

The NSE Board at its meeting held on 28<sup>th</sup> January 2014 discussed the recommendations of the Advisory Committees and decided that efforts be made to implement the above recommendations by the Exchange.

<b>Sr. No.</b>	<b>Recommendation of the Advisory Committee</b>
1	To look into the various operational aspects of the MFSS systems such as ECS, SIP.
2	To communicate the latest measures taken by the Exchange such as cross margining benefits and introduction of equity ETFs in SLB segment to trading members.
3	To reduce trading costs in ETFs and make it competitive.
4	To approach the regulator for enhancing position limits of ETFs in SLBM.
5	To approach the regulator to remove regulatory restriction on the Currency Derivatives Segment.
6	To provide a bouquet of Interest Rate products like Credit Default Swap, Interest Rate Swap, etc. under one umbrella.
7	To allow netting in various products of Interest Rate Futures which will help banks to provide less capital requirement.
8	To refrain from adding to the cost or time of a listing on ITP by adding any diligence processes, unless the company has applied through the option of availing facility from a scheduled bank.
9	To engage with the angel, venture capital, banking and CA community to spread awareness and attract good quality companies for listing on ITP.
