CAPITAL MARKETS

AT JINDAL SCHOOL OF BANKING & FINANCE IN COLLABORATION
WITH NSE ACADEMY LTD.

About NSE Academy

NSE Academy Limited is a wholly owned subsidiary of National Stock Exchange of India Limited (NSE) which carries out several educational initiatives such as certification programs, investor seminars, development of educational materials on financial markets etc. NSE Academy promotes financial literacy and skill oriented financial markets courses. NSE Academy has also introduced an online examination system for testing and certification called NSE Academy's Certification in Financial Markets (hereinafter called as "NCFM").

JGU | O.P. JINDAL JGU GLOBAL UNIVERSITY

O.P. Jindal Global University (JGU) is a non-profit global university established by the Government of Haryana and recognised by the University Grants Commission (UGC). JGU was established as a philanthropic initiative of its Founding Chancellor, Mr. Naveen Jindal in memory of his father, Mr. O.P. Jindal. JGU is one of the few universities in Asia that maintains a 1:9 faculty-student ratio and appoints faculty members from India and different parts of the world with outstanding academic qualifications and experience. JGU is a research intensive university, which is deeply committed to its core institutional values of interdisciplinary and innovative pedagogy; pluralism and rigorous scholarship; and globalism and international engagement.

Digital Platforms

The digital platforms provide the participants with a wealth of opportunities to learn the financial markets at their fingertips. These platforms complement the regular program pedagogy with an intuitive user-friendly interface that effectively interacts with students - the digital natives - and makes learning engaging.

NSE Knowledge Hub

NSE Knowledge Hub is a Learning Experience Platform (LXP) with machine learning and AI capabilities which creates a unified, relevant, and engaging learning experience for building skills and capabilities in BFSI and technology.

AI-powered Learning Experience

Personalized content recommendation based on learning progress and preferences

Curated from across the World

from industry experts, subject matter experts, and partner entities

Content on wide range of topics

covering banking, mutual funds, derivatives, insurance, financial planning, etc.

Digital Badges

shareable on LinkedIn for enhanced visibility of profile among potential recruiters

Systematic Learning Plans (SLPs)

structured, systematic and self-paced learning experience

Accessible on smartphones, tablets, laptops & desktops

convenient 'anytime, anywhere' learning

NSE SMART

NSE SMART is a simulated market trading platform that reproduces the features of a live equity/derivative/currency derivative market on a computer. The platform enables participants to build hands-on exposure to trading and trading strategies, without any financial risk. The platform also features simulator modes that replicate real-world trading environment.

Price Feeds

straight from NSE's Trading Sessions

Near Real-time Market Data

trailing by just 15 minutes

Multiple Segments

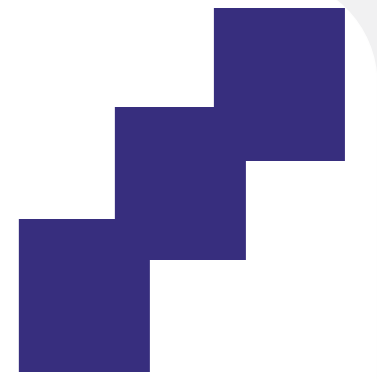

Equity, Currency, Futures & Options

Virtual Money

Virtual Money

NOTE:

- *The Regulatory Certifications are administered by the National Institute of Securities Markets (NISM). NISM Certifications are regulatory requirement for associated persons engaged in certain specific roles in the Indian financial markets.*
- *The Internships (onsite or online) will be with a financial market institution or intermediary, and not with NSE or any of its Group Companies.*
