CURRENCY MARKET (FOREX) -CONCEPTS AND APPLICATION IN TRADING STRATEGIES

ABOUT PROGRAM

The Currency Market Trading Strategies Course is designed to give participants a comprehensive understanding and hands-on experience in currency markets, enabling them to make informed trading decisions. With a variety of currency trading strategies available, we strongly advise practicing virtual trading before diving into the real market. Each individual has distinct goals and resources, which should be considered when choosing the most suitable strategy. Traders can evaluate different strategies based on three criteria:

- ✓ Required time resources
- ✓ Frequency of trading opportunities
- ✓ Typical distance to the target
