## **NSE seeks applicants for posts of MD and CEO**

Beginning the recruitment process, the National Stock Exchange of India Ltd (NSE) has invited applications to fill the vacuum created by surprise exit of Chitra Ramkrishna as Managing Director and Chief Executive. "The board of directors of NSE desires to recruit a Managing Director and Chief Executive Officer for the organisation," the exchange said in a public notice. "As part of the recruitment process, the board seeks applications from qualified professionals for the post," it further said. Interested candidates, who are required to be seasoned professionals with minimum 20 years of experience, have to submit their applications latest by January 11, 2017. The applications would be shortlisted by a four-member selection committee which has been recently formed by the stock exchange. "The selection committee, after following the due selection process, will recommend name(s) to the nomination and remuneration committee and board of the NSE for appropriate decision," the exchange said.
