NSE Academy and National Institute of Securities Markets (NISM) collaborate to launch joint certificate program

NSE Academy Limited (NAL), a wholly owned subsidiary of the National Stock Exchange (NSE), and the National Institute of Securities Markets (NISM) have entered into a strategic partnership to provide joint certificate program designed to improve the skills and knowledge of both students and professionals in the securities and financial markets.

This collaboration between two industry leaders seeks to address the growing demand for quality education for capacity building in BFSI sector in India, equipping individuals and businesses with the necessary tools and expertise to thrive in the dynamic financial ecosystem. The joint certificate program will be designed to cater to a wide spectrum of learners, from beginners seeking foundational knowledge to experienced professionals looking to upgrade their skills. PG Certificate program in Fintech, a weekend program with campus immersion and capstone projects is the first joint program being offered under this collaboration. NAL and NISM will further offer other programs in areas such as Capital Markets, Risk Management, Financial Analysis, and Regulatory Frameworks, among others.

Speaking on the occasion, Director NISM Shri Sashi Krishnan said: “We are delighted to collaborate with NSE Academy to launch the PG Certificate Program in Fintech, a significant step towards bridging the skill gap in the financial sector. This program, carefully curated with specialized modules such as AI, Block chain, Cybersecurity, Generative AI, and Data Analytics, provides a robust foundation for understanding and applying emerging technologies in finance. At NISM, we remain committed to excellence in financial education, and this collaboration marks a transformative milestone in preparing future-ready talent for the financial markets.”

Speaking on the occasion, Registrar NISM Shri Sunil Kadam said: “We are proud to collaborate with NSE Academy to launch the PG Certificate Program in Fintech. This initiative reflects our shared commitment to fostering innovation and building a future-ready workforce for the financial sector. By combining cutting-edge technologies like AI, Block chain, and Cybersecurity with hands-on learning and real-world applications, this program equips participants with the skills needed to excel in the dynamic fintech ecosystem. Together, we aim to empower professionals to lead the transformative changes shaping India’s financial markets.”

Speaking on the occasion, CEO NSE Academy Ltd. Shri Abhilash Misra said: “NSE Academy and NISM have a shared vision of building future ready talent, and this partnership represents a significant advancement in fostering a more knowledgeable and proficient workforce within India’s rapidly evolving BFSI sector. It is a privilege to collaborate with NISM, nation’s premier institution to provide these specialized programs, which will address the skill gap in the markets.”
