### Chapter III – Day count convention, disclosure of cash flows and other disclosures in the offer document<sup>4</sup>

[See Regulation 14, Clause 2.2.27 of Schedule I and Clause 2.3.22 of Schedule II of SEBI NCS Regulations, 2021]

1. The cash flows emanating from the non-convertible securities according to the day count convention (Actual/ Actual) shall be mentioned in the offer document, by way of an illustration.
2. For the purpose of standardization, if the coupon/ dividend payment date of the non- convertible securities falls on a Sunday or a holiday, the coupon payment shall be made on the next working day. However, the dates of the future payments would continue to be as per the schedule originally stipulated in the offer document.
3. If the maturity date of the debt securities, falls on a Sunday or a holiday, the redemption proceeds shall be paid on the previous working day.
4. In order to ensure consistency, a uniform methodology shall be followed for calculation of interest/ dividend payments in the case of leap year. If a leap year (i.e. February 29) falls during the tenor of a security, then the number of days shall be reckoned as 366 days (Actual/ Actual day count convention) for the entire year, irrespective of whether the interest/ dividend is payable annually, half yearly, quarterly or monthly.
5. A sample illustration is given below:

Table 1: Illustration depicting computation of days regarding coupon and redemption

Name of the issuer		XYZ Limited	
Face Value (per security)		10,00,000	
Tranche Issue date/ Date of allotment		Monday, December 14, 2020	
Date of redemption		Sunday, December 14, 2025	
Tenure and coupon rate		5 years; 8.95% p.a.	
Frequency of the interest/ dividend payment (with specified dates)		Annually; First interest/ dividend shall become payable on December 14, 2021 and subsequently on 14 <sup>th</sup> December every year, till maturity/ redemption.	
Day Count Convention		Actual/ Actual	
Cash Flows	Day and date for coupon/ redemption becoming due	Number of days for denominator	Amount (in Rupees)
1st Coupon	Tuesday, December 14, 2021	365	89,500
2nd Coupon	Wednesday, December 14, 2022	365	89,500
3rd Coupon	Thursday, December 14, 2023	365	89,500
4th Coupon	Monday, December 16, 2024	366	89,500
5th Coupon	Friday, December 12, 2025	365	89,500
Principal	Friday, December 12, 2025	-	10,00,000
<b>Total</b>		-	<b>14,47,500</b>

<sup>4</sup> CIR/IMD/DF/18/2013 dated October 29, 2013; CIR/IMD/DF/12/2014 dated June 17, 2014; and CIR/IMD/DF-1/122/2016 dated November 11, 2016;

In the above illustration, the year 2024 being a leap year has 29 days in February 2024. This implies that 366 days would be reckoned as the denominator (Actual/Actual), for payment of interest/ dividend. Further, December 14, 2024 falls on a Saturday which being the second Saturday will be a banking holiday. Hence, the 4<sup>th</sup> coupon payment shall be made on the next working day i.e. December 16, 2024. However, the calculation for payment of interest shall be only till December 13, 2024, which would have been the case if December 14, 2024 was not a holiday. This shall not affect the subsequent coupon payment and it shall continue to fall due on December 14, 2025, i.e. original coupon payment schedule. However, since December 14, 2025 falls on a Sunday, the redemption (i.e. principal and the 5<sup>th</sup>/last coupon payment) shall be made on the previous working day i.e. on December 12, 2025.

## Chapter XII - Fund raising by issuance of debt securities by large corporate<sup>12</sup>

[See Regulation 20 of SEBI NCS Regulations, 2021]

With a view to operationalize the Union Budget announcement for FY2018-19, which, inter-alia, stated "SEBI will also consider mandating, beginning with large entities, to meet about one-fourth of their financing needs from the debt market", SEBI came out with a discussion paper on July 20, 2018. Based on the feedback received on the discussion paper and wider consultation with market participants including entities, the detailed provisions for operationalising the above budget announcement are given below.

### 1. Applicability of framework:

- 1.1. For entities following April - March as their financial year, this framework is applicable with effect from April 01, 2019 and for the entities which follow calendar year as their financial year, the framework is applicable with effect from January 01, 2020.

Explanation: The term 'Financial Year' here would imply April - March or January - December, as may be followed by an entity. Thus, FY2020 shall mean April 01, 2019 - March 31, 2020 or January 01, 2020 - December 31, 2020, as the case may be.

- 1.2. The framework shall be applicable for all listed entities (except for Scheduled Commercial Banks), which as on last day of the FY (i.e. March 31 or December 31):

- a) have their specified securities or debt securities or non-convertible redeemable preference shares, listed on a recognised stock exchange(s) in terms of SEBI LODR Regulations, 2015; and
- b) have an outstanding long term borrowing of Rs. 100 crore or above, where outstanding long-term borrowings shall mean any outstanding borrowing with original maturity of more than one year and shall exclude external commercial borrowings and inter-corporate borrowings between a parent and subsidiary(ies); and
- c) have a credit rating of "AA and above", where credit rating shall be of the unsupported bank borrowing or plain vanilla bonds of an entity, which have no structuring/ support built in; and in case, where an issuer has multiple ratings from multiple rating agencies, the highest of such ratings shall be considered for the purpose of applicability of this framework.

### 2. Framework:

- 2.1. A listed entity, fulfilling the criteria as specified at paragraph 1.2 above, shall be considered as a "Large Corporate" (LC) and such LC shall raise not less than

---

<sup>12</sup> SEBI/HO/DDHS/CIR/P/2018/144 dated November 26, 2018;

25% of its incremental borrowings, during the financial year subsequent to the financial year in which it is identified as a LC, by way of issuance of debt securities, as defined under SEBI NCS Regulations, 2021.

Explanation: For the purposes of this circular, the expression "*incremental borrowings*" shall mean any borrowing done during a particular financial year, of original maturity of more than one year, irrespective of whether such borrowing is for refinancing/repayment of existing debt or otherwise and shall exclude external commercial borrowings and inter-corporate borrowings between a parent and subsidiary(ies).

2.2. For an entity identified as a LC, the following shall be applicable:

- a) For FY2020 and FY2021, the requirement of meeting the incremental borrowing norms shall be applicable on an annual basis. Accordingly, a listed entity identified as a LC on last day of FY2019 and FY2020, shall comply with the requirement as laid down under paragraph 2.1, by last day of FY2020 and FY2021, respectively.
- b) Provided that in case where a LC is unable to comply with the above requirement, it shall provide an explanation for such shortfall to the stock exchanges, in the manner as prescribed at paragraph 3 below.
- c) From FY2022, the requirement of mandatory incremental borrowing by a LC in a FY will need to be met over a contiguous block of two years. Accordingly, a listed entity identified as a LC, as on last day of FY "T-1", shall have to fulfil the requirement of incremental borrowing for FY "T", over FY "T" and "T+1".
- d) However, if at the end of two years i.e. last day of FY "T+1", there is a shortfall in the requisite borrowing (i.e. the actual borrowing through debt securities is less than 25% of the incremental borrowings for FY "T"), a monetary penalty/ fine of 0.2% of the shortfall in the borrowed amount shall be levied and the same shall be paid to the stock exchange(s).

### 3. Disclosure requirements for large entities:

3.1. A listed entity, identified as a LC under the instant framework, shall make the following disclosures to the stock exchanges, where its security(ies) are listed:

- a) Within 30 days from the beginning of the FY, disclose the fact that they are identified as a LC, in the format as provided at **Annex - XII-A**.
- b) Within 45 days of the end of the FY, the details of the incremental borrowings done during the FY, in the formats as provided at **Annex - XII-B1** and **Annex - XII-B2**.

3.2. The disclosures made in terms of paragraph 3.1 above shall be certified both by the CS and the CFO of the LC.

3.3. Further, the disclosures made in terms of paragraph 3.1 above shall also form part of audited annual financial results of the entity.

3.4. The details of the framework as mentioned under paragraph 2 above and disclosure requirements as mentioned under paragraph 3.1 above, are illustrated in **Annex - XII-C**.

#### **4. Responsibilities of stock exchanges:**

4.1. The stock exchange(s) shall collate the information about the LC, disclosed on their platform, and shall submit the same to the Board within fourteen days of the last date of submission of annual financial results.

4.2. In the event of a short fall in the requisite borrowing, the stock exchanges shall collect the fine as mentioned at paragraph 2.2(d) above. The fine so collected shall be remitted by the stock exchanges to SEBI Investor Protection and Education Fund within 10 days from the end of the month in which the fine was collected.

**Format of the initial disclosure to be made by an entity identified as a Large Corporate (to be submitted to the stock exchange(s) within 30 days from the beginning of the FY)**

### Chapter XIII - Issuance, listing and trading non-equity regulatory capital<sup>13</sup>

[See Chapter V of SEBI NCS Regulations, 2021]

1. PDIs, PNCPS, PCPS, RNCPS, RCPS, debt instruments and instruments of similar nature which are essentially non-equity regulatory instruments, forming part of a bank's or NBFC's capital, issued as per RBI stipulations and listed in terms of Chapter V of the SEBI NCS Regulations, 2021.
2. These instruments have certain unique features which, *inter-alia*, grant the issuer (in consultation with RBI) a discretion in terms of writing down the principal/ interest, to skip interest payments, to make an early recall etc. without commensurate right for investors to legal recourse, even if such actions of the issuer might result in potential loss to investors.
3. Given the nature and contingency impact of these instruments and the fact that full import of the discretion is available to an issuer, may not be understood in the truest form by retail individual investors, the matter was discussed in SEBI's advisory committee on the development of corporate bond market in India viz. CoBoSAC. Based on the recommendations of the CoBoSAC, the following shall be the additional framework related to issuance, listing and trading of PDIs, PNCPS or instruments of similar nature by whatever name called (debt instruments, RNCPS, RCPS, etc.) and proposed to be listed:
  - 3.1. Investors: Issuers and stock exchanges shall ensure that only QIBs are allowed to participate in the issuance of all these non-equity regulatory capital instruments mentioned at paragraph 1 above.
  - 3.2. Allotment size, face value and trading lot: The minimum allotment size, face value and trading lot size of these instruments shall be as specified in Chapter V of this circular.
  - 3.3. Other requirements: Issuers, in addition to making disclosures as per Schedule II of the SEBI NCS Regulations, 2021, shall also make following specific disclosures about the following:
    - a) Details of all the conditions upon which the call option will be exercised by them for these instruments, in the placement memorandum.
    - b) Risk factors, to include all the inherent features of these instruments highlighted at paragraph 2 above.
    - c) Point of Non Viability clause: The absolute right, given to the RBI, to direct an issuer to write down the entire value of its outstanding these instruments/ bonds, if it thinks the bank has passed the PONV, or requires a public sector capital infusion to remain a going concern.
