LEAP

Learn. Elevate. Advance. Progress

Workshop for First Time Managers

 21st & 22nd June, 2024

Limited Seats!

In today's dynamic corporate landscape, the success of any organization hinges significantly on the competence and agility of its workforce.

Recognizing this imperative, we present the **3E EMPLOYEE SKILL+ Program, powered by #THREEE** that is a transformative leap into the realm of employee development, offering a cohesive and dynamic framework for nurturing talent, driving performance excellence, and fostering a culture of innovation and growth.

Enable Potential -> Equip Performance -> Empower Progress

These pillars, rooted in the realms of Behavioural, Technical, and Functional skills, form the cornerstone of the transformative learning journey.

Program Overview

LEAP (Learn.Elevate.Advance.Progress) - Workshop for First Time Managers is a training program designed to empower newly promoted associates, first-time team leaders, managers, and aspirational team members from a functional point of view. This workshop focuses on providing participants with the skills and strategies needed in their managerial roles.

Through practical exercises and interactive sessions, attendees will learn how to build influence in the workplace, delegate tasks effectively and gain insights into understanding people and situations, improvise their influencing skills, facilitate conflict resolution, collaborate, and build an impactful profitable team dynamics.

Program Objective

By the end of the program, participants will be able to:

Apply strategies to build influence in the workplace

Spot and nurture talent within the team

Discover practical steps to delegate effectively

Understand people to navigate conflict

Build strong inclusive team

Lead effectively by understanding the right leadership style

Key Program Takeaways

1 Gain deeper insights on understanding people and situations

2 Influence effectively to get the job done.

3 Facilitate conflict resolution and collaboration within teams

4 Master delegation techniques and time management for superior results

5 Assess the ROI of a project being handled by managers

Ideal For

- ✓ Newly promoted associates
- ✓ First time Managers
- ✓ Team Leads
- ✓ Aspirational team members

Methodology

An experiential case study based workshop drawing in participants and mentoring them towards excellence.

Benefits for Enterprise Clients

1 Organize and build efficient teams

2 Enhance collaboration and creativity

3 Improve the happiness quotient and well-being of team leaders and managers
