Mumbai, 27 February 2024

### **NSE Data and Analytics wins the 14<sup>th</sup> Aegis Graham Bell Awards (AGBA) for ‘Innovation in Finance.’**

NSE FixedIn India’s first fully integrated web-based fixed income analytics platform offered by NSE Data and Analytics Limited (NSE Data) wins the 14<sup>th</sup> edition of Aegis Graham Bell Awards (AGBA) in the ‘Innovation in Finance’ category.

Aegis Graham Bell Award is India’s largest innovation award and the 14<sup>th</sup> edition is supported by the Ministry of Electronics and Information Technology, Government of India. It aims to recognise and support innovations across sectors. The winners of the 14<sup>th</sup> edition of Aegis Graham Bell Awards (AGBA) were announced in an event held in New Delhi on February 21, 2024, wherein Shri. Nitin Gadkari, Honourable Minister for Road Transport & Highways, Government of India congratulated the winners and finalists.

NSE FixedIn, with its seamless interface and advanced capabilities, provides investors with a comprehensive suite of tools like performance attribution and portfolio analyser to gain insights into fixed income portfolios and securities, through a highly interactive and user-friendly web-based interface. NSE FixedIn is available on a subscription basis.

Shri Mukesh Agarwal, CEO, NSE Data and Analytics Limited, said “NSE FixedIn empowers fixed income investors and asset managers with accurate and robust analytical tools to navigate the complex fixed income markets more effectively in terms of time, cost, and effort. It allows market participants to optimize portfolio performance and navigate the ever-evolving financial landscape with ease. We are very encouraged by the response NSE FixedIn has received from the market participants. We will continuously innovate and add new features to the NSE FixedIn platform as the markets evolve and leverage advanced technologies to enable more sophisticated analytics.”

Shri Sriram Krishnan, CBDO, NSE, said “NSE, as one of the most prominent exchanges of the world, has the vision of being at the forefront of providing innovative solutions to the market. With the fixed-income market in India set to grow exponentially in the coming years, NSE FixedIn will support our vision, enabling market participants to make informed investment decisions by offering rich insights into the fixed income markets. NSE FixedIn will act as catalyst towards the development of India’s fixed income market by providing cutting-edge analytics that fosters market growth.”
