the term of office of the Original Director is determined before he returns to India the automatic reappointment of retiring directors in default of another appointment shall apply to the Original Director and not to the alternate director.
- iv. If the office of any director appointed by the Company in general meeting is vacated before his term of office expires in the normal course, the resulting casual vacancy may, be filled by the Board of Directors at a meeting of the Board.
- v. The director so appointed shall hold office only upto the date upto which the director in whose place he is appointed would have held office if it had not been vacated

## PROCEEDINGS OF THE BOARD

67. • The Board of Directors may meet for the conduct of business, adjourn and otherwise regulate its meetings, as it thinks fit.
68. • A director may, and the manager or secretary on the requisition of a director shall, at any time, summon a meeting of the Board.
- The quorum for a Board meeting shall be as provided in the Act.
- The participation of directors in a meeting of the Board may be either in person or through video conferencing or audio-visual means or teleconferencing, as may be prescribed by the Rules or permitted under law.
69. i. Save as otherwise expressly provided in the Act, questions arising at any meeting of the Board shall be decided by a majority of votes.
- ii. In case of an equality of votes, the Chairperson of the Board, if any, shall have a second or casting vote.
70. The continuing directors may act notwithstanding any vacancy in the Board; but, if and so long as their number is reduced below the quorum fixed by the Act for a meeting of the Board, the continuing directors or director may act for the purpose of increasing the number of directors to that fixed for the quorum, or of summoning a general meeting of the Company, but for no other purpose.
71. i. The Board may elect a Chairperson of its meetings and determine the period for which he is to hold office.
- ii. If no such Chairperson is elected, or if at any meeting the Chairperson is not present within five minutes after the time appointed for holding the meeting, the directors present may choose one of their number to be Chairperson of the meeting.
72. i. The Board may, subject to the provisions of the Act, delegate any of its powers to committees consisting of such member or members of its body as it thinks fit.
- ii. Any committee so formed shall, in the exercise of the powers so delegated, conform to any regulations that may be imposed on it by the Board.
- iii. The participation of directors in a meeting of the Committee may be either in person or through video conferencing or audio-visual means or teleconferencing, as may be prescribed by the Rules or permitted under law.
73. i. A committee may elect a Chairperson of its meetings.
- ii. If no such Chairperson is elected, or if at any meeting the Chairperson is not present within five minutes after the time appointed for holding the meeting, the members present may choose one of their members to be Chairperson of the meeting.
74. i. A committee may meet and adjourn as it thinks fit.
- ii. Questions arising at any meeting of a committee shall be determined by a majority of votes of the members present, and in case of an equality of votes, the Chairperson shall have a second or casting vote.
- iii. In case of an equality of votes, the Chairperson of the Committee shall have a second or casting vote.
75. All acts done in any meeting of the Board or of a committee thereof or by any person acting as a director, shall, notwithstanding that it may be afterwards discovered that there was some defect in the appointment of any one or

more of such directors or of any person acting as aforesaid, or that they or any of them were disqualified, be as valid as if every such director or such person had been duly appointed and was qualified to be a director.

76. Save as otherwise expressly provided in the Act, a resolution in writing, signed by all the members of the Board or of a committee thereof, for the time being entitled to receive notice of a meeting of the Board or committee, shall be valid and effective as if it had been passed at a meeting of the Board or committee, duly convened and held.

#### **CHIEF EXECUTIVE OFFICER, MANAGER, COMPANY SECRETARY OR CHIEF FINANCIAL OFFICER**

77. Subject to the provisions of the Act,
- i. A chief executive officer, manager, Company secretary or chief financial officer may be appointed by the Board for such term, at such remuneration and upon such conditions as it may think fit; and any chief executive officer, manager, Company secretary or chief financial officer so appointed may be removed by means of a resolution of the Board;
  - ii. A director may be appointed as chief executive officer, manager, Company secretary or chief financial officer
78. A provision of the Act or these regulations requiring or authorising a thing to be done by or to a director and chief executive officer, manager, Company secretary or chief financial officer shall not be satisfied by its being done by or to the same person acting both as director and as, or in place of, chief executive officer, manager, Company secretary or chief financial officer.

#### **THE SEAL**

- 79.
- i. The Board shall provide for the safe custody of the seal.
  - ii. The seal of the Company shall not be affixed to any instrument except by the authority of a resolution of the Board or of a committee of the Board authorised by it in that behalf, and except in the presence of at least two directors and of the secretary or such other person as the Board may appoint for the purpose; and those two directors and the secretary or other person aforesaid shall sign every instrument to which the seal of the Company is so affixed in their presence.

#### **DIVIDENDS AND RESERVE**

80. The Company in general meeting may declare dividends, but no dividend shall exceed the amount recommended by the Board.
81. Subject to the provisions of Section 123, the Board may from time to time pay to the members such interim dividends as appear to it to be justified by the profits of the Company.
- 82.
- i. The Board may, before recommending any dividend, set aside out of the profits of the Company such sums as it thinks fit as a reserve or reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the Company may be properly applied, including provision for meeting contingencies or for equalizing dividends; and pending such application, may, at the like discretion, either be employed in the business of the Company or be invested in such investments (other than shares of the Company) as the Board may, from time to time, think fit.
  - ii. The Board may also carry forward any profits which it may consider necessary not to divide, without setting them aside as a reserve.
- 83.
- i. Subject to the rights of persons, if any, entitled to shares with special rights as to dividends, all dividends shall be declared and paid according to the amounts paid or credited as paid on the shares in respect whereof the dividend is paid, but if and so long as nothing is paid upon any of the shares in the Company, dividends may be declared and paid according to the amounts of the shares.

- ii. No amount paid or credited as paid on a share in advance of calls shall be treated for the purposes of this regulation as paid on the share.
  - iii. All dividends shall be apportioned and paid proportionately to the amounts paid or credited as paid on the shares during any portion or portions of the period in respect of which the dividend is paid; but if any share is issued on terms providing that it shall rank for dividend as from a particular date such share shall rank for dividend accordingly. That there shall be no forfeiture of unclaimed dividends before the claim becomes barred by law.
84. a. The Board may deduct from any dividend payable to any member all sums of money, if any, presently payable by him to the Company on account of calls or otherwise in relation to the shares of the Company.
- b. The Board may retain dividends payable upon shares in respect of which any person is, under the Transmission Clause hereinbefore contained, entitled to become a member, until such person shall become a member in respect of such shares.
85. i. Any dividend, interest or other monies payable in cash in respect of shares may be paid by cheque or warrant sent through the post directed to the registered address of the holder or, in the case of joint holders, to the registered address of that one of the joint holders who is first named on the register of members, or to such person and to such address as the holder or joint holders may in writing direct.
- ii. Every such cheque or warrant shall be made payable to the order of the person to whom it is sent.
- iii. Payment in any way whatsoever shall be made at the risk of the person entitled to the money paid or to be paid. The Company will not be responsible for a payment which is lost or delayed. The Company will be deemed to having made a payment and received a good discharge for it if a payment using any of the foregoing permissible means is made.
86. Any one of two or more joint holders of a share may give effective receipts for any dividends, bonuses or other monies payable in respect of such share.
87. Notice of any dividend that may have been declared shall be given to the persons entitled to share therein in the manner mentioned in the Act.
88. a. No dividend shall bear interest against the Company.
- b. The waiver in whole or in part of any dividend on any share by any document (whether or not under seal) shall be effective only if such document is signed by the member (or the person entitled to the share in consequence of the death or bankruptcy of the holder) and delivered to the Company and if or to the extent that the same is accepted as such or acted upon by the Board.

## **ACCOUNTS**

89. i. The Board shall from time to time determine whether and to what extent and at what times and places and under what conditions or regulations, the accounts and books of the Company, or any of them, shall be open to the inspection of members not being directors.
- ii. No member (not being a director) shall have any right of inspecting any account or book or document of the Company except as conferred by law or authorised by the Board or by the Company in general meeting.

## **WINDING UP**

90. Subject to the provisions of Chapter XX of the Act and rules made thereunder-
- i. If the Company shall be wound up, the liquidator may, with the sanction of a special resolution of the Company and any other sanction required by the Act, divide amongst the members, in specie or kind, the

whole or any part of the assets of the Company, whether they shall consist of property of the same kind or not.

- ii. For the purpose aforesaid, the liquidator may set such value as he deems fair upon any property to be divided as aforesaid and may determine how such division shall be carried out as between the members or different classes of members.
- iii. The liquidator may, with the like sanction, vest the whole or any part of such assets in trustees upon such trusts for the benefit of the contributories if he considers necessary, but so that no member shall be compelled to accept any shares or other securities whereon there is any liability.

## **INDEMNITY AND INSURANCE**

91. (a) Subject to the provisions of the Act, every director, managing director, whole-time director, manager, Company secretary and other officer of the Company shall be indemnified by the Company out of the funds of the Company, to pay all costs, losses and expenses (including travelling expense) which such director, manager, Company secretary and officer may incur or become liable for by reason of any contract entered into or act or deed done by him in his capacity as such director, manager, Company secretary or officer or in any way in the discharge of his duties in such capacity including expenses.
- (b) Subject as aforesaid, every director, managing director, manager, Company secretary or other officer of the Company shall be indemnified against any liability incurred by him in defending any proceedings, whether civil or criminal in which judgement is given in his favour or in which he is acquitted or discharged or in connection with any application under applicable provisions of the Act in which relief is given to him by the Court.
- (c) The Company may take and maintain any insurance as the Board may think fit on behalf of its present and/or former directors and key managerial personnel for indemnifying all or any of them against any liability for any acts in relation to the Company for which they may be liable but have acted honestly and reasonably.

## **92. OTHERS**

### **A. JOINT HOLDERS**

Where two or more persons are registered as joint holders (not more than three) of any share, they shall be deemed (so far as the Company is concerned) to hold the same as joint tenants with benefits of survivorship, subject to the following and other provisions contained in these Articles:

- (a) The joint-holders of any share shall be liable severally as well as jointly for and in respect of all calls or instalments and other payments which ought to be made in respect of such share.
- (b) On the death of any one or more of such joint- holders, the survivor or survivors shall be the only person or persons recognized by the Company as having any title to the share but the Directors may require such evidence of death as they may deem fit, and nothing herein contained shall be taken to release the estate of a deceased joint-holder from any liability on shares held by him jointly with any other person.
- (c) Any one of such joint holders may give effectual receipts of any dividends, interests or other moneys payable in respect of such share.
- (d) Only the person whose name stands first in the register of members as one of the joint-holders of any share shall be entitled to the delivery of certificate, if any, relating to such share or to receive notice (which term shall be deemed to include all relevant documents) and any notice served on or sent to such person shall be deemed service on all the joint-holders.
- (e) (i) Any one of two or more joint-holders may vote at any meeting either personally or by attorney or by proxy in respect of such shares as if he were solely entitled thereto. If more than one of such joint- holders be present at any meeting personally or by proxy or by attorney then that one of such persons so present whose name stands first or higher (as the case may be) on the register in respect of such shares shall alone be entitled to vote in respect thereof but the other or others of the joint-holders shall be entitled to vote in preference to a joint-holder present by attorney or by proxy. However, the name of such joint-holder present by any attorney or proxy stands first or higher (as the case may be) in the register in respect of such shares.

Several executors or administrators of a deceased member in whose (deceased member) sole name any share stands, shall for the purpose of this clause be deemed joint-holders.

- (f) The provisions of these Articles relating to joint holders of shares shall *mutatis mutandis* apply to any other securities including debentures of the Company registered in joint names.

## **B. POWER OF DIRECTORS FOR DECLARATION OF BONUS ISSUE**

Whenever such a resolution as aforesaid shall have been passed, the Board shall:

- i. make all appropriations and applications of the undivided profits resolved to be capitalised thereby, and all allotments and issues of fully paid shares or other securities, if any; and
- ii. generally, do all acts and things required to give effect thereto.

Notwithstanding anything contained in these Articles, in the event of any issue of shares including but not limited to bonus issue, rights issue, consolidation, subdivision, or any corporate action resulting in fractional entitlements, the Board of Directors shall have the power to:

- (a) round off fractional entitlements to the nearest whole number as it may deem fit; or
- (b) aggregate all fractional entitlements and dispose of the same in such manner as it may think fit and distribute the net proceeds proportionately among the members entitled thereto; or
- (c) ignore fractional entitlements; or
- (d) make such provision as it may deem fit in the interest of the Company and its members.

The decision of the Board in this regard shall be final and binding on all members.

## **C. POWERS OF BOARD**

The management of the business of the Company shall be vested in the Board and the Board may exercise all such powers, and do all such acts and things, as the Company is by the memorandum of association or otherwise authorized to exercise and do, and, not hereby or by the statute or otherwise directed or required to be exercised or done by the Company in general meeting but subject nevertheless to the provisions of the Act and other laws and of the memorandum of association and these Articles and to any regulations, not being inconsistent with the memorandum of association and these Articles or the Act, from time to time made by the Company in general meeting provided that no such regulation shall invalidate any prior act of the Board which would have been valid if such regulation had not been made.

## **D. REGISTERS**

The Company shall keep and maintain at its registered office all statutory registers namely, register of charges, register of members, register of debenture holders, register of any other security holders, the register and index of beneficial owners and annual return, register of loans, guarantees, security and acquisitions, register of investments not held in its own name and register of contracts and arrangements for such duration as the Board may, unless otherwise prescribed, decide, and in such manner and containing such particulars as prescribed by the Act and the Rules. The registers and copies of annual return shall be open for inspection during 11.00 a.m. to 1.00 p.m. on all working days, other than Saturdays, at the registered office of the Company by the persons entitled thereto on payment, where required, of such fees as may be fixed by the Board but not exceeding the limits prescribed by the Rules.

- (a) The Company may exercise the powers conferred on it by the Act with regard to the keeping of a foreign register; and the Board may (subject to the provisions of the Act) make and vary such regulations as it may think fit respecting the keeping of any such register.
- (b) The foreign register shall be open for inspection and may be closed, and extracts may be taken therefrom and copies thereof may be required, in the same manner, *mutatis mutandis*, as is applicable to the register of members.

## **E. GENERAL POWER**

Wherever in the Act, it has been provided that the Company shall have any right, privilege or authority or that the Company could carry out any transaction only if the Company is so authorized by its articles, then and in that case this Article authorizes and empowers the Company to have such rights, privileges or authorities and to carry such transactions as have been permitted by the Act, without there being any specific Article in that behalf herein provided.
