EDGE-BFSI: Enabling Digital Growth Experience for BFSI Professionals

Limited Seats!

In today's dynamic corporate landscape, the success of any organization hinges significantly on the competence and agility of its workforce.

Recognizing this imperative, we present the **3E EMPLOYEE SKILL+ Program, powered by #THREE** that is a transformative leap into the realm of employee development, offering a cohesive and dynamic framework for nurturing talent, driving performance excellence, and fostering a culture of innovation and growth.

Enable Potential -> Equip Performance -> Empower Progress

These pillars, rooted in the realms of Behavioural, Technical, and Functional skills, form the cornerstone of the transformative learning journey.

Program Overview

EDGE-BFSI: Enabling Digital Growth Experience for BFSI Professionals is a training program designed to provide banking, financial services, and insurance (BFSI) professionals with the skills and strategies needed in the digital landscape.

This program provides participants with sales techniques tailored to the digital BFSI industry, enabling them to effectively engage with clients and drive revenue through strategic sales initiatives. Attendees will gain insights into analysing customer needs, developing targeted sales approaches, and building long-lasting relationships with clients.

Program Objective

By the end of the program, participants will be able to:

 Apply advanced sales techniques tailored to the digital banking, financial services, and insurance industry

 Identify skills to analyse customer needs and sales strategy gaps, enabling strategic decisions

 Engage with clients and drive revenue through targeted strategic sales in an effective manner

 Build capability for long-lasting client relationships and effectively cross-sell and upsell financial products and services

Key Program Takeaways

.....
Understanding customer insights and strategies for crafting sales communication in the digital BFSI sector
.....

.....
Developing negotiation and objection-handling skills effectively in the digital space
.....

.....
Providing insights into cross-selling and upselling strategies in the digital BFSI sector
.....

Ideal For

Any banking and finance sales professional with a minimum of 1 year of experience in the industry.

Methodology

A workshop with a focus on delivering experiential learning to learners through gamified activities, role plays, discussions, presentations, peer learning activities, self-evaluation tools etc.

Benefits

Learners will learn and apply sales and communication techniques effectively in the digital BFSI sector to analyse and engage prospective customers, drive revenue, and build better customer relations through strategic sales campaigns.
