

The NSE Board at its meeting held on 14th November, 2013 discussed the recommendations of the Advisory Committees and decided that efforts be made to implement the above recommendations by the Exchange

Sr. No.	Recommendation of the Advisory Committee
1	To approach the regulator for introducing market making in ETFs
2	To introduce Market making in top ETFs based on their volume and not all broad based ETFs
3	To start communicating to the broker dealers through brokers terminals rather than displaying the information on the web-site
4	To approach wealth managers for promoting Global indices
5	To approach the regulator for enhancing the position limits in the SLB segment
6	To approach the regulator to remove regulatory restriction on the Currency Derivative segment
7	To organise awareness programmes on trading in other currency pairs
8	To organize more programs to create awareness about the new debt product and also to enhance participation / liquidity in the new debt segment
9	To approach Provident Funds, Wealth Managers and Private portfolio managers for new business opportunities in the new debt segment
10	To evaluate introduction of Bond ETF product
11	To come up with an incentive structure for distribution which is currently available for similar products (Mutual Funds, Corporate FDs)
12	To circulate the latest developments to the market on a regular basis
13	To make a representation to the regulator to remove the market making requirement in SME
14	To enhance liquidity, a representation be made to the regulator to make the trading lots smaller
