Mumbai, 12 February 2024

NSE inaugurates Investors Service Centre in Coimbatore with SEBI & BSE

Investor services, awareness & protection are the key functions of stock exchanges.

In order to cater to the needs of investors of securities markets in the state of Tamil Nadu, SEBI along with stock exchanges NSE and BSE has established an “Investor Service Centre” at Coimbatore.

The Investors Service Centre managed by NSE was inaugurated by Shri Sundaresan V. S. – Executive Director, SEBI on February 12, 2024, along with senior officials from SEBI, BSE and NSE.

Shri Ashishkumar Chauhan, NSE MD & CEO, said: “The Investor Service Centre will facilitate resolution of complaints of investors against listed corporate entities and other registered intermediaries in the securities market and will also facilitate conducting of investor awareness programs in the state.”

ISC in Coimbatore will be centre of learning, interaction, and knowledge sessions around all the investment related products and queries like Mutual Funds, Exchange Traded Funds, Sovereign Gold Bonds, Real Estate Investment Trust (REITs), Infrastructure Investment Trust (InvITs), etc. The centre will be open to all the investors who are keen to learn, understand and invest in the securities market.

Investors may make use of the services of Investor Service Centre located at Coimbatore at following address as a single window contact for investor services:

About National Stock Exchange of India Limited (NSE):

National Stock Exchange of India (NSE) is the world's largest derivatives exchange by trading volume (contracts) as per the statistics maintained by Futures Industry Association (FIA) for calendar year 2023. NSE is ranked 3rd in the world in equity segment by number of trades (electronic order book) in 2023, as per the statistics maintained by World Federation of Exchanges (WFE). NSE was the first exchange in India to implement electronic or screen-based trading. It began operations in 1994 and is ranked as the largest stock exchange in India in terms of total and average daily turnover for equity shares every year since 1995, based on SEBI data. NSE has a fully integrated business model comprising exchange listings, trading services, clearing and settlement services, indices, market data feeds, technology solutions and financial education offerings. NSE also oversees compliance by trading, clearing members and listed companies with the rules and regulations of SEBI and the exchange. NSE is a pioneer in technology and ensures the reliability and performance of its systems through a culture of innovation and investment in technology.
