## short stories

### **CERTIFICATE PROGRAMME IN GLOBAL FINANCIAL MARKETS**

National Stock Exchange of India Ltd (NSE) is inviting applications for its post-graduate certificate programme in global financial markets:

The full-time and executive week-end programmes are specialised programmes being offered for the first time in India with 13 global regulatory certifications in financial markets from USA (two papers) and the Indian.

Both the programmes are 11 months long with 30 papers. They will be taught over three trimesters.

Candidates with 50% marks in graduation, who have qualified any of the tests like CAT, GMAT, XAT, CMAT, ATMA, are eligible to apply and will not have to appear for the online admission test.

Full time classes will start from July 27, while batches for working executives will begin September 30.
