

Headline: NSE Academy invites applications for full time and Executive PGCP in Global Financial Markets

Source: The Tribune

Date: 28 June 2017

Financial literacy courses

NSE Academy, a wholly owned subsidiary of India's leading stock exchange National Stock Exchange of India Ltd. (NSE), is all set to offer Post-Graduate Certificate Programme in Global Financial Markets (PGCP-GFM).

The full-time PGCP-GFM & Executive Weekend PGCP-GFM are highly specialised programmes being offered for the first time in India with 13 global regulatory certifications in financial markets from USA (two papers) and India.

Both the programmes are of 11-month duration with 30 papers, which will be taught over three trimesters.

PGCP-GFM has been designed by market professionals, keeping in mind demands from a large number of captive units of MNCs, KPOs and other companies spread across multiple geographies. The programme is designed to meet the expectations of professionals who are aspiring to pursue a career in global financial markets.

In addition to the PGCP-GFM from NSE Academy, participants will also receive 13 global regulatory certifications in financial markets from USA and India, as a proof of their competency and skills in financial markets.

They will also be exposed to the best market practices during a week-long Singapore Immersion programme.

The course includes two papers from US's FINRA or the Financial Industry Regulatory Authority, an independent regulator for all securities' firms doing business in the United States.

An added advantage is that the candidates will be given the opportunity to develop financial market acumen, through exposure to the best market practices through their Singapore Immersion Programme.

PGCP-GFM offers market skill development through

simulated and live market.

Admission criteria

There are two distinct admission procedures in place for the full time PGCP-GFM & Executive Weekend PGCP-GFM. Full time classes will start from July 27, 2017 while batches of working executives will begin from September 30, 2017.

Candidates with 50 per cent marks in graduation, who have qualified any of the tests like CAT, GMAT, XAT, CMAT, ATMA are eligible to apply and will not have to appear for the online admission test. Other candidates can apply for NSE's

online test.

Applicants will be short listed based on the test score, academic profile and interview (video/skype) interview for outstation candidates. Candidates with professional qualifications and experience will be given preference.

In the case of working executives, 2 years of work experience is essential to be eligible for the programme and they can apply till July 31, 2017.

PGCP-GFM will be offered by NSE Academy from New Delhi, Mumbai, Chennai and Hyderabad.
